- I acknowledge that acceptance into this Human Powered Vehicle (HPV) Program requires me to make a commitment to be involved in all aspects of this subject, and to be a role model to other Tenison Woods College Students. I acknowledge this course does incur several fees.
- I/We understand completion of this form does not guarantee a position in the HPV Program
- I/We acknowledge the cost could be up to \$150 per event and includes travel and accommodation only, and understand that in respect to each event cost, the college will do its best to keep it to a minimum at the time of booking.
- I/We acknowledge the expectation that students who are competing will travel and stay together, so a reduced fee will not be available if my son/daughter makes alternate arrangements for any event, and that in the event of inclement weather, should alternate accommodation be required, an additional cost may be applicable.
