2020 Senior School Awards

The 2020 Senior School Awards took place last Friday 27 November, recognising students in Year 10 to 12 who have shown a high-level of achievement throughout the year. The Awards celebrate a year of activity and achievement in education, the arts, sport and community service as well as leadership. We were proud to offer a livestream to parents and caregivers that were unable to attend the assembly. Please click the link [here](#) to watch the assembly. A special thank you to our sponsors and presenters for their on-going contribution and support which is valued by our entire College community. Congratulations to all students who were recognised for their great work this year. To view the full list of award winners please click the link [here](#).

Ciaran Buckley | Head of Senior School

From The Principal

Advent, Christmas and Gifts

During Advent, a time of preparation for Christmas and the birth of Jesus, we are drawn to think of gifts. Likewise, as we conclude the school year, my appreciation is extended to the students, staff and parents/caregivers who are the precious gifts of our community. I trust as we prepare for the birth of Jesus and the wonderful gift for our humanity, that we are also drawn to see the people in our lives as gifts who have assisted us in our individual and communal journey. I trust that we have also learnt to look beyond the wrapping and external presentations of those gifts to see their intent, hopes and care they have for us.

My gratitude is also extended to the many people who have contributed their services to the school community in 2020. Thank you for your commitment to SHINE Bravely. The quality of education at Tenison Woods College is due to the contribution of many people who support our committed staff, most particularly the members of the College Board, Parent Class Representatives, LAP volunteers, and all those who have volunteered their service in a variety of ways throughout the College community. Thank you for your contributions and I trust there is a sense of satisfaction, knowing that you have been a gift to students and played a part in the ultimate quality of your child's learning and that of many others.

May the joy of Christmas embrace you and your families, and the opportunity for regeneration enliven you as you enjoy the Christmas Season and holiday period.

Thank You to Staff

As we conclude the school year, I offer thanks to staff who have offered service to the College community and conclude their service.

Retiring Staff

I particularly highlight the service of Jennie Sanderson, Assistant Principal, who retires at the end of the year following 24 years of service at Tenison Woods College. Prior to her Assistant Principal role, Jennie led the Wellbeing dimension of the College for twenty years, leaving a wonderful legacy of care for families and staff that is the hallmark of our Tenison Woods College experience.

Jill Rogers, Head of Junior School also retires after 25 years of service, the last nine as Head of the Junior School. I thank Jill for her discerning, inclusive and deliberate leadership that has created a united and committed Junior School Staff Team.

Marisha Garrod, Front Office Administration Support will also enjoy the benefits of retirement after 24 years of service. Marisha enjoys a special connection with the College, having grown up in the Marist College grounds when her mother was a support for the Marist Brothers.

Megan McKenzie has educated hundreds of students as an instrumental music tutor, from 1985 – 2006. From 2006 Megan commenced serving the College as a self-employed Music Tutor. With ever loyal commitment to our school community, Megan has accrued 35 years of impact on the lives of our families.

From The Principal *continued...*

We thank Jennie, Jill, Marisha and Megan for their wonderful service of the College community, 109 years of enthusiastic, faithful and loyal service that leaves an indelible legacy on the weave of relationships and achievements of our community.

Teaching Staff Concluding Their Services

We also thank the following staff for their service to the College as they conclude their time with us and move to new adventures.

Mary-Anne Sheppard has served 24 years, offering committed and engaging experiences to students in the Science and Mathematics disciplines.

Other teaching staff include:

- | | |
|------------------|-------------------------------------|
| • Tamara Hayes | Junior School Teacher |
| • Ben Paparella | Reception – Year 12 Italian Teacher |
| • Nikki Bishop | Junior School Teacher |
| • Hoveida Saberi | Mathematics Teacher |
| • Joel Olsder | Italian Teacher |
| • Chengsheng Sun | Chinese Teacher |

Co-educators

- | | |
|------------------|--|
| • Mairead Mackle | Student Counsellor (10 years) |
| • Lyn Wilson | Canteen Education Support Officer (14 years) |
| • Ione Ford | Home Economics Education Support Officer |

Trainees

- | | |
|-------------------------|---|
| • Abbey Clark | Front Office Administration Trainee |
| • Ruby Coote | Education Support / OSHC Trainee |
| • Nick Kourmouzis | Sports and Recreation Trainee |
| • Adele Prossperi-Porta | Public Relations Marketing and Events Trainee |
| • Ellyana Sims | Early Learning and Community Centre Trainee
Ellyana has secured a Certificate III role with the ELCC and will be continuing her service. |
| • Lara Willoughby | Information and Communication Technology Trainee |

Students and families have been impacted by the presence, creativity, passion and investment in our young as people. As these staff leave us we say thank you for their commitment to our community, their wisdom and their wonderful legacy through their service of Tenison Woods College.

ELCC Playground Blitz – Saturday 5 December

Can you offer half an hour Saturday 5 December? During the Working Bee we are particularly looking to finalise planting of the ELCC Nature Play area.

Please bring any gardening equipment you think could be of use: gloves, shovel, rakes, wheelbarrow, even your ute. The working bees will commence at 8:00am. Morning tea and refreshments will be supplied with a BBQ available from 10:00am. For those able to assist Saturday 5 December we ask that you please complete this [online form](#). We will also be holding another ELCC and Reception Building Working Bee on Saturday 19 December. Those who can volunteer, please click [here](#).

Wednesday 9 December– Middle School Student and Staff Working Bee Blitz

Thank you for your support this year in a range of ways as we have navigated the challenges of COVID-19 and maintained an engaging program for our young.

We have achieved a great deal this year, including the implementation of a new learning management system, the building of a new Middle School Gilap Wanga Learning Community including a wonderful Poplars Inclusive Learning Centre, as well as planning wonderful new and exciting experiences for our Middle School Students in 2021.

We are very keen to make an excellent start to 2021, but given the completion of the ELCC and Reception building impending Years 1-6 building works, there are many classroom shifts required in the Middle School. As such, I seek the support of the Middle School students on Wednesday 9 December, when we are proposing a Middle School Working Bee Blitz to assist staff in navigating the classroom and associated shifts as well as internal and external beautification works ready for 2021. In essence, whatever needs to be done to ensure students and staff feel good about starting 2021 will be tackled.

We are suggesting that students wear casual clothes that day, possibly bring some gloves if they would like, and a strong disposition to assist staff. It will be a day of hard work, collaboration and community building, and I hope you will support the day through the actions of your adolescent.

Thank you for your understanding and cooperation. Please do not hesitate to contact me at mezid@tenison.catholic.edu.au or 8725 5455 if you would like to discuss this further.

HHDL Four Point Plan

I thank you thus far for your attention to HHDL Four Point Plan; good **H**health, good **H**hygiene and hand washing, good **D**distancing and care for others and good **L**earning regardless of student location. This approach has stood us in good stead this year, and I ask that we all continue deliberately, now more than ever, with the HHDL approach. As always we remain alert, not alarmed.

Key Dates for the Commencement of 2021:

A full list of 2021 key dates will follow soon, but to assist with planning, I inform our College community of dates to commence the 2021 academic year:

Thursday 21 January 2021	All Teaching Staff Commence
Friday 22 January 2021	Book Collection Day and Staff Planning Day
Monday 25 January 2021	Staff Planning Day
Tuesday 26 January 2021	Australia Day Public Holiday
Wednesday 27 January 2021	Reception and Years 7, 8, 10, 11, 12 Commence Term 1
Thursday 28 January 2021	All Other Students Commence Term 1

You will note the staggered start to the commencement of the year for students. This approach will assist students in the identified year levels to complete the best possible transition processes. We also look forward to preparing transition programs that will accentuate our relationship with parents and carers in the support of student learning and wellbeing.

Fee Remissions

Amongst all the worries that we have at this time – worrying about the payment of school fees should not be one of those things. Please be assured of our support for your family. If your family will lose significant income due to the new COVID-19 restrictions and there may be a need to freeze your payments, please contact Neal Turley, our Business Manager, who will assist you during this time. This can occur very easily for those families in need.

BYOD – Year 6 Families, Ready for Year 7 in 2021

As the year flies by and we look also to 2021, I remind families that if they are thinking about purchasing a device for next year, just check out our Bring Your Own Device page on our website. Please click [here](#).

You can also find this page in SEQTA Engage by choosing the *Portals* option and selecting *BYOD Parent / Guardian Information*.

With the current COVID-19 situation and associated wait times for products, we encourage families to think about their student's needs a little earlier to ensure that the device is ready for the start of 2021.

God Bless,

Giving Tree

As we light the Advent candle of hope this week, we give thanks for the many blessings in our lives. It is a time to remember those less fortunate than ourselves. Families may be considering purchasing a gift to show their appreciation to a staff member who has worked with their child throughout the year. This is not an expectation, but we are aware that many families have opted to do this in the past. As a staff community with a strong commitment to living our faith through social justice, we ask that if families are considering purchasing a gift, that instead a gift be donated to our Front Office Giving Tree. When the gift is placed under the tree, a gift card can be given to the staff member to notify them that a gift has been donated in their name.

Demand on welfare agencies is huge at this time in a normal year, however with the effects of COVID-19, the demand is even greater. As a community we are called to do as much as we are able to support the relevant agencies. The gifts under the tree this year will be donated to St Vincent de Paul Society and Ac.Care for distribution to local families this Christmas.

Out of School Hours Care

Our Out of School Hours Care facility has a wonderful program for the holidays. Their enthusiastic and caring staff do a great job entertaining and challenging the children in their care. If you are looking for care during the holiday period please give the College a ring to book in as places fill fast.

Finishing Time on Wednesday 9 December

A reminder that we finish at normal time next Wednesday 9 December at 3:15pm for Junior School and 3:20pm for everyone else. This is in line with the DECD schools because of the buses.

CIM Team News

Advent

The Church season of Advent began last Sunday. Advent is a period of preparation, extending over four Sundays before Christmas. One of the most well recognised symbols of Advent is the Advent Wreath. The wreath has three purple candles and a pink candle surrounded by greenery representing life. Each Sunday, a new candle is lit and the themes of Advent are focused upon *Hope, Peace, Joy and Love*. In the lead up to Christmas, it is easy to become caught up in the busyness and commercialism of society. Advent helps us to focus on the importance of Christmas where Jesus brought love hope peace and joy into the world.

Christmas Eve Vigil Family Mass

Would your child like to be involved in the Nativity play at Christmas Eve Family Mass? Mass is on Thursday 24 December at 6:00 pm, at St Paul's Church. Children who would like to be involved in the play are required to attend a rehearsal at a time yet to be confirmed. Costumes for the play will be distributed at the rehearsal. Participating in the Nativity play is a wonderful way for children to deepen their connection to the miracle of Christmas and be a part of the St Paul's community. We welcome all to be involved and attend. Please send me an email to cootm@tenison.catholic.edu.au if your child would like to be a part of the play.

Revised Schedule for Masses in the Mt Gambier and Millicent Catholic Parish

Please note that with the limit of 110 people at Masses and the 1 person per 4 sqm, there is an extra 9:00am Mass being celebrated this Sunday 6 December. Please consider coming to the early Mass.

Masses for This Weekend:

Saturday 5 December	6:00pm Vigil Mass at St Paul's
Sunday 6 December	9:00am Mass at St Augustine's, Port MacDonnell
	9:00am and 11:00am Masses at St Paul's
	9:00am Mass at St Alphonsus' Millicent
	11:00am Mass at St Brigid's, Beachport

Sharing your Christmas

The Giving Tree is now in place in the Front Office at Tenison Woods College. We actively encourage families to support Ac.Care, Sunset Community Kitchen or Vinnies in their work to support local families in need. Unwrapped gifts, toiletry items and/or cash donations can be placed under the tree between now and the end of Term. We thank you in advance for your kindness and generosity towards those in need within our community.

We will also be supporting the Community Christmas Lunch held on Christmas Day. Staff are donating toiletries, wrapped chocolates and lollies to be placed into gift bags for those attending. Any families who would also like to contribute items for this event can do so by placing them under the Giving Tree with the gifts.

Christmas Hampers and Toys

St Vincent de Paul Society Mt Gambier are now taking registrations for Christmas Hampers and toys for families which are struggling. The Society is there to lend a hand in helping families celebrate the birth of Christ during the season of Advent.

Please ring Vinnies on 8724 9322 to make a confidential appointment to discuss your family's needs this Christmas.

Term 4 Masses at the College

Due to the revised COVID-19 restrictions in place there will be no Thursday Masses at Tenison Woods College for the remainder of the Term.

We look forward to things returning to 'normal' in 2021.

College Welcomes 2021 Year 8's for Orientation

On Monday 30 November and Tuesday 1 December, we held our Year 8 Orientation welcoming new faces to the College with the support of existing students.

There were lots of classes and activities held to give the students an idea of what Year 8 has in store for them in 2021. Students experiences some of the exciting elective options such as cooking, making rockets, playing games in the Barrie Holmes Stadium, making music using software and movie specials effects makeup.

The orientation is a great opportunity for students to familiarise themselves with their classrooms and the College grounds. We look forward to welcoming them all at the start of next year!

Year 4 Student Wins Primary Mathematics Association Challenge

The state-wide Primary Mathematics Association Challenge was run again this year with students required to submit a project that explored the mathematics involved in a topic of their choice. Congratulations goes to Sian Courtney for winning the Year 4 Individual Project Category for her project about the mathematics involved in the online Roblox game of 'Adopt Me'. She investigated time taken to travel to places, fractions in eating, drinking and hatching eggs, money and multiplication in saving to buy eggs and statistics in hatching different rarities of pets. This is an outstanding achievement and it is fantastic to see another example of how mathematics is a part of our everyday lives.

ELCC Explore the Story of Noah's Ark

Our Early Learning and Community Centre students have been focusing on the biblical story 'Noah's Ark'.

They have enjoyed constructing boats and testing them to determine if they would float, placing two of each animal on the Ark and creating floods and rainbows. Students also created beautiful images of the story with God, Noah, Animals, the Ark, the flood and a Rainbow.

Students Up for a Challenge In the Library

Students recently enjoyed a "Puzzles and Challenge" session held in the library at lunch time. This involved students using cardboard prism-cut shapes to build a free-standing construction.

Students were given 15 prism-shaped pieces of cardboard with slots cut in them to build a tower, with a cut in all 5 sides allowing it to be joined to other cards by sliding them together. Whoever built the highest tower was the winner!

Shining in the Kitchen

What do you get when you combine a passionate, talented teacher with inspired students?

Dafydd Ryan and Riley Stevens who are part of the Year 9 Academy of Hospitality delivered these mixed truffle treats to Principal Mr Mezinec, who reported that they were scrumptious!

Students in Academy have spent the last few weeks exploring Christmas cookery and have also made and decorated Christmas cakes and shortbread Christmas trees. Boxes of mixed truffles were sold through the Sugarloaf Café in Week 7 of Term 4.

2020 School Fee Statements

School fee statements will be posted out this week. If you do not have a current payment plan in place for 2020, please ensure all fees are finalised with the school by 9 December.

If you have an existing payment plan in place, your payment plan should be finalised by 31 December.

If you are having any difficulties in meeting this commitment, please feel free to contact a member of our Finance Team who may be able to assist you further.

Please note, the College Board has determined not to increase School Fees in 2021. A revised fee schedule will be sent to families early next year.

Year 7 Wiwuni Camp Experience

Our Year 7 students were recently treated to a beautiful day out in Beachport as a part of their Year 7 Camp experience. While at Beachport, students spent time learning how to stand-up paddle board with Stillwater Paddleboards. The students had a lot of fun, and even had the opportunity to paddle with two friendly dolphins on the day.

Students and staff also went to Wiwuni Camp grounds, staying overnight and discovering the traditions of the Aboriginal people of the South East, the Boandik People. They learnt about Boandik connection to country and discovered the knowledge of tools, foods, culture and dance. Students had opportunities to explore the land and vegetation, engaging in Biodiversity awareness and flora and fauna identification.

ICAS Competition Results 2020

Each year students are offered the opportunity to take part in the International Competitions and Assessments for Schools (ICAS). This year all enrolments were completed by parents/caregivers through a link provided by the College.

For each year level in South Australia, a high distinction is the top 1% of participants, distinction the next 10%, credit the next 25% and a merit is the next 10%. The remainder of students received a participation certificate. This year we had two students who were the top achiever of the state in Digital Technologies and the Spelling Bee. They were awarded a Gold Medal.

We are pleased to share below the names of students who achieved a merit or higher. We also congratulate all other students who participated in 2020. Information regarding enrolment in the 2021 ICAS will be placed in the College Newsletter early in 2021 or contact Chris Lloyd on lloyc@tenison.catholic.edu.au

Year 11's Host a Teddy Bear Picnic for their Buddies

On Thursday 26 November, our Year 11 students were introduced to their 2021 Reception buddies at the 'Teddy Bear' picnic at Marist Park!

Students were joined at the picnic by students from the Early Learning and Community Centre that will be in Reception next year, with all enjoying the sunshine as they learnt more about their buddies, played fun games and even performed a few Christmas songs. New friendships were made as they all look forward to spending more time together in 2021!

Keeping Up With the Year 9SHINERS

Day 1 of the 9SHINE Outdoor Experience began early on Sunday 29 November departing the College at 8:00am. Students travelled to the Fleurieu Peninsula and got stuck into their activities straight away. Students have been participating in bush walking, kayaking, mountain bike riding, snorkelling, high ropes and surfing during this week.

Follow their journey via social media and the daily blog by clicking on this [link](#).
