FRIENDS OF TENISON WORKING PARTY

Tenison Woods College is inviting all old scholars to reconnect through the **Friends of Tenison**. This group has been formed with the goal to strengthen and maintain the connection with former students and staff. Friends of Tenison would like to establish a working party to help organise regular social functions for past parents, scholars and staff.

In 2016, the first 'Shining Light' awards ceremony and formal dinner was held to recognise old scholars who are performing exceptionally well in their field of work or within the community. We're in search of people to continue to make this event a special occasion. If you enjoy event planning, have creative ideas, a desire to contribute and some time to attend regular meetings, we'd like to hear from you.

The working party will be supported by the Tension Woods College Public Relations team where required.
