Year 7 Reflection Day

On Thursday 29 April Year 7 students from Tenison Woods College were joined by Year 7 students from Mary MacKillop School for a spiritual pilgrimage through local sites of Catholic and natural significance. The students visited St Paul's Church, Mary MacKillop Stable School Park, Father Woods Sculpture Park and Yallum Park. At each site the Stations of the Cross were used to focus on the importance of two of the school's founders, St Mary of the Cross and Father Tenison Woods, and also the importance of actively conserving God's beautiful creation.

Throughout the day the students were encouraged to build positive relationships with each other, our God and all of creation.

The pilgrimage was blessed with glorious weather which assisted staff and students to feel the divine presence of God during all activities.

Special thanks to Andy and Annie Clifford for hosting both Tenison Woods College and Mary MacKillop School at Yallum Park.

Chris Lloyd | 6-9 CIM Coordinator

Making the ordinary extraordinary at Tenison Woods College

From The Principal

Welcome to new families – and an Invitation to SHINE

As I welcome all families back to start the second term for 2021, we especially welcome new families to our community, hoping that they will enjoy being a part of our learning family. Furthermore, I trust new students will richly experience our way of being at the College where:

- Every learner has a place.
- Every learner has a pathway.
- Every learner will shine.

This is our challenge and our celebration.

Within this way of being a College Family we understand that we are all learners and all teachers, where the dignity of all is of paramount importance.

ANZAC Day – ‘Lest we forget’

I was delighted that Tenison Woods College was formally involved in the Mount Gambier ANZAC Day commemorations. I believe ANZAC Day not only offers us an opportunity to acknowledge those Australian and New Zealand Army Corps soldiers who fought and died at Gallipoli in 1915, but is also a day of remembrance for all soldiers who have died while fighting for their country as well as their families whose lives have been significantly transformed by the supreme sacrifice. Furthermore, ANZAC Day invites us as a community to acknowledge the commitment of our contemporary armed forces and their families; a day to say thank you with deep appreciation.

I thank our College captains, Sarah MacKinnon and Austin Rossi for representing the College to lay a commemorative wreath, and offer our respects at the Vansittart Park War Memorial.

They shall not grow old, as we that are left grow old;
Age shall not weary them, nor years condemn.
At the going down of the sun and in the morning,
We shall remember them.

Staffing News

Late last term and during the student vacation we farewelled Meagan Aplin (Mathematics and Future Thinking Teacher), Daniel Ryan (OSHC Supervisor), and today we farewell Kylie Withers (Poplars Teacher).

Leave in Term 2

As we commence this term I also recognise that Narelle Drew (Study), Kaitlin Egan (Maternity), Sean Quirke (Long service leave), and Simone Gill (Study), will all take extended leave during this term. We wish all these staff the very best for their leave.

New staff

We were delighted that late last term former Year 12 student, Ellen Brown, joined us as Home Economics Assistant.

We are also delighted to welcome back Bec Edwards, HPE Teacher, and Tessa Richardson, ELCC Co-educator, both returning from Maternity Leave.

We are pleased to welcome back Sharon Brodie, Mathematics Teacher, to the College, returning after 15 months with Mount Gambier High School.

We are delighted to welcome Sarah Price (Sugarloaf Café Chef), Kaitlin Horrigan (OSHC Educator), Olivia Farmer (OSHC Educator), Leah Mullen (Classroom Co-educator), Georgia Hall (Poplars Co-educator), Gemma Agnew (Classroom Co-educator) and Raelene Kenny (Classroom Co-educator).

We wish these new staff all the best in their service of our families, and look forward to them offering their gifts to the staff team.

Year 10 Wellbeing Coordinator

We thank Kate Carroll for her efforts as Year 10 Wellbeing Coordinator in Term 1. Following some staff timetable re-allocations we wish John MacGregor all the best as he assumes this role from this term.

Congratulations

We congratulate Kristie Say, who married Levi Bateman in the holidays. We wish Kristie and Levi Bateman all the best in their marriage together.

HHDL Four Point Plan

Our current national context in recent times reminds us of the ‘precarious confidence’ that is present. I firmly believe that our complacency will be our enemy in the next eight months, and as such I reiterate that we will be continuing deliberately and carefully with our HHDL Strategy in Term 2.

I thank you in anticipation for your attention to the HHDL Four Point Plan; good health, good hygiene and hand washing, good distancing and care for others and good learning regardless of student location.

During Term 2, the health and wellbeing of students, families and staff remains our priority. We will continue to ensure that our school is a safe environment, maintaining the additional cleaning regime which commenced in 2020.

Gifted and Talented Survey

We have been asked to be involved in this research survey related to Gifted and Talented Education.

I am keen that we use this as an opportunity for reflection on our diversified curriculum delivery and the pathways we provide for students at Tenison Woods College. Our pathways approach is one way that we are catering for individual needs, and I would like the insights from our participation in this survey to evolve further our strategies to cater for students who excel and require accelerated opportunities.

So I ask parents to offer twenty minutes to reflect on their beliefs and our actions in relation to gifted and talented students. The survey link can be found here: https://unsw.au1.qualtrics.com/jfe/form/SV_0Uih2OAwGftwwVr

Nude Food and Minimising Bins Within the School

Buoyed by the Junior School’s successful Nude Food initiative and the reduced waste within the school, we are looking to reduce the large dumpsters across the school. We will replace these large dumpsters with smaller bins and work toward a situation where we have a refined approach to external bins for:

1. General waste
2. Bottles and containers
3. Mixed recyclables – such as paper, cardboard etc
4. Green waste

We are committed to assisting the College in realising this ambition in a collaborative way.

This issue is one of the major life learnings of our time for our young, and I am committed to ensuring that we act with integrity as a school community and teach our children, through our actions, about the care for our planet. Anything you can do and advise as a family in relation to refining our processes will be gratefully received. I trust that with deliberate, creative and collaborative endeavour we can take this very ordinary issue of waste and achieve extraordinary outcomes for our school and the global community.

Need a tutor? Studiosity is our free online tutoring service

I remind families that students of Tenison Woods College in Years 7-12 have access to a free online tutoring service. Students are able to connect to expert tutors for live, one-to-one conversations about homework, assignments and exam preparation from 3:00pm – 10:00pm Monday to Friday. Give it a try, I know you will appreciate the service offered by Studiosity!

God Bless,
David Mezinec | Principal

CIM Team News

Mother's Day Breakfast

After not being able to celebrate as a community last year, the College looks forward to gathering for our annual Mother's Day celebrations. This year, we will serve a light breakfast from 7:45am in the Barrie Holmes Stadium, with student leaders leading us in prayer at 8:15am. We give thanks for those people in our lives who bring us love and comfort.

May is the month of Mary

For May, give Mary a special spot in your prayer corner. It can be a statue, a picture or some representation of our Blessed Mother.

Make it appealing and a real tribute to her beauty and virtue. Use your Mary focus during May to regularly pray Marian prayers such as the Hail Mary, The Holy Rosary or the Angelus.

Mary is Mother – your mother, my mother, everyone's mother – and she cares for all of us, day-in-and-day-out without fail, interceding for us in even the tiniest matters.

Sacramental Preparation Program

A reminder that families involved in the program must attend Family Session C, Thursday 13 May, at either 4:30 - 5:45pm or 6:45 - 8:00pm at St Paul's Hall.

Term 2 Masses at the College Chapel

A Mass is held each Thursday of the term and is led by a different class or year level each week. Mass is held at 9:15am in the College Chapel. Until further notice, due to current restrictions, only staff members and students of the College are permitted to attend.

The roster for Term 2 Masses:

Week 2	Thursday 6 May – Year 10
Week 3	Thursday 13 May – Year 6
Week 4	Thursday 20 May – Year 11
Week 5	Thursday 27 May – Year 9 Friday 28 May – Year 7
Week 6	Thursday 3 June – Year 12
Week 7	No Mass – Student Free Day

Week 8	Thursday 17 June – No Mass Friday 18 June – Whole School Mass
Week 9	Thursday 24 June – Year 4/5
Week 10	Thursday 1 July – Year 8

Chloe Shanahan | Religious Education Coordinator

Friends of Music

Friends of Music is a committee formed for anyone interested in supporting the music program at Tenison Woods College. The committee meets on the first Tuesday of each month at 7:00pm until 8:00pm in the music building at the College. The next upcoming meeting will be on Tuesday 1 June 2021.

Members of Friends of Music can take on various roles such as helping out at concerts, fundraising to sponsor students in the music program, and other small fundraising events.

Please feel free to contact Kathleen Finney (Chairperson) on kafflight@hotmail.com.au if you would like to join the team!

2022 Year 7 & 8 Middle School Information Evening

Wednesday 5 May 2021, 7:00pm. Tenison Woods College, Mount Gambier
Pam Ronan Centre (enter via White Avenue)

We invite all prospective 2022 Year 7 & 8 students and families to join us at Tenison Woods College. Meet the Head of Middle School, Mr. Nick Patzel, as well as hear from current students attending the College and hear for yourself what our College has to offer. At Tenison Woods College, every learner has a place, every learner has a pathway and every learner will shine. This is supported by our new curriculum opportunities, in our newly developed Middle School, the Gilap Wanga Learning Community.

NAPLAN 2021

Students in Years 3, 5, 7 and 9 will be undertaking the four NAPLAN tests of Writing, Reading, Language Conventions and Numeracy in Weeks 3 and 4 this Term, commencing Tuesday 11 May.

Families of students in Years 3 and 5 will have details of testing times sent home via a class newsletter. Years 7 and 9 families will have a broadcast sent with times of the four tests.

Individual music lesson times will need to be negotiated by parents/carers to avoid these test times. We also ask your assistance in not scheduling any other appointments during test times as it is time consuming to organise extra catch up times for absent students.

Demonstration tests are available at the following site <https://www.nap.edu.au/online-assessment/public-demonstration-site> if you are interested in familiarising yourselves with the type of questions asked. Students have already undertaken at least one practice test here at the College.

Students with their own devices should still have a Lock Down Browser installed to use for the testing. If students have new devices they may need to re-install this. It is also really helpful if students in Years 7 and 9 bring their own corded headphones, as all tests have an aural element. We do have some spare headphones if this is not possible.

Please feel welcome to contact your child's Home Group teacher or myself with any questions or concerns you may have.

Chris Lloyd | Online Assessment Coordinator

Scholastic Book Club Issue 3 Orders

All Scholastic Book Club Issue 3 orders are due by Friday 14 May through the LOOP online ordering platform or by returning the Scholastic catalogue order form to your child's classroom teacher. LOOP is the easiest way for you to order and pay online for your child's book club order if you wish to pay by credit card and the books will be delivered to class. You can place your child's order at [scholastic.com.au/LOOP](https://www.scholastic.com.au/LOOP) or using the LOOP app, which can be downloaded from the App Store or Google Play. Just follow the prompts to create a new account if it is your first-time ordering (only one account per family is required). Hardcopy orders can be given to the classroom teacher.

If you have any questions please contact Vanessa Courtney by email at cour@tenison.catholic.edu.au.
Happy reading!!

Vanessa Courtney | Junior School Teacher

Leader's Latest

Welcome back to school for Term 2. We hope you have all had a positive start. At the end of the holidays Sarah and I had the privilege of representing Tenison Woods College at the ANZAC day morning service. A wreath was laid in commemoration of the fallen ANZAC's who fought selflessly for our country.

Looking ahead, we have another jam-packed term full of fun events and special activities. Mother's Day will be celebrated in a new format this year with a breakfast on offer for students and the special women in our lives.

An exciting occasion that is coming up in Week 5 for Year 11 & 12 students is the Charity Ball. This is a particularly special event as it is the first social event for our senior school students (due to it not occurring last year) and a major fundraiser for the Timor-Leste community who are experiencing hardship.

This event is closely followed by Reconciliation Week, in Week 6. The theme for 2021 is, 'More than a Word'. Reconciliation takes action, which urges the reconciliation movement towards braver and more impactful action. We look forward to student leaders coming up with ideas for how this week can be acknowledged.

At the end of the month, a selected group of Year 9 to Year 11 students will be representing the College at our Annual Cardijn Exchange in Adelaide. We encourage our students to try their best and enjoy the experience of the special relationship we have with Cardijn College.

Our Middle Years students will be participating in their retreats this term. This is a special experience to build a relationship with God and their peers. Vinnies Day will be held in Week 8 with a focus on raising awareness and money for the St Vincent de Paul organisation that continues to support our community. 'Coins, Cans and Casuals for a Cause' will be a focus providing an opportunity to gain Founder points.

Austin Rossi and Sarah McKinnon | School Captains

Year 6 Students Leading the Way into Term 2

Recently, the Year 6 students were presented with their Leading the way certificates by Principal David Mezinec to acknowledge their outstanding participation in the Student Leadership Program. The program utilised Positive Psychology programs, such as Rock and Water and Girls Power programs to empower our Year 6 students.

The Leadership program was a great foundation for the students to build on as they learnt important skills and lessons that will help them on their leadership journey at the College.

Port Adelaide Football Club Visit

Former AFL player Alipate Carlile (167 AFL Port Adelaide FC matches 2006 -2016), now the Port Adelaide Football club Multicultural Programs Manager, along with Braedon Talbot, PAFC Community Programs Manager – Aboriginal, conducted a highly enjoyable coaching clinic for Tenison Woods College students with culturally diverse backgrounds. The clinic formed stage one of a dedicated talent identification program that encourages students to participate in the sport and join pathways for future involvement.

Following the visit, students have been invited to participate in a fully funded carnival experience in Adelaide. Leading up to the clinic, students have completed a guernsey design representing local traditions and cultures which will be worn at the carnival.

Further experiences include an Intercultural Leadership Forum, opportunities to connect with other schools and opportunities for self-development, job opportunities and work experience that may be created within the AFL network. In addition, the Year 9/10 High Performance Football class also enjoyed a clinic with core skill drills and modified games. GO POWER!

Ian Ross | 7-12 Health and Physical Education Coordinator

Tenison Woods College Students Selected for SANFL

Congratulations to Year 9 students Sophie Pedler, Susannah Bhutia and Erykah Van Gaans on being selected to participate in SANFL's recent AFL Talent ID High Performance Program! The selected LCWFL U16 girls took part in a day of learning, opportunity, and fun at Thebarton Oval. Well done, girls!

Terracycle Donations

It's time to nominate a charity of your choice for the College's Terracycle dollars to go to. The charity with the most votes will receive a donation from Terracycle on the College's behalf. This donation is funded through the 20kg+ of stationery that Tenison Woods College has stopped reaching landfill and instead have been recycled.

Find the 30 second survey [here](#).

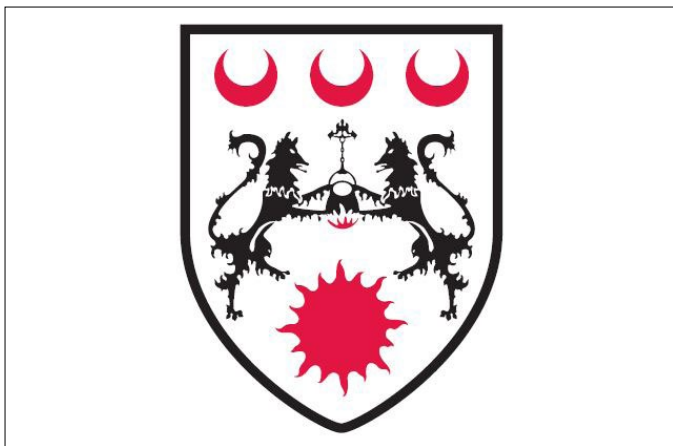

And don't forget to drop off old stationery to The Art Studio at the College for recycling and to allow the College to continue making charitable donations through Terracycle!

Meghan Lynch | Teacher/Arts Learning Area Coordinator

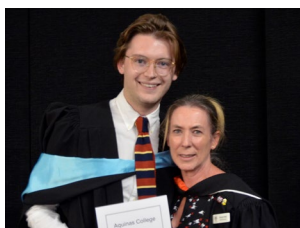

Students Play in U16 SANFL Grand Final

Senior school students Anders McShane, Kalan Shanks and Lochlan Thiele recently represented Glenelg Football Club in the Grand Final of the U16 SANFL competition. The boys and Glenelg showcased a valiant effort but unfortunately couldn't overpower a strong South Adelaide side. A tremendous effort boys!

Old Scholars Excel at Aquinas College

Old Scholars Brennan Lockwood, Tori McIntyre and Ellie Gould have won awards at Aquinas College's recent Collegiate Dinner, which celebrates the top students in 2020.

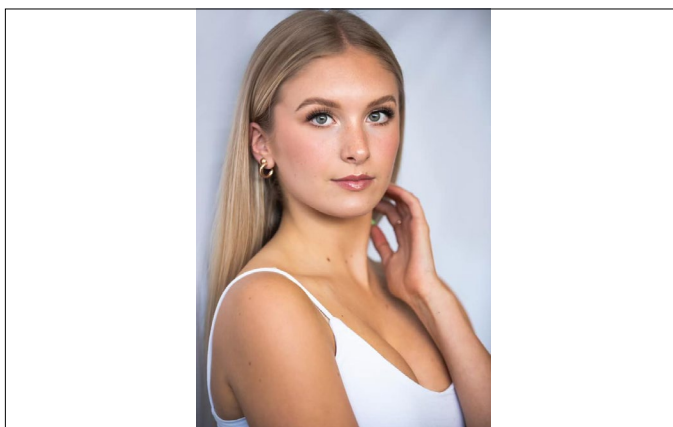

Brennan Lockwood (Graduated 2015) - Bachelor of Media at University of Adelaide attained 3 High Distinctions in 2020 and was awarded The Kennedy Family Prize as the top senior student of 2020.
Photo: Brennan being presented with the prize by the College Dean, Carolyn Mee.

Tori McIntyre (Graduated 2018) - Bachelor of Occupational Therapy at University of South Australia received the faculty prize for Health. Tori attained 2 High Distinctions and 2 Distinctions in her studies in 2020.
Photo: Tori accepting her award from the Aquinas College Rector, Br Michael Green.

Ellie Gould (Graduated 2017) - Bachelor of Education (Secondary) Food and Textiles at the University of South Australia was awarded a CESA Scholarship for students who are studying teaching, and who are keen to take up a country Catholic school appointment after graduating.
Photo: Ellie being presented with her Scholarship by the Chair of CESA, Professor Denis W Ralph.

Molly Clark Shining Brightly

Congratulations to Year 12 student Molly Clark on being accepted into Brent Street's Diploma of Dance - Elite Performance course! She will travel to Sydney next year to begin her course. Well done, Molly!

Leading From Within

During the holidays a group of 31 College staff participated in the 'Leading From Within' workshops; a new group of leaders came together for the first time to commence their leadership journey, as well as our 2019 group reconnecting for a Leadership Masterclass.

'Leading From Within' facilitates self-reflection, developing staff as leaders, and applying their knowledge in a special project that they undertake as part of their Leadership journey during 2021.

Staff from Mary MacKillop Memorial School and St. Anthony's Catholic Primary School also participated in this internationally recognised course facilitated by Dr Stephen Brown and Sam Symes of the Brown Collective, under the auspice of Catholic Education South Australia and with the facilitator support Leonie DeGaris, Chris Payne and David Edwards.

We thank Stephen and all the facilitators for their contribution in ensuring our staff reach their potential as leaders for our students and their peers. "We're all teachers, we're all leaders."

Music Students Wow the Crowd with their Talent

In what would normally have been the lead up concert to the annual Generations in Jazz festival (cancelled for a 2nd year in a row due to COVID-19), Tenison Woods College music students performed live to families with a program of Jazz-inspired music. Four of our ensembles: Big Band, Senior Vocal Ensemble, Small Jazz Ensemble, and Concert Choir entertained the audience in what was an extraordinary showcase of musical talent. Well done to all performers!

Penny Mansell | Head of Performing Arts

Auskick Ready to Kick Off

Auskick began at Tenison Woods College on Tuesday 4 May on the oval. NAB AFL Auskick is simply the best introduction for kids into the world of Australian Football. Auskickers run, jump, kick, laugh, express themselves and create their own special moments that just happens to be footy. No matter if you know the game or not, Auskick is inclusive for everyone in Reception and Year 1, boys and girls.

If this interests you, please register through the link found [here](#).

This year, the Year 10 High Performance Football Squad will be running the sessions and I thank Ciaran Buckley and Nathan Fleetwood for their support with this.

If you required any further information, please feel free to contact me via email at oppet@tenison.catholic.edu.au.

Tina Opperman | Year 5 Teacher / R-6 Sports Coordinator

Olympic Cycling Team Visit

2021 is an official Olympic Year. Tenison Woods College is extremely lucky to have the Australia Olympic Cycling Team visit the College next Friday who are in Mount Gambier to compete in the 84th running of the 100 Mile Classic. Year 3-6 students will be hosting the team in their assembly whilst the Year 8/9 and 10 HPE students will be listening to the athletes talk about their preparations for Tokyo and what it takes to be an elite athlete. We are so lucky to have them stop here to share their stories with us. If you see them wandering around, please make them feel very welcome.

Tina Opperman | Year 5 Teacher / R 6 Sports Coordinator

Suitcase Dioramas Pioneers of Mount Gambier

During History lessons last term, Year 3 students researched Pioneers of Mount Gambier. Students chose a Pioneer of their choice and were required to make a suitcase containing six symbols that represented that Pioneer.

The suitcase was to reflect the Pioneer's life and work, as well as their contributions to Mount Gambier and the community.

The students displayed great enthusiasm for the task and created outstanding suitcase dioramas.

Stacy McCourt | Year 3 Teacher

Year 2's Make Bracelets for Project Compassion

Late last term a group of Year 2 students showed that ordinary people can do extraordinary things when they organised a fundraiser for Project Compassion. Students spent their recess and lunch times making loom band bracelets which they sold to Junior School students and staff. The girls raised an amazing \$90! This money will go towards helping those facing poverty and injustice in our world and help build brighter futures for themselves.

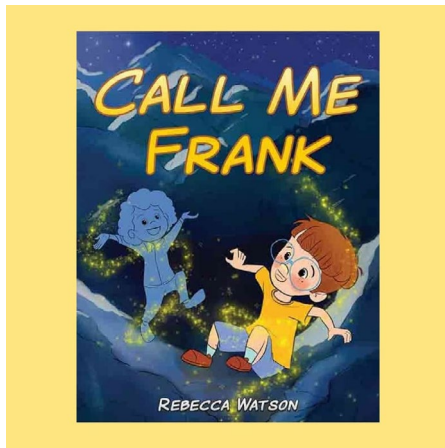

Kathryn Domaschcz | Year 2 Teacher

Call me Frank

Old Scholar Rebecca Watson (nee Green) has published her children's book, 'Call Me Frank!' The book was released on 30 April and is now available to be ordered. Checkout the post on the [Tenison Woods College Facebook page](#) for more details. Congratulations, Rebecca!

Football South Australia

Several College students recently took part in Football South Australia's Regional Camp in Adelaide. The Camp took place at West Beach across five days, and participants got the opportunity to learn from highly experienced and accredited coaches, with the aim of being selected for Football South Australia's Regional State Teams.

The students that took part were Lana Shepherd, Ruby Shepherd, Louise O'Callaghan, Isabella Morello, Isla Dickson, Finn Dickson, Kade Turnbull, Fergus Kentish, Noah Duka, Tyler Beimans, Marcus Gajic, Ryley Stephenson, Nico Teodoro and Oscar Livingstone.

Well done to all involved!

To find out more, please click [here](#).

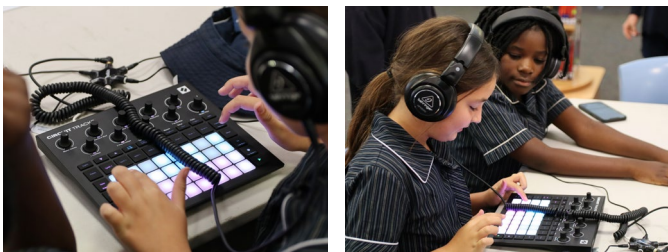

Getting to Groove with Groovebox

On Monday week 2 the 'Groovebox Club' was launched in the Library. The club will be run by Rohan Battersby from LimeFM and will be held in the library at lunchtime every Monday this term. It is open to all primary aged students. Rohan brings a wealth of experience to the College in this field and we are fortunate to have him delivering this new and innovative opportunity.

To find out more about this wonderful opportunity we encourage you to call in to the library and have a go.

Scott Dickson | Director of Learning

SAPSASA Golf Success

Last Friday, seven of Tenison Woods College's most avid golfers travelled to Penola for the SAPSASA District Golf day. With ideal weather conditions and a spectacular course, 45 golfers teed off to qualify for the next round.

Congratulations to all students who attended last Friday and demonstrated excellent sportsmanship and talent. Special congratulations to Jeremy Mackenzie, William Humphries, Jasper Coe and Matilda Coe, who were successful in qualifying for the regional day in Naracoorte to be held on Friday 27 August.

Thank you to those who helped supervise the day and ensured that all students could try their best!

Emily Dawe | Sports Administration Trainee

Principal's Tour

On Tuesday morning the College held their annual Principal's Tour; a great opportunity for prospective families to learn more about Tenison Woods College. Principal David Mezinec and Enrolment Registrar Tracey Davey guided families around the College, as they familiarised themselves with the grounds and learnt more about what the College has to offer.

RAISING
HEARTS
AND
MINDS

*Catholic
Education
Week*

Monday 3 May marked the start of Catholic Education Week. The theme of the week is 'Raising Hearts and Minds to the wonder and awe of God's creation'. Throughout the week, classes have been and will continue to engage in discussion regarding the following:

- Has God's creation inspired wonder and awe for you?
- How can we Raise our Hearts and Minds to the wonder and awe of God's creation?
- Through ecology and stewardship, students are invited to explore the mystery of God's presence in creation and the call to action to be caretakers of each other and God's world.

"Loving God,
Guide us to know life in its fullness, to raise our hearts and minds to know God's love.
Raise our hearts and minds to be inspired by Jesus, the Catholic faith and tradition.
Raise our hearts to be loving, compassionate and respectful.
Raise our minds to be inquisitive, capable and seek truth.
May we be aware of listening to the stirring of our hearts to prompt action.
Guide us to respond to the needs of others and all of God's creation.
In all our thoughts, words and actions, help us raise our hearts and minds in creating the world you desire.
Loving God hear our prayer,
Amen."

Chloe Shanahan | Religious Education Coordinator

WEDNESDAY 5 MAY 2021 | WEEK 2, TERM 2

Counsellor's Corner

This week we will focus on how parents can teach their children to approach uncomfortable situations with a positive mindset. We invite you to read this insightful excerpt by parent expert Michael Grose:

Watching your child or young person manage their nervous moments can be challenging for parents, but it comes with the territory. How you react to an anxiety-inducing moment can influence the way kids approach uncomfortable situations in the future.

Sadly, avoidance is a well-entrenched pattern of behaviour that holds many kids back from experiencing life as they would like. The comfort zone that many crave to stay in can be like maximum security prison where there's no escape. It's incumbent upon parents to make sure participation rather than avoidance becomes the most likely response even when kids feel nervous and tense.

To continue reading the excerpt by Michael Grose click [here](#).

Upcoming Events:

TONIGHT (Wednesday 5 May)

- 2022 Year 7 and 8 School Information Evening, 7:00pm , Upstairs PRC
