Tenison Woods College is a dynamic Early Learning to Year 12 Co-educational Catholic College located in Mount Gambier, South Australia. Consisting of approximately 1400 students, the College offers regional and international students access to an exciting array of educational and vocational programs to enable each student to meet their needs and aspirations. The Tenison Woods College motto, ‘Let Your Light Shine’, lies at the heart of our curriculum and pastoral care programs. Based on the Mercy and Marist charisms of providing every child with the opportunity to thrive, the College is proud of its heritage and its commitment to supporting the pastoral care and well-being of all students as we support them in meeting their needs and exceeding their aspirations.

BACKGROUND
Tenison Woods College established an OSHC service in 2013 to meet a growing need within the local school community. The OSHC is a stand-alone service run by Tenison Woods College and will be run from the Multi Purpose Room, next to the Barrie Holmes Stadium. It will be available for children attending school aged 4 up to 13 years.

PHILOSOPHY
Tenison Woods College Out of School Hours Care service is a child-focused service where:
- Children, families and staff are treated as equal and valued individuals;
- The value of play is paramount and children have opportunities for challenge and ongoing learning;
- Children are encouraged to develop to their full potential within a safe, caring and supportive environment that recognises the importance of families for children;
- Through a positive approach, children’s behaviour is guided to build their confidence and self-esteem; and
- The service operates according to a stated philosophy and aims to reflect the local community by encouraging participation and discussion about all issues relevant to the running of the service.
VISION
Tenison Woods College Out of School Hours Care (OSHC) aims to provide a high quality, safe, stimulating and caring environment which offers children numerous opportunities to develop physically, intellectually, socially, emotionally and spiritually. We focus on nurturing positive group relationships, fostering individual self-worth and self-esteem and making strong links to the school community. Parents/Carers can feel secure knowing that their children are safe and happy.

ENROLMENT
Interested families are welcome to make a time to visit the service for an orientation. During this time we can discuss the expectations of your family, the service and your child's needs. Enrolment forms are available on our website (www.tenison.catholic.edu.au), the Front Office and the OSHC room. Priority of access is given to children at risk and children with working parents.

CLOSURE AND LATE FEES
The service closes at 6.00pm, if a child is collected after closing time a fee of $5 for every 15 minutes or part thereof will apply.

If a parent/carer is expected to be late collecting the child/ren, staff at the program must be notified as soon as possible. Late pick up will be documented on the sign in/sign out sheet and forwarded to the Administration/Accounts Department.

If a parent/carer is continually late arriving at the service to collect their child, the Director will discuss alternate care options with the parent.

UNPAID FEES
14 Days Overdue: 'Friendly Reminder' - Yellow Sticker
21 Days Overdue: 'Final Notice Payment Within 7 Days or Legal Action will be taken' - Red Sticker
28 Days Overdue: Your child/children will be denied access to the service until all outstanding debts are paid. The Director will be informed when children have been denied access to the service.

ACCOUNT PAYMENT PROCESS
Accounts will be processed every week; you will receive an account via email or post. It is the families responsibility to keep postal and email address details updated and to request hard copies if you have any computer issues. Payment options include; EFTPOS, Cheques or Cash, these options can be carried out online, via post or in person.

If you prefer to pay by direct debit you will need to contact the school for specific information needed for this process. Where families experience genuine hardship, they may be entitled to a Special Child Care Benefit. This can be arranged with the Director.

DROPPING OFF AND COLLECTING CHILDREN
Children attending Before School Care must be signed in by their parent or carer and signed out by an OSHC educator.

Children attending After School Care must report to the Multi Purpose Room as soon as possible after school is dismissed and will be signed in by an OSHC educator. All children will be collected and signed out by a parent or approved person. Children may not go home unaccompanied unless there is signed written permission from a parent/guardian that identifies and qualifies such expectations.

The Director and educators reserve the right to negotiate such requests where there is concern about children's safety. Children attending Vacation Care/Student Free days will need to be signed in and out by a parent/carer.

PARENTS, CARERS AND FAMILIES
Families are strongly encouraged to become involved in the program and will be made to feel welcome and respected at all times. It is expected that families update information at OSHC in regards to their child's health, changes in family circumstances and contact details as well as the names of those who can collect children is kept up to date.

Signing in and out is considered to be of paramount importance and it is the parents/carers responsibility to do this, along with the OSHC educator.
BOOKINGS AND CANCELLATIONS

Children must be booked in and enrolled in advance so that supervision ratios can be adhered to and safety of children is at the forefront. This is also in place to ensure families avoid disappointment. If your child is booked in but unable to attend you must notify us by 12pm the day prior. If OSHC is not notified, full cancellation fees will apply.

Service policies and procedures ensure that for any given session there is a list of children booked for care so that educators can accurately check attendances and efficiently follow up any booked children who fail to arrive. Centrelink permits 42 allowable absences per year. After 42 absences, CCB may not apply to any absences. Remember, changes to bookings within 14 days of the session are treated as allowable absences and after 42 changes, CCB won’t apply.

Families with Vacation Care bookings need to notify the OSHC service of foreseeable absences, at least 7 days notice will be required and there will be no charge for the session. There will be a charge of 50% of the original fee if notice is given within the 7 day timeframe.

STAFF AND VOLUNTEERS

Our staffing includes the Director and educators necessary to meet the requirements of child/staff ratios. All our staff and volunteers require a police check through Catholic Education SA. Staff are trained in First Aid and Mandatory Notification (Responding to Abuse and Neglect). Volunteers are most welcome and a Catholic Education Police Check would be required.

COMMUNITY

Our program is sensitive to the wide range of social and cultural backgrounds within the community. The program will work with other persons, agencies and services to develop a support network for all.

BEHAVIOUR

The behavioural expectations are as follows:

- We respect and care for ourselves, other people and property;
- We work and play safely and cooperatively;
- We follow directions of teachers/staff members;
- We stay inside the supervised boundaries.

Implementation

The following steps are introduced when the rules are not being followed:

1) The child is reminded of the rule or expectation.
2) A short time away from the area of play, or a logical consequence, such as removal from, for example, the sandpit is imposed.
3) Additional time out of play is imposed, with associated consequences, such as loss of some privilege or a written apology.
4) Repeated inappropriate behaviour will result in consultation with families. At this time, the child, parent/carer and Director may negotiate and formulate a behavioural plan.
5) If parental consultation and behavioural plan does not improve behaviour, the issue will be directed to the school’s Principal and may result in Internal Suspension.
6) If all of the above steps prove unsuccessful, the child may be asked to leave the program.

ILLNESS/INFECTIOUS DISEASES

Tenison Woods College OSHC service follows the guidelines for prevention of infectious diseases as outlined in the document ‘Staying Healthy in Child Care’. Children suffering from infectious diseases such as Chicken Pox, Infective Hepatitis, Measles, Mumps, Rubella, Scarlet Fever, Whooping Cough, Diphtheria, Meningococcal Infection, Poliomyelitis, Tuberculosis, Impetigo (school sores), Ringworm, Head Lice and Scabies will not be able to attend OSHC. Tenison Woods College OSHC service staff will assist children to manage medical conditions and assist with medication if that medication is prescribed by a doctor and has the original label detailing the child’s name, required dosage and storage requirements and is accompanied by a medication plan. Medications are to be given directly to the Director or Supervisor.

ACCIDENT/INJURY
Minor incidents will be documented in an Accident Register.
