## 2021 Charity Ball - Raising funds for Timor-Leste

Last Friday 28 May, Tenison Woods College held the annual Charity Ball, marking 10 years since the first Timor-Leste Immersion. The Charity Ball was introduced as one of the main fundraising initiatives back in 2016, and has since become a highlight on the student's social calendar.

Year 11 and 12 students enjoyed a great night of music, food and drinks provided by the talented Academy of Hospitality students and staff, as well as an auction of 'money-can't-buy' experiences to raise funds for Timor-Leste.

Even though the immersion cannot be held this year and students are not able to visit the communities, Tenison Woods College continues its commitment of support with much needed monetary donations.

Many thanks to all staff who contributed to make this year's Charity Ball such a success; the Public Relations and Events team, Jenny McCourt, Jen Vanikiotis and the Academy of Hospitality students, the amazing College staff who made items, delivered items, donated goods and supervised on the night; the night wouldn't have happened without their support. Special thanks to the Mount Gambier City Council for providing the venue free of charge and Donut King for supplying delicious donuts.

A big thank you must go to the students who attended! You danced the night away, supported the auction and made the ordinary extraordinary.

*Making the ordinary extraordinary at Tenison Woods College*

## From the Principal

### Timor-Leste Charity Ball – Be More, Not Want More

What a wonderful Friday evening! It was a Charity Ball to remember.

Thank you to all the students who attended and made it such a wonderful night of fun and collaborative endeavour, raising funds for our Timor-Leste sisters and brothers.

The wonderful auction organised by the College Captains, Sarah McKinnon and Austin Rossi, with the deft auctioneering skills of Ciaran Buckley raised approximately \$900.

Father Dean's performance of '10,000 Reasons' and 'I'm a Believer' was a highlight of the evening, while the student awards prepared by the College Captains were a further opportunity for the Year 11 and 12 students to share a laugh together and build significant bonds as our College's student leaders. When students weren't enjoying the wonderful catering and (non-alcoholic) bar service of the Hospitality Students and Staff, it seemed like they had great fun on the dance floor, which was invariably full and alive with, shall we say, contemporary moves.

Congratulations to all involved in making such a memorable evening, with special thanks to Bernadette Fisher, the Public Relations and Events Team, our Student Leaders and our very supportive College Staff who assisted in a variety of ways to ensure a great night for a great cause.

### Victorian lockdown

The interesting times continue, and in response to the recent COVID-19 outbreaks in Victoria, we are deliberately and carefully continuing with our HHDL Strategy. Asserting good Health, good Hygiene and hand washing, good Distancing and care for others, and good Learning regardless of student location.

It appears that border corridor families are able to enter South Australia, as indicated by this SAPOL advice:  
SAPOL - Advice for Cross Border Community Members ([police.sa.gov.au](https://police.sa.gov.au))

Under the current Cross Border Travel – Associated Direction No 14, Victorian Cross Border Community Members are not restricted in their movements within South Australia, unless they have been in the Greater Melbourne or City of Bendigo Regions in the past 14 days. You are however required to have a current Cross Border Travel Registration form which can be obtained at <https://www.police.sa.gov.au/online-services/cross-border-travel-application>.

If your family has visited the greater Melbourne area in the past 14 days you are asked to self-isolate and participate in the COVID-19 testing regime as requested by the authorities. If your family is needing to self-isolate, please contact your child's teacher and they will ensure that your child's learning will progress through our Connect@Tenison strategy.

It is clear to me that complacency is our enemy at this time, so I ask that you maintain the high HHDL standards which we commenced in 2020. Thank you for your understanding and cooperation.

Please do not hesitate to contact me at [mezid@tenison.catholic.edu.au](mailto:mezid@tenison.catholic.edu.au) or 8725 5455 if you would like to discuss this further.

### Parish Planned Giving Rebate

I remind families that parents contributing to the Parish Planned Giving may claim a rebate from Tuition Fees of 50% of their contribution up to a maximum claim of \$750. Official Parish receipts are to be presented to the Finance Department after 30 June 2021 for a deduction to be made.

### 34th Annual Cardijn Exchange

A Delegation of 56 students and 7 staff left Sunday and returned late Tuesday evening for the 34th annual Cardijn College Exchange for the sporting and debating competitions conducted this year at Cardijn College.

Despite a younger team than was fielded by Cardijn College, our students proved to be competitive and distinguished themselves by their approach to the exchange both on and off the field. The wonderful tradition of impressive skill level, team spirit and fair play continued this year.

Sincere thanks to all parents, staff and students who were involved in preparing for the exchange, with special thanks to Mr Ian Ross, Sports Coordinator, Adam Taylor, Debating Coach, and the Health and Physical

Education Team: Sharon Adams, Heidi Clark, Emily Dawe, Nathan Fleetwood, Tom Daly, Ciaran Buckley and Brad Maney for their preparation and support of such a significant event on our College calendar.

### Punctuality – an important life learning

Thank you to families who are continuing to accentuate the importance of punctuality to school and to lessons. Punctuality is one of the most important life lessons and lays the foundation for success in what students may wish to achieve. I remind students and parents that in the mornings classes commence at 8:40am. Teaching Staff have been asked to carefully register and follow-up lateness issues and non-attendance as per our school guidelines. Punctuality is a way of showing respect for others in the school team, who are relying on you to be there so that home class and learning can commence. Therefore, punctuality is as much about respect for others as it is about personal organisation. Consequently, I ask parents to assist our young in developing strong punctuality habits.

### Staff Professional Development Days – 10 and 11 June

Staff are looking forward to the staff professional development days on Thursday 10 June and Friday 11 June, when they will devote time to literacy and numeracy experiences in the Junior School, Integrated curriculum in the Middle School, Student Agency in the Senior School, as well as evolving further our wellbeing approach at the school. Education Support Officers will also have the opportunity to complete the Youth Mental Health First Aid Course.

I trust students and parents will experience the benefits of the days through our service to students and families throughout the College. I remind families that these days are student-free days.

### The Feast of Saint Marcellin Champagnat

This Sunday we join with other Catholic school communities internationally who share our Marist tradition, by celebrating the Feast of Marcellin Champagnat, Sunday 6 June.

Marcellin grew up in France. He was born in 1789, the year the French Revolution commenced, a year of turmoil. He grew up in a large family and consequently learnt to share life with his brothers and sisters.

Once Marcellin was ordained, the local Bishop appointed him as curate to a small village named La Valla. It was during this time that Marcellin finally believed God was calling him to found a community of Brothers who would help educate young people. In France, after the Revolution, there was a great need for competent teachers and the Church was keenly aware of the equally important need to educate these young people in the Catholic faith.

Marcellin was a man of deep faith, who never ceased to seek the will of God through prayer and dialogue with the religious authorities and with his brothers. His deep humility, and his acute awareness of the presence of God, helped him to live through many severe trials with great inner peace. His motto was, "All to Jesus through Mary, and all to Mary for Jesus".

Marcellin taught his Marist Brothers to love and respect children, and to give special attention to the poor, the most ungrateful and the most neglected. Today our College community stands on the shoulders of Marcellin, the many Marist Brothers and many committed staff who have offered their gifts to our young through their service to our and other Catholic schools in the Marist tradition.

Let us pray.

God our Father, you lead by example,  
showing mercy and compassion to all people.

May we be guided by your Spirit,  
recognising the dignity and humanness of those in our lives;  
our colleagues, our students and our loved ones.  
We pray that the spirit of mercy be ever present in our minds,  
our hearts, our words and our actions.

Mary our Good Mother ...

Pray for us

St Marcellin Champagnat ...

Pray for us

St Mary of the Cross...

Pray for us

And let us always remember to ...

Pray for one another.

Amen

God Bless,  
**David Mezinec** | Principal

## National Reconciliation Week

Wednesday 26 May was National Sorry Day, a day to come together and share the steps towards making a greater Australia.

The College has been acknowledging National Reconciliation Week from 27 May to 3 June, reflecting on the history of the Stolen Generations and recognising the resilience of Aboriginal and Torres Strait Islander peoples.

Holy Father, God of Love,  
You are the Creator of this land and all good things.  
We acknowledge the pain and shame of our history  
and the sufferings of Our peoples,  
and we ask your forgiveness.  
We thank you for the survival of Indigenous cultures.  
Our hope is in you because you gave your Son Jesus  
to reconcile the world to you.  
We pray for your strength and grace to forgive,  
accept and love one another, as you love us  
and forgive and accept us in the sacrifice of your Son.  
Give us the courage to accept the realities of our history  
so that we may build a better future for our Nation.  
Teach us to respect all cultures.  
Teach us to care for our land and waters.  
Help us to share justly the resources of this land.  
Help us to bring about spiritual and social change  
to improve the quality of life for all groups  
in our communities, especially the disadvantaged.  
Help young people to find true dignity and self-esteem by your Spirit.  
May your power and love be the foundations  
on which we build our families,  
our communities and our Nation,  
through Jesus Christ our Lord.  
Amen.

# Leader's Latest

Hello! Our names are Samuel Swiggs and Ava Proserpi-Porta and we are your 2021 Year 6 Leaders. The Junior School students have been involved in many engaging activities this term including excursions, competitions and a student leadership conference day.

33 of our Year 3 to Year 6 students were involved in the Prime Minister's online Spelling Bee against students from all around Australia. Each student participated in a series of rounds. Firstly, the school competition round and then the State and Territory final. Students had to answer 30 randomly served spelling words within a 25 second time frame. We would like to congratulate all students for having a go at this competition; their enthusiasm and determination to try their best was outstanding!

The Years 3-6 students were very fortunate to host the Australian Olympic Cycling Team a few weeks ago at our assembly. The four Cyclists were in Mount Gambier to compete in the 84th running of the 100 Mile Classic. The athletes spoke about their preparations for Tokyo and what it takes to be an elite athlete. We were so lucky to have them stop here to share their stories with us.

Many Junior School students participate in the annual South-East Cross-Country Event in Naracoorte. Students enjoyed participating alongside many students from other schools in the glorious weather conditions. We had some wonderful results from the day. Well done to all students who participated.

On Wednesday 19 May, Year 6 Student Leaders, Founder Leaders and Year 3-6 STAR Representatives attended the Sir Robert Helpmann Theatre for the Annual GRIP Leadership Conference. While attending the GRIP Conference, the students were learning how to enact actions and build on student ideas to make Tenison Woods College an even better place to learn and be a part of. Students were stretched and encouraged to be 10% braver by getting on stage and performing tasks in front of 400 students from around the Limestone Coast.

All students enjoyed the day and learnt many wonderful ways to improve and enhance their Leadership skills.

## Friends of Music Pie Drive

The 'Friends of Music' committee is a vibrant group of local community members and parents of Tenison Woods College students. They are conducting a Pie Drive fundraiser which raises money for the music faculty. These funds support the hire of buses, purchase of new music equipment and anything that can assist or encourage music students in the school.

Please check your child's school bag for a pie drive order form. If you would like to place an order, the form needs to be returned back to school with money by Tuesday 15 June.

If you have not received a form and would like to order some pies, please access a form [here](#).

## ICAS Assessments 2021

Tenison Woods College will again be participating in the ICAS Assessments in 2021. ICAS is designed to target students' higher-order thinking and problem-solving skills in English, Mathematics, Science, Writing, Spelling Bees and Digital Technologies.

Every student receives a printed certificate and an online results report. Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

We encourage you to consider entering your child into ICAS this year. The assessments are suitable for Year 2 to Year 10 students wishing to extend themselves academically and take up the personal challenge of competing in an international assessment. ICAS Assessments are online as this allows greater accessibility for students and faster delivery of results.

Student registration is done through the ICAS Assessments Parent Payment System (PPS). Through this system parents can pay for ICAS directly online, but tests will still be held at our site. Please use the details in the [attached letter](#) to register your child no later than 10 July, 2021. The dates for each assessment are also in this letter, along with the prices.

Additionally, the accompanying permission slip must be completed and returned to me no later than 1 August 2021. If you require any assistance, please do not hesitate to contact me at [loyc@tenison.catholic.edu.au](mailto:loyc@tenison.catholic.edu.au)

## Guest Panel in the Lecture Theatre

On Thursday 27 May, the Year 12 cohort was audience to a hosted panel discussion featuring Graeme Millhouse (Manager Compensation and Analytics for OneFortyOne Plantations), Dylan McQueen (Founder of Scroll Queen) and Biddie Shearing (Destination Development Manager for the Limestone Coast).

Not only did the Panel members share fascinating details of their own career journeys, they also discussed how COVID-19 had changed the way we work, live and play locally. Biddie discussed how previous barriers to encouraging tourism to our area were now seen as great advantages, resulting in a boom to the local tourism industry. Dylan shared what it was like to launch – and successfully maintain – a new business just as COVID-19 hit, and Graeme discussed what changes had been made in his business around the way people worked. Panel members talked about the essential attributes they thought students needed to be successful and provided final career advice.

Tenison Woods College is extremely grateful to Graeme, Dylan, and Biddie for taking time to spend with Year 12 students. It was a truly inspiring session.

## Open Boys Futsal in Adelaide

The Open Boys Futsal team travelled to Adelaide for the State Futsal Championships. The boys landed themselves with the reigning state champions in their first game. The competition was intense from the beginning with Tenison Woods College proving more than capable of mixing with some of the best Futsal Schools in South Australia.

The boys were lead by senior students Austin Rossi, Gay Lay Htoo, and Caleb Gentile who performed fantastically alongside Mathew Godrick, Noah Gazzard, Zac Snedden, Ruben Van Eyk, Zac Michielan and Jensen Childs. The team placed 5th overall and the highlight of the day was a resounding 2-0 win over one of the strongest teams in the competition. The College is very proud of how the boys represented Tenison Woods College.

**George Adamopoulos** | Enterprise and Technology Teacher

## Creative Arts Spotlight Lauren Miller

This semester Stage 1 Creative Arts students focused on their own skill development and were required to create pieces that reflected what they learnt in 8 weeks. Lauren focused on refining her skills in digital painting and Photoshop. Lauren was inspired by the comic style of Josiah Alan Brooks, an Australian YouTuber, artist, animator, and presenter known as Jazza. The style allowed Lauren to use the pen tool with the wacom board and how to freehand draw and erase with this new tool. She also focused on the use of layers and building them on top of each other to construct the piece as well as how to utilise the individual construction steps as different layers. She also transferred her skills in the development and production of a Looney Tunes inspired piece.

**Yunita Manfrin** | Year 7-12 Visual Arts and Design Teacher

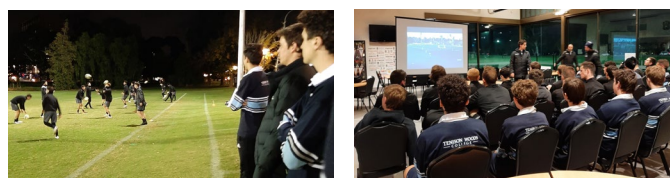

## Open Boys Futsal with Ex-Adelaide United Player

As part of the Open Boys Futsal trip to Adelaide for the State Futsal Championships they sat in on a coaching master-class with ex-Adelaide United player Michael Matricciani.

They were privileged to be part of a video analysis and coaching session at Adelaide University. The session provided a rare behind the scenes insight into how professional clubs plan, prepare and conduct training sessions and match day analysis.

With more initiatives planned for later in the year, we look forward to learning and working together with Michael to forge more pathways for our students.

**Nathan Fleetwood** | HPE Teacher, High Performance Sports Program Coach

## Year 9 Squashbrook Session

Year 9 students in Core PE have been enjoying visits to Squashbrook Fitness and Leisure Centre, participating in a range of classes including attack, combat, spin and step classes. The three-week program is aimed to provide insight to community fitness centres along with the many benefits that come with personal fitness and health. The visits complement the conditioning program that Year 9 students are participating in at school.

Following the visits, students will work in groups to design their own fitness circuits using the skills, knowledge and confidence gained from Squashbrook.

**Emily Dawe** | Sports Administration Trainee

## Di Gould Umpiring Session

Di Gould from the Western Border Netball Association recently visited the school to run an Umpiring Workshop with the HPSP Netball girls.

As an experienced umpire and Secretary of the Western Border Netball league, Di ran the girls through the basic principles of umpiring through a practical experience.

Many of the girls are beginning to umpire at a club level and found the session very valuable.

**Donna Denton** | HPSP Netball Coach

## Academy of Hospitality Excursion to Royal Copenhagen

Year 9 Academy of Hospitality students have recently enjoyed an excursion to Royal Copenhagen Ice Creamery in order to experience an industry immersion session.

Nearly 50 students enjoyed brunch over three sessions at the venue which allowed them to assess industry practice and trends whilst using social media and technology to investigate food descriptions. The week prior to the excursion students conducted in-class chocolate tastings and learned how to describe the qualities of sweet fondue and chocolate varieties. Many students used this information to complete excursion reflections which contribute towards unit work for 'SITFAB016 – Provide Advice on Food', which is part of their VET Certificate 2 Hospitality skillset. Students also learned about industry ambience and vibe, service styles and food presentation techniques whilst critiquing their experience for assessment.

Thank you to the team at Royal Copenhagen for accommodating the Tenison Woods College students.

**Jen Mc Court** | VET Academy of Hospitality Teacher

## Project Recology Workspace on Show

To conclude Laudato Si' Week, the Tenison Woods College Project Recology Workspace was showcased to the College Community on Saturday 22 May.

It was a wonderful morning which saw a steady flow of parents, students, staff and the general public pop by to chat about all things recyclable, see the outstanding work by students from waste material and see the workshop in action.

Visitors played a great role in sharing their ideas of what they thought the space could be and ways to connect beyond the school and contribute towards a more circular society; good ideas always flow freely while sorting a few hundred plastic lids!

Thank you to everyone who visited, keep an eye out for the next open day for Project Recology.

## Poplars Students Celebrate Pentecost

After attending a liturgy where students learnt about the scripture of Pentecost, Poplars students made birthday cupcakes to celebrate! Happy Birthday to the Church!

**Nicola Harradine** | Junior Poplars Teacher

## 'Energy in Food'

Year 8 students in Future Thinking recently conducted the 'Energy in Food' practical. This involved students burning various foods like jatz, ritz, nutri-grain, marshmallows, cheerios, crackers and croutons. They placed the burning food underneath the conical flasks and the heat energy was transferred to the water. Using the change in temperature, students were able to calculate the energy released for each of the different foods and compare them to the actual energy content printed on the packets.

# Junior Music Showcase

The Barrie Holmes Stadium came alive with music from the Junior School students performing in front of each other. With live performances far and few over the last year, this was the perfect opportunity for students to dust off their nerves and perform to their peers. To everyone that performed on the day, congratulations! Read on for what our amazing comperes had to say about the performance.

*"Last Friday, the Junior School held a music showcase in the Barrie Holmes Stadium. First, the Year 3 students performed "The Entertainer" under the guidance of Mrs Hudson. Next, the Ignite choir sang "Ain't No Mountain", directed by Mrs Hudson and Mrs Creedy. Then, Mrs Dickson presented the Junior Star Music Awards. After that, the Year 4 students played "Hot Cross Buns" and "Skateboarding" on the recorder, under the direction of Miss Nube. With their leader Milla Rossouw, the Junior Saxophone Ensemble played "Buffalo Gala" with Mrs Mansell directing. Under the direction of Mrs Swiggs and accompanied by Mrs Creedy on piano, the Blaze choir performed "Cover Me In Sunshine", with Sophie Walker as their soloist. Afterwards, the Year 5 students showed us what they learned in the Year 5 band program. 5A played "Cuckoo", 5B played "El Camino Mariachi" and 5C played "Steppin", all conducted by Mr Heaven. Finally, the Storm Drum Corps performed "Mowhawk" under the direction of Miss Nube. Thank you to everyone who helped make this music showcase successful. Everyone who performed did a fantastic job."*

# Cardijn Exchange

Departing on Sunday 30 May and returning Tuesday 1 June, the 34th annual Cardijn College/Tenison Woods College Exchange once again saw great days of competition where student's athleticism and sportsmanship was showcased in a range of both sporting and academic competitions. Despite many hard fought contests, Tenison Woods College came away from the exchange with 4 wins out of the 11 awarded; with Cardijn College coming away with the overall victory.

The Tenison Woods College community is proud of the outstanding efforts of the selected 56 students and sincerely thanks all staff and parents who were involved. Special mention must be given to Mr Ian Ross, Sports Coordinator, Adam Taylor, Debating Coach, and the Health and Physical Education Team: Sharon Adams, Heidi Clark, Emily Dawe, Nathan Fleetwood, Tom Daly, Ciaran Buckley and Brad Maney, for their preparation and support of such a significant event on the College calendar.

Tenison Woods College looks forward to continuing such a wonderful tradition of impressive skill level, team spirit and fair play again next year.

## Counsellor's Corner

This week we will focus on how to support girls in resolving conflict. We invite you to read this insightful excerpt by parent expert Michael Grose:

*In this article by Michael Grose (parenting expert) he explains the three ways that girls often resolve conflict and gives some strategies to help them resolve conflict more assertively to open up the lines of communication.*

*Helping girls manage conflict is complex. Unlike conflict between boys which is loud, boisterous, and over as quickly as it began, most conflict between girls lingers on, taking up unwanted mind space and harming their mental health. "She's so mean to me. I hate her," is the type of statement that many parents have heard their daughters utter.*
