## Father's Day

Sunday 5 September was Father's Day. Whilst the College was unable to hold our annual Father's Day Breakfast, students still showed their love for their Dads through their efforts in creating some incredible gifts. A big thank you to Bunnings Mount Gambier for donating all the materials used in the Reception Artwork pieces.

To view a heart-warming video about what students love doing with their Dad please click [here](#).

The College hopes that all Fathers, Grandfathers and those special people in the lives of children had a fantastic day!

## From the Principal

### The Sacraments Of Confirmation And First Eucharist

Archbishop Patrick O'Regan will be in the South East on the weekend of 11 and 12 September for the celebration of the Sacraments of Confirmation and First Eucharist.

The celebrations will occur at the Saturday Vigil Mass at 6:00pm at St Paul's, at the 11:30am Mass at St Paul's on Sunday and at the 11:00am Mass on Sunday 26 September at St Alphonsus'.

There are twenty children who will celebrate the Sacraments of Confirmation and Holy Communion in our Parish. The children and their families are well prepared and are getting very excited as the weekend approaches.

In our Catholic tradition we understand that children have been Confirmed in their Baptism for the renewal of the gift of the Holy Spirit in their lives, and receive the real presence of Christ our Saviour, as our Bread of Life, in their First Holy Communion.

Our prayers and best wishes are extended to these children and their families at this significant time in their faith journey.

### Congratulations Fr Peter – 50th Anniversary of Ordination

Last Saturday, September 4, marked the 50th anniversary of Ordination to the Priesthood of Fr Peter Fountain. We congratulate Father Peter and give praise and thanks to God for the gift of his priesthood and his years of faithful service to God's People in many parishes and especially for his ministry in all the parishes of the South East.

Former Parish Priest of Mount Gambier and Millicent, Fr Richard Morris is a classmate of Fr Peter's, was also ordained on the same day. We also thank God for his significant commitment to God and His People and pray for him.

Fr Peter has now been transferred to the Penola Hospital to continue his recovery and continues to make progress. Please continue to pray for him, visit him and send your regards.

For this significant anniversary, on Saturday 23 October, at 11:00am we will celebrate a Thanksgiving Mass at St Paul's followed by a lunch in the Parish Hall. Further details will follow, but in the meantime keep this day free.

### Staff Reflection Day – Friday 3 September

On Friday 3 September our staff attended our annual Staff Reflection Day, which had the theme "Cry of the Earth and the Cry of the Poor – our response through our Head, Heart and Hands." As the title indicates, staff had an opportunity to engage with their head, heart, and hands through a range of activities across the day, culminating with a staff Mass at the Saint Paul's Catholic Church, celebrated by Father Dean.

### Our 2021 Shining Lights – A great deal to celebrate – But virtually!

The Friends of Tenison Woods College (Old Scholars Association) is very pleased to announce the four 2021 'Shining Light' award recipients.

The awards aim to recognise significant contributions made by former students, families or staff to our local and global community in order to inspire current and future students about the essence of our community and their call to service.

Tenison Woods College and its predecessors, St Paul's School, Tenison College, Marist Brothers Agricultural College, Mater Christi College, St Mary's School and St Joseph's College value the contributions of all community members, past and present and we think it's important to recognise some of the stand out achievements within the community.

In 2021 we look forward to acknowledging the following Shining Light recipients:

- Sister Anne Foale
- Sunita Gloster (nee D'Souza)
- Barrie Holmes (dec)
- The Hon Rob Lucas MLC

While we are not able to gather this year in person, we look forward to viewing the video stories of these Shining Lights, and enjoy a night of celebration and legacy. Watch this space for more details.

### Key dates for the commencement of 2022:

A full list of 2022 key dates will follow soon, but to assist with planning I inform our College community of dates to commence the 2022 academic year:

Thursday 27 January 2022	All Teaching Staff commence
Friday 28 January 2022	Book collection day and Staff planning day
Monday 31 January 2022	Reception, Years 7, 8, 10,11, 12 commence Term 1.
Tuesday 1 February 2022	All other students commence Term 1.

### National Child Protection Week and Safeguarding Sunday

Safeguarding Sunday is on 12 September and was formerly known as Child Protection Sunday. Safeguarding Sunday comes at the end of National Child Protection Week (5 – 11 September). The theme this year for National Child Protection Week is Every child, in every community, needs a fair go. The theme invites us think further and appreciate that to treat all of Australia's children fairly, we need to make sure every family and community has what kids need to thrive and be healthy. More information can be found [here](#).

Furthermore, the Australian Catholic Bishops Conference sees Safeguarding Sunday as a day which seeks to acknowledge the immense damage caused by the sexual abuse of children and adults at risk, including by priests, religious and lay people within Catholic contexts. As such there is a focus on raising awareness of child protection in the context of all types of harm and promoting safeguarding policies and procedures.

Safeguarding Sunday is an opportunity to celebrate children in the life of the parish, recognise that they are valued, respected, heard and parishes encourage opportunities for children to be involved on the day. Children who attend Mass on Safeguarding Sunday will be gifted a notepad with a reading and indigenous artwork acknowledging the importance of cultural diversity.

### National eSmart Week

As an eSmart School we commit ourselves to the eSmart Schools Framework, which is auspiced by the Alannah and Madeline Foundation, and which helps us maintain a supportive and connected community to reduce online and offline bullying, and increase wellbeing.

During this National eSmart Week we also explore the themes of Responsible Action; responsible online sharing, peer sharing, reporting and reflecting. By taking responsible action we can all work to keep our young safe online and offline, improving cyber safety and reducing cyber bullying, and bullying more generally.

### R U OK? Day 2021

During Child Protection Week we also celebrate R U OK? Day on Thursday 9 September. The message this year is 'Are they really OK? Ask them today.' The message appreciates that life's ups and downs happen to all of us. So chances are someone we know might be struggling, and our genuine support can make a difference whatever they are facing, big or small. R U OK? Day encourages not to wait until someone is visibly distressed or in crisis. Rather we are urged to make a moment meaningful and ask them how they're really going.

While we will encourage students and staff to wear a touch of yellow, and there will be some items to purchase, we are stressing to the school community that the day isn't substantially about yellow ribbon and cupcakes. Rather the day comes from our Catholic Christian educational and values perspective of deep care for people. By embracing the R U 'really' OK? Day message for our College community, we commit to caring extraordinarily for every member of our community every day of the year.

### COVID-19 – HHDL The Way Forward

I thank the whole College community for their continued deliberate, careful and patient approach to the South Australian COVID-19 restrictions over the past week.

We will continue to deliberately and carefully continue with our HHDL Strategy, asserting good Health, good Hygiene and hand washing, good Distancing and care for others, and good Learning regardless of student location.

As always, the health and wellbeing of students, families and staff remain our priority. If your family are needing to self-isolate please contact your child's teacher and they will ensure that your child's learning will progress through our Connect@Tenison strategy.

A friendly reminder that masks are still mandatory for Year 7-12 students. Therefore, whilst the College does have masks available for students who have not brought their own to school, students are reminded of the importance of bringing their own. Students who repeatedly forget to bring their mask will have a courtesy email sent home to their parent/caregiver.

It is clear to me that as has been shown by recent national events, complacency continues to be our enemy at this time, so I ask that you maintain the high HHDL standards which have been achieved since 2020 and continued into 2021. Thank you for your understanding and cooperation.

### Reception Enrolments 2022

I advise parents and caregivers that interviews are well underway for all 2022 Term 1 Reception Enrolments. If you have a child who is due to start school in 2022 and have not lodged an enrolment form, please contact Tracey Davey on 8725 5455 who will help you organise this.

### “Little Lambs” Faith Formation Group

The Little Lambs program is now taking registrations for weekly Thursday morning sessions. The registration fee is \$10 per child per year and entry per session is by gold coin donation. Please grab a brochure and a registration form from the Bulletin stands in St Paul's Church or email [mgp.littlelambs1@gmail.com](mailto:mgp.littlelambs1@gmail.com).

God Bless,

### Staff Reflection Day

Last Friday 3 September, Tenison Woods College staff participated in our annual Staff Reflection Day, offering an opportunity to engage with the latest Social Justice Statement *Cry of the Earth, Cry of the Poor*. It also allowed staff to engage with their Head, Heart and Hands as they served our community and provided flexibility in how staff structured their day for their own personal faith formation. Staff explored their knowledge, understanding and practices about the Catholic faith tradition and the Catholic Identity and Mission of the College.

Staff started the day with prayer. Examples of different forms of prayer that were explored was the use of Catholic prayers online, attending a Liturgy at the College, attending an online Liturgy, listening to worship music or spending time meditating and praying in nature. The next part of the day was spent exploring, engaging and learning about aspects connected to our Catholic faith tradition through our Heads. Staff watched famous Catholic movies, engaged with the new Crossways curriculum, read Scriptures from the Bible, engaged with the Social Justice Statement and listened to podcasts. This was followed by activities to enact our faith through our Hearts and Hands, bringing alive the mission of the Catholic Church to listen to the cry of the earth and the cry of the poor. In these sessions, there were lots of group and individual activities. Staff made prayer cards, visited nursing homes, prepared meals for the Sunset Community Kitchen, beautified the Tenison Woods College grounds, and collected items for families in need, just to name a few.

The day was varied and engaging and it was inspiring to learn about the depth of engagement from staff from across a range of activities throughout the day. The day concluded with Mass at St Paul's, gathering together to celebrate the Eucharist and to give thanks for God's creation that we are called to care for.

### Sacrament Celebrations

Last Saturday, the children preparing to celebrate the Sacraments gathered for a Family Retreat Day after participating in the Family Mass. The children worked with the Parish Rosary Group to make a Rosary that will be blessed and given to them on Sunday. They also had a tour of the Sacristy with two Altar Servers and practised for the Sacraments of Eucharist and Confirmation. Students prayed together and reinforced their knowledge and understanding of the Sacraments and the Church through an online quiz.

We ask you to keep these children and their families in your prayers as they prepare for a significant weekend.

### Youth Mass

The next Youth Mass at St Paul's Church will take place on Saturday 18 September at 6:00pm. If you would like to be involved in reading or other ministries, please contact Marilena Wilson at the College. The Mass is followed by a meal and a gathering of young people. If this is of interest to you or a young person you know, please contact the Youth Ministry Coordinator at [mgp.youth@gmail.com](mailto:mgp.youth@gmail.com). Please RSVP for catering purposes.

### Faith Facts

Answers to last week's question: Have you ever wondered why people bend down on one knee before they sit in the pew at church?

This action is called genuflection. To genuflect is a respectful way to greet Jesus upon entering the Church.

Do you know the answer to this week's question?

The answer will be in next week's newsletter!

### Term 3 Masses at the College Chapel

A Mass is held each Thursday of the term and is led by a different class or year level each week. Mass is held at 9:15am in the College Chapel. Until further notice, due to current restrictions, only staff members and students of the College are permitted to attend.

### Roster for Term 3 Masses:

- Week 8 Thursday 9 September – Year 8
- Week 9 Thursday 16 September – Year 10
- Week 10 Thursday 23 September – Year 7

# Leader's Latest

Hello, my name is Sophie and with me is my fellow wellbeing leader Lily.

In Week 7, a comfort day was held for all Year 12 students. This day allowed the students to wear comfy clothes and forget about the stress that comes with Year 12. Scrolls were purchased from Scroll Queen and the cohort enjoyed them together. This was a fantastic way to take a short break before the upcoming exams and enjoy the last few weeks the cohort has together.

The College has been creating awareness for the R U OK? Day message across the College community for the past eight years.

Tomorrow, as with every R U OK? Day, Student Leaders will greet families at drop off points around the College grounds and outside of classrooms before school begins, proudly offering yellow ribbons and R U OK? Day stickers. Before handing the ribbons and stickers over, students must take a pledge to ask their friends 'Are you okay?' Staff and students are encouraged to wear a touch of yellow for the day. Adding to the energy and spirit of the day, music will fill the school grounds at every class change and to mark recess and lunch.

Student Leaders under the guidance of Year 12 Wellbeing Leaders have organised lunch time activities, including:

- Class and buddy year level activities utilising the R U OK? Day resources
- Visit from community agencies, Headspace and StandBy – support after suicide
- Writing kind messages for students and sharing photos of happy life moments
- Therapy dog visits
- Making friendship bands
- Food stalls selling yellow cupcakes and jellies
- The amazing August Melodies band sharing their talents
- A Basketball match - Teachers vs Year 12 students
- Junior School Disco

Staff members are also encouraged to participate in the day with each person asked to carry out an act of kindness to another staff member (selected at random). The R U OK? Day message is more relevant and significant in our community this year more than ever.

## SAPSASA Soccer

Last week, our SAPSASA soccer players ventured to Adelaide to play in the State finals. The games were played at Barratt Reserve, West Beach against other country and metro teams. The Year 7 boys team recorded 7 wins and a draw to secure top spot in Division 1. A superb effort by the team! The Year 6 boys team were runners-up in the competition, finishing second to Gawler. The Year 6 and 7 girls team won 2 games from their 6, as they finished fourth.

Well done to all involved!

## Netball Success for Heidi Clark

Congratulations to HPE and Outdoor Education Teacher, Heidi Clark, as she recently won the A Grade Best & Fairest for the Mid South East Netball Association! Heidi enjoyed a stellar season with Mt Burr, as she also won the Senior Consistency Award, as well as being named in the 2021 Mid South East Association Team of the Year. Well done, Heidi!

## Poplars Soap Dishes to Unpackaged

Poplars students have worked in the College's Project Recology space to create amazing soap dishes! These soap dishes have been made using recycled bottle tops which have been shredded, melted and moulded into large sheets of plastic, with each dish containing at least 40 bottle caps!

Students assisted our Sustainability team in sorting the bottle tops into their different types and colours and loading them into the shredder, before adding the plastic to the moulds to be melted. Students also sanded, buffed and cut the dishes for the finished product, which are then sold at the Unpackaged shop. These dishes have proved very popular with customers!

Well done to all on an amazing end-result; be sure to check out the soap dishes at the Unpackaged shop at 121 Commercial Street West, Mount Gambier!

## Make A Difference (M.A.D.) Elective

Students in the M.A.D. Year 7 and Year 8 elective classes have been engaged in a range of activities to help groups in our community. They have been working independently to identify areas of need and then use their gifts and talents to meet these needs.

Already students have visited the Vinnies Shop to learn how it operates, organised and run stalls at the Charity Day, made biscuits for the Sunset Community Kitchen, written prayers and found awareness raising clips for the Paralympic athletes and The World Day of Peace, sorted recycling and made Father's Day prayer cards for our Parish Churches.

Future activities are an end of term disco, celebrating the Feast day of Father Tenison Woods and a beach clean up. These students are well and truly living out the words of St Mary of the Cross MacKillop, 'Never see a need without doing something about it' and our school motto, 'Let Your Light Shine'.

The M.A.D. students are running a raffle in the lead up to Team Colours Day here at the College on Friday 24 September. The prize is a Port Power Guernsey, signed by the 2010 Team, that was recently donated to the Vinnies Shop. All money raised will be given to our local Vinnies to be used to help local families in need. Even if you are not a Power fan, please consider still buying a ticket for someone who is. Or maybe buying a ticket for your favourite Crows Supporter? Tickets can be bought by sending money in an envelope with your name and phone number to Chris Lloyd in the Library.

## Stage 1 Outdoor Education Camp

Last week the Stage 1 Outdoor Education students completed their first outdoor bushwalking and mountain biking experience as a part of their SACE studies. The highlight of the camp was the completion of the 12km coastal trek and the mountain biking experience run by Trax Robe. The camp was a great success with students having opportunities to actively demonstrate their new knowledge of minimal impact camping practices and camp craft techniques.

## Parent Webinars E-Smart Week

### eSafety's Parent Guide to Popular Apps

The first Parent Webinar, as part of National Child Protection Week, was held on Tuesday 7 September at 12:30pm to 1:30pm. This webinar was aimed at helping parents and carers to understand online sexual harassment and image-based abuse, (non-consensual sharing of intimate images).

It is designed for parents and carers of young people aged 13-18.

It covered:

- the difference between online sexual harassment and image-based abuse
- how to report online sexual harassment to social media companies
- how to report image-based abuse to eSafety and when to report to police
- where to get support if you feel upset or worried about something that has happened online.

### eSafety's Guide to Online Sexual Harassment and Image-Based Abuse

The second Parent Webinar will be held on Thursday 9 September at 12:30pm to 1:30pm. This webinar will help parents to learn how to help young people safely use popular apps including TikTok, Instagram, Snapchat and YouTube.

This webinar is designed for parents and carers of young people aged 8-13.

It will cover:

- an explanation of the popular apps used by young people
- case studies, research, and targeted advice
- ways you can support the young people in your life to have safe, enjoyable online experiences.

Parents can choose to attend each webinar with their child or share resources with them afterwards from the webinar package.

## Scholastic Book Club Issue 6 Orders

All Scholastic Book Club Issue 6 orders are due by Monday 13 September through the LOOP online ordering platform or returning the Scholastic catalogue order form to your child's classroom teacher with the correct money. LOOP is the easiest way for you to order and pay online for your child's book club order if you wish to pay by credit card and the books will be delivered to class. You can place your child's order at [scholastic.com.au/LOOP](http://scholastic.com.au/LOOP) or using the LOOP app, which can be downloaded from the App Store or Google Play. Just follow the prompts to create a new account if it is your first-time ordering (only one account per family is required).

If you have any questions please contact me via email at: [cour@tenison.catholic.edu.au](mailto:cour@tenison.catholic.edu.au).

Happy reading!!

## SAPSASA Hockey

Archie Aitkin, Jeremy Mackenzie, Noah Clark and Owain Earle have represented the Lower South East at the SAPSASA Hockey Country Carnival on Monday 30 August to Wednesday 1 September. There were 10 games played over the two and a half days against teams from all over Country SA, with the Metro teams playing later in the week. The Lower South East team started strong and won all 4 of their games on the Monday. They continued to play well on Tuesday winning two games and narrowly losing two games. The Lower South East finished on a positive note, winning both of their games on Wednesday. All Tenison Woods College representatives managed to score goals. The Lower South East finished third overall in the Country Carnival. They all played very well and their hockey improved across the week.

Our sole representative in the girl's team was Sarrah Ryan who had a wonderful carnival scoring 4 goals over the two days and gaining 2 best player awards. Sarrah and her team were 2nd in their draw, coming home with a silver medal.

# Hot Shots Tennis

On Monday 6 September a group of Year 3/4/5 students participated in Hot Shots Tennis at Olympic Park. The students played in a range of round robin games against Kongorong, Reidy Park and Penola Primary Schools. The focus of Hot Shots is to support maximum participation whilst providing a supportive opportunity for those new to tennis to have a go and those more experienced to refine their skills. Students Hiram and Ruby were awarded the sportsmanship awards for Tenison Woods College both displaying qualities and values on a supportive and encouraging team member.

## Counsellor's Corner

This week we will focus on Micro Habits to parent better and help the parent/child relationship. We invite you to read this insightful excerpt by parent expert Michael Grose:

*The Japanese concept of Kaizen states that small habits are easy to do as they require no willpower. In time, they become a natural part of what you do, and you're performing better, in this case parenting better, before you know it.*

*Following are five micro-habits that will impact positively your relationship with your child. You are encouraged to create your own micro-habits, but this list will get you started.*

*Greet your child with a smile every day*

*"Make a good first impression as first impressions count." There's incredible wisdom in this saying as your first interaction with someone will set the tone for a great day. Make your first interaction with your child each day a happy, positive one by greeting them with a smile. Make your eyes light up and not only will you put yourself in a good mood, but you'll establish an atmosphere of warmth for your child at the start of the day.*
