Cardijn Exchange wraps up two days of friendly competition

This year's exchange marked the 33rd anniversary of the annual event, with both schools well represented by their students participating in a variety of sports. These sports included basketball, netball, football, futsal, volleyball and mixed touch with the annual exchange debate highlighting the Monday evening activities as it does every year.

For the first time since 2007, Cardijn College has defeated Tenison Woods College on our home turf 6 to 5.

Congratulations to The Rijken Doyle Medalists who were Connor Prior & Emily Dawe.

The skill level of competition was again of the highest standard and both College's participated to the best of their abilities. What was a standout though was the level of school spirit the Cardijn College students displayed and the support they provided for their fellow peers. This is something to be admired and we strive to emulate at Tenison Woods College.

From The Principal

33rd Annual Cardijn Exchange

I was very pleased to hear of the spirit with which students from Tenison Woods College competed at Cardijn College in 33rd annual exchange early in the week. The sporting and debating competitions were characterised by high skill level, team spirit and fair play. Sincere thanks to all parents, staff and students who contributed to the success of the exchange, with special thanks to Ciaran Buckley, Sports Coordinator, Tori McIntyre, Sports Trainee, and the Health and Physical Education Team for their leadership of another successful exchange.

Timor Leste Charity Ball – Be More, Not Want More

Once again, as part of the Timor-Leste fundraising, we will be holding a Charity Ball this Friday, 31 May. The Charity Ball is an opportunity for students in Year 11 and 12 to join together for a night of socialising and dancing at the City Hall, Main Corner while raising much needed funds and awareness for our closest neighbours in Timor-Leste. The theme of the Charity Ball this year is, 'Where flowers bloom, so does hope'.

Each year, Tenison Woods College sends a delegation of students to Timor-Leste. These students are 'self-funded' on their trip, and upon arrival in Timor-Leste they will immerse themselves in the culture of the communities they visit, while financially helping those with the greatest need. The students will visit schools, kindergartens, museums, NGO's and explore the beauty of the country and beautiful coastline.

At the Ball, students will hear from past immersion participants about the difference we are able to make in the lives of those we meet during a short presentation.

We ask students to consider how they are contributing, by way of being selfless and forgoing an item or luxury that they may otherwise have spent; 'being more' as distinct from 'wanting more'. For example, the expense of their outfit, manicure, professional hair / makeup.

We encourage families to have this discussion with their children, and as much as we want students to look their best, we would like students to be mindful that in Timor-Leste, \$40 can feed a family of four for one month.

Please consider a conservative approach to this event. Perhaps borrow a dress or use one you already have? Don't buy new shoes, use existing shoes. Why not try Vinnies for that suit or slacks, or to accessorise your outfit. How about donating the money you would normally spend with a hairdresser directly to the cause? See if you can 'go without' an item or luxury appointment to help those in Timor-Leste who have very little. Every cent we raise will go directly to this cause, so please think about this.

Sacraments of Confirmation and Eucharist

I am delighted that 23 of our young will be celebrating their Sacraments of Confirmation and First Eucharist at weekend masses with Vicar General, Father Phillip Marshall and Father Dean Marin, following their participation in the parish Initiation Program over the past 10 months.

From The Principal *continued...*

In our Catholic tradition we understand that children have been Confirmed in their Baptism for the renewal of the gift of the Holy Spirit in their lives, and receive the real presence of Christ our Saviour, as our Bread of Life, in their First Holy Communion.

Catholic Education Week

From Monday 3 June until Sunday 9 June we will celebrate Catholic Education Week in South Australia, underlining the many benefits of our system of schools, where ultimately every child matters.

I trust Catholic Education Week will offer members of our Tenison Woods College family an opportunity to reflect on the community we are, and the community we are called to be.

Catholic schools have been educating students in South Australia since the 1860s and today, 20% of South Australia's students attend a Catholic school with over 6,000 staff teaching 48,000 students.

Our Catholic schools are much more than simply places where children learn Maths, Science, English or Geography. While we take great pride in doing that with excellence, we do much more. We also teach more than simply social justice values, care for the environment and compassion for humanity. While these are all critical to a well-rounded development of our young, there is still much more which sets us apart from other school communities.

Critically, our Catholic schools are places for our students, our teachers and their families to experience the love of God revealed to us in the person of Jesus Christ, and lived out in His body, which is the Church. So in essence, Catholic Education Week in South Australia is an opportunity for us to celebrate the way we are hope-filled communities; communities in which each person is invited to a deep relationship with our God and expresses that relationship by the way they serve one another and our broader global community.

And as I have often indicated, what sets us apart as a school is that at Tenison Woods College every student has a place, every student has a pathway, and every student will shine. That is at the same time our challenge and what we celebrate daily.

I trust Catholic Education Week will offer strong testimony to the way we plan for the learning of each individual student who is part of our Tenison Woods College family.

Parish Planned Giving Rebate

I remind families that parents contributing to the Parish Planned Giving may claim a rebate from Tuition Fees of 50% of their contribution up to a maximum claim of \$750. Official Parish receipts are to be presented to the Finance Department after the 30 June 2019 for a deduction to be made.

Staff Professional Development Days – 6 and 7 June

Staff are looking forward to the staff professional development days on Thursday 6 and Friday, 7 June, when they will devote time to the learning and assessment experiences prepared for students, as well as the wellbeing approach at the school.

I trust students and parents will experience the benefits of the days through our service to students and families throughout the College. I remind families that these days are student-free days.

God Bless,
David Mezinac | Principal

Tip of the Week from the Deputy Principal

Currently at Tenison Woods College we are trialling EdSmart for a number of Health and Physical Education excursions. From this week, students attending Health and Physical Education excursions will receive an email alerting parents/caregivers that electronic consent and medical information forms are to be completed for an excursion. Parents will be requested to click on the link which will open to a secure web page version of the consent form, please complete and submit. This consent form can be completed on your phone, tablet or computer at your convenience. All of the data you submit on the form is held in a secure database only accessible to selected school staff. EdSmart will help us better manage any needs in the school community with the extra time saved. For efficient utilisation of EdSmart, it is important that the most up to date addresses for parents and caregivers are provided to the College, if parents/caregivers have changed or updated an email address recently, we kindly request the new email address/es are forwarded to the College Administration Office.

For more information regarding EdSmart, please click the link [here](#).

Year 12 Drama performance 'Empty Chair' – Wednesday, 5 June 2019

Next Wednesday, 5 June, the Year 12 Drama class have the opportunity to publically perform a unique play for their external assessment.

Empty Chair is a synthesis of ideas from two playwrights and two theorists to bring together a concoction of realism and fantasy as we step into the mind of a coma patient and his struggle to return to his loved ones.

Doors open at 6.30pm for a 7.00pm start at the Wehl Street Theatre. Cost is a gold coin donation at the door. The length of show is under an hour with one 5 minute break. The performance is suitable for high school aged students and above. For more details, [view](#) the poster here.

Renewables road trip helps students gain an insight into clean energy

Over 30 Tenison Woods College Year 10 and 11 Electrotech students were in Tailem Bend and Adelaide last Thursday and Friday.

The group were fortunate to get an insight into the States leading sustainable energy industries.

Vena Energy Australia's Tailem Bend solar farm, Sonnen Batterie and Tindo Solar each welcomed our students into their businesses and provided a glimpse into how South Australia is becoming a leader in a sustainable future. The students were in awe of the scale of Vena Energy's solar farm, with nearly 400,000 panels sprawled across the dusty plains at Tailem Bend. Tindo Solar's advanced robotics and manufacturing of their state of the art panels was another highlight, which was further heightened by the energy and enthusiasm of the company's CEO, Shayne Jaenisch. Sonnen Batterie provided the missing piece of the puzzle of Tenison Woods College's off grid ambition, allowing for modular storage of the power captured by our growing solar installations. The convoy are extremely grateful to these companies for opening their doors and providing a unique learning opportunity. This experience has given confidence to these young people about future career paths in the renewable energy industry. Tenison Woods College has a deep and long term commitment to sustainability. We believe that it is only through a connected community that sustainability can be successful, which is why we are constantly partnering with local, national, and international organisations to further the impact and ultimately, improve the world our young people will inherit.

Year 6 Cohort 'locked up' in The Old Gaol

Last Tuesday, Wednesday and Thursday Year 6 students braved the frosty conditions for a two night stay at the Old Gaol. The boys took residence on Tuesday night, with the girls moving in on Wednesday afternoon. The whole Year 6 cohort were challenged with team activities, building resilience, self-reflection exercises and enjoyed the many experiences they were able to participate in. Staff also enjoyed spending time with their students and getting to know them all individually. Participants Amity Fennell and Isabelle Drew recounted their experience at the Old Gaol.

We had many fun experiences on camp and were separated into boys and girls, boys the first night and girls the second. When we arrived at the Old Gaol, we were given a briefing and then found our dorms. It looked old and creepy on the outside, but inside it was comfortable and spacious. Once we found our dorms and started to interact with others, we had lunch and played for a while. After that, we visited the rail lands with the boys and played footy. Then we walked back to the Gaol and the boys headed back to the College. We also had a great experience with the activities, these including bocce, golf, the scavenger hunt, and team song guessing and singing. We also got a booklet with some activities in it. The scavenger hunt was very fun, we ran around the Gaol and wrote down answers to questions in our booklets. In the afternoon, we had a personality quiz in groups around a table while Mr Patzel talked to us about the different personalities and which one we were. That night we played games in teams to guess and sing songs, which was one of the best bits. Afterwards we had tea, which was Domino's pizza. We hardly got any sleep but had the best night of our lives! Later the next day we held a very lovely liturgy that filled us with gratitude to leave and face the day. We had amazing teachers! (And breakfast!) The teachers who joined the girls were, Mr Patzel, Miss Lock, Mrs Sims, Mrs Vivian, Ms Lloyd, Mrs Brodie and many helpers. We had so much fun and thank them for being with us on this incredible camp! We loved the experience and can't put it into words how much fun we had. This time with everyone has taught us so much and we are so lucky!

Charity Ball – Final chance for Tickets

This Friday, students in Year 11 and 12 will join together for a night of socialising and dancing at the Main Corner, while raising much needed funds and awareness for our closest neighbours in Timor-Leste.

The theme for this year's Charity Ball is 'Where flowers bloom, so does hope'. There are a limited amount of tickets left, so be quick as tomorrow will be the final chance to purchase. Tickets sales close at the end of lunch.

Students bring home the wins in new 6/7 State Knockout Competition

Students in Years 6 and 7 were fortunate enough to be involved in a new 6/7 State Knockout Competition, featuring the sports of Soccer, Football and Netball. Our 6/7 Soccer Boys made their way to Cornerstone College in Mount Barker for Round 1 of 6/7 State Knockout Soccer. They defeated Stirling East 5 goals to 0. They then went on to win against Belair 4 goals to 3. Also in the new competition, our 6/7 Boys Footballers played Bordertown at Naracoorte with a big first up win 10- 5- 65 to Bordertown's 1- 4 -10. Goal Scorers: Sam Domaschenz, Wil Lewis, Angus Clarke, Ryan Kuhl, Deacon Ilsley, Jordan Bartlett, Jacob Salmon and Owen Feetom
Best Players: Angus Clarke, Jared Kuhl, Jacob Salmon and Rex Jones.
Both Soccer and Football 6/7 Boys teams will now progress to Round 2, to be held in Mount Gambier later in the Term.

Well done to all those involved.

College places second at 9-A-Side Football

On Thursday 23 May, 5 teams of very eager Tenison Woods College girls footballers travelled to Blue Lake Sports Park to play in the Year 8/9 and 10 9-a-side Football competition.

The players faced off against various High Schools from the Lower South East region. With the sun shining for the entire day, all the girls played well whilst displaying excellent sportsmanship qualities.

As the day concluded, the girls collectively lead Tenison Woods College to second position overall with the final winner being decided at the completion of the boys 9-a-side carnival taking place tomorrow. Congratulations girls.

The Big Book Swap – This Friday

As part of the Reconciliation Week activities this Friday the Middle School Social Justice Students are holding a Big Book Swap that will raise money for the Indigenous Literacy Foundation.

This swap will take place under the Sails at lunchtime. The aim of this event is to raise money for the Indigenous Literacy Foundation.

The Foundation buys books that are needed for children in remote communities.

To participate your child will need to:

- Find a book at home to donate - that they know another child will want
- Drop the book into the Library Friday morning
- Bring a gold coin to buy another book
- Go to the Sails at lunchtime and find a book that is perfect for them or a family member
- Enjoy their new book

Awesome Author of the Week

This week's Awesome Author is Year 12 student Koby Chant. Koby has created this humorous, witty and satiric article based on the changes in AFL rules launched in this 2019 season. The article boasts Koby's strong control of language and tone and also conveys his undying love for, and commitment to, the Essendon Football Club. Whether or not you love the great Aussie game, I am certain that you will enjoy this article and appreciate Koby's casual, colloquial style and brazen cheek.

Koby has been a student at Tenison Woods College for the last five years, moving to the College in Term 3 of Year 8. He is a keen sportsman and plays football for 'South' and baseball for 'Centrals'. We wish Koby all the best for the remainder of the year and in pursuing his career of choice in the future. Click [here](#) to read Koby's piece.

Shining in the Classroom – H is for helping others

Year 12 students Bailey Musci and Taylor Fatchen were participants of the Timor-Leste Immersion Trip last year. The experience was life changing for them both and they now have a strong desire to continue to help the communities they visited, particularly the village of Mulara.

With the support of their families, Bailey and Taylor organised a raffle that raised \$1,138.

This is an amazing effort by Bailey and Taylor and this year's Immersion group look forward to delivering the money to the Mulara community in just over a month.

Cardijn Exchange Results continued from front page...

FUTSAL

Girls Futsal

The girls Futsal team kick the carnival off with an amazing effort. The Tenison girls started the game on the front foot and pressed Cardijn hard, with some great play from Ellie Seaton and Emma O'Callaghan. Unfortunately, the team couldn't quite capitalise on all the early pressure and Cardijn managed to hit them on the counter-attack, going into half-time with the lead. The girls then came out strong in the second half and got right back into the game, only again to fall short right at the end. Overall, the girls performed very well and were unfortunate to go down in a close contest with the end score being 2-4.

Most Valuable Player- Ellie Seaton

Sportsmanship Award- Letitia Izzo

Boys Futsal

The boys started off strong and controlled the game from the moment it started. Connor Prior and Broc Linden led the Tenison team and were able to find the net with ease. The Tenison Woods College boys dominated the game throughout and capped off a fantastic performance with a commanding 10-4 victory.

Most Valuable Player- Connor Prior

Sportsmanship Award- Austin Rossi

MIXED TOUCH FOOTBALL

Touch football kicked off on Monday with Tenison winning the coin toss. The bitterly cold wind added another layer of difficulty for two teams as they battled for the win. Both teams put up a very strong fight but Cardijn were able to take the lead. Tenison fought hard to catch the visitors but Cardijn were too far ahead. The game was exciting to watch with great athleticism and sportsmanship being shown from both teams. The match was a highly competitive and defensive game which saw a polished Cardijn team prevail 3 Try's to Tenison 0.

Most Valuable Player- Hugh Armfield

Sportsmanship Award- Emily Dawe

BASKETBALL

Girls Basketball

A terrific performance from the Tenison girls squad, applying diligent defensive pressure to force turnovers and enable their running game to open up. Led from the front by Captain Emily Dawe, the girls displayed good teamwork and unity, sharing the ball around on the offensive end to secure a comfortable victory. Cardijn were unable to keep up with the skill and speed of our talented, hard working group.

Score: TWC 62 – Cardijn 16

Most Valuable Player- Lucy Denton

Sportsmanship Award- Emmason Ilsley

Boys Basketball

Our boys were dynamic from the opening tip. Similar to the girls, the boys forced Cardijn into regular turnovers allowing them to display their athleticism and skill on the break. The Tenison boys punished the Cardijn zone with superior skills and shooting, products of the hard work the group has put into High Performance sessions. It was a professional and mature four-quarter performance from the Tenison boys. Score: TWC 82 – Cardijn 20

Most Valuable Player- Oli Thomson

Sportsmanship Award- Joel Dent

Overall a very pleasing effort in Basketball from both squads both winning comfortably and displaying the improvement in their games as a result of continual hard work in our high performance sessions.

VOLLEYBALL

Girls volleyball

Cardijn got off to a great start, but Tenison won the first set 25-20. Cardijn were too strong in the second set and won 25-20. They also held on in the third set with a win of 15-7.

Overall, Cardijn won the girls volleyball 2 sets to 1.

Most Valuable Player- Katia Griffin

Sportsmanship Award- Emily Dawe

Boys volleyball

In the first set the Tenison boys went down 25-12 to a much stronger Cardijn team. Similar to the girls the boys fought hard, however went down 25-19 in the second set. As such, Cardijn just needed the two sets to take the win. The overall score was 2 sets to 0.

Most Valuable Player- Connor Prior

Sportsmanship Award- Hugh Armfield

DEBATE

After a day of physical competition, the stage was set for 'sport of the mind', with the debate on the topic 'That Technology has Made Life Better'. Both teams were well-prepared, with great research and information presented through an entertaining and hard-fought debate. Arguing the affirmative, Tenison Woods College presented an enthusiastic, wide-ranging argument with plenty of examples in communication, medicine, transport and everyday uses. Cardijn College presented the negative, focusing on social media, mental health and the environment. **Edie Jones was named Best Speaker from Tenison Woods College**, drawing continued laughter and cheers from the audience with her sustained and humorous rebuttal. Gabrielle Connolly was named Best Speaker from Cardijn and Speaker of the Debate with her thoughtful explanation of arguments and reasoned rebuttal. The audience were continually informed and entertained by each speaker, and in the end Cardijn were awarded the debate. A fantastic effort from all involved.

FOOTBALL

Winning the toss, the Tenison boys were kicking with a slight breeze, but it was Cardijn who got off to a blistering start. They brought pressure and skill and kicked the first two goals of the game. The second quarter saw Tenison improve their tempo, but the visitors still managed to kick two late goals, keeping Tenison scoreless. In the third quarter, Tenison finally got a break-through and kicked two goals. The home team got their major ball movers into the game and the boys used the dangerous Tenison forwards to their advantage. Only a couple of goals separated the teams at the final change, but Cardijn proved to be the fitter and cleaner team in the long run. The highly skilled match rolled out a final score of Cardijn 08.09.57 to Tenison 02.03.15.

Most Valuable Player- Alex Jarnevic
Sportsmanship Award- Stuart Dickenson.

NETBALL

The netballers took to the court on Tuesday afternoon to wrap up the two-day exchange. In the first match, the Tenison 'A' team made a fast start to the game. They set up a strong double-figure lead and their intensity throughout the entire game set up a strong win of 52 to 31.

Most Valuable Player- Paige Nitschke
Sportsmanship Award- Sophie Ellis

In the netball 'B' match, Tenison Woods College started strongly again and as in the first game, held onto that early lead for the win. Tenison defeated Cardijn 44 to 23.

Most Valuable Player- Emily Dawe
Sportsmanship Award- Chelsea Croser
