## Music Is Fun 2019

It was fantastic to have the "Music is Fun" band present to our Junior School and some of our Poplar's Students last week. This concert is always energetic and entertaining and is one of the highlights of the year.

This year, the students were educated on musical styles and instruments while participating in many ways during the concert. The students always love being involved in the performance and we had students sing, dance and play recorder. Many students also had the opportunity to dress up and be part of presenting the songs.

### R U OK? and Putting Your Hand Up to Help Out

R U OK? Day is our National day of action dedicated to reminding everyone that we've all got what it takes to ask, "are you ok?" and support those struggling with life. Taking part can be as simple as learning R U OK?'s four steps, so you can have a conversation that could change a life.

The steps are discussed here: [https://www.youtube.com/watch?v=TgweO\\_eY284](https://www.youtube.com/watch?v=TgweO_eY284) and are as simple as:

1. **Asking R U OK?**
2. **Listen with an open mind.**
3. **Encourage action.**
4. **Check in again afterwards.**

This year, in the build-up to R U OK? Day we are encouraging everyone to 'Trust the Signs', 'Trust your Gut' & 'Ask R U OK?'. We want everyone to feel confident they know the signs that someone might need support by listening to what they're saying, seeing what they're doing or knowing what's going on in their life. Whenever you notice a change, no matter how small, we want you to trust your gut and start an R U OK? conversation.

By starting a conversation and commenting on changes you've noticed in people, you could help that family member, friend or workmate open up. If all is well, that person will know you're someone who cares enough to ask. That is precisely the theme of our endeavours this year; individuals matter to the College community and our care for individuals is the ultimate measure of our whole community.

### Origins of R U OK Day

In 1995, much-loved Barry Larkin was far from okay. His suicide left family and friends in deep grief and with endless questions. In 2009, his son Gavin Larkin chose to champion just one question to honour his father and to try protecting other families from the pain he has endured.

While collaborating with Janina Nearn on a documentary to raise awareness, the team quickly realised the documentary alone wouldn't be enough. To genuinely change behaviour Australia-wide, a national campaign was needed. From this realisation and with Gavin and Janina's expertise and passion, R U OK? was born.

## From The Principal *continued...*

### Origins of R U OK Day continued...

Gavin remained a passionate champion of the idea that a conversation could change a life, even as cancer ended his life in 2011. His and Janina's legacy is ensuring all Australians realise a little question can make a big difference to those people struggling with life.

I encourage students to get involved and parents to discuss this issue with them at home.

More details can be read in the Counsellor's Corner article later in this newsletter.

### Transforming 'The Pines' – Starting from Week 10, Term 3

To commence our College building program and fulfilling our Master Plan we will be transforming the Year 8/9 classroom area, known as 'The Pines', from a zone of 6 classrooms to a location that will house:

- Poplars
- 12 classrooms
- Staff preparation area
- Breakout spaces
- Student and staff toilets
- Wonderful grounds, with increased play and quiet spaces that accentuate our ecological commitment.

We are aiming to have this new area ready for 28 January, 2020.

To assist with this preparation we will also be asking that at the end of week 9, classes shift from the current Pines classrooms, so transportable removalists and builders can start on the site in week 10. There will be some classroom challenges and parking challenges for week 10 and the first couple of weeks of term 4, however I ask our community to offer their support as much as they are able - it will all be worth it!

### Key dates for the commencement of 2020:

A full list of 2020 key dates will follow soon, but to assist with planning, I inform our College community of dates to commence the academic year:

<b>Wednesday 22 January 2020</b>	All Teaching Staff commence
<b>Friday 24 January 2020</b>	Book collection day
<b>Monday 27 January 2020</b>	Australia Day Public Holiday
<b>Tuesday 28 January 2020</b>	Reception, Years 6, 8, 10, 11, 12 commence Term 1.
<b>Wednesday 29 January 2020</b>	All other students commence Term 1.

You will note the staggered start to the commencement of the year for Students. This approach will assist Students in the identified year levels to complete the best possible transition processes with the relevant teaching and support Staff. We also look forward to preparing transition programs that will accentuate our relationship with Parents and Carers in the support of Student learning and wellbeing.

### Care for Creation and Staff Reflection Day

I was delighted that the focus of the Staff Reflection Day last Friday 6 September focused on the way we are called to action for all of creation through Pope Francis' "Laudato si" and how we can connect with our common home in ways that enliven our school, local and global community. I think it was a milestone experience for our staff and I look forward to the impact it will have on the experience of our young at Tenison Woods College.

### Carpark Care

I remind families to drive at no more than 15km/h while on the College grounds – especially during these days of challenging weather conditions. I also ask that Parents accompany young Students to and from the Council property adjacent to the College's Shepherdson Road entrance, across the poplars lined driveway. I ask this in an attempt to prevent any potential accidents, which could occur to inexperienced and enthusiastic children, who make their own way from the College grounds to cars parked on the Council property.

God Bless,

David Mezinec | Principal

## From the Assistant Principal Student and Staff Development

### Parent Teacher Interviews

Thank you to all those parents and caregivers who attended Parent/Teacher interviews last week. It was good to see the evenings so well patronised. These conversations are beneficial in supporting and unpacking the information that Teachers include on PAM (the Parent Access Module) and give a greater insight into how your child is achieving at school. It is also a chance for teachers to hear how they can better support your child, too.

This year, we varied our delivery of these nights. Previously PTI's were held over the space of two weeks. However, this term they were held over two nights in the same week. We would be interested to hear which model suits Parents and Carers best as we are continually reviewing the delivery of our services. Please feel free to email me at [sandj@tenison.catholic.edu.au](mailto:sandj@tenison.catholic.edu.au) with your preference.

### International Day of Peace

Saturday 21 September is the International Day of Peace. Each year there is a theme for the day. This year's theme is 'Climate Action for Peace', which celebrates the 13th Sustainable Development Goal put together by the United Nations. The theme draws attention to the importance of combatting climate change as a way of protecting and promoting peace throughout the world.

In keeping with this theme, we are asking that all Students sign their name on a banner, on Thursday September 19 (Week 9), to show that our school is committed to finding and keeping peace throughout the world. The banner will be located under the sails and classes will be allocated times for Students to sign if they wish. The Early Learning and Community Centre Students will have the opportunity to add their handprints on the banner. This action is the initiative of Year 12 Student Faith Leader, Ryleigh McBain who is a passionate advocate for peace in the world and felt that the message of action for climate change can be conveyed in many different and positive ways.

### Staff Reflection Day

Last Friday, College Staff participated in our annual Staff Reflection Day. This was an opportunity to spend time nurturing their own Faith and connection with God, others and creation.

This year, the activities focussed on continuing to build an understanding of the Pope's encyclical "Laudato Si" and his call for every person living on this planet to care for creation, our common home and take collective action as we face global environmental degradation.

As a community of Catholic educators, the day was spent engaging with resources and activities designed to encourage dialogue on important social and environmental issues.

Along with key College Staff, group sessions were facilitated by Aaron Izzard from Mt Gambier City Council; Sue Martin, Director of Catholic Earthcare; Suzy Penberthy from Caritas Australia; Sr Sue McGuinness SSJ, Fr Dean Marin, Dr Liz Reed from UniSA and Julian Kluge from Catholic Education SA.

The day began with a Welcome to Country in the local Boandik language by Matthew Brookes who also made relevant connections between the generations of his family, who have been connected to the College. The day concluded with a Mass celebrated by Fr Dean in St Paul's Church, bringing everything that had happened during the day before God, present in the Eucharist.

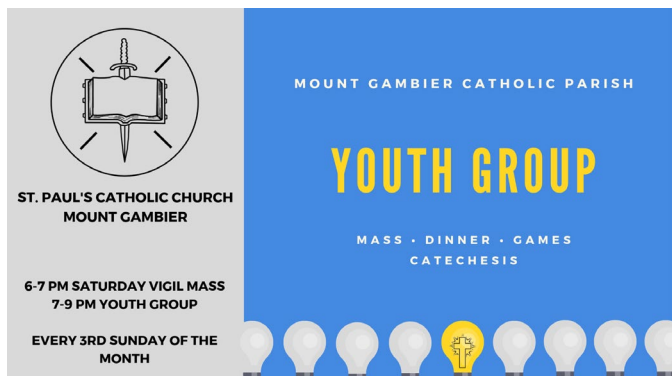

Co-coordinators, Michelle Coote and Tom Linnell would like to sincerely thank everyone who was involved in the day for the part they played in leading staff to a deeper understanding of God, others and creation in a way that will enhance their work in a Catholic School.

**Youth Mass and Youth Group Meeting – This Saturday**

We are so excited to see familiar and new faces this Saturday night. However, we need to know how many hungry teenagers we need to feed, so please let us know how many of you (or your family) will be coming, by emailing the Youth Leaders on [mgp.youth@gmail.com](mailto:mgp.youth@gmail.com)

**Liturgy of the Word for Children**

The Liturgy of the Word for Children is offered this weekend at both Masses - Saturday at 6:00pm and Sunday 11:00am. We look forward to seeing many children participate in this wonderful faith formation program.

**Parish Mass**

A Mount Gambier Catholic Community Parish Mass is held each Thursday of the Term and is led by a different class or year level each week. Mass is held at 9:00am in the College Chapel and all parents, grandparents and friends are welcome to attend.

**The roster for Term 3 Masses is as follows:**

- Week 8** Year 4
- Week 9** Year 9
- Week 10** Year 10

**Michelle Coote** | APRIM – Assistant Principal Religious Identity and Mission

**Are you an Old Scholar?**

**School Photos 17 & 18 September**

School photos are being held next week, on Tuesday 17 and Wednesday 18 September (Week 9).

Photo envelopes have been sent home with your child. The envelope contains your child's unique shootkey. Reception to Year 7 Students; please return your photo forms to your classroom teacher. Years 8 to 12 Students will need to bring their photo forms on the day.

Students in Years 8 to 12 will only have their individual photos taken, regardless of whether they are ordering.

**Family Photo bookings have been extended to MONDAY 16 SEPTEMBER. These forms can be collected from the front office and returned BY MONDAY AT THE LATEST. This will ensure your family has been allocated a timeslot, which will be emailed out to you.**

**Please note: Family Photo forms need to be handed in PRIOR to photo day, not on the day as the photo envelope states.**

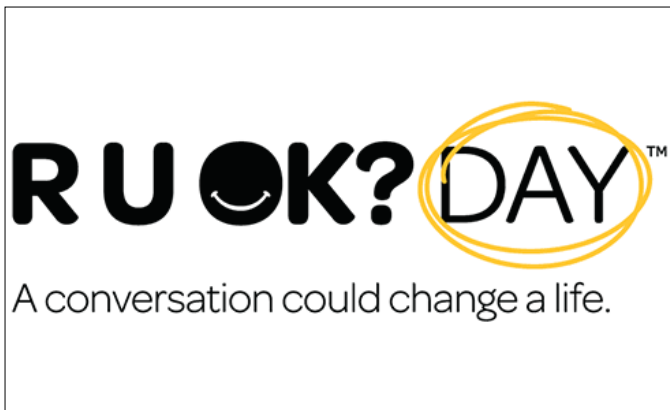

**Please note: Full winter uniform is required for all students (including jumper). Students must have their hair tied back. Classes that are normally scheduled to wear their PE uniform on this day will need to alter this to wear winter uniform. If you have any queries, please phone the College on (08) 8725 5455.**

## High Profile Author to Visit for the 2019 Australian Reading Hour

We are incredibly excited to announce that highly acclaimed and award-winning author Sally Rippin will be spending the day at Tenison Woods College for our 2019 Australian Reading Hour event on Thursday 19 September.

The national initiative encourages all Australians to devote an hour of their time to reading. At Tenison Woods College, the Junior School will participate in the Reading Hour from 9:00am-10:00am before having the opportunity to meet Australia's highest selling female author.

Sally is well known for her 'Hey Jack' and 'Billie B Brown' series' (amongst other popular titles) and is a passionate ambassador for reading and literacy. During her visit, Sally will present sessions for Reception to Year 2 and Years 3 to 5 Students.

She will visit classrooms and meet our young people. We look forward to sharing further details in the lead up to this event and are extremely excited about this wonderful opportunity for our Students.

*A word from Sally... "Reading is a vital component in developing empathy and fostering compassion in young people. I am delighted to be involved in the Australian Reading Hour for 2019. I never tire of the thrill of listening to children talk about why they love a particular book or character. I love writing and sharing stories. My hope has always been that my readers will see themselves in my stories and understand that no matter how confusing or frightening the world may seem at times, kindness, friendship and integrity always win out in the end."*

WEDNESDAY 11 SEPTEMBER, 2019 | WEEK 8, TERM 3

## GovHack is the biggest Hackathon

The local "GovHack" competition took place at the Mount Gambier Library over the weekend. GovHack requires small teams of Student-competitors to produce any kind of "hack" using Australian government open data. In its tenth anniversary and with \$85,000 worth of prizes up for grabs, it is the country's biggest 'hackathon' for students, which ran in 30 regional and major locations across Australia and New Zealand.

Participants are required to create a 'proof of concept' and video that shows how government-provided open data can be used to solve a problem in our society. Around 10 Tenison Woods College Students from across Years 8-12 took part in the event, forming the largest group in the youth category of the hackathon. Students worked enthusiastically over the weekend, using their web development, programming and graphics design, art and media skills. Their final videos were very well appreciated by the judges. At the finishing ceremony, Year 11 student Mercedes Scott was presented the local Spirit of GovHack award, for showing generosity, personal development and leadership throughout the weekend. The local, state, national and international prizes to be announced in the coming weeks.

## R U OK? Day Coffee Morning

Tomorrow is R U OK? day, so please come and join us for a cuppa tomorrow morning, Thursday 12 September at 8.45am (after morning school drop off). You will find us at the Sugarloaf Cafe located next to the gym. Our coffee mornings are a great chance to welcome new families to our school community or just a chance to have a cuppa with other parents at the school. Everyone is welcome and we hope to see you there.

## Birds of a Feather Shining in the Classroom

Recently, Year 9 Visual Art students have been honing in on their observational drawing skills. The experience began by creating origami cranes which students then drew and finally applied watercolour and ink. Shown here are some examples of the many beautiful works created. Watch this space - our Year 9 students have some serious talent!

## Hats Term 4

Please be advised, the old style Tenison Woods College Hats will not be permitted from Term 4. If you wish to purchase a new hat, these are available from the Uniform Shop. Visit [www.tenison.catholic.edu.au/enrolment/uniform-shop](http://www.tenison.catholic.edu.au/enrolment/uniform-shop) for Online Orders, or call in and see the helpful staff. Hats are \$15 and are available for all year levels in two sizes.

## Counsellor's Corner Asking, 'Are you OK?'

R U OK? seeks to create a world where we're all connected. We are never too young to look out for one another and meaningfully connect.

A range of circumstances can lead to a child feeling low, including:

- Big life changes, like moving house or school
- Experiencing grief or loss
- Being around people going through tough times
- Being bullied
- Arguing with someone
- Problems with school work
- Being bored
- Having a medical condition or chronic illness
- Not sleeping well
- Not exercising enough
- Hormonal changes
- Special needs

Be aware of certain behaviours and signs that can indicate a child might be struggling. The first thing to look out for is changes in behaviour. When people feel low, they often:

- Withdraw from their friends or their family.
- Lash out at people and get angry or upset easily, including towards the people they care about.
- Cry or become emotional.
- Lose interest in activities and things they usually love.
- Have changed sleeping patterns. They might be sleeping all the time, not sleeping much at all, or sleeping at strange hours (such as in the middle of the day).
- Change of appetite. They could be eating more than usual, or less.

Children cannot be expected to fix someone's problems, nor know the best way to help and support. However they can be encouraged to listen to what their friend is saying, let them know they care and tell a teacher, school counsellor or trusted adult if they are worried about their friend. By promoting an environment of positive peer support and accessing support channels via an adult, children can learn that asking, 'Are you OK?' is a key life skill.

R U OK? has 4 steps that might help navigate a conversation when someone says, "No, I'm not OK".

These steps are:

1. **Ask**
2. **Listen**
3. **Encourage action**
4. **Check in**

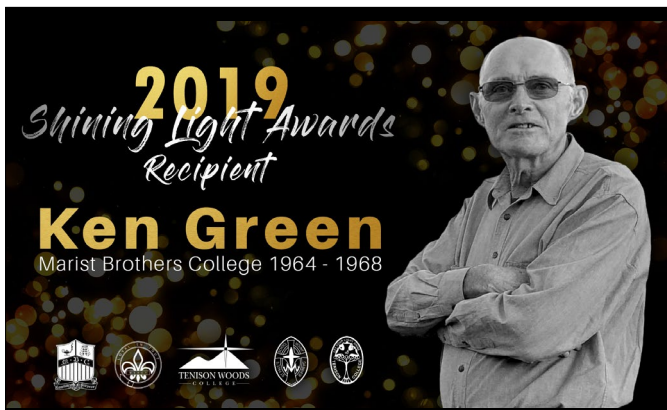

Useful contacts when a child is not OK:

- School counsellor
- GP or psychologist
- Kids Helpline on 1800 55 1800
- Lifeline on 13 11 14
- '000' if life is in imminent danger

## Shining Light Awards Recipient - Ken Green

### Introducing one of this year's Shining Light Recipients: Ken Green

Ken Green was born in England. He, his parents and siblings moved to Australia in 1961. Ken began his time at Marist Brother's College in 1964. He had a fondness for sport, was a College House Captain and won numerous long distance running events as well as setting Athletics Records during his time at the College.

Academically, Ken enjoyed Mathematics, Physics and Chemistry. After his schooling, he began working as a Forestry Technical Assistant in 1969. In the early 70's, Ken travelled and explored the world. Upon his return to Australia in 1977, he began studying at the University of Canberra. He achieved a Bachelor of Applied Science (CCA) and PhD in Zoology (ANU). His passion for Zoology and Botany led him to research projects all around Australia and the world, including 7 Antarctic trips.

Ken has produced over 150 peer-reviewed papers – mostly Zoology, but also Botany, Glaciology, Soils & Geology, Hydrology, Lake Chemistry, Archaeology and Climate Change, along with three published books – one in 2nd edition. Ken has featured in ABC's "From the Heart" series and Catalyst, as well as assisting with David Attenborough's "Life of Mammals" documentary series in Kosciuszko National Park.

Ken convened the Australian Institute of Alpine studies for 15 years and organised many conferences. He was the Australasian and Zoologist representative on the "Global Mountain and Biodiversity Assessment" for 10 years. He spent 30 years as a firefighting crew leader, where he received the Australian Service Medal. Ken was also involved in Search & Rescue for more than 30 years – and was even officially thanked by the Czech Republic after one particular rescue. The National Parks & Wildlife Service awarded Ken the 'Service Medallion'.

Prior to retirement, Ken worked as Principle Research Scientist for NSW National Parks & Wildlife Services until he suffered a stroke in 2017. The stroke affected him greatly. He lost his speech and ability to read and write. Through ongoing assistance and sheer perseverance, Ken learned to talk, read and write again through re-reading many of his early childhood schoolbooks. Over the last 2 years, Ken managed to regain his speech and ability to read and write to the level where he is now able to continue with his academic work on a voluntary basis, post retirement.

Today, Ken continues to keep himself busy with international research projects and shows no signs of slowing down.
