WEDNESDAY 5 JUNE, 2019 | WEEK 6, TERM 2

Charity Ball was in *full bloom* Raising Funds for Timor-Leste Immersion

The 2019 Charity Ball held on Friday 31 May, was an outstanding success. Attendees had a wonderful time and valuable funds were raised for the Immersion participants to gift to the communities they visit in Timor-Leste in early July. This year the theme for the Charity Ball was 'Where flowers bloom, so does hope'. The evening festivities began with a prayer by Father Dean followed by a heartfelt talk by 2018 Immersion participants Bailey Musci and Taylor Fatchen who spoke about where the money raised from the event would go. Bailey and Taylor spoke with passion about how the money raised will help the many communities this year's group will visit. Funds will be gifted to the Dominican orphanage and in particular, the kindergarten and primary school they manage. This year the Immersion group is visiting a new village, Hatolia, and Tenison Woods College is looking to establish a sister school/parish relationship with them that will continue over many years. This village is a close neighbour of Hatolia Matulia where most of the funds raised last year went towards building a new school.

DJ Gianni Giurastante, an ex-scholar, got the tunes pumping and the dance floor grooving. The lolly bar was a huge success as were the donuts and the amazing Sugarloaf Café sliders, pizza and other delicious treats.

Awards voted on by the Year 11 and 12 cohorts were presented on the night with lots of laughs had by all. Special thanks to our school captains, Emily Turley and James Lucas for all their hard work organising these awards.

A special thanks to the Charity Ball committee led by PR & Events Manager, Jess Herring and PR & Events Trainee, Sienna Rossi who worked hard to ensure the event had a student voice. Also, a big shout out to the Mount Gambier City Council for allowing us to use the City Hall venue, Steve Mullan Sound & Lighting, Donut King and the Vanderhorst family for the flower wall; Pepperlane Design and Events for providing decorative items; Perfect Pix Photobooth; the Sugarloaf Café staff for the food; and all the Tenison Woods College staff who joined us to help to supervise the event.

Bernadette Fisher | Timor-Leste Immersion Coordinator

From The Principal

Timor-Leste Charity Ball – 'Where flowers bloom, so does hope'

Further to Bernadette's thanks above, Thank you to all who supported the Timor-Leste fundraising, through their commitment to the Charity Ball last Friday evening, that had the theme this year, 'Where flowers bloom, so does hope'.

Special thanks to the PR and Events Team, The Charity Ball committee, Bernadette Fisher and the Timor-Leste Delegates for their efforts in preparing and presenting the Charity Ball for our community.

Catholic Education Week ... or is that 'Weeks'?

While the Catholic schools in South Australia are celebrating Catholic Education week from 3 June to 9 June, in a school like Tenison Woods College it is difficult to contain such celebrations to a week, so we continue our celebration of Catholic Education weeks next week with a range of significant events.

Next week we will celebrate our Founders with Founders Week. All next week we take the opportunity to reflect on our founders and the contributions of St Mary of the Cross MacKillop, Venerable Catherine McAuley, Fr Julian Tenison Woods and St Marcellin Champagnat to our community. We also celebrate the way in which we can follow in their footsteps of faith, action and community in a way that brings life to our school, parish and local community.

We are anticipating student participation in events next week and look forward to the Whole School Mass to be held on Thursday 13 June at 11.00am in the Barrie Holmes Stadium.

Year 7 Regional Catholic Schools Co-LAB Day

I am delighted that Tenison Woods College will host the Regional Catholic Schools Co-LAB day; a day of collaboration in the creation of contemporary learning experiences for Year 7 students in our Catholic schools – Tenison Woods College, St. Anthony's Catholic Primary School, Millicent and Mary MacKillop Memorial School, Penola.

The day will not only offer students experiences in Music Technology, Science Experimentation, Laser Cutting and Rocket Technology, Food Science and Hospitality and Sports Science, but also give students an appreciation that our Catholic Schools are much more than places of innovation and excellence, but communities in which a well-rounded development of our young is fostered through a deliberate invitation to relationship with our God.

I look forward to next Wednesday being a celebration of collaboration across the Regional Catholic schools and also is an opportunity for us to celebrate the way we are hope-filled communities; communities in which each person is invited to a deep relationship with our God and expresses that relationship by the way they serve one another and our broader global community.

From The Principal *continued...*

The Feast of Saint Marcellin Champagnat

This Thursday, 6 June we join with other Catholic school communities internationally who share our Marist tradition, by celebrating the Feast of Marcellin Champagnat. Marcellin grew up in France. He was born in 1789, the year the French Revolution commenced, a year of turmoil. He grew up in a large family and consequently learnt to share life with his brothers and sisters. Once Marcellin was ordained, the local Bishop appointed him as curate to a small village named La Valla. It was during this time that Marcellin finally believed God was calling him to found a community of Brothers who would help educate young people. In France, after the Revolution, there was a great need for competent teachers and the Church was keenly aware of the equally important need to educate these young people in the Catholic faith. Marcellin was a man of deep faith, who never ceased to seek the will of God through prayer and dialogue with the religious authorities and with his brothers. His deep humility, and his acute awareness of the presence of God, helped him to live through many severe trials with great inner peace. His motto was, "All to Jesus through Mary, and all to Mary for Jesus". Marcellin taught his Marist Brothers to love and respect children, and to give special attention to the poor, the most ungrateful and the most neglected. Today our College community stands on the shoulders of Marcellin, the many Marist Brothers and many committed staff who have offered their gifts to our young through their service to our and other Catholic schools in the Marist tradition. Let us pray.

*God our Father, you lead by example,
showing mercy and compassion to all people.
May we be guided by your Spirit,
recognising the dignity and humanness of those in our lives;
our colleagues, our students and our loved ones.
We pray that the spirit of mercy be ever present in our minds,
our hearts, our words and our actions.*

*Mary our Good Mother ...
Pray for us
St Marcellin Champagnat ...
Pray for us
St Mary of the Cross...
Pray for us
And let us always remember to ...
Pray for one another.*

Punctuality – an important life learning

Thank you to families who are continuing to accentuate the importance of punctuality to school and to lessons. Punctuality is one of the most important life lessons and lays the foundation for success in what students may wish to achieve. I remind students and parents that in the mornings classes commence at 8:40am. Teaching Staff have been asked to carefully register and follow-up lateness issues and non-attendance as per our school guidelines. Punctuality is a way of showing respect for others in the school team, who are relying on you to be there so that home class and learning can commence. Therefore, punctuality is as much about respect for others as it is about personal organisation. Consequently, I ask parents to assist our young in developing strong punctuality habits.

Parish Planned Giving Rebate

I remind families that parents contributing to the Parish Planned Giving may claim a rebate from Tuition Fees of 50% of their contribution up to a maximum claim of \$750. Official Parish receipts are to be presented to the Finance Department after the 30 June 2019 for a deduction to be made.

Fostering our Professionalism During Catholic Education Week

At this time of the year we take some time to nurture our professionalism and build our collaborative approach to faith, learning and wellbeing in our Catholic school community. This is a great way to celebrate Catholic Education Week; emphasising our commitment to children and adolescents, where every child and adolescent matters, as a capable and competent learner, and where we commit ourselves to the student's active engagement, and high expectations in the learning process, wellbeing and achievement, in partnership with each learner's family. Our collaborative professional learning days on Thursday 6 and Friday 7 June have been designed to, in essence, help us express confidently and deliberately the Catholic Education South Australia 'Living, Learning and Leading Framework.' My hope is that from the next two days' staff will emerge with a very deep appreciation of what we need to do to ensure the aspiration of SHINE becomes a reality in each of our areas of responsibility. Broadly the days will cover:

Thursday – Wellbeing Strategy

- EY-5 Kimochi Training
- 6-12 Resilient Impact Training

Friday – Learning Strategy

- Living, Learning, Leading AR 2019

Staff are looking forward to the staff professional development days when they will devote time to the learning and assessment experiences prepared for students, as well as the wellbeing approach at the school. I trust students and parents will experience the benefits of the days through our service to students and families throughout the College. I remind families that these days are student-free days.

God Bless,

David Mezinac | Principal

Tip of the Week from the Deputy Principal

Have you logged into the Parent Access Module? 'PAM' enables families to access real-time information relating to their child/children at Tenison Woods College. As we near the end of the semester, a progression of your child's learning and assessments will be provided via PAM. Families are encouraged to log into PAM on a regular basis to access information on their child's learning, such as assessment tasks, results and feedback. The teacher feedback is designed to provide an ongoing outline of your child's learning in each subject and also provides an opportunity for parents, teachers and students to discuss the child's ongoing learning progress at the College. Each family receives a unique PAM login at the time of enrolment which includes a username and password. For existing families, the login details will roll over each year. Every family has access to a PAM [account](#) which can be opened from the Tenison Woods College Website. Alternatively, it can be opened in the College's Skoolbag app. For more information on PAM, visit the College [website](#). If you have specific questions or queries about the Parent Access Module, you can log a support ticket with the ICT department on the College website by following the above link and clicking on the button "Log a PAM Support Ticket". I look forward to offering some more tips next week!

Liza Couzens | Deputy Principal

CIM Team News

Celebration of the Sacraments

We congratulate all of the children who celebrated the sacraments of First Holy Communion and Confirmation last weekend. We would especially like to thank Cisca Teodoro, Sharn de Nys and Father Dean for their work in preparing the children to receive these Sacraments. Thanks also goes to Becky Higgins and Nada Brookes for their assistance and to Beth Creedy and the Middle School and Senior School students who led the singing at both of the masses. Both masses were beautiful and memorable celebrations.

Pentecost Sunday

This Sunday we celebrate Pentecost Sunday which is the end of the Easter season. At Pentecost we remember the Holy Spirit coming down upon the followers of Jesus when they were full of fear and uncertainty about what they should be doing in the time after Jesus' death. After Pentecost they went out into the streets and began to speak of Jesus, welcoming all who came to listen. They were filled with the gifts of the Holy Spirit: wisdom, understanding, counsel, fortitude, knowledge, reverence and fear of the Lord. As followers of Jesus, we too are challenged to use the gifts of the Holy Spirit in our daily lives.

Founder's Week and Whole School Mass

Next week we celebrate the Founders of our College. Each day of the week is dedicated to recognising one Founder. All students will have the opportunity to attend their house luncheon to celebrate their particular Founder on the respective day. Families are asked to provide a plate of food to be shared – 1 per family. Students are encouraged to wear their PE Uniforms on their house day.

Tuesday - **Champagnat**

Wednesday - **Woods**

Thursday - **Mackillop**

Friday - **McAuley**

Lunches will be held at 1:10pm each day in the Multi-Purpose Room. Also, a Whole School Mass will take place 11:00am, Thursday June 13 in the Barrie Holmes Stadium. Parents, grandparents, parishioners and friends of the College are invited to attend.

Please see the attached [flyer](#) for further information about the celebrations.

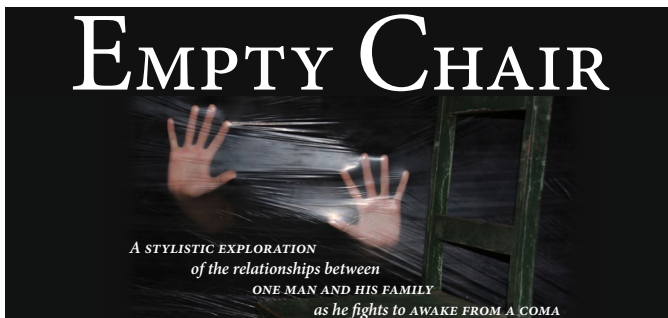

Parish Mass

Mass is celebrated in the Tenison Woods College Chapel each Thursday at 9.00am during term time. All members of the community are invited to attend. Each week the mass is attended and led by a different year level.

The roster for Term 2 masses is as follows:

- Week 6** Thursday 6 June – Pupil Free Day
- Week 7** Thursday 13 June – Whole School Mass
- Week 8** Thursday 20 June – Year 9
- Week 9** Thursday 27 June – Year 8
- Week 10** Thursday 4 July – Year 6/7

Michelle Coote | APRIM – Assistant Principal Religious Identity and Mission

Year 12 Drama Performance 'Empty Chair' - TONIGHT

Tonight the Year 12 Drama class have the opportunity to publically perform a unique play for their external assessment.

Empty Chair is a synthesis of ideas from two playwrights and two theorists to bring together a concoction of realism and fantasy as we step into the mind of a coma patient and his struggle to return to his loved ones.

Doors open at 6.30pm for a 7.00pm start at the Wehl Street Theatre. Cost is a gold coin donation at the door. The length of show is under an hour with one 5-minute break. The performance is suitable for high school aged students and above. For more details, view the poster [here](#).

Kirsty-Jane Wodson | Performing Arts Teacher

New Year 9 Poplars immersion initiative

In a brand new initiative with the Year 9 cohort, Term 2 has seen one home group each week spend their Pastoral Care lesson in the Poplars area of Tenison Woods College. The Year 9 students have been working with the junior, middle and secondary groups in the Poplars Inclusive Education area, undertaking a whole range of activities including puzzles, reading stories and scavenger hunts. This program is built around the Tenison Woods College SHINE emphasis and highlights our strong desire to;

- S – be Successful,
- H – Help others,
- I – become Involved,
- N – know others by Name
- E – enjoy positive Emotions!

Brad Maney | HPE Teacher & Year 9 Wellbeing Coordinator

WEDNESDAY 5 JUNE, 2019 | WEEK 6, TERM 2

Sport Psychologist visits High Performance Sports Students

The High Performance Sports Program (HPSP) welcomed highly experienced Sport Psychologist Chris Haddock, who currently works in Adelaide with elite athletes, coaches and academies, to the College for two days.

Chris worked directly with the HPSP staff and student-athletes, he also offered private one on one sessions, and an inspiring parent focussed evening session. He discussed various mental skills to help students and families make long lasting positive changes to their mindset, to improve the consistency of their performance. We thank Chris for his commitment and engagement with our students, and we look forward to a long lasting relationship with him supporting our High Performance Sports Program.

Kate Exelby | High Performance Sports Program Coordinator

Robots take over Lecture Theatre

Pauline and Kevin Taylor from 'The World of Robotics' have been at Tenison Woods College for the past week running a Robotics workshop for students in the Junior and Middle schools. Robotics Education is an exciting and unique series of hands-on workshops, giving students the opportunity to create moving robots. The students are set a task, whether it be creating an athlete robot, a recycle robot or a mathematical robot. Today the task was to create a 'Robotic amusement centre' in pairs. Students were asked to design, construct, test, evaluate and modify a robot that could perform 3 different actions. Pauline and Kevin have been visiting Tenison Woods College for 10 years. They have seen many students develop their creativity, critical thinking and problem solving skills while working collaboratively in a team situation. ROBOTICS is part of the STEM based learning, which provides students with real world skills from within a classroom setting.

- R – Relevant problem solving
- O – Open-ended investigation
- B – Brighter futures
- O – Organisation and collaboration
- T – Technology and engineering
- I – Innovation and entrepreneurship
- C – Critical and creative thinking
- S – Scientific and mathematical thinking

The College would like to thank Pauline and Kevin Taylor for their time and dedication running these workshops for our students.

Michael Mangan makes marvellous music

On Tuesday 4 June, classes from the Early Learning Centre, Poplars and Junior School enjoyed 2 concerts from musician Michael Mangan.

Michael is a well-known musician from Brisbane who has written over 250 praise and worship songs for use in parishes and schools.

Michael entertained staff and students with his high energy show full of great songs that the children enjoyed learning. He also had actions to many of the songs and we all look forward to using these songs and actions in our prayer times, masses and liturgies.

Michelle Coote | APRIM – Assistant Principal Religious Identity and Mission

Shining in the Classroom - Round table discussions

For the first five weeks of Term 2, Mr. Cole's Year 10 and 11 Geography class has been investigating the whole human-induced climate change debate. The class have engaged with Al Gore's 'An Inconvenient Sequel: Truth to Power' and various other materials gathered online.

More recently, attention was shifted towards the actual assessment, which was a round table discussion that involved each student being assigned a relevant stakeholder to research and identify potential solutions from their distinctive point of view to the key question:

'As significant influencers, how can we collaborate on a global scale to reduce impacts from climate change, while ensuring the cultural integrity and prosperity of current and future generations?'

The delegate labels in front of each student show that the diverse panel included the leaders of each major political party, environmental organisations and even His Holiness, Pope Francis himself!

Students were recorded using the Swival device, delivering their key points to the other members, some with a very pointed message to take home. Although no consensus was actually achieved in the double lesson, mirroring the difficulties of finding a way through this fraught issue in the real world, I was impressed with the way the students prepared and confidently delivered their key points.

David Cole | PLP Key Teacher

George Adamopolous shares his experience on gaming addiction

Last week, a former student of the College, George Adamopolous spoke with Miss Suggate and Mr Creedy's Year 8 Home Group about the addiction of gaming. In conversations with Miss Suggate, George offered to come and have a chat with the class as he has had personal experience with gaming and addictive behaviour - which he has successfully beaten. George presented in a very professional and nurturing way and the Year 8's respected his presence, and willingness to discuss his experiences with them. Students did not need to be prompted to ask questions which was a fantastic sign of engagement. The question and answer format worked beautifully at the end of the George's talk.

George displayed many outstanding attributes of a successful, thriving and engaging speaker and impressed the class with his willingness to share his experiences so selflessly.

After the talk, George 'set the class a task'. The next time the students feel like they need to play a game, he has challenged them to choose something different - perhaps something they have not done before, or haven't done in a long time. George even offered to 'check in' with our students to discuss the outcomes of this 'challenge.'

As a College we thank and congratulate George for his exemplary role in mentoring our student cohort.

Nathan Creedy and Eliza Suggate | Year 8 Home Group teachers

Junior School Disco- Timor Leste Fundraiser

This year as part of fundraising for the Timor - Leste Immersion the College will be holding 2 discos on Friday 14 June at the St Paul's Hall, Penola Road.

Reception to Year 3 from 4.30pm – 6.00pm, then Years 4 to 7 from 6.30pm – 8.30pm.

Tickets are \$5 per person/ family.

There will be fruit boxes and bags of popcorn for sale at \$2 each, as well as necklace glow sticks for \$2 and bracelet glow sticks for \$1.

All proceeds from these two events will go towards supporting the communities and people the 2019 Immersion team will visit in less than a month's time. There will be games and prizes awarded on the night, and we would love to see you dressed up bright rainbow colours.

Come along and have a great night while supporting a good cause.

Bernadette Fisher | Timor-Leste Immersion Coordinator

Indigenous Literacy Foundation Big Book Swap

The Indigenous Literacy Foundation is a national book industry charity, which aims to reduce the disadvantage experienced by children in remote Indigenous communities across Australia, by lifting literacy levels and instilling a lifelong love of reading.

To support this important work, students from Reception through to Year 8 were involved in a Big Book Swap last Friday. Children donated a book from home which was then purchased by another child for a gold coin donation. There were lots of big smiles as children found a wonderful 'new' book to take home to read.

We will be sending nearly \$100 to the Foundation so they can buy 'just right' books for children who live a long way from book stores and public libraries. A shining example of love and generosity by participating students.

Chris Lloyd | Teacher, Librarian

Vacancies for Out of School Hours Care - this Friday June 7

OSHC are still taking bookings for this Friday June 7 (Student Free Day).

Join us for a full program of activities which are sure to be fun and creative. Afternoon tea will be supplied. However, please pack recess and lunch for your child.

A reminder OSHC is an egg and nut-free service.

OSHC will operate from 6:45am to 6:00pm on both days in the Multi-purpose room adjacent to the Barry Holmes Stadium. Children between 5-13 years of age welcome.

To book, please [email](mailto:oshc@tenison.catholic.edu.au) OSHC or call (08) 8724 4633.

Marc Lock | Acting Director, Out of School Hours Care

The final countdown is on for Year 10 Drama Performance!

With only one week to go, the Year 10 Drama class is very excited to perform their original play Track & Field, at Wehl Street Theatre on Wednesday, 12 June 2019.

The play is written by College alumni Isidora Pandilovska and Charlotte Smith. It explores themes of bullying, mental health and identity.

The play has been developed throughout this semester as part of the NIDA Outreach Program with mentoring from the Head of Writing for Performance at the National Institute of Dramatic Arts (NIDA), Dr Stephen Sewell.

Doors open at 6.30pm for a 7.00pm start at the Wehl Street Theatre. Cost is a gold coin donation at the door.

The performance is suitable for high school aged students and above. See you there!

View the poster for Track & Field [here](#).

Eliza Suggate | Drama teacher

9-A-Side Boys Football team return with Shield

The Year 8/9 boys 9-A-Side Football tournament took place on Thursday, 30 May at South Gambier Football Club. Schools from around the area assembled their best footballers for the competition.

Tenison Woods College was represented by four teams.

At the end of the day, the results were calculated and in a combined effort of all 4 teams, the boys took home the John Seebomh Shield!

Congratulations boys and well done on a great tournament.

Tori McIntyre | Sports Administration Trainee

Register now for the Year 8 Monash Engineering Challenge

If you are in Year 8 and want to find out more about Engineering, Monash University is running a "Year 8 Challenge" during the July school holidays.

Dive into the wonderful world of Engineering with three days of hands-on workshops! Participate in experiments; develop 3D software; construct electrical gadgets; play with robots and aerial systems; and learn from Engineering experts.

For further details and registration please click [here](#).

Bad weather doesn't stop Interschool Cross Country competition from running

Last Wednesday, 11 Year 8-12 College students travelled to Bordertown to compete in the Annual Interschool Cross Country competition. Despite the wind, rain and hail, the Tenison Woods College U/14 Boys performed extremely well to earn an overall second place in their age group. Year 8 student Zac Hopgood continued to strive for success throughout his race, finishing in second place. Well done to all participants!

Tori McIntyre | Sports Administration Trainee

Year 8/9 Girls Football Team compete in Knockout Competition

Last Thursday, the College's Year 8/9 Girls Football team travelled to Tintinara to compete in the Knockout Competition. The girls faced a highly-skilled Victor Harbor High School team, who challenged the Tenison team right from the first bounce. Although the girls didn't go on to win, their energy and willingness to participate shone through. Great effort girls!

A special thank you to Year 9 boys Noah Sims, Lochie Thiele and Ollie McInnes who put their hand up to help out with umpiring.

Tori McIntyre | Sports Administration Trainee

Marist Brothers and Mercy Sisters Scholarships open for 2020

The Marist Brothers and Mercy Sisters Scholarships are available to students of families who may be experiencing financial hardship and are open to current Year 7 and Year 10 students.

The Marist Brothers Scholarship is awarded for up to 3 years for students in Years 8 to 10 and the Mercy Sisters scholarship for 2 years for students in Years 11 and 12.

Applications are currently open and we invite all families, who think they may qualify, to obtain an application form from the Front Office.

Alternatively, information on the Scholarships can be found online on the Tenison Woods College website [here](#).

Any queries can be directed to the Front Office or to me, Neal Turley, on 8725 5455.

Applications close at 4.00pm on 5 July 2019.

Neal Turley | Business Manager

Recipe of the Week – Banana Muffins

Year 1 students have been learning about Nude Food and plastic lunchbox waste. This banana muffin recipe was made along with other Nude Food wrapper free treats in Mr Agnew's class last week. Students made items and chose what they would like to pop into their snack boxes which had been laser etched with our school logo on the lid.

For the Banana Muffin recipe, please click [here](#).

For daily posts, please follow the Stephanie Alexander Kitchen Garden on Instagram at sakg.twc.

Jen McCourt | Hospitality Teacher

See the Community Noticeboard for posters and notices of upcoming events within our College, and wider community.
