WEDNESDAY 16 OCTOBER 2019 | WEEK 1, TERM 4

Leaving Families Function

On Thursday 26 September, Tenison Woods College said farewell to a number of families who will soon complete their formal association with the College. As their last child finishes Year 12, we acknowledge the journey together.

Many of these families from Mount Gambier and surrounding areas such as Millicent, Penola and Naracoorte have had a long association with Tenison Woods College. This special evening was a terrific way to celebrate with and thank these families who have committed many years to Catholic education in our region.

Wishing our Leaving Families and Students all the very best in the future

Ciaran Buckley | Head of Senior School

From The Principal

Transforming The Pines – Term 4 Planning

To commence our College building program and fulfilling our Master Plan we are transforming 'The Pines' from a zone of 6 classrooms to a location that will house:

- Poplars;
- 12 Classrooms;
- Staff preparation area;
- Breakout spaces and
- Student and Staff toilets;

all set amongst wonderful grounds, with increased play and quiet spaces, that accentuate our ecological commitment. We are aiming to have this area ready for 28 January 2020.

Civil works for the Pines Precinct are progressing well. With the commencement of the next phase of the construction at the rear of the College, there continue to be unavoidable disruptions to car parking and road usage in the College grounds. Navigation of the car park at the rear of the Moorak/Thomas Ryan Building will be restricted to one way only. Vehicles will only be able to enter this car park via the White Avenue driveway. Cars entering via Shepherdson Road will only be able to drop students off outside of the Music building and then exit again via Shepherdson Road.

In amongst the busyness of concluding the year, term four will also be coloured by classroom transitions that are required to ensure the new Pines Precinct will be ready for 28 January 2020.

I apologise in anticipation of the inconvenience, but we have attempted a variety of scenarios, and the one below is the best one we could come to, given a range of parameters, particularly associated with the removalist and building schedules. Key features of the transition include:

Week 3	Wednesday 30 October	Poplars temporary class location shift:
	Thursday 31 October	Internal and external removals from Poplars.
	Friday 1 November	Demolition of Poplars Staff Area Portable.
Week 4	Monday 4 November – Friday 8 November	Four Poplars portables removed and placed in the new Pines Precinct. Playground will remain for use by Poplars students until later in the year.
Week 7	Wednesday 27 November	Year 3 and 4 Class location shifts: Other timetable changes will be made through Edval as required.
Week 8	Monday 2 December – Friday 6 December	Year 3 and 4 portable transporting to new Pines Precinct. Creation of Stage 1 Building Site for expansion of ELCC, Reception building and associated play spaces.
	Friday 6 December	Poplars Students last day Last Day for Year 10 Students
Week 9	Wednesday 11 December	Last day for R-9 Students

Further information will be provided weekly as we evolve the plans.

From The Principal *continued...*

Working Bee Saturday 26 October, 8.00am-12.00pm

Can you offer half an hour next Saturday 26th October? During the Working Bee we are particularly looking to revitalise Junior School and Middle School play areas by barking, planting, face-lift painting the play areas and equipment and carrying out other forms of maintenance. We will also be barking and painting the outdoor garden section of the ELCC which will ensure the appeal and longevity of the equipment, as well as the appeal of the spaces. We'd love as much help as you can offer – any time you could spare would be appreciated.

Please bring any gardening equipment you think could be of use: gloves, shovels, rakes, wheelbarrows, even your ute. The working bee will commence at 8.00am. Morning tea and refreshments will be supplied with a BBQ available from 10.00am. Supervised activities for children will be available. For those able to assist on the day, we would appreciate an RSVP. A Skoolbag Notification has been sent out today with a form to RSVP. Alternatively, please RSVP to: turln@tenison.catholic.edu.au.

Leading from Within – Building our Leaders

I had the pleasure of spending the last Friday of the school holidays with a group of committed staff who participated in the final presentation day of their leadership program, 'Leading from Within.' Facilitated by the internationally recognised Brown Collective, with the support of Catholic Education South Australia Senior Leader mentors, the outstanding program assisted in the understandings, critical reflection and practical application of leadership skills for each participant.

Over the past year, these 12 staff have been working with the internationally recognised Dr Stephen Brown from The Brown Collective, along with co-facilitator Amanda Ypinazar. Stephen and Amanda acknowledged the importance of identifying, supporting and developing a diverse range of leaders, and through the program providing an opportunity for individuals to reflect on their leadership capabilities, understand the importance of interpersonal relationships in their leadership, and make a contribution to the shared direction of their school and the broader system.

Tenison Woods College Staff and Staff from the three South East Catholic schools, Mary MacKillop Memorial School, Penola and St. Anthony's Catholic Primary School, Millicent participated in the program, and were accompanied by the Principals from the three Catholic Schools in our region. Senior personnel from Catholic Education South Australia Phil Holmes, Steve Genesin and Chris Pyne also supported the yearlong program by mentoring the staff and participating in the Leadership Challenge presentation day.

Thank you to all staff and those involved to build the future leaders of our College Community, and that of Catholic Education in the Limestone Coast Region. Since 2017, Forty-two staff have now completed this brilliant course; a course of international credibility offered in a regional location by two experienced, highly credentialed and passionate facilitators, with mentoring commitment from CESA senior leaders. It is our commitment to actively build leaders and support leadership development in our staff. It is furthermore, a wonderful way to participate in leadership discussions, plan for and effect change in our College community.

Key dates for the commencement of 2020:

A full list of 2020 key dates will follow soon, but to assist with planning I inform our College community of dates to commence the academic year:

Wednesday 22 January 2020	All Teaching Staff commence
Friday 24 January 2020	Book collection day
Monday 27 January 2020	Australia Day Public Holiday
Tuesday 28 January 2020	Reception, Years 6, 8, 10, 11, 12 commence Term 1.
Wednesday 29 January 2020	All other students commence term 1.

You will note the staggered start to the commencement of the year for students. This approach will assist students in the identified year levels to complete the best possible transition processes with the relevant teaching and support staff.

AR19 – Our Challenge and Our Celebration

Next week we approach two very significant days. On Thursday afternoon and Friday, which is our student free Show Day, we will conduct our Tenison Woods College Staff Conference, AR19, (Action Research 2019), which will be a celebration of action research conducted in 2019 by teachers and co-educators in the learning environments of Tenison Woods College. At Tenison Woods College we believe:

*Every learner has a place.
Every learner has a pathway.
Every Learner will shine.*

That is our challenge and our celebration.

Thursday and Friday will be an opportunity for staff to reflect on that challenge and celebrate its reality in the lives of our young.

During the past 3 years, we at Tenison Woods College has been undertaking professional learning underpinned by the philosophy that each learner is a valued, capable and competent learner, and our focus has been to support and enable student agency. In 2017 we addressed the area of Self-regulation, while in 2018 we considered Knowledge Construction and authentic learning tasks. The focus of AR 2019 is Collaboration. Rowena Ulbrick has lead us through this and we have also drawn connections to the Living Learning Leading Framework (Catholic Education South Australia, 2018) where there is a clear intent for Catholic Schools prepare young people "to become, 'thriving people, capable learners, leaders for the world God desires.'

At this time of the Catholic Education South Australia (CESA) Living, Learning, Leading Framework, AR19 is a commitment to continue reflecting on our craft as Catholic educators, who aspire to enabling each and every learner at Tenison Woods College to shine, with all the deep reflection, critique, collaboration, humility, professional frailty and wonderful communal success that such whole staff endeavour brings.

God Bless

David Mezinac | Principal

From the Assistant Principal Student and Staff Development

Welcome back to Term 4.

Student Leadership

This is a very important term for Student Leadership at Tenison Woods College. As our 2019 student leaders conclude their time in leadership I would like to thank them for their dedication, organisation and inspiration throughout the year. Our School Captains, Faith, Wellbeing, Sustainability, Music and Sports Leaders have worked steadily to create a variety of activities and experiences for students throughout the College. The highlight of the year would have to be the Big Freeze which was a precursor to the Charity Day events. Thank you to all involved in this very worthwhile cause. In the next couple of weeks we will be electing the 2020 School Captains from a strong field of Year 11 candidates. I wish these students every success as they prepare for their interview and speech to members of the 2020 Senior School. After the Captains have been elected there will be opportunities for students to represent Wellbeing, Mission, Sustainability, Music, Sport and Learning across the College. This should present a very capable and exciting student leadership team and I look forward to working with them.

Traffic Movement

Thank you for your patience with our traffic movement around the College. With the increased building activity it is important that we maintain our safety standards to ensure the care of our students as they enter and leave the College.

Jennie Sanderson | Assistant Principal – Student and Staff Development

CIM Team News

Deanery Retreat Day

This Sunday, 20 October there is a Retreat being held at the Naracoorte Catholic Centre. The Retreat will be led by Fr John Curtis from the Monastery in Adelaide and is an opportunity for people from across the South East to gather as a community. Fr John has extensive experience in Retreat and Parish Ministry and is a Spiritual Director. Amid the busyness of our lives and the many competing voices demanding our attention, Jesus stands at the door of our hearts...knocking!

The retreat will also offer the opportunity for the Rite of Reconciliation and conclude with the Eucharist at 3:30pm. The day will begin at 10:30am. Please bring a plate of food to share for morning tea and lunch. The suggested offering is \$10per head.

Sacrament Program 2019-2020

The Sacrament Program is now well underway. There will be a Liturgy of the Word for Children at both masses this weekend. Children enrolled in the sacrament Program are asked to attend. Family Session A will take place on Thursday 31 October. Families enrolled in the program are required to attend either the 4:30pm or 6:45pm sessions in the Tenison Woods College Staffroom.

Youth Mass

The first mass for Term 4 will be held at 6:00pm on Saturday 19 October. We would love youth and young adults to volunteer to help with the singing, music and reading. Please let Ms Shanahan know if you are able to help out in any way. Families of the College are encouraged to attend this vibrant celebration.

Parish Mass:

A Mt Gambier Catholic community parish mass is held each Thursday of the term and is led by a different class or year level each week.

Mass is held at 9:00am in the College Chapel and all parents, grandparents and friends are welcome to attend.

The roster for Term 4 masses is:

Week 1 October 17	Year 4/5
Week 2 October 24	Year 12 Farewell Mass <i>Please note: This mass will be at 11am</i>
Week 3 October 31	Year 10
Week 4 November 7	Year 11
Week 5 November 14	Year 9
Week 6 November 21	Year 8
Week 7 November 28	Whole School Mass
Week 8 December 5	Year 6/7

Michelle Coote | APRIM – Assistant Principal Religious Identity and Mission

“Every Learner has a Pathway”

The College’s Early Learning Community Centre values the importance of sensorial learning and the wellbeing of self and others.

The ELCC created a sensory and wellbeing path for children to walk barefoot amongst the weeping trees, listen to the sounds of birds visiting the bird bath and feel different textures under their feet. The children are able to explore all their senses including smelling the flowers and tasting the herbs growing in the wellbeing garden.

The children explored their senses this term; tasting, touching, smelling, hearing and seeing different items and textures.

The elements within the new path include water, tiles, mosaic squares, river rocks, sandstone, grass, sand, bark and bricks as they “embrace their learning journey” with the vision of Earth, Fire, Water and Air incorporated.

Native plants were also chosen by the children in respect to the Boandik people in the ELCC’s wellbeing/sensory path area.

Angela Cutting | Teacher, Assistant Director of Early Learning

Class Placements for 2020

Planning for 2020 classes is about to begin in both the Junior and Middle School. Staff give deep and careful consideration to the class placement of students, ensuring the best and most informed educational and wellbeing decisions are made. At the beginning of Term 4, Junior and Middle Primary students will receive a note from class teachers regarding this process; please ensure that you discuss this with your child, sign and return the relevant section. Students currently in Years 8 and 9 will work with their home group teacher to identify and name those students who best support their learning at school.

If you feel there are exceptional and valid circumstances for your child that need to be considered, please address these in writing to Jill Rogers, Head of Junior School (R-5) at rogej@tenison.catholic.edu.au or Nick Patzel, Head of Middle School (Years 6-9) at patzn@tenison.catholic.edu.au by Friday 25 October 2019 (end of Week 2, Term 4).

Jill Rogers | Head of Junior School

Father Julian Tenison Woods Feast Day

October 7 was the Feast Day of Father Julian Tenison Woods. October 7 commemorates 140 years since his death.

Julian Edmund Tenison Woods was born in London on 15 November 1832. Father Julian’s first appointment was to the parish of Penola. During his ten years there, he met Mary MacKillop. They shared a vision to assist families and the poor and together they founded the Sisters of Saint Joseph (1866) to begin an education and social ministry that continues today.

In 1867, Father Julian was appointed Director of Catholic Education and moved to Adelaide. Young women were joining the new congregation and so he was able to invite the Sisters of Saint Joseph to open schools across many parishes. Four years later, circumstances forced him to find work as a missionary in other parts of Australia – he travelled extensively particularly in Tasmania, New South Wales and Queensland and spent much time also doing scientific research, writing papers, articles and letters to newspapers and giving lectures about his discoveries.

From 1883 – 1886 Father Julian travelled to Asia to continue his research and writing, returning with serious health problems and being cared for in Sydney until his death on 7 October 1887.

Today we realise that Father Julian Tenison Woods’ writings have much to teach us about the interaction of science and religion and about care of our environment. Please click the below link for video:

<https://vimeo.com/363980890>

2020 HPSP Families Save the date

Information and exhibition evening on Tuesday 29 October 2019.

- 2020 HPSP Student Athlete benchmarking - Barrie Holmes Stadium
- Uniform sizing - PRC Common Room
- Information session & meet the coaches - Lecture Theatre
- BBQ dinner - PRC Courtyard

An email will be sent to all families by Monday 21 October clearly outlining the schedule for the evening. If you have not received this information or have further queries please contact me on exelk@tenison.catholic.edu.au or please phone directly on 8724 4621.

Kate Exelby | Year 8-12 High Performance Sports Program Coordinator

**REMINDER: STUDENT FREE DAY - NEXT FRIDAY
25 OCTOBER (Mount Gambier Show Friday)**

The student free day is NOT this Friday as previously advertised.

Tenison Woods College OSHC will be open next Friday. For bookings phone Aleisha or Sharon on 8724 4633 or email: oshc@tenison.catholic.edu.au
Please visit the link for activities: <https://bit.ly/35DdOHw>

TerraCycle's Global Impact

Tenison Woods College is now a registered community drop off point for the Terra Cycle writing instruments recycling programme. We will be collecting:

- Pens, felt tips, highlighters, markers
- Mechanical pencils, correction tape and fluid pots, fountain pens, ink cartridges
- Glue sticks, rubbers, rulers, and pencils

All recycling donations are to be put in the small black wheelie bin in the Arts Staff Office. They will then be sorted by students and any acceptable products will be sent to Timor Leste as stationery packs, before the rest is sent to be recycled. Once items are received by Terra Cycle, they will then make a donation to a charity on our behalf.

Meghan Lynch | Teacher/Arts Learning Area Coordinator

Hats Term 4

Please be advised, the old style Tenison Woods College Hats will not be permitted from Term 4. If you wish to purchase a new hat, these are available from the Uniform Shop. Visit www.tenison.catholic.edu.au/enrolment/uniform-shop for Online Orders, or call in and see the helpful staff. Hats are \$15 and are available for all year levels in two sizes.

Bruhn Literacy Tutoring

Bruhn Literacy Tutoring is a privately run tutoring business, which is conducted on site at Tenison Woods College during school hours. I specifically use the 'Cracking the ABC Code' tutoring program which is an evidence-based program, designed to rapidly improve reading and spelling for those struggling with literacy. Programs run for a varying number of weeks but generally no less than 20 weeks. Programs are mostly delivered to children in Years 1 to 5. I have 2 session times available for next term, which would ideally lead to continuing the program in 2020. The program does require substantial parent commitment and is \$50/session. If you would like to know more or have inquiries, please email me ASAP, at bruhp@tenison.catholic.edu.au or visit www.crackingtheabccode.com

Trish Bruhn | Teacher, Early Literacy Intervention Key Teacher, Cracking the ABC Code Tutor

Breydon receives prestigious Defence Force Award

Last term, Year 12 student, Breydon Verryt-Reid was presented the Australian Defence Force Academy Education Award by Lt Rob Main. The award is designed to assist the winner in completing their Year 12 studies.

The ADFA Education Award is presented to Students who have excelled during the Australian Defence Force recruitment process. These students have shown academic achievement and demonstrated a high level of leadership potential. Award recipients are selected after completion of psychometric testing, psychological and recruiting officer interviews and finally a selection board panel from which all applicants are ranked in order of merit.

Tenison Woods College was also presented with a plaque to recognise the achievement of the ADFA Education Award.

Congratulations Breydon on this outstanding achievement and recognition

Jody Elliott | Careers Coordinator

UniSA School of Art, Architecture and Design Workshops

On 26 September, a group of our Year 9, 10 and 11 students were treated to a number of interactive workshops delivered by the University of South Australia's School of Art, Architecture and Design. Students were given the opportunity to gain a sneak peek into some of the courses offered by UniSA. From sustainable home design to illustration and animation, product design to interior architecture; these concepts were explored through collaborative work, discussion, painting and drawing with a focus on developing technical ability and creativity.

Meghan Lynch | Teacher/Arts Learning Area Coordinator

Are you an Old Scholar?

Old scholars are an integral part of the history, tradition and future of Tenison Woods College.

We invite all old scholars, past parents, friends and former staff members to reconnect through our 'Friends of Tenison' committee.

Keep up to date with all the news in the College community.

Register your details today, via our [website](#).

Year 6/7 Knockout Netball State Final

On Wednesday 25 September the College's Year 6/7 Knockout Netball team competed in the State Final, held at Priceline Stadium in Adelaide.

The girls, who were coached by Sarah Lock, competed against three other State Final qualifying schools; Kildare College, St Mary's College, and Sacred Heart College.

The girls played off in the final match for third position against Kildare, however unfortunately lost by 6 goals - finishing 4th in the state.

A wonderful effort by our girls!

Tori McIntyre | Sports Administration Trainee

Emily and Sarah to Represent SA in 2020

Congratulations to Year 11 Students, Emily Dawe and Sarah Nulty. The girls have been selected to represent South Australian Country in the Under 18 Girl's Country Cup Team.

Both Emily and Sarah have been highly successful with their basketball achievements this year, both having played for the Women's Pioneers Team and Women's Lakers Team throughout the 2019 season.

The girls will now compete in Albury in January 2020. Well done, and we wish you all the best with the upcoming competition.

Tori McIntyre | Sports Administration Trainee

Students Take Soccer Talent Abroad

We are thrilled to announce the following Tenison Woods College students have been selected to represent the FISA State Regional teams in the Singa Cup in Singapore from 4-8 November.

Under 12 Boys
Nico Teodoro
Fergus Kentish
George Reichelt
Kade Turnbull

Under 14 Girls
Emma Lang

Under 14 Boys
Seth Michielan
Mitchell Cornolo
Zac Sneddon

Under 16 Girls
Ellie Seaton

Under 16 Boys
Austin Rossi

The SingaCup is Asia's premier international youth football tournament and showcases exciting football teams from Asia and abroad.

We wish the students the very best of luck and look forward to hearing how they enjoy this wonderful opportunity.

Nathan Fleetwood | High Performance Sports Program Coach

Timor Fundraising

At the end of term 3, the Timor group again made efforts to raise further funds for the building of the Mulura school in Timor Leste. A group of students together organised two events, each reaching success through great community involvement.

The first event was a bowling fundraiser held on Friday September 27 at 6:30pm. A special thanks to Kaboom Bowling Mount Gambier for their hospitality and facilities; and supporters including Metro Bakery and Cafe, Natural Born Grillers, She's Apples and The Oatmill Cinema for generously donating the prizes that were given to the winners of the night. All participants were offered 2 games for \$15 and the opportunity to dress up and bowl as a team. In total, 55 people attended the event raising a total of \$412.

The second event was a BBQ held on the AFL Grand Final Day at the front of Coles. The day started at 8:00am with the Timor group and parents cooking bacon and egg rolls and ended in the afternoon with sausages in bread with onion being sold. Thank you to Bakers Delight Commercial Street Mount Gambier who generously donated rolls and loaves of bread at no cost. This raised just over \$200 and furthered community awareness for Timor Leste.

From the two fundraisers over \$600 were raised adding to the \$16,000 already donated previously by this year's Timor immersion group.

Jess Snell | Year 11 student

Mercedes winner of the GovHack Competition

Congratulations to Year 11 Student Mercedes Scott who has won the local Youth Node award for GovHack competition held in September. She presented a prototype of an application (software), which promotes Mount Gambier as a Mountain biking destination for tourists and adventure seekers. To view her work please click on the following links:
https://hackerspace.govhack.org/projects/blue_lake_mountain_bike_trails
https://www.youtube.com/watch?v=MY_PfAtc48o
Mercedes' idea has been widely appreciated by city of Mount Gambier Council and they are looking at ways to implement it professionally.

Saad Habib | Senior Information Technology Teacher

Be a Part of the 2019 Mount Gambier Christmas Pageant

Once again, the College is getting ready to enter a fabulous float into this year's Mount Gambier Christmas Pageant, on Saturday 16 November. The theme will be the same as last year - the Christmas Nativity - but we intend to ramp it up with more razzle-dazzle!

An "Expression of Interest" form was recently sent home with your Junior School child. Please fill out this form and return to the College front office by this Friday 27 September. Once we have your details, relevant information will be sent via EdSmart to your inbox.

If you have any questions or queries, or if the expression of interest note did not make it home, please phone (08) 87 255 455 or email denys@tenison.catholic.edu.au

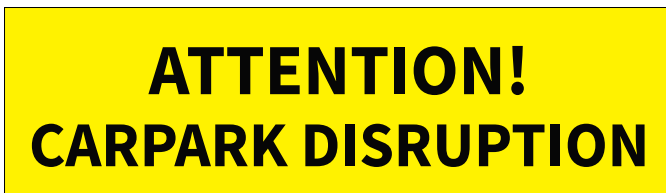

Sharn de Nys | Year 4/5 teacher

Touch Football Specialised Training Sessions

On Monday and Tuesday of this week, a group of Tenison Woods College students in Years 8, 9 and 10 were fortunate enough to receive specialised training sessions from Touch Football SA Sports Operations Coordinator David Harris. These sessions were run throughout lunch time and after school on both days, with the students skills being continuously improved and their knowledge of the game being expanded. This visit has proven very beneficial to all involved. As the students move forward into the 2019/2020 Summer Touch Football Season, they are able to put into play all that they have learned from David's wealth of experience.

Tori McIntyre | Sports Administration Trainee

Traffic restrictions will apply

With the commencement of the next phase of the construction at the back of the College, there will be unavoidable disruptions to car parking and navigation of the roads throughout the College.

Access to the car park at the rear of the Moorak/Thomas Ryan Building will be restricted to one way only. Vehicles will only be able to enter this car park via the White Avenue driveway. If you drive past the narrowing, please adhere to signage, identifying restrictions.

Cars entering via Shepherdson Road will only be able to drop students off as far as the outside of the Music building and then exit again via Shepherdson Road.

These restrictions will continue for Term 4 until further notice. Please exercise caution during this time. We apologise for any inconvenience caused, and aim to reduce disruption as soon as possible.

Neal Turley | Business Manager

Mount Gambier and District Tertiary Health Education Grants

Year 12 students who are applying for undergraduate health related courses at Universities with campuses located outside of Mount Gambier are encouraged to consider applying for the The grants are available to support students with costs directly associated with their tertiary studies such as accommodation, text books, uniforms, materials, selection tests and technology needs. Applications from eligible students open mid-January and close on 31 March next year. More information, including the terms and conditions of the program, can be found at www.mountgambier.sa.gov.au/THEG or by phoning the City of Mount Gambier on 8721 2555.

Year 8 Immunisations

The last immunisation session for Year 8 students is occurring Tuesday 22 October, Week 2.

Could all students please remember to have a good breakfast, bring their water bottles and wear their PE uniform all day.

If students are worried they can get the immunisation over with during homegroup.

Sharon Brodie | Year 8 Wellbeing Coordinator

Shining Light Awards

NEXT WEEKEND - SATURDAY 26 OCTOBER

Last chance for Tickets

Our 2019 Shining Light Awards Night is on NEXT SATURDAY 26 October at Commodore on the Park!

This year, we are recognising the following recipients:

- Tom Kosch
- Pam (deceased) and Brian (deceased) O'Connor
- Hopper and Bob (deceased) Gabriel
- Ken Green

Tickets can now be purchased at Ticketbo.com.au by searching Shining Light Awards.

Congratulations to these Old Scholars and College Community Members who will be celebrated in October.

To find out what the Shining Light Awards are all about, visit our website:
