## Year 7-12 Athletics Carnival

The Kardashians

Emily Dawe

James Holmes

Last Friday the College held its annual senior Athletics Carnival, except this year was slightly different. In 2021, the Year 7 cohort joined the high school carnival, and brought with them an abundance of enthusiasm, participation and talent. After the previous three days of competition including the 1500m, hurdles and 800m, Woods started the day off with a 102-point lead above second place.

Various records were broken throughout the carnival. Jacob Salmon broke the U/14 male 800m record with a time of 2:26.31, beating the old record by 2.39 seconds. Rex Jones managed to fly on Friday, breaking the U/14 male High Jump with a height of 1.75m. The previous record for the High Jump was 1.68m. McAuley's U/14 male 4x100 relay team beat the old record of 55.38 seconds by over 1 second with a time of 54.16 seconds! Due to the introduction of the Year 7 cohort, a new age group for U/13 was introduced as well. As this was a new age group, all first place winners obtained the record for their event as well! Congratulations to all U/13 competitors that set records this year and all record breakers!

After all events were completed, the Spirit Stick was awarded to the House with the most participation, which this year was MacKillop! The Con Brown Award was presented to Rex Jones with his impressive High Jump record.

Best Dressed Female was presented to Abigael Chizungu, Lily Tucker, Astride Ndjeka, Tess Wight, Megan Chant, Danielle Thomas and Zoe Aberle, who were dressed as 'The Kardashians'. Best Dressed Male was awarded to James Holmes, wearing the costume of 'Ali G'. Best Dressed Staff member went to Emily Dawe who was dressed as 'Merida' from Brave.

It was then time for the overall carnival house champion to be announced! In fourth position was MacKillop with a score of 3,960 points. Champagnat found themselves in third place with 4,019 points. In second place, McAuley managed a healthy 4,162 points. It was Woods, however, who claimed the title of House Champions with a score of 4,472 points. This is now the second consecutive year that Woods have been champions, and they aim to continue their winning streak for multiple years to come.

## From The Principal

### Athletics Carnivals – Excellence, Fun and Community Spirit

We enjoyed a wonderful 7-12 Athletics Carnival Friday 26 February. Thank you to the students and staff who entered into the fun of the day, with a variety of records, personal bests, team endeavour and community building. Special thanks to Ian Ross, Emily Dawe and the HPE Team for their leadership, in addition to the ICT Team and Grounds Team who offered their characteristic support. Patrons were well catered for by Sugarloaf Café, our talented Hospitality Students, and Aero Expresso. I was also delighted that staff acquitted themselves well in the relay and the tug-of-war competitions, only to be defeated by the 'giant killers' ELCC children in the tug-of-war.

We look forward to the following great sporting celebrations as well as community building events:

- R-2 Sports Day, Friday 5 March
- 3-6 Sports Day, Friday 12 March
- SE Interschool Athletics Carnival, Penola High School, Wednesday 17 March

I extend a very warm welcome to parents, carers and family members to attend these carnivals to witness the athletics endeavours and also meet other families who are part of the College community. Catering will be provided for all the carnivals, so come to the College for a long lunch break from work commitments, enjoy the athletics and have a bite to eat at the same time.

### Nude Food and Minimising Bins Within the School

Buoyed by the Junior School's successful Nude Food initiative and the reduced waste within the school, we are looking to reduce the large dumpsters across the school. We will replace these large dumpsters with smaller bins and work toward a situation where we have a refined approach to external bins for:

1. General waste
2. Bottles and containers
3. Mixed recyclables – such as paper, cardboard etc
4. Green waste

There are a range of issues for us as a school to address, and then some issues for us to discuss with the City of Mount Gambier Council so that there is greater integrity in our recycling processes as a school and as a community. The Grounds Team and Cleaning Team are committed to assisting the College in realising this ambition if all of the community is on board and works together in a collaborative way.

This issue is one of the major life learnings of our time for our young, and I am committed to ensuring that we act with integrity as a school community and teach our children, through our actions, about the care for our planet. Anything you can do and advise as a family in relation to refining our processes will be gratefully received. I trust that with deliberate, creative and collaborative endeavour we can take this very ordinary issue of waste and achieve extraordinary outcomes for our school and global community.

### Lenten Season and Project Compassion – Be More

Two weeks ago, we celebrated Shrove Tuesday with our pancake fundraising day, while Ash Wednesday liturgies marked the start of Lent; the season in which we prepare for Easter.

Fundraising throughout the six weeks of Lent will contribute to Caritas Australia's Project Compassion Campaign. This Lent Caritas Australia calls us to support Project Compassion under the theme of Be More.

Supporting Project Compassion is a way we can proclaim the faith that is in our

hearts and help our brothers and sisters in need. During Lent, we are invited to take up the call to fast, pray and give alms - in solidarity as a global community. As such, our commitment to marginalised people is a direct response to the Christian call to 'act justly, love mercifully, and walk humbly with our God.'

### Board Annual General Meeting

I remind parents and caregivers of the Annual General Meeting of the Tenison Woods College Board, which will be held Wednesday 24th March at 7:30pm in the Pam Roman Centre. Nominations are sought for people interested in serving on the Board this year. The associated correspondence is found [here](#).

### Caring For One Another – Road Safety In The Marist Park Area

I remind families of the importance to monitor their actions in the Marist Park area, which can be quite hazardous given the terrain and the less organised parking approach given the nature of the property. Please keep an eye out for one another as we enter and leave Marist Park.

### Drop Into The Sugarloaf Café

I am thrilled that the Sugarloaf Café is inviting parents to meet at the café to catch up over a coffee and their culinary delights. Come and try the café once you have dropped off your children in the morning or call in before you collect children at the end of the day. With a special area dedicated to adults, it's a great place to catch your breath, take a moment for yourself and meet other parents who enjoy great coffee!

God Bless,  
David Mezinic | Principal

## From the Deputy Principal

It was great to chat to so many parents, carers and grandparents at the 7-12 Athletics Day last week and to watch the athleticism and sportsmanship shown by our Tenison Woods College students. There were some truly outstanding results that were displayed and celebrated. This week we continue this with the Reception – Year 2 Sports Day on Friday and then next week we gather for the 3rd and final event – the Year 3-6 Sports Day. Both of these events are to be held at Marist Park and parents and carers are reminded that there is parking either at the top of the oval or in the grounds at Marist Park. Marist Park is entered off Shepherdson Road with the entrance to the oval at the southern end of the carpark.

### Homework help

This week's Studiosity sessions for Middle and Senior school students were a great reminder about the value of this free service, provided to families, to support the learning of students. For parents and carers who are unfamiliar with Studiosity, I would highly recommend spending some time with your child to look at the services it provides for homework support. Further information is included in the Studiosity article also in this newsletter.

## Students of Penola - Youth Steering Committee Opportunity

The Riddoch Business and Community Association (RBCA) have put a call out to students to get involved in a Youth Steering Committee for the town which will sit under the RBCA, where youth will work directly with members from the RBCA developing their leadership skills.

This will assist them to work in a team setting, learn how to set goals, gain confidence, make effective presentations, build resilience, think outside of the square and also encourage a culture of volunteerism. It will also put them in touch directly with members of the Penola business community.

Some projects that the group will work on include Town Merchandise (designing, organising and marketing), Communications (social media, marketing, plus the opportunity to take part in media training with ABC journalist Liz Rymill) and Event Planning. They will also learn how to effectively run committee meetings and the basics of governance.

This is a fantastic opportunity for students who reside in Penola and surrounds! Applications close on Friday 19 March and are open to 14-20 year olds.

Students can make an application through the website: <https://penolacoonaawarra.com/youth-leaders-application/>

# Leader's Latest

Hello, our names are Bree and Rajat and we are the Year 9 student leaders for 2021. We are so privileged to have received this role as it is an amazing opportunity to give the middle school a more defined voice, and encourage ideas from, and promote interaction between, the different year levels.

As Year 9 leaders this year, our goals are to work with the other leaders and the teachers to start up programs, events and opportunities to appeal to everyone in the school, and get everyone no matter their interests, involved in something that excites them for school. One of our main goals however is to be more involved with our Year 9 community and bring the cohort closer together throughout the year.

So far this year we have attended meetings with other student leaders in our school such as founder leaders, Year 6 student leaders, Senior School leaders and the 2021 School Captains. We have talked about subjects such as the new school bell which has everyone talking and discussed events such as the recent 7-12 Athletics Day. We have attended and helped out at the Welcome Evening which happened earlier in the term. Recently we introduced the Middle School Council to the Year 7 and 8 classes with the help of the Year 9 Founder Leaders, which we look forward to leading.

What we hope to do later in this term is be involved in Harmony Day and St Patricks Day events which we will be planning in the upcoming weeks. We will also be helping out with the upcoming Reception to Year 2 Sports Day which will be a great opportunity for us to be involved with the younger community of our school.

We are so excited for what is to come this year. We hope to see everyone's faces throughout the year.

**Bree Robinson and Rajat Pandey** | Year 9 Student Leaders

## Studiosity

In 2021, Tenison Woods College Year 7 to 12 students will once again have free access to the study support platform, Studiosity. It is homework and study help, after school hours, from professional educators and subject specialists.

There are two core services that students can use:

- **Connect Live:** Students can ask a question or draw a diagram and get immediate help via live chat with a qualified Subject Specialist, across all core subjects (English, Maths, Science, and more).

Students also have access to over 750 practice tests and downloadable worksheets within their Studiosity accounts. These quizzes are available across English, Maths, Chemistry, Physics and Biology for Year 7 through to Year 12 levels, including NAPLAN-specific content.

## Receptions Bake Yummy Chocolate Cupcakes in New Maker's Space

Last week on Thursday 25 February the Reception students bounded to the Maker's Space to practice some baking skills. Together the class learnt how to follow a method and use a range of cooking utensils. Much to the students' delight they were later rewarded with some scrumptious chocolate cupcakes fresh out of the oven. ## Budding Surfers Took On The Waves at Robe for Stage 1 Outdoor Education

The Stage 1 Outdoor Education 3-day surf camp kicked-off with a 13-kilometre coastal walk. Starting at Beachport, 15 Year 10 students, Ms. Clark and Mr. Ross completed the challenging walk over sand dunes and along the beach with fully laden backpacks weighing between 16-20kg each. The Beachport scenic route includes the Salmon hole, blow hole, salt lake and Lake George. After finishing the loop walk, a late lunch was enjoyed opposite the Beachport jetty. We travelled onto Robe to set up our tents at the camp-site to then cook pre-planned meals on the Trangia stoves overlooking Guichen bay.

Day 2 provided many highlights, with students all claiming bragging rights on which 'tube' was the most spectacular. The conditions overall were ideal at long beach with a total of 4 hours in the water 'cutting it up'. After thawing out back at the Robe camp-site, we completed a leisurely walk along the fantastic boardwalk route out to the well-known 'Obelisk' landmark. An early dinner was followed by a restful evening in preparation for our final surf session.

On the final day of the Surf camp we got up early and packed up our camp-site, keen to take on the conditions. Upon arrival at Long beach, our budding surfing champions were met with only a light 1-2 metre swell. However, good spirits kept everyone determined to make the most of the two-hour morning session. With a few shivers but plenty of good humour, the surfing grommets finished on a high and thanked our wonderful instructors. Points to all surfers for making it through the conditions. Well done all, I'm sure we could give a Kelly Slater and Stephanie Gilmore a run for their money! A hot hearty lunch in Robe proved popular as we farewelled Robe with lots of good memories.

Thank you to Charlie's Surf School for providing surfing instructors!

# Early Learning and Community Centre Celebrates Dr. Seuss's Birthday

This week the Early Learning and Community Centre celebrated the Birthday of Dr. Seuss. The children enjoyed dressing up and having their face painted as 'The Cat in the Hat' and listening to the stories written by Dr. Seuss. We all agree with Dr. Seuss - "Why fit in when you're born to stand out!"
