WEDNESDAY 4 NOVEMBER 2020 | WEEK 4, TERM 4

College Takes a Trip Around the World for Languages Week

Last week we had a wonderful time celebrating the diverse languages and cultures we have at the College. The week ended with the return of the 'Palio di Tenison' where all Junior School students dressed in Italian Colours and cheered on classmates as they raced hobby horses around the oval! This marked the College's second Italian Day, and this day has now become a much anticipated tradition amongst the Junior School.

To find about how we celebrated all of Languages week, please refer to page 5!

Ben Paparella | Languages Learning Area Coordinator

From The Principal

2021 Trainees

I am delighted to inform you that the following students have been appointed as our trainees for 2021:

- Ella McIntyre Front Office Administration
- Ruby Moore Classroom Support/Out of School Hours Care (OSHC)
- Emily Dawe Sports and Recreation
- Jessica Snell Public Relations, Marketing and Events
- Rosie van Eyk Early Learning and Community Centre (ELCC)
- Dylan McCarthy Information Technology
- Broc Linden Grounds and Maintenance
- Letitia Izzo Italian Classroom Support

We congratulate these students and thank all those who applied for these positions. Thank you also to staff who conducted the interviews. Their efforts and diligence have been appreciated.

The trainee program is a significant initiative for the College because it validates the students who leave our learning community as graduates, ready and well prepared for the workforce and also underlines our commitment to training and development as an authentic learning community.

Marisha Garrod – Thank you

Last week we farewelled a long-serving office staff member Marisha Garrod, who retired after 24 years of service for the College. We thank Marisha for her characteristic welcome, warmth and concern for the students and staff of our College community during her years of service. We thank you Marisha for your loyal service and we wish you all the best for an enjoyable retirement.

Gilap Wanga Working Bee This Saturday 7 November, 8:00am-12:00pm

Can you offer your spare time this Saturday 7 November? During the Working Bee we are particularly looking to finalise the Gilap Wanga community garden by barking, planting and tidying that area of the College. We would love as much help as you can offer – any time you could spare would be appreciated.

Please bring any gardening equipment you think could be of use: gloves, shovel, rakes, wheelbarrow, even your Ute. The Working Bee will commence at 8:00am. Morning tea and refreshments will be supplied with a BBQ available from 10:00am. For those able to assist on the day we ask that you please complete this [online](#) form.

From The Principal continued...

Perception Surveys – Have your Say

We at Tenison Woods College are constantly reviewing our offerings and approach, refining as required, with the aim of ensuring that we offer our young the best possible opportunities and outcomes.

To this end I invite our parents/caregivers to participate in a Perception Survey that will offer us data to reflect on the type of learning community we are creating and the type of needs we need to consider, to make the College the best possible.

To complete the survey parents go to the NSIP [website](#) and enter the code **TWC20P** in the 'Start Questionnaire' field. I ask that you please complete the surveys by Tuesday 10 November.

Remembrance Day – Wednesday 11 November

Remembrance Day is an opportunity for us to pay tribute to those men and women who have given their lives in the service of our country. As part of the College tribute to the special day, our 2021 College School Captains Sarah McKinnon and Austin Rossi will lay a wreath at the Mount Gambier service at Vansittart Park.

The College will also honour the day at the Year 8-12 Assembly on Wednesday with a ceremony, minute of silence and ode, which will be presented by Bob Sandow. The assembly will also include the presentation of the Tenison Woods College Flyers Award.

Such commemoration helps us reflect on events that have shaped our history and on the lives that have been impacted by the will of others. As we reflect on those who have offered themselves for the cause of freedom, let us not forget the part our faith can play in bringing peace to our world.

*They shall grow not old, as we that are left grow old:
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning,
We will remember them.*

*Ever Patient Teacher,
Show us the ways of tolerance, teach us the ways of justice.
Draw us all in heart and mind nearer Jesus Christ your son,
Prince of peace. Amen*

Feast Day of Venerable Catherine McAuley, Wednesday 11 November

Our College draws inspiration from four founders constantly. One of them is the Venerable Catherine McAuley and her 'House of Mercy'. The House of Mercy opened in 1827 through the founding of her religious order, Religious Sisters of Mercy, which is still here today where there are more than 12,000 Sisters of Mercy worldwide, running 200 health care facilities, 19 colleges, 58 schools and provide many other services that help people of every age, their mission has remained constant. Catherine knew that to be a real help to the poor and needy, she needed to be among them so that she could see the realities of the struggles they faced on a daily basis.

Known in Ireland as the 'walking nuns', because they spent so much time in the community helping people, the Sisters of Mercy gave and still do, give voice and hope to many in our world. Catherine died in 1841 and Pope John Paul II declared Sister Catherine McAuley 'Venerable' in 1990. This is the first step on the path to sainthood.

Catherine always said that 'proof of love is deed.' For Catherine McAuley, 'putting her hand up to help out' was her daily endeavor and it is an inspiring example of how we can let our empathetic and caring deeds be the proof of our love for Jesus and others.

Key Dates for the Commencement of 2021:

A full list of 2021 key dates will follow soon, but to assist with planning, I inform our College community of dates to commence the 2021 academic year:

Thursday 21 January 2021	All Teaching Staff Commence
Friday 22 January 2021	Book Collection Day and Staff Planning Day
Monday 25 January 2021	Staff Planning Day
Tuesday 26 January 2021	Australia Day Public Holiday
Wednesday 27 January 2021	Reception and Years 7, 8, 10, 11, 12 Commence Term 1
Thursday 28 January 2021	All Other Students Commence Term 1.

You will note the staggered start to the commencement of the year for students. This approach will assist students in the identified year levels to complete the best possible transition processes with the relevant teaching and support staff. We also look forward to preparing transition programs that will accentuate our relationship with parents and carers in the support of student learning and wellbeing.

Parish Facebook Page

Check out the parish Facebook page, and give it a 'like' and 'follow' [here](#).

HHDL Four Point Plan

I thank you thus far for your attention to HHDL Four Point Plan; good **H** Health, good **H** Hygiene and hand washing, good **D** Distancing and care for others and good **L** Learning regardless of student location. This approach has stood us in good stead this year, and I ask that we all continue deliberately with the HHDL approach. As always, we remain alert, not alarmed.

Fee Remissions

Amongst all the worries that we have at this time – worrying about the payment of school fees should not be one of those things. Please be assured of our support for your family. If your family will lose significant income due to the new COVID-19 restrictions and there may be a need to freeze your payments, please contact Neal Turley, our Business Manager, who will assist you during this time. This can occur very easily for those families in need.

BYOD – Year 6 Families, ready for Year 7 in 2021

As the year flies by and we look to 2021, I remind families that if they are thinking about purchasing a device for next year, check out the 'Bring Your Own Device' page on our [website](#). You can also find this page in SEQTA Engage by choosing the 'Portal' option and selecting 'BYOD Parent/Guardian Information'. With the current COVID-19 situation and associated wait times for products, we encourage families to think about their child's needs a little earlier to ensure that the device is ready for the start of 2021.

God Bless,

David Mezinac | Principal

From the Assistant Principal Student and Staff Development

Student Attendance

This week I am focusing on the process relating to student attendance. Student attendance is taken at the start of each day and is important in the daily procedures at Tenison Woods College. Student attendance data is used for legal, student welfare, achievement purposes and school resourcing. The following processes is highlighted to parents/caregivers in relation to student attendance and in particular, if your child is not attending for the day.

- If a student is absent, parents/caregivers are asked to call the absentee phone line on 08 8724 4659, send a text message to 0429 134 568 or if known prior to the date, provide a written explanation to their Home group Teacher.
- If a student is late, a note explaining the reason why must be written in the students' planner.
- Students must sign in at the school office using the Kiosk (Reception-Year 7 at the Front Office, Years 10 to 12 at the Pam Ronan Centre) if they arrive at school after 8:45am.
- If a student is to be absent from school for a one-week period or more, an exemption form is to be completed and forwarded to the Principal for approval. These are available from the Front Office.
- When sick for three consecutive days or more, a Doctor's Certificate is required.

If you require further information or would like assistance regarding this procedure, please contact the Front Office Administration team on (08) 8725 5455.

Jennie Sanderson | Assistant Principal Student and Staff Development

CIM Team News

Sacramental Program 2021

Mount Gambier Catholic Parish invites parents/caregivers to enrol their children to take part in the Parish Sacramental Program for 2021.

This is preparation for a full initiation into the Catholic Church by the celebration of the Sacraments of First Reconciliation, Confirmation and First Eucharist. There is also an opportunity for those seeking Baptism to be involved in the Sacramental Program and to celebrate Baptism in addition to the other Sacraments.

If one of your children is in Year 3 and above and might be ready to join this preparation program, you need to attend the Enrolment Evening to be held at St Paul's Hall on Thursday 5 November from 7:00pm until 8:00pm.

The important dates, the structure of the program and the expectation of your involvement will be explained in detail at the meeting.

You will need to bring the Enrolment Form, the registration fee of \$50.00 and a copy of your child's Baptism Certificate to the Enrolment Evening. Please contact the Sacramental Coordinator on 8725 6566 or email mgpsacraments@bigpond.com for more information or for a copy of the enrolment form.

Reception – Year 3 Liturgies

On Thursday 12 November the Reception to Year 3 classes will hold their Term 4 Liturgies. Fr Dean will join in their Liturgies. We remind parents/caregivers and friends that due to existing COVID -19 restrictions for the Chapel, only staff and students are permitted to attend.

Term 4 Masses at the College Chapel

A Mass is held each Thursday of the Term and is led by a different class or year level each week. Mass is held at 9:00am in the College Chapel. Until further notice, due to current restrictions, only staff members and students of the College are permitted to attend.

The roster for Term 4 Masses:

Week 4	Thursday 5 November – Year 8
Week 5	Thursday 12 November – Year 10
Week 6	Thursday 19 November, End of Year Whole School Mass, Gilap Wang
Week 7	Thursday 26 November – Year 9
Week 8	Thursday 3 December – Year 6 & 7

Michelle Coote | Assistant Principal Religious Identity and Mission

Students Venture to Beach for Sandy Fun

The Junior Poplars class embraced the warm weather this week with a visit to Port MacDonnell beach. The town really put on a show with sensational weather conditions for adventuring, ultimate sandcastle building, paddling, and searching for the most beautiful sea shells.

The sandcastles built were beautifully decorated and surrounded by moats. Students also found sea urchins and lots of different types of sea shells. Students were delighted to have great fun at the beach!

Pictured above: Timmy Van Eeten making a sandcastle.

Nicola Harradine | Junior Poplars Teacher

"Houston, Our Year 8's and 9's Have a Problem"...

'It's cold, the Sun is small and far away, and you cannot breathe outside.' That was the situation for our Year 8 and 9 students last Tuesday and Wednesday as they found themselves 'stranded' on Mars. The students respectively filled the Barry Holmes Stadium for a day of problem-solving involving and using their wits and ingenuity to complete several challenges to harvest enough Oxygen to get to safety. They faced many challenges included building a 'rover' vehicle, launching small rockets and building satellites. Some teams did not quite make it from Mars with their rovers, some groups had low stocks of Oxygen and others having their rover falter in its journey back to base.

This was the third year that we have run a STEM day for Year 8 and 9 students and we see them as an excellent way for students to develop their collaboration, negotiation and problem-solving skills, as well as apply scientific and engineering principles learned in Science and Technology classes.

Jason de Nys | Science Coordinator and Mathematics Coordinator

Tenison Woods College is continuing the stationery recycling program with TerraCycle; a global leader in diverting products from landfill and recycling them into new products. As we near the end of the year, many families will begin the task of sorting through stationery used throughout the year. If you have texters, pens, pencils, crayons, glue sticks, whiteout, whiteboard markers etc that would otherwise go into landfill, please consider dropping them off at the Art Studio at the College. Items will be sorted with other unusable items and will be recycled into new products through TerraCycle.

Any useable items will be added to our stationery packs for students in Timor-Leste. Furthermore, if we can collect another 5kg of donations like last year, TerraCycle will provide a monetary donation, with the charity being decided by a student cohort at a later date.

If you have any questions about this recycling program a please contact me at lynem@tenison.catholic.edu.au.

Meghan Lynch | Teacher/Arts Learning Area Coordinator

Records Broken At SAPSASA Athletics

On Wednesday 28 October, 64 Tenison Woods College Year 3 to Year 7 students participated in the SAPSASA District Athletics Day. Accompanied by myself, Tina Opperman, Ian Ross, Nick Kourmouzis and David Cole, we began our day by walking to Mount Gambier High School for a day of running, throwing and jumping. All children spent the day with their allocated chaperone to compete in their events.

Congratulations to students Jacob Salmon and Hamish Gordon who had a particularly good day with Jacob breaking the 800-metre record by 4 seconds, running it in 2.23.22 seconds and Hamish breaking the shot-put record by throwing 10.27 metres and also breaking the discus record throwing 26.8 metres. A very proud moment for the boys.

Well done to all who participated and shone bravely all day!

Pictured above (L-R): Jacob Salmon and Hamish Gordon.

Tina Opperman | Year 5 Teacher / R-7 Sports Coordinator

Receptions Get a Visit from Endangered Animals

On Thursday 29 October, as part of our Discovery Learning for this term, Reception students were treated to a very special visit from Adrian and Kiara from Animals Anonymous. This incursion allowed students to view a variety of endangered Australian animals, whilst also learning about their natural habitats and behaviours. Some of the animals shown were a parrot, a python, snakes, goannas, ringtail possums, a bettong, a baby crocodile, geckos and a sugar glider. The information presented at the session was really interesting and the children loved the opportunity to pat, hold and learn more about these incredible animals.

Pictured above: Lenni O'Dine patting a baby crocodile.

Katie Window | Reception Teacher

Music Students Work With Adelaide Symphony Orchestra

The Year 10 music students were one of five schools in the Lower South East region to participate in a live-stream of the Adelaide Symphony Orchestra (ASO), watching their musical work that was composed during Term 3. With the assistance of a composer from the ASO, students composed ideas which were later worked into a full orchestral composition. The live-stream was a fabulous opportunity for the students to see how an orchestra performs and to hear the final product of their composition; 'serenity of the South East.' The 'Q and A' at the end of the concert allowed our students to ask questions to the panel of composers and conductor and learn more about music in general. The music faculty are sincerely grateful to the ASO for offering us this exceptional learning opportunity in 2020.

Penny Mansell | Year 10-12 Classroom Music | Woodwind | Ensembles

8/9 Girls Tennis Team off to Adelaide for Knockout Championship

On Wednesday 28 October, our Year 8 and 9 tennis players had the opportunity to compete in the Year 8/9 Tennis Knockout Tournament at Olympic Park. Our students competed against Naracoorte High School, Mount Gambier High School and St Martin's Lutheran College. It was great to see the high standard of tennis being played as well as the sportsmanship amongst all teams.

Our Girls team were very strong, only dropping one set for the entire day. Congratulations to Jorja Mitchell, Jessica Stutley, Emily Jolley and Aleisha Pearson who will progress to the next round of the Knockout competition, which will be held in Adelaide.

Our Boys team of Jonty Collins, Finn Kenseley, Angus McKinnon, Angus Clarke and Flynn Davison played in some very close matches and finished the day in 3rd position. Special thanks to Flynn who stepped in at short notice to replace a player during the day.

Well done to all students on a great day of tennis!

Pictured above (L-R): Jessica Stutley, Emily Jolley, Jorja Mitchell and Aleisha Pearson.

Michelle Coote | Knockout Tennis Supervisor

Activities to Celebrate Physical Education Week

Physical Education is important every day of the week, but next week we will truly celebrate it! Tension Woods College will celebrate Physical Education Week (9 to 13 November) with a range of fun, inclusive and energetic activities for all to participate in. Physical Education Week promotes and highlights the importance of Health and Physical Education in the Australian Curriculum to the learning and development of our young. All students have a right to receive quality physical education teaching and learning programs.

There will be many school activities, a theme day, come and try days, a X-country championship course and interschool events including 5-a-side soccer, volleyball, lawn bowls and ultimate frisbee, which will definitely keep everyone busy and physical. Students will be well informed over the coming week, encouraging them to participate and enjoy the various events.

Ian Ross | Years 6-12 Health and Physical Education Coordinator / Years 8-12 Sports Coordinator

Leila Croker Defies Odds in Athletics Competition

Year 8 student Leila Croker recently competed in 2020 VIVA SA All Schools Games in Adelaide for athletics. Leila unfortunately was restricted due to having her broken wrist in a cast. That did not slow her down. Leila went on to compete in the Under 16 age group in the 90 metre hurdles, 200 metre hurdles, long jump and 200 metre sprint. She performed exceptionally well, as she came home with two gold medals in 90 metre hurdles and long jump, a silver medal in 200 metre hurdles and came 6th overall in the 200 metre sprint. Well done to Leila on her outstanding results!

Nathan Fleetwood | High Performance Sports Program Coach

Students Take a Hike Around School Grounds

As part of the Senior Poplars PE class, students experienced a wonderful outdoor experience by going for a 2km walk around the school grounds and Marist Park. Using backpacks and carrying a light load of camp cookers, roll mats and sleeping bags, the group took it in turns leading each other, stopping regularly to check in on each other's progress and enjoy the beautiful natural environment in and around the "pines" area. Further lessons with cooking on the portable stoves and setting up tents will follow.

Pictured above: Talithia Montgomery on the hike.

Ian Ross | Years 6-12 Health and Physical Education Coordinator / Years 8-12 Sports Coordinator

Languages Week Celebrations

Each day of Languages Week, students engaged in a prayer in a different language. The languages included Chinese, read by Year 10 students Maixence Williams and Miao Guan, Swahili, read by Year 11 students Astride Ndjeka and Nadia Munguakwokwa, French, read by Year 11 Abigael Chizungu, AUSLAN, read by Year 10 Ethan Hoppood, Year 4 Rory Smith and Year 8 Lauren Smith and Italian, read by Year 8 Dionne De Cesaris.

At lunch time each day, students volunteered to present an activity that displayed parts of their language and culture. On Monday, Mr. Sun taught Junior School students how to write Chinese characters and they engaged in Chinese Paper Cutting activities. On Tuesday, Abigael Chizungu and Astride Ndjeka displayed their dance skills to some Afro-pop music whilst Nadia Munguakwokwa sang a song in Swahili. On Wednesday, Halle Perryman presented the story of her families travels from France to Mount Gambier and quizzed students on their knowledge of French culture. On Thursday, Mariam and Mennatallah Kassim presented their long-winded journey from Egypt to Mount Gambier and they taught the Arabic alphabet as well as some Middle Eastern dancing. Finally, on Friday, we ended the week with a presentation by Dionne De Cesaris who spoke about growing up in San Benedetto Del Tronto, in the Marche region of Italy and her journey to Mount Gambier with her family.

On Friday, we also held our annual Junior School Italian Day. This turned out to be an amazing day celebrating different aspects of the culture and language of Italy and our connection to Italian culture here at Tenison Woods College. In the morning, students engaged with different activities in their classrooms which centred around different stories and cultural aspects of Italy. Reception made Italian Flag art, Year 1's read the story of Pinocchio, Year 2's created their own Carnevale masks, Year 3's worked with mosaic art and Year 5 students created their own fruit face portraits based on the works of 16th century artist Giuseppe Arcimboldo. The highlight of the day was when the Junior School students were able to watch Year 4 students run in the Palio Di Tenison. The Palio is a horse race held twice a year in the town of Siena located in the Toscana region of Italy. Students have been learning about the Palio in their Italian lessons and on the day were given the opportunity to have their own race. Well done to the winners from each class and to everyone who participated in the race. It was exciting and a lot of fun was had by all!

Thank you to all the staff and students who attended the various events throughout the week. It was great to see lots of support for our presenters and it was great to see so many students from all across the college get involved.

Ben Paparella | Languages Learning Area Coordinator

Forces Attract in Year 7C

As part of the Physics unit on forces in Year 7, students were challenged to construct a marble run out of recyclable materials that use contact forces to help a marble change direction, speed up, slow down and stop. The students of Year 7C worked in groups of five to achieve their goal in completing marble run. Each group were able to achieve that goal, each with varying successes. Their efforts in creativity, particularly in starting their marble without touching it, is to be commended. A great afternoon exploring forces in action!

Barb Metzger | Year 7 Teacher

Year 12 Visual Arts – Design Task on Display

In Visual Arts – Design, Year 12 Mercedes Scott has exceeded expectations with her final assessment task. Mercedes' task was to design promotional material for Creative Arts at Tenison Woods College. She achieved this through the use of digital painting, photo manipulation, grunge and retro based styles. This fantastic work comes alive with the use of augmented reality by using devices like a phone or tablet. Check out her piece in the Pam Ronan Centre office or [here](#).

Yunita Manfrin | Visual Arts Design Teacher Year 8-12

Prayer for Year 12 Exams

A Prayer for our Year 12 Students:

During this period of SACE exams let us especially pray for students from Tenison Woods College and across South Australia.

God, we ask that they especially feel your closeness during the time. Give them calm hearts and quiet confidence in the knowledge that you hold them in the palm of your hand.

Bless them with keen understanding and retentive memory. Give them the ability to grasp things correctly. Point out the beginning, direct their progress and help them in the completion of each of their responses.

Holy Spirit, send them your gifts of wisdom and knowledge.

We ask this through Christ Our Lord.

Amen

(L-R): Sally Cook, Will Cook and Joanne Maclean

(L-R): Ciaran Buckley, Ryan Kuhl, Michelle Kuhl and Joanne Maclean

Term 1, Week 2 (February 2020) to Current Day

Term 3, Week 8 (August 2020) to Current Day

Master Plan Comparison

Wow, it is amazing to see the transformation of our College grounds so far this year with our Master Plan Construction!

Compare the development in photos taken earlier in the year and photos taken last week.

Major changes have been made to our Early Learning and Community Centre, as well as our Gilga Wangga Learning Community. We are getting closer to these builds finishing, we cannot wait to see how they look when completed!

Pictured above (L-R): Gilga Wangga comparison and ELCC comparison.

Student Create Video about Project Recology Initiative

To celebrate our College's first milestone in the Project Recology Waste space, Middle School environmentalists Fletcher and Alexei put together a short [video](#).

Thanks to the help of many stakeholders in our College community, we have successfully produced some one metre square sheets made from recycled plastic in 3mm, 6mm and 10mm thicknesses.

Tom Linnell | Early Years to Year 12 Sustainability Coordinator

Students Secure Apprenticeships with O'Brien Electrical

Congratulations to Year 11 students Will Crook and Ryan Kuhl, as they have secured an Electrical Apprenticeships with O'Brien Electrical Mount Gambier.

Will secured his apprenticeship through Group Training Employment after completing work experience with O'Brien Electrical in the school holidays. Ryan was offered his apprenticeship after impressing during his week of work experience with O'Brien Electrical in the recent school holidays, he will commence his apprenticeship next week.

Well done to these boys on these milestones. We wish them all the best on their journeys!

Joanne Maclean | VET Coordinator and Business Studies Teacher

Purchasing Additional 2019 College Yearbooks

If anybody would like to purchase an additional 2019 College Yearbook, the cost will be \$35.00.

Please contact the Front Office to place your order.

Photo Gallery - World Teacher Appreciation Day

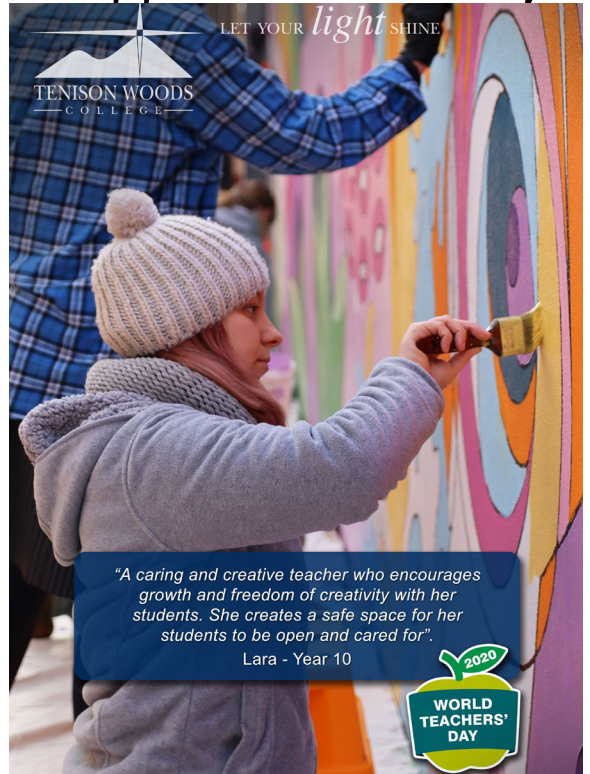

"She teaches me a lot, she takes good care of everyone."

James - Reception

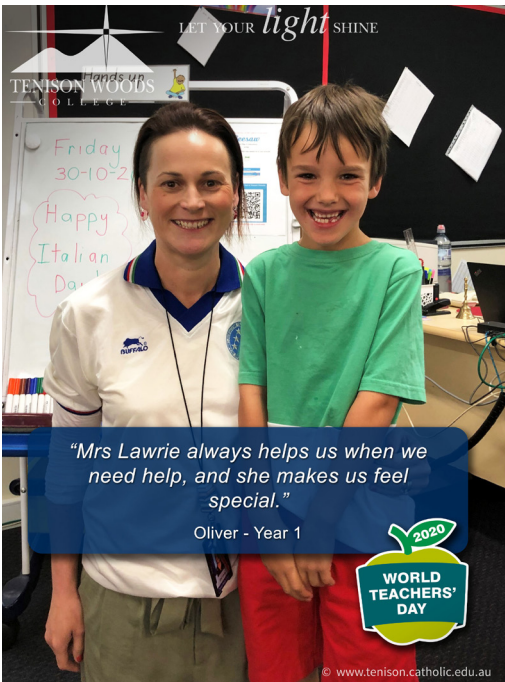

On Thursday 30 October, the College celebrated World Teachers' Day! We are blessed to have worked with so many incredible teachers at our College, striving to inspire students and let their light Shine.

Our College would not be what it is today without the hard work, dedication and passion that all teachers at our College uphold every day, not only as teachers but also role models!

"A caring and creative teacher who encourages growth and freedom of creativity with her students. She creates a safe space for her students to be open and cared for."

Lara - Year 10

"Mrs Lawrie always helps us when we need help, and she makes us feel special."

Oliver - Year 1

"She is really nice to me and lets me get a drink whenever I'm thirsty."

Niko - Reception

"Mrs Window is very kind, she always says hello to me."

Sophie - Reception

"Ang and Dom are very nice and kind, they taught us a lot."

Lily - Reception
