

St Mark's College

University Student Accommodation

SCHOLARSHIPS AVAILABLE

Wondering where to live while studying at university in Adelaide?

Have the university experience of a lifetime at St Mark's College!

St Mark's provides a complete university experience, enhancing the social and personal development of young people through a vast array of academic, social, cultural and sporting activities. The College's welcoming and supportive environment ensures a smooth transition to university and then into the workforce, and students create friendships and networks for life.

Living with a diverse community of students who are studying a variety of degrees generates a broader world-view and challenges student's capacity to think critically. Moreover, the academic and pastoral support provided at St Mark's ensures that the pass rate for our students is over 95%, more than 10% above the university average.

Over \$450,000 in scholarships, grants and bursaries is awarded annually to new and returning students. New students are eligible to apply for a wide range of entry scholarships that vary in criteria and financial amount.
