Whole School Mass Celebrated last Thursday

Last Thursday, the College celebrated the Feast of the Assumption of the Blessed Virgin Mary with a Whole School Mass, in the Barrie Holmes Stadium.

This is one of the most important Feast days in the Liturgical year and highlights the importance of Mary in our Catholic Tradition. This Feast celebrates Mary being 'assumed' body and soul into heaven after her death to share in the Resurrection of her Son, Jesus.

The Feast of the Assumption is a Holy Day of Obligation for all Catholics. Students, Staff, Parishioners along with members of the College community came together to celebrate Mass, led by Fr Dean.

Special thanks to Staff who volunteered to sing and play "Gentle Woman" for the Mass Reflection. As well as being very talented and brave, your involvement and participation modelled to students that we all have talents to contribute to the community. Thanks also to the Student singers, musicians, readers, servers and staff who assisted with IT, set up, music, artwork and all aspects of preparation.

From The Principal

The Assumption and Whole School Mass

Thanks to all Students, Staff and Parents who contributed to the celebration of the Solemnity of the Assumption of the Blessed Virgin, a Holy Day of Obligation on Thursday 15 August.

Respect, Dignity and Care in an Online World

The current television series being shown on SBS "The Hunting" has become a talking point amongst many Parents in our community. The opportunities and pervasiveness of the online world with all of, what I call, its "Wild West" challenges, underlines for me the importance of our College 'village' in caring for the safety of our children, adolescents and emerging adults.

In this space, I turn to the work of Susan McLean, one of Australia's foremost authorities in cyber safety, who encourages us to realise that:

- Respect and responsibility should be used with consistency in the eWorld.
- Sending mixed messages about cyber safety is not life-giving to children and confuses them.
- You cannot have complacency online.
- Cyberspace is a public space and there is no such thing as private online.
 - Nothing can be totally deleted - it always remains there in cyberspace.
 - You are never anonymous online - everything can be traced, in that you always leave a digital footprint and your postings and comments can be found years later.
 - Passwords are the key to your online security and must never be shared. Passwords should be changed every three months.
 - Anyone can be anyone online - caution is critical.
 - There is no such thing as a safe website or application.

Unfortunately, over 30% of Australian teens report to being cyber bullied and Susan identifies "a new mean" through the online medium, which is occurring at a younger age. She also critiques the role of popular television shows which did not portray the real consequences to such situations of sexting and risky cyber behaviours. It is also apparent that cyber safety issues often affect the Students you least expect.

From The Principal *continued...*

Susan McLean is clear about the significant dangers in relation to online grooming and encourages us to think of an online friend as actually a stranger, with the associated dangers. She clarifies the nuance of knowing the person as distinct from knowing of the person, encouraging children and adolescents to be choosy in relation to friends.

We understand that all internet-enabled devices (tablets, phones, laptops and game consoles etc) are best placed in a common area of the house and not in the bedroom; or at least turning the internet off when a child is in their bedroom with the device. Susan speaks of the importance of passive supervision in well-trafficked areas of the house. Just as with the opportunities of our globally connected 'real world,' I encourage parents and teachers to embrace the cyberspace, understand the salient issues and acknowledge positives and negatives. Be proactive and consistent so that our children and adolescents are afforded the real and actual life-giving safety that we hope.

Carpark Care

I remind families to drive at no more than 15kmh while on the College grounds – especially during these days of challenging weather conditions. I also ask that Parents accompany young Students to and from the council property adjacent to the College's Shepherdson Road entrance, across the poplars lined driveway. I ask this in an attempt to prevent any potential accidents, which could occur to inexperienced and enthusiastic children, who make their own way from the school grounds to cars parked on the council property.

Reception Enrolments 2020

I advise Parents and Caregivers that interviews are well under way for all 2020 Reception Enrolments. We invite Parents and/or Caregivers to schedule an interview time with Mrs Jill Rogers, Head of Junior School, to formalise their child's enrolment for 2020. If you have a child who is due to start school in 2020, but have not received a letter, please contact the College Registrar Tracey Davey on 87 255 455 and she will help you organise this.

Staff Reflection Day – 6 September

Our Staff Reflection Day will be held in Mount Gambier on Friday 6 September. The focus of the day will be the way we are called to action for all of creation through Pope Francis' Laudato si, and how we can connect with our common home in ways that enliven our school, local and global community.

This day will be a Student Free Day and our wonderful OSHC service will be open should you require it.

Parish Planned Giving Rebate

A reminder to families that Parents contributing to the Parish Planned Giving may claim a rebate from Tuition Fees of 50% of their contribution up to a maximum claim of \$750. Official Parish receipts can be presented to the College's Finance Department now for the deduction to be made.

God Bless,

Talking to your Teenager about Alcohol

Recently I was searching the drinkwise.org.au website to get resources for a parent who was querying how to talk with their teenager regarding an upcoming party. This is an excellent site with no-nonsense information. Talking to your teenager about the consumption of alcohol can be daunting and setting your rules and boundaries in the face of pressure from your teenager requires a firm and consistent approach.

Be aware that drinking alcohol too young may disrupt brain development and may cause your teenager to fail to reach their full potential. Alcohol can also breakdown decision-making skills and cause them to make choices that are risky and regrettable. Therefore, it is vital that you have this conversation with your teenagers.

As usual with tricky conversations, the car is often the best place as you have a captive audience and you don't have to make eye contact which can make conversing easier. Peer group pressure can be overwhelming however; statistics show that the majority of parents believe it is unacceptable for their children to drink under 18. Talk to other parents. Be aware of your own role modelling too.

In accordance with the Child Protection Curriculum, Tenison Woods College

educates its Students in "the right to be safe". As part of this curriculum, Students in Years 9 to 11 are currently completing the online Climate Schools Program, recommended by the Australian Drug Foundation. Year 10 Students also have the option of becoming peer support for the Year 9 Students. This gives Year 10 Students an opportunity to gain ten SACE credits when delivering this program (with the support of Teachers).

If you would like more information, please feel free to contact us, or go to the drinkwise.org.au site.

Exciting Youth Group first get together

Last week, the Saturday evening Youth Mass was celebrated for the first time at St Paul's Church, with the youth of the parish leading the music and the readings.

Immediately following the Mass, five Youth Group Leaders and 15 young people moved into the church hall to commence the first Youth Group meeting. The evening began with a hearty meal of lasagne for everyone, with both Fr Dean and Fr Peter dropping by to share in the feast. After the meal, Youth Group Leader, Daniel Royals led games in which the youth had a chance to have a bit of fun while getting to know one another. From there, the group began a session of catechesis, which included thought-provoking videos about faith, a bible reading, reflective discussions and group prayer. Overall, the Youth Group was a success and a very enjoyable and rewarding experience for all involved. It has been wonderful to see so many young people cultivating their relationships with God, as well as the friendships they have with each other. We encourage any Students in Year 7 and above looking to make friends and grow closer to God to come along to the next session following the Youth Mass on Saturday 14 September.

Students Jump Their Way to Successful Fundraising Effort

Students at Tenison Woods College did a terrific job in raising money for the Heart Foundation this year, with \$4,698.87 being raised through sponsorship for 'Jump Off' day.

Friday was a great day with the Junior School classes participating in a range of 'Jump Off' skipping activities for a 45-minute session in every lesson from 1 to 6. Students were involved in all the activities and worked very well, with older Students supporting and guiding younger Students through a range of skipping techniques and using a range of ropes and hoops.

Students were also involved with their family and friends in raising money for the Heart Foundation in Australia.

A terrific effort by all students involved.

A word from Sally...*"Reading is a vital component in developing empathy and fostering compassion in young people. I am delighted to be involved in the Australian Reading Hour for 2019. I never tire of the thrill of listening to children talk about why they love a particular book or character. I love writing and sharing stories. My hope has always been that my readers will see themselves in my stories and understand that no matter how confusing or frightening the world may seem at times, kindness, friendship and integrity always win out in the end."*

Collecting Bottle Caps 4 Kidz

HDPE
LDPE

"Caps 4 Kidz" is a project aimed at collecting plastic bottle caps to reduce landfill. The bottle caps collected during this campaign will be melted down to make prosthetic hands and arms for children. Working in conjunction with UniSA and Envision, the Students of Year 7C have volunteered to oversee the collection of these bottle caps for Middle and Senior School. Collection points have been set up around the College and in classes for the plastic bottle caps. \$500 is up for grabs to the school who collects the most bottle caps.

Here's how the campaign works;

1. Bottle caps will be collected during Weeks 1-5.
2. At the end of Week 5, representatives from UniSA will collect the bottle caps and measure each school's collection through weight.
3. UniSA: Mount Gambier will then notify the winning school later in the Term.

What type of bottle caps are eligible?

- Number 2 and Number 4 bottle caps are required. Please check caps before donating. If there is no '2' or '4' on the inside of the cap, please do not add to the collection.
- Bottle caps must be washed and dried.
- Please take out the plastic seal (ring) as this cannot be used by Envision. Schools of all sizes have an opportunity to win!

The winning school will have the most bottle caps per capita. E.g. 1000 bottle caps/500 students = 2 per student. 1000 bottle caps/100 students = 10 per student. (Please note bottle caps will be measured by weight, rather than counting).

Open Knockout Basketballers Faced Tough Competitors at State Final

On Wednesday 14 August, our Open Boys and Girls Basketball teams competed in the Knockout Basketball State Finals in Adelaide. They faced up against some of the toughest competition from across the state. The boys played to finish fourth in their pool, successfully making the final, where they played against the very strong Trinity College, going down 27 - 44. The girls displayed a very strong performance throughout the entire competition, winning each of their games leading up to the Grand Final. The Grand Final saw our Lady Titans come up against the very skillful Immanuel College. After a very intense 4 quarters, the girls were unlucky to go down by 1 point, with Immanuel claiming the State Title 41-40.

For the first time at the competition an All Star Team was announced for both the boys and girls. Well done to Year 10 Student Lucy Denton and Year 11 Student Sarah Nulty, who were recognised in the girls team.

A great effort by all, well done Titans!
