

Study help online, anywhere.

You get FREE Studiosity access as a current student. Here's how it works.

 Studiosity

“It was a great help. They were very kind and patient and broke things up well so I could take it a little at a time then finally understand it.”

- Year 12 student, Chemistry, August 2017

“It was amazing! I am so much more confident in my essay writing!!”

- Year 9 student, Essay Writing, August 2017

Studiosity

**Studiosity is
personalised
online study help,
from a real
person.**

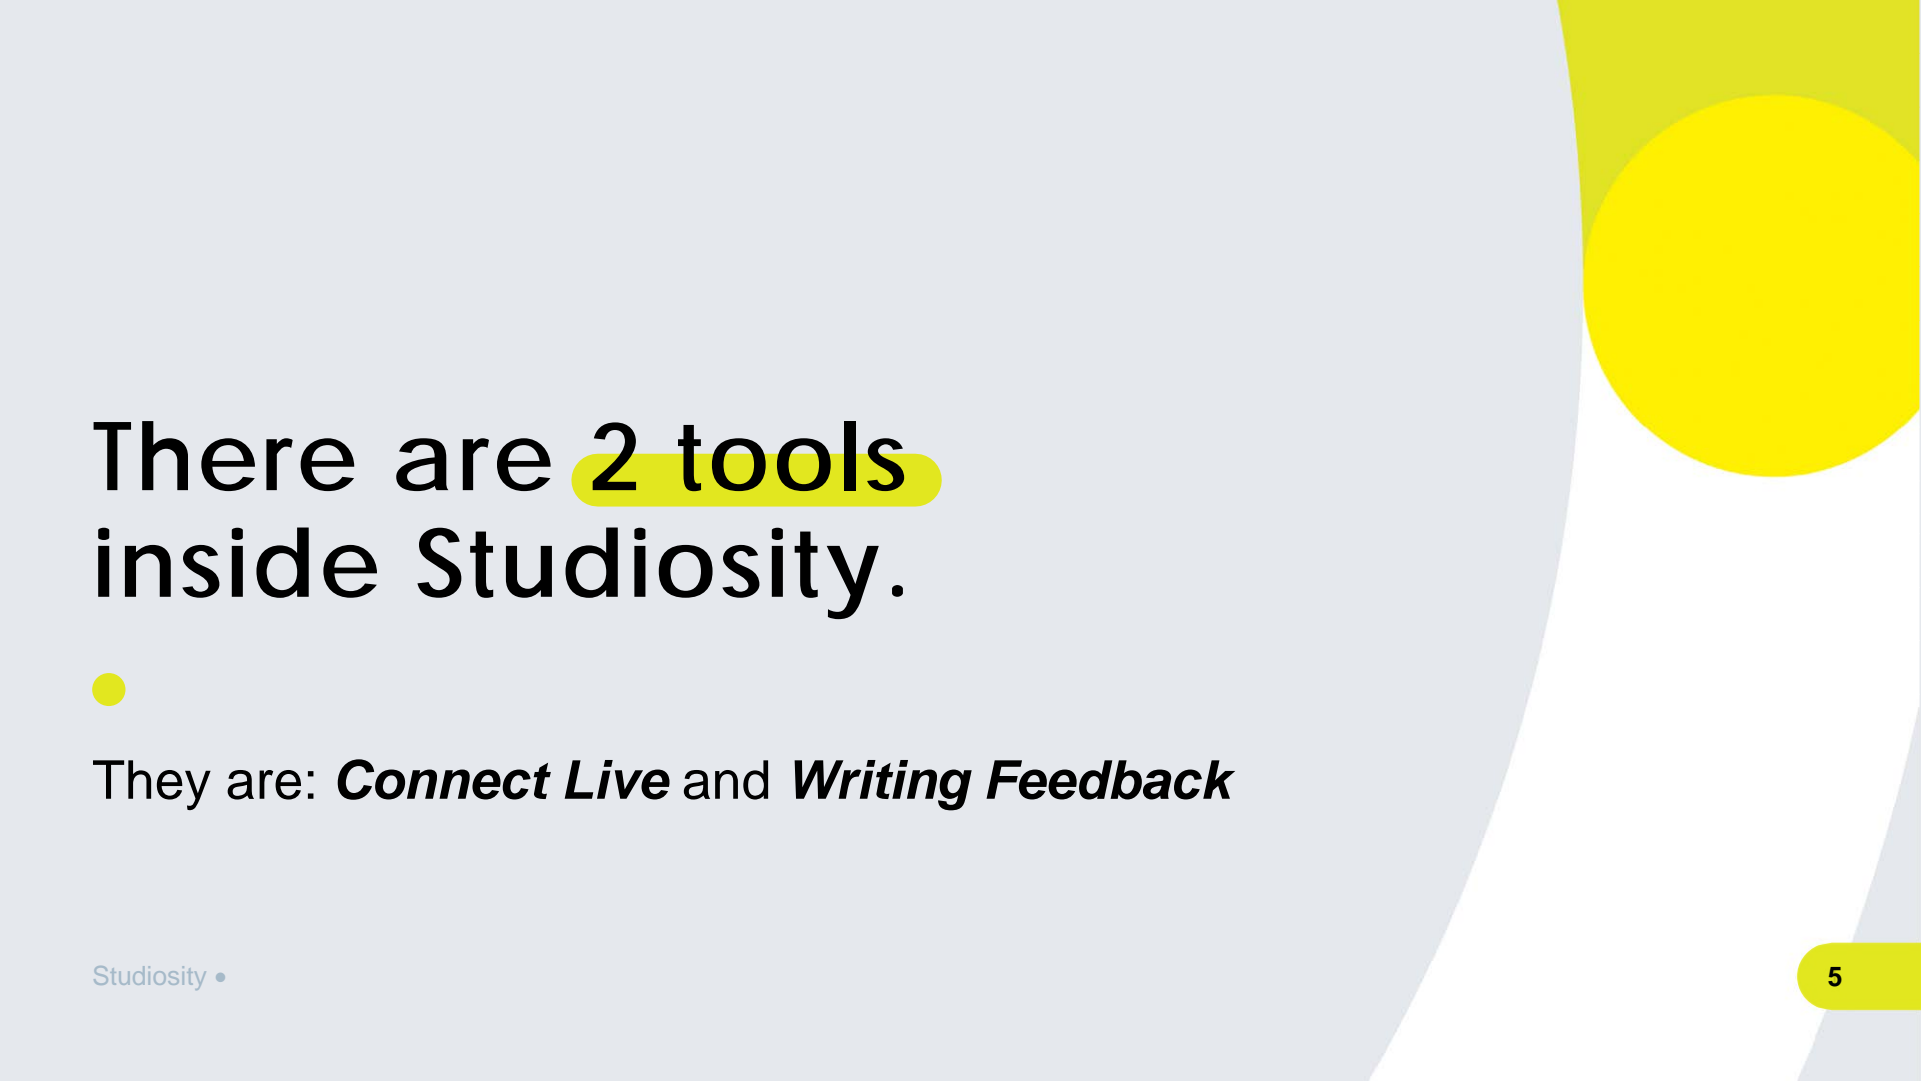

And it's right there when you need it,
inside your student log in area.

Wherever you are
- at home, in the
library, on the
train, grabbing a
coffee...

*That's where you can get study help with
Studiosity. (Anywhere.)*

There are **2 tools** inside Studiosity.

They are: ***Connect Live*** and ***Writing Feedback***

You can: Connect Live

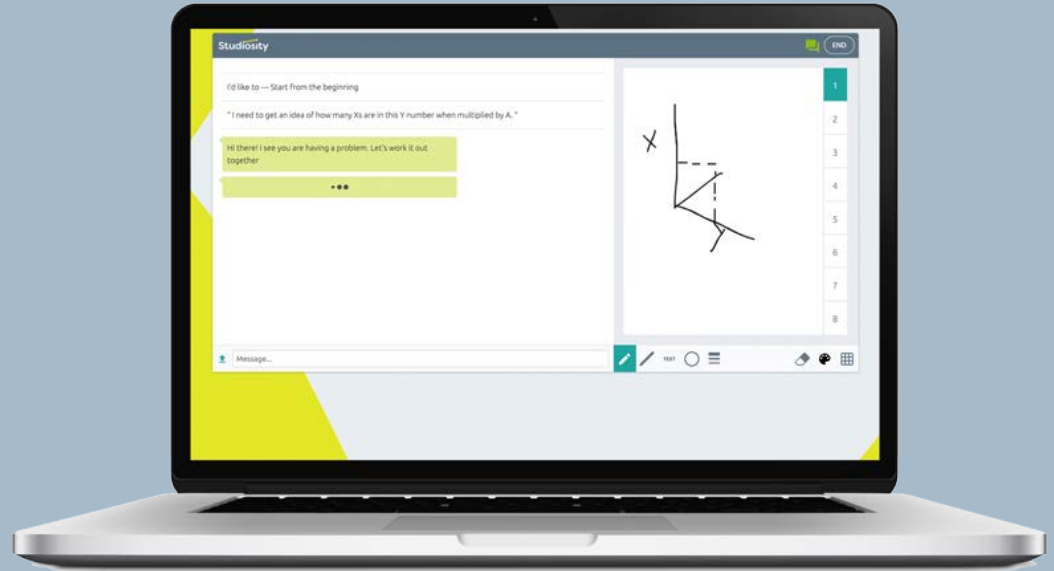

Personalised, just for your exact problem

Live help, from a real subject specialist

Type your question, draw on the whiteboard, share a file

English, maths, science, and more, so it suits every subject.

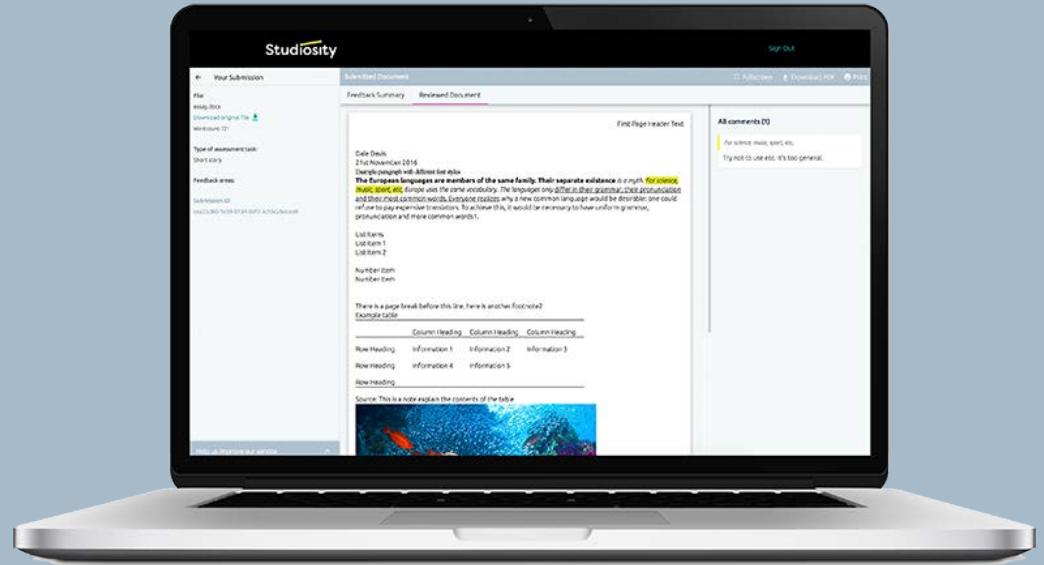

You can: Get Writing Feedback

Constructive English writing feedback in less than 24 hours.

Any subject, any assignment

Any time of day or night, 365 days a year

Q: Can it help me?

A: Absolutely!

Research shows that students who use Studiosity are more confident, less stressed, achieve higher grades – *no matter* what your academic ability is or your background!

Give it a go – feel more confident and do your own best work.

Q: Ok, so where do I find it?

A: Get an activation code and head to studiosity.com/start

Set up your email and password so you can use it all year. It's **free** for you as a student. Enjoy!

Thank you!
See you in there.
