SCHOLARSHIP INFORMATION

Students are invited to apply for Music Scholarships at Tenison Woods College.

Music Scholarships at Tenison Woods College are designed to encourage and nurture talented young musicians and increase access and opportunities for young people to participate in music.

It is expected that all Scholarship holders will work hard and show commitment throughout their active involvement in school life whilst becoming part of a dynamic and exciting music programme.

Music Scholarships are awarded to candidates whose family would otherwise find it difficult to meet the cost of music tuition, who demonstrate musical ability and potential, and the enthusiasm to make a contribution to the musical life of Tenison Woods College.

A Scholarship provides students with part or full remission of music fees for the duration of one calendar year.

The number of Music Scholarships and the amount in music fee reduction are awarded at the discretion of the Principal, Business Manager and Head of Music.

A sum of money will be set aside in 2017 for scholarships, this will be used to support as many students as possible that meet the criteria.

Ongoing scholarships will be investigated if community support is available.

Music Scholarship holders are required to uphold the following requirements for the duration of their scholarship:

- maintain a high level of commitment on their musical instrument;
- maintain good academic and behavioural standing across all areas of schooling.

CONFIDENTIALITY

All information provided to the College will be kept on a strictly confidential basis and will be viewed and assessed by the Principal, Head of Music and Business Manager only. We also respect the sensitivity of being successful with this scholarship and therefore there will be no formal public recognition of successful applicants.
