Naracoorte Caves Science Week Event Sunday August 19 2018

To celebrate Science Week Naracoorte Caves are offering a very special package deal for the whole family. Join our guides on a journey back in time to learn about the Australian Mega fauna that once roamed the area 45,000 years ago. Our resident palaeontologist Dr Liz Reed will meet you in a cave to talk about scientific studies that have occurred and the importance of this work. This event will also coincide with a visit from singing Professor Flint who will be performing for free at 1:30pm.

Where: Wonambi Visitor Centre
When: 11am - 12:30pm
Cost: \$20 per person. Children must be accompanied by an adult

Book now to secure your place by contacting Wonambi Visitor Centre on 8760 1210

Don't forget the Caves Cafe is available for lunch!

This is a great opportunity to encourage further learning and have a shared family experience
