### Parent Welcome and Community Gathering – It's the N in SHINE

Thank you to the families who supported the learning of their children and adolescents by attending the R-12 Parent Welcome and Community Gathering Evening on Tuesday 11 February. Parents had a chance to meet teachers, learn about the teachers' hopes for the year, and hear about the classroom processes that will ensure learning is achieved in the best possible way. Parents also had an opportunity to informally meet the Leadership Team of the school and ensure that we commence the journey of serving your child's individual needs in a deliberate manner.

### SHINE Bravely in 2020

On Tuesday evening I reiterated to parents, as I have indicated on many occasions, that a school community will only be as good as the parents in the community genuinely want it to be. I therefore asked that parents commit themselves to the variety of support required to ensure we offer the best possible Catholic school family environment to our young. I encouraged parents to think about:

- Helping the teacher in the classroom;
- Becoming a Class Representative for a class to assist the teacher in coordinating the involvement of other parents at particular times;
- Offering services to the School Board or its sub-committees;
- Joining Friends of Music or Friends of Titans that meet to support our student activities;
- Helping in the canteen;
- Volunteering for working bees;
- Actively participating in school events;
- Contributing talents to the Friends of Tenison Woods (Old Scholars) Association;

I urge our parent community to consider how they can contribute to making Tenison Woods College the best possible, which ultimately means the best experiences for your child.

### Beginning of Year Mass

Next Thursday we gather to commence the year as a Catholic School community with Mass in Marist Park. Just as Jesus told the disciples to let their light shine for all to see, this year at Tenison Woods College we are being challenged to SHINE Bravely for the betterment of ourselves and others.

### Working Bee Saturday 15 February - Postponed

The Working Bee on the College calendar will be postponed until later in the term, once the Gilap Wanga Learning Community external area will be further progressed. As soon as we have an estimated completion date we will organise a Working Bee, so watch this space ...

### eSmart School – Smart. Safe. Responsible.

As a school community we are an accredited eSMART Alannah and Madeline Foundation school community where the smart, safe and responsible use of communication technology is the norm.

The essence of the eSmart approach is outlined below:

One of the aspects of this process was the review, analysis and updating of our ICT Policy and User Agreements.

We also have an area of the website dedicated to eSmart, including information for parents and the wider school community.

I am delighted that Tenison Woods College is an eSmart School and I look forward to our continuing commitment to the highest possible level of ICT innovation that is complemented by safe and responsible use of ICT.

### Parent Course – Wellbeing and Resilience

What skills would you want your children to have most as they greet the opportunities and challenges of life?

Studies have shown that curiosity and grit are the two personal characteristics which are the most significant predictors of success in life; two critical traits that will make us grow into the people God is calling us to be. Furthermore, in these days of competing demands on our time and resources; the need to work through complex issues with our children, and the diversity of family structures, one of most valuable skills we can have is that of resilience.

In partnership with the South Australian Health and Medical Research Institute, Tenison Woods College is developing a whole school community way of talking about, measuring and critiquing the resilience and wellbeing of our members. The project complements our current strong commitment to wellbeing and resilience through the variety of programs offered to students, families and staff, by giving us a common language and frame of reference through which to view the associated issues across our school community.

This year we are continuing our parent training course. The course will run for five consecutive weeks and a timing will be determined by the needs and availability of prospective participants.

Come along and learn some new skills, or refresh some old ones, in a friendly, non-threatening, social environment. For more information or to register your interest please contact Tania Sigley at [sigt@tenison.catholic.edu.au](mailto:sigt@tenison.catholic.edu.au)

### Caring for One Another – Road Safety In and Around Our School

Following on from the theme of helping one another, I remind families of the importance to monitor their speed and adjust it accordingly as they approach the school on Shepherdson Road and White Avenue. In the interest of safety, I also remind students to utilise the various designated crossing areas which are monitored by our staff. Crossing the roadways at other areas adds to the danger for our young but also increases the difficulty for drivers in the area.

### 8-12 Swimming Carnival and 4-7 Twilight Swimming Carnival

The strong tradition of swimming excellence and fun-filled water novelty games continued on Monday 10 February with the 8-12 Swimming Carnival, and will be further evolved on Friday 14 February with the 4-7 Swimming Carnival. On Monday, the Champagnat era that boasted eight swimming carnival wins in a row, was brought to an end by the mighty McAuley. But best of all was the wonderful participation and team spirit shown by students, which was led by our enthusiastic Year 12's.

Thank you to Ian Ross and Tina Opperman and the HPE Team, who have planned two wonderful opportunities for students to shine, as well as have a lot of fun!

### Need a tutor? Studiosity is our free online tutoring service

I remind families that students of Tenison Woods College in Year 3-12 have access to a free online tutoring service. Students are able to connect to expert tutors for live, one-to-one conversations about homework, assignments and exam preparation from 3:00pm – 10:00pm Monday to Friday. Give it a try – I know you will appreciate the service offered by Studiosity!

God Bless,

### Timetable Changes

At Tenison Woods College we understand there are academic and personal reasons for students to reassess their subject selections. At the beginning of each term and semester, students have a three week window to discuss their timetables with their relevant Head of School. Mr Nick Patzel, Head of Middle School, and Mr Ciaran Buckley, Head of Senior School, are available to make adjustments to new electives or semester based subjects until the end of this week. Students who still require subject changes are urged to do so by this Friday, as after that the learning in the new subject is difficult to catch up.

### Welcome and Community Gathering Evening

It was very enjoyable to chat with parents and students at Tuesday's Welcome and Community Evening. It was lovely seeing how proud students were of their classrooms and how keen they were for their parents to meet their teachers. It was also good to see many of our new parents familiarising themselves with the College. Thank you to our very active Student Leaders who helped our staff and parents with the barbeques.

### Morning Tea

Our next morning tea for parents will be on Thursday 27 February at 9.00am in the Sugarloaf Café. All parents, new and "old", are welcome to join us for a cuppa and a chat. It is a great way to get to know other parents in the College community.

## A Musical Welcome

Welcome to a new school year!

The Music Faculty have commenced instrumental lessons. Forms were sent out to all students last week and we ask that families complete these if they would like their students to be involved in the instrumental program. With 18 instrumental teachers offering lessons in a wide variety of instruments, it is a fantastic opportunity for students to learn music during the school day. Due to our success a few years ago in winning the NAB Schools First National Award, we are able to offer some scholarships to help families cover the costs of these lessons (if needed). Scholarship forms are available from the Music Office.

Ensembles are also beginning gradually. 'Come and Try' sessions will be held this week for the Junior Choir (Year 1 and 2), Primary Choir (Year 3, 4 and 5) and Music Connection Choir (Year 6 and 7). Interested students will come home with a form. Students interested in other ensembles (who haven't already signed up) can attain more information from myself at [creee@tenison.catholic.edu.au](mailto:creee@tenison.catholic.edu.au) or Lucy Rossi at [rossl@tenison.catholic.edu.au](mailto:rossl@tenison.catholic.edu.au)

Currently we have two French Horns and one Double Bass available. As we don't own many of these instruments and they are integral to our ensembles, these instruments will be priority instruments for scholarships. If you would like your child to try one of these instruments (French Horn - Year 6 and up, Double Bass Year 7 and up) please let me know.

# Volunteers Required

Tenison Woods College continues to offer the Learning Assistance Program (LAP) to our students and we are seeking interested parents and friends of the school to assist as volunteers.

The Learning Assistance Program is a program whereby volunteers, in partnership with teaching staff, work with students on a one-on-one basis, for one or two regular sessions each week.

This significant individual time creates more learning situations where students can experience success, and supports their achievement at school. There are often students who would benefit from individual time with a volunteer. Students may need support with class or subject work; they may be shy, disruptive, or just need someone to listen to them and show they care. LAP can be a positive factor in breaking the cycle of educational disadvantage. The volunteer becomes the student's friend and mentor, sharing in the challenge and excitement of learning through a variety of experiences. The support and encouragement that a volunteer can give fosters the development of a student's self-esteem and confidence.

The success of the program is based on five simple principles. These are that LAP:

- Is always one-to-one;
  - Is about relationships;
  - Builds confidence and self-esteem;
  - Takes a creative approach to learning; and
  - Promotes parent and community participation in schools.
- (This information has been taken from 'Building Bridges With LAP' Coordinators' handbook)

If you have time, knowledge, special talents or interests which may either facilitate a student's learning or enhance a child's experience at school, and you are willing to share them with students, we would love to hear from you. To get in contact, please email me at [lucaj@tenison.catholic.edu.au](mailto:lucaj@tenison.catholic.edu.au)

## Bruhn Literacy Tutoring

Bruhn Literacy Tutoring is a privately run tutoring business, which is conducted on site at Tenison Woods College during school hours. I specifically use the 'Cracking the ABC Code' tutoring program which is an evidence-based program, designed to rapidly improve reading and spelling for those struggling with literacy. Programs run for a varying number of weeks but generally no less than 20 weeks. Programs are mostly delivered to children in Years 1 to 5. I have a couple of session times still available for 2020. The program does require substantial parent commitment and is \$50/session. If you would like to know more or have inquiries, please email me at [bruhp@tenison.catholic.edu.au](mailto:bruhp@tenison.catholic.edu.au) or visit [www.crackingtheabccode.com](http://www.crackingtheabccode.com)

## Spirits were high at the 2020 Year 8-12 Swimming Carnival

The 2020 Year 8 -12 Swimming Carnival will be remembered as a wonderful day. Not only did we have ideal warm weather, but we witnessed fantastic participation by all students in both the Championship and Novelty events. From the start, students entered the Aquatic centre with smiles on, enthusiastically preparing for their exciting day.

The day was formally opened with an address from the 2020 Sports Captains, Emily Dawe and Hugh Armfield followed by two new initiatives with the House chants and the one lap house street parade, which gave each house the opportunity to walk together with motivating music and be united as one. Each house was warmly applauded by staff, spectators and fellow houses.

The championship races started just after 9:30am, with record participation from all age groups. Swimmers Thomas Bignell and Hayley Pearson looked dangerous early, winning all their races, breaking many records and later being acknowledged as the fastest swimmers of Tenison Woods College for 2020. Novelty events in Water Polo, Beach Volleyball, Scuba Relay, Big Bomb, Tyre Tube Relay and Obstacle Race were another big hit, with many students getting involved and scoring points for their house.

A big hit for the day was the wonderful playlists prepared by Mr. Dickson. Motivational songs, special effects and good humour from our MC helped to make the day a highly enjoyable experience. In addition, we saw great fashions on display by students and staff. Well done to everyone for the extra effort to engage in the house colour theme.

This year's House Champions were McAuley, breaking an outstanding eight year winning streak of Champagnat. Due to the amazing participation by all houses, the wonderful student leadership, superb house spirit and highly positive behavior from all students, the House Spirit Award was shared by all of the four houses.

Please note there are many wonderful images on the College Facebook page that help show what a wonderful day it was.

## Cara Nulty to Represent Australia at Basketball Tournament in New Zealand

Year 8 student Cara Nulty has been selected to represent Australia in the Mel Young Tournament in New Zealand later this year. Cara was selected for the Under 14 Australian girls' team after an outstanding performance at the Australian Country Junior Basketball Cup in Albury. Her standout performance in Albury certainly impressed selectors as she was chosen as one of only four SA Country basketballers to travel to New Zealand in April. The tournament is being held at Tauranga over the Easter long weekend. Cara is extremely excited and proud to represent her country and is hoping to carry her fine form onto foreign soil. Well done and good luck Cara!
