# Empowering a Community of Learners 2017 Education Summit

In conjunction with DECD Limestone Coast Educator Summit

Mount Gambier Library Events
Tuesday June 20th 2017

Kids Engineering Challenge! (FREE Event)

Suitable from 4 years

Families are invited to come in and engage with Engineering Design challenges.

This is a free STEM play opportunity for families and is only limited by their imagination!

Time: 2 x 1 hour sessions available 10:30am and content repeated 2:30pm

Bookings Preferred as spaces are limited.

Phone the Library on 8721 2540

Parent and Carers Session - Circle of Security – Introduction (FREE Event)

Leave the kids with the library team, engaging in a STEM Engineering Challenge allowing you time to find out why everyone is talking about the Circle of Security.

Answering the question, how can the internationally acclaimed Circle of Security course help me create a successful long life relationship with my child?

Time: 2 x 1 hour sessions available 10:30am and content repeated 2:30pm

Bookings Preferred as spaces are limited.

Phone the Library on 8721 2540
