STUDENT UNIFORM POLICY

Introduction

The College uniform is the most visible symbol of identity for students at Tenison Woods College. It is expected that all students take pride in their appearance and ensure their uniform is well-fitted, clean, neat and worn in a dignified and respectful manner during the school day, while travelling to and from school and at school related functions.

A high standard of personal dress and grooming is required at all times. While students are encouraged to take responsibility for their standards of grooming, parents are expected to send their children to school appropriately groomed.

Policy Statement

As a condition of ongoing enrolment, Tenison Woods College students are required to wear the College uniform in line with the published uniform regulations contained in the Student Planner.

The Uniform Policy of Tenison Woods College is approved by the College Board. The correct wearing of the Tenison Woods College uniform shows that students take pride in themselves and are ready to learn. It presents a positive image of the College and supports the College ethos. The Principal or Principal's delegate has the right to exclude any student from class who does not comply with this Uniform Policy.

Guidelines

- 1) Students are required to wear all aspects of the uniform neatly and according to the published uniform regulations of the College.
- 2) Students are required to wear the uniform with pride and to be aware that the manner in which they are seen to be wearing the uniform determines, for a significant number of people, their image of the College.
- 3) The College Uniform Committee will meet as required to review elements of the uniform and to make recommendations to the Principal and College Board regarding changes to uniform, including the sports uniform.
- 4) All uniform items must be those supplied by approved Tenison Woods College uniform suppliers.

Expectations

Hair is to be clean and brushed or combed to maintain a neat and tidy appearance. Hair is also to be of a singular natural colour and tied up if shoulder length or longer. Students are not to have dreadlocks, rat's tails or other extreme styles and if a student's head is shaved, it is to be a minimum number two cut.
