Book Week 2019 - "Reading Is My Secret Power"

This year's Book Week Parade was amazing! Each year I think, "We can't top this one" but, this year was fantastic!

The theme "Reading is my Secret Power" encouraged everyone to let their imaginations run wild and dress up in some great costumes - from super heroes to villains and from book characters to larger than life movie heroes.

The day continued with classroom activities after recess. Students read books from the Children's Book Council of Australia shortlist and had fun making craft and art projects to go with them.

In the afternoon, Library Staff presented the winners of the Book Week Competition at the Junior School Assembly who were: Piper, Anna, Charlie, Hudson, Adelaide, Lauren, Jess, Banjo, Louise and Meah.

Congratulations to all and a great effort from everyone who entered.

Boldly Becoming Citizens of the Digital World

In a previous newsletter article, I wrote about the opportunities and pervasiveness of the online world with all of, what I call, its 'Wild West' challenges. For me, this underlines the importance of our College 'village' in caring for the safety of our children, adolescents and emerging adults.

Significantly, the Australian Catholic Bishops' Social Justice Statement for 2019-2020 is titled "Making it real: genuine human encounter in our digital world."

The Statement indicates that new digital media offers positive possibilities for encounter and solidarity, however some elements of our digital world may be harmful. These include information overload; social isolation; marginalisation of the vulnerable; consumerism and fake news.

The Statement reminds us that new digital media cannot be seen as neutral or 'unaffected by any moral considerations'. While many users do not realise it, the core business of social media platforms is to sell advertising and maximise profits. People's personal lives may be reduced to data that is traded for profit or power, and it is used to target and influence us in ways previously unthinkable. Pushing users to more extreme positions and promoting fake news and conspiracy theories sells, but this is at odds with human solidarity.

The Bishops amplify Pope Francis' call to us to 'boldly become citizens of the digital world', with the image of the Good Samaritan as our inspiration. We are called not only to love our neighbour, but to bring the love of God to the new global neighbourhood.

The Statement points out that we are called not just to be inhabitants of this new digital world, but active citizens shaping it.

All of us - whether we are users, communities, industrial or political leaders - have a role to play in rejecting hatred, divisions and falsehoods. We have a duty to foster a neighbourhood that promotes those human attributes and social values that lend themselves to genuine human encounter - love, understanding, beauty, goodness, truth and trustworthiness, joy and hope.

As we prepare ourselves for Social Justice Sunday on 29 September, we reflect on Pope Francis' challenge to us to 'boldly become citizens of the digital world'; not just to be inhabitants of this world, but active citizens shaping it.

For further details about the Social Justice Statement, visit the Office for Social Justice's website at www.socialjustice.catholic.org.au or call (02) 8306 3499. You can also order the Statement online at bit.ly/socialjusticeshop.

Care for Creation and Staff Reflection Day

In June 2015, Pope Francis wrote a letter to the world about caring for the earth, our common home. It was called "Laudato Si". Later that year, he declared the first of September to be a World Day of Prayer for the Care of Creation. This annual day of prayer reminds us that God has entrusted creation to our care.

Pope Francis wrote in Laudato Si that we as Christians are called to contribute to resolving the ecological crisis which humanity is presently experiencing. The ecological crisis thus summons us to a profound spiritual conversion: Christians are called to "an ecological conversion whereby the effects of their encounter with Jesus Christ become evident in their relationship with the world around them" (Laudato Si, 217). For "living our vocation to be protectors of God's handiwork is essential to a life of virtue; it is not an optional or a secondary aspect of our Christian experience" (ibid).

I am delighted that our College community is committing itself with increased intensity to a systemic and planned approach to caring for creation. Such approach is complementing the effort of individual Students, Staff and Parents who are dedicated to ecological sustainability.

Likewise, I am delighted that the focus of the Staff Reflection Day on Friday 6 September 2019 will be the way we are called to action for all of creation through Pope Francis' Laudato Si, and how we can connect with our common home in ways that enliven our school, local and global community.

This day will be a Student Free Day and our wonderful OSHC service will be open should you require it.

Carpark Care

I remind families to drive at no more than 15km/h while on the College grounds – especially during these days of challenging weather conditions. I also ask that Parents accompany young Students to and from the Council property adjacent to the College's Shepherdson Road entrance, across the poplars lined driveway. I ask this in an attempt to prevent any potential accidents, which could occur to inexperienced and enthusiastic children, who make their own way from the College grounds to cars parked on the Council property.

Reception Enrolments 2020

I advise Parents and Caregivers that interviews are well under way for all 2020 Reception Enrolments. We invite Parents and/or Caregivers to schedule an interview time with Mrs Jill Rogers, Head of Junior School to formalise their child's enrolment for 2020. If you have a child who is due to start school in 2020, but have not received a letter, please contact the College Registrar Tracey Davey on 8725 5455 and she will help you organise this.

Parish Planned Giving Rebate

A reminder to families that Parents contributing to the Parish Planned Giving may claim a rebate from Tuition Fees of 50% of their contribution up to a maximum claim of \$750. Official Parish receipts can be presented to the College's Finance Department now for the deduction to be made.

*God of All Creation,
may your Spirit change our minds and hearts
so that we learn how to care for the land,
the seas that surround us and the skies that overarch us,
and how to wisely use their natural gifts.
Amen.*

God Bless,

SHINE + Health

At the Whole School Assembly this week, I spoke to Students about the 'plus' in SHINE+. SHINE+ is our College approach to wellbeing.

- **S** - Strive to be SUCCESSFUL
- **H** - HELP others to be their best
- **I** - Get INVOLVED
- **N** - Known by NAME
- **E** - ENJOY Positive EMOTIONS
- **+** - Be HEALTHY

At this time of the year there are always colds, bugs and interesting illnesses that invade our community, so now more than ever it is important to be aware of the '+ be Healthy' guidelines to help keep others and ourselves healthy.

Take time to recharge and get a good night's sleep: Having some down time away from activities, homework/study and socialisation is a great way to personally relax and unwind for both young people and adults. Sleep is the other component of this guideline. If we are not getting enough sleep we lower our resistance to bugs making ourselves more susceptible to illness. Keep those devices out of the bedroom so that the pinging of alerts does not interrupt sleep!

Eat well and drink plenty of water: Healthy food, healthy body! While it is tempting to go for comfort food when the days are cold and wet and you are feeling miserable, good nutrition is far more sustainable. Try the soup option instead of hot chips!

Be active and exercise regularly: This is not only proven beneficial to our physical health, but also to our mental wellbeing. This can be a challenge at this time of the year, but it is well worth the effort.

Sickness: Finally, if your young people are sick, if possible please keep them home. This not only gives them time to recuperate in the comfort of their own home it also stops germs from spreading and infecting others. If your child is absent, please ring the absentee line in the morning. The number is (08) 8724 4659.

ACYF Pie Drive fundraiser

The Staff and Students attending the Australian Catholic Youth Festival in Perth in December would like to pass on their thanks to all families and Staff who supported their recent Pie Drive fundraiser. The group had a very busy day on Sunday making hundreds of pies, pasties and sausage rolls under the expert guidance of Shane Gabriel from Aero Espresso. The group would like to pass on their sincere thanks to Shane for his expertise, organisation and generosity.

Season of Creation

The Season of Creation spans five weeks between the World Day of Prayer for the Care of Creation on 1 September and the Feast Day of St. Francis of Assisi on 4 October. This "time for creation" offers, in the words of Pope Francis:

"Individual believers and communities a fitting opportunity to reaffirm their personal vocation to be stewards of creation, to thank God for the wonderful handiwork which he has entrusted to our care, and to implore his help for the protection of creation as well as his pardon for the sins committed against the world in which we live." During the Season of Creation, Students from across the College will have work on display in the Gathering Space of St Paul's Church. We would love for you to go in and have a look.

Father's Day Breakfast

The Father's Day Breakfast will be held this Friday in the Barrie Holmes Stadium from 7:45am-8:30am. Information has been sent out via email and RSVP's are essential for catering. Please email your RSVP to Nada Brookes. broon@tenison.catholic.edu.au including any dietary needs.

Term 3 Parent Teacher Interviews

Parent Teacher interviews are an opportunity to learn more about your child's learning, progress and to plan with the Teacher how you can support your child. The interviews provide additional information, which supports the information provided in the Parent Access module (PAM) in relation to your child's learning. We encourage Parents/Carers to take the opportunity to meet with your child/ren's Teachers for the interviews in the spirit of continuing to build strong partnerships.

Bookings have now opened and will be open until Thursday 29 August for families to request Staff and a desired time. The batch processing will take place after this and an email will be sent to you with your interview schedule. Parents will then have until 9:00am Monday 2 September to make changes. Bookings will be locked after this time.

Interview dates are Tuesday 3 September and Thursday 5 September. For Students in Reception to Year 7, interviews will be held between 4:00pm and 6:30pm both evenings. These Teachers will be located downstairs in the Pam Ronan Centre. For Students in Year 8 to Year 12, interviews will be held between 4:00pm and 8:00pm both evenings. These Teachers will be located in the upstairs area of the Pam Ronan Centre. Interviews will be 10 minutes in length, with Teachers seated in alphabetical order. To assist with the smooth running of the interviews, a bell will sound every 10 minutes to signify the next interview time.

The Term 3 Parent Teacher Interviews complement the information about your child's performance in assessment and recommendations for future learning. These can be found by referring to the Teacher Comments on PAM. The PAM website works with computers and tablets. To access the site, go to pam.tenison.catholic.edu.au - If you require assistance to access PAM, please contact the school by email at pam@tenison.catholic.edu.au or by phone (08) 87 255 455.

Auskick MCG Trip

Each year as part of the College's Auskick program, a number of Year 2 Students travel with their families to Melbourne to play at half time of an AFL match. The seven lucky Students this year were: Fergus, Ben, Charlie, Kiahna, Oliver, Dane and Thomas.

These students travelled to Melbourne for the Round 16 clash between the Essendon Bombers and Sydney Swans at the MCG. At quarter time, the Students went down into the players change rooms and got into their Auskick uniform. At half time, they ran out on the ground and played in front of 60,000 people for approximately 12 minutes. It was a wonderful experience for these Students.

Thanks to all Parents that came along and helped on the day. More photos feature later in this newsletter.

Stig Wemyss Book Week Visit

On Tuesday afternoon students from Years 4-7 participated in a fun-filled and humorous session with special guest, actor and narrator Stig Wemyss. Stig has appeared on a number of Australian TV shows and is well known and loved for being the "voice" of all the Andy Griffith audio books. Our students and staff were engaged and entertained with stories, games and activities over the final Book Week event and it was enjoyed thoroughly by all who attended. Sausages and marshmallows will never seem quite the same again!

High Profile Author to Visit for the 2019 Australian Reading Hour

We are incredibly excited to announce that highly acclaimed and award-winning author Sally Rippin will be spending the day at Tenison Woods College for our 2019 Australian Reading Hour event on Thursday 19 September.

The national initiative encourages all Australians to devote an hour of their time to reading. At Tenison Woods College, the Junior School will participate in the Reading Hour from 9:00am-10:00am before having the opportunity to meet Australia's highest selling female author.

Sally is well known for her 'Hey Jack' and 'Billie B Brown' series' (amongst other popular titles) and is a passionate ambassador for reading and literacy. During her visit, Sally will present sessions for Reception to Year 2 and Years 3 to 5 Students. She will visit classrooms and meet our young people.

We look forward to sharing further details in the lead up to this event and are extremely excited about this wonderful opportunity for our Students.

A word from Sally...*"Reading is a vital component in developing empathy and fostering compassion in young people. I am delighted to be involved in the Australian Reading Hour for 2019. I never tire of the thrill of listening to children talk about why they love a particular book or character. I love writing and sharing stories. My hope has always been that my readers will see themselves in my stories and understand that no matter how confusing or frightening the world may seem at times, kindness, friendship and integrity always win out in the end."*

Regional SAPSASA Basketball

Congratulations to our very talented Year 6/7 Boys and Girls Basketball Teams, who competed in the recent SAPSASA Basketball Regional Day at the Icehouse and successfully progressed to the State Finals.

Teams from across the Lower South East who were successful at their own respective District competitions travelled to Mount Gambier to play in the competition. This was a great experience for our young student athletes, as they had the opportunity to play against schools that they have never played against before, allowing them to further develop their skills.

Both teams finished the day strongly, with the girls being undefeated, with their successes gaining them each a position in the SAPSASA Basketball State Championships, which will be held in Adelaide on Wednesday 18 September.

Shining In The Classroom

For the first few weeks of Term 3, the College's Year 8 Students have been working on demonstrating their understanding of the "Year 1066" in a creative storyboard task.

Staff have supported Students to display their talents in various ways. Students presented excellent hand-drawn A4 storyboards, expertly crafted A5 booklets and for the first time, several video files.

Gianna Morello's video submission is one worthy of a special mention, as it captures all the key events and is enhanced with some fantastic special effects. Take a look for yourself, via this vimeo link:
