Waverley International Netball Championship

We are extremely proud of our Junior and Senior Netballers who represented the College at the *Waverley Netball Championships* in Melbourne last week! We had a fantastic tournament, with our Junior team finishing 4th overall and our Senior team crowned National Champions.

Senior Girls Grand Final - Tenison Woods College vs Maribyrnong College

In the grand final we were in for a tough match against a strong Maribyrnong College. After a hard-fought first half, trailing at the end of both quarters, we showed great fight and passion to lead by 4 points at 3-quarter time, extending our lead in the final quarter to 7 taking out the championship!

The final score was TWC 28 - 21 MC and Player of the Match went to Daisy Tunkin

Congratulations to our coaches Donna Denton, Angela Queale and Tara Millard for their tremendous work coaching! Well done to our outstanding Netballers!

Year 7/8 State Basketball Champions

We are extremely proud to have had a group of 23 basketballers represent the College at the 7/8 Knockout Basketball State Finals in Adelaide! Both the girls and boys teams played three round-robin games, where their efforts saw them progress to a semi-final. Both matches were very hard-fought but we managed to come away with a win in both - advancing to the Grand Finals!

Girls Grand Final - Tenison Woods College vs Immanuel College

The girls were up first, matching up against a very strong team from Immanuel College who we'd previously lost to in the round-robin. The girls stepped up for what we knew would be a difficult game and gave an incredible performance to be crowned State Champions!

TWC 26 - 10 IC

Boys Grand Final - Tenison Woods College vs Concordia College

The boys matched up against a powerful side from Concordia College who we also lost to in the round-robin. The match came down to overtime, where the boys showed great fight to get the win and also be crowned State Champions!

TWC 27 - 24 CC

Led by coaches Tom Daly and Kym Hammond, and assisted by Elyse Willoughby, there was an excellent display of sportsmanship and teamwork! Congratulations to our State Champion Basketballers!

'Being the One' this Term

As second term draws to a close on Friday, students will be given the opportunity to pause and reflect on the invitations to 'Be the One' throughout the term. This term has provided many opportunities for students to be engaged in a variety of learning experiences and it is for these experiences that gratitude is expressed. Most importantly we are challenged to reflect on our relationships and how we have supported one another to be the best we can be. At this time, I thank all of our staff throughout the school and the Office Team for the way they have nurtured relationships that have called students to move beyond themselves and think of others, drawing out that care for others as also a powerful way of realising their own potential.

NAIDOC Week – 3–10 July. **Get Up! Stand Up! Show Up!**

NAIDOC Week 2021 will be held from Sunday 10 July to Sunday 10 July. The NAIDOC 2022 theme **Get Up! Stand Up! Show Up!** aligns wonderfully with our College theme "Be the One." It calls for all of us to continue to show up and work toward the momentum for systemic change that secures institutional, structural, collaborative, and cooperative reforms.

NAIDOC originally stood for 'National Aborigines and Islanders Day Observance Committee'. This committee was once responsible for organising national activities during NAIDOC Week and its acronym has since become the name of the week itself. NAIDOC is celebrated not only in Indigenous communities, but by Australians from all walks of life. The week is a great opportunity to participate in a range of activities and to support our local Aboriginal and Torres Strait Islander community. Whether it's seeking proper environmental, cultural and heritage protections, Constitutional change, a comprehensive process of truth-telling, working towards treaties, or calling out racism, NAIDOC Week underlines the critical point that we must do it together.

NAIDOC Week is also time to celebrate the many who have driven and led change in our communities over generations; the heroes and champions of change, of equal rights and even basic human rights who have shown us how to **Get Up! Stand Up! Show Up!** Such heroes of change have modelled how the relationship between Aboriginal and Torres Strait Islander peoples and non Indigenous Australians needs to be based on justice, equity, and the proper recognition of Aboriginal and Torres Strait Islander peoples' rights.

Critically when we Get Up! Stand Up! Show Up! we must first understand who we are as individuals and the truth we individually speak that nurtures or own identity - spiritually, physically, emotionally, socially, and culturally. This is the understanding behind our concept of our Middle School Community **Gilap Wanga - Ngula wangingi mraata ba wanginyi Learning Community**, a place of deep listening to country, self and others; ultimately a place of reconciliation and growth.

NAIDOC 2022 invites us all to **Get Up! Stand Up! Show Up!** To embrace First Nations' cultural knowledge and understanding of Country as part of Australia's national heritage and equally respect the culture and values of Aboriginal peoples and Torres Strait Islanders as they do the cultures and values of all Australians.

Staff News - leave during Term 3

We wish the following staff the very best as they enjoy long service leave next term:

Sharon Adams	Office and HPE Team Support
Kathryn Domaschcz	Year 2 Teacher
Trent Eitzen	Technology Teacher
Aleisha Hunter	Front Office Admin Team

During term 2 Andrew (Andy) Watt will cover Kathryn Domaschcz' class. Andy has been participating in a transition process during the last weeks of term 2 in amongst his TRT commitments, and we look forward to his efforts with the class during Term 3.

We also farewell Becky Travis at the end of this term as she commences her Maternity Leave. We wish Becky, Lachie and big brother Edward all the very best as they await the arrival of their new bundle of joy.

Lisa Boyd will return to cover Becky's leave. Lisa has a long association with the College as an ex-scholar, Trainee and OSHC Supervisor. She is also teaching at St Anthony's Catholic School in Millicent and we look forward to Lisa returning to the College in a teaching capacity.

We farewell Leah Mullen who has been an outstanding addition to our Education Support team for the past 15 months both in mainstream class and

the Poplars. Similarly, we farewell Tracey Kourmouzis who has been an integral part of the Sugarloaf Café team for the past 9 months. We sincerely thank both ladies for their exemplary service to our College community.

Rest in Peace Dylan Lewis

We offer our deepest condolences to Marie, Steve, Jett (in Year 8), extended family and friends at the passing to eternal life of Dylan Lewis.

The Tenison Woods College community is respectfully advised that Dylan's funeral will be held at Diamond One, Blue Lake Sports Park, Jubilee Highway West, Mount Gambier on Friday 8 July, 2022, commencing at 11:00am. Dylan's burial will take place immediately following the service at the Port MacDonnell Cemetery, Cemetery Road, Port MacDonnell. The family have asked that students who would like to attend the service wear their school uniform.

We trust that the support of our College community and its faith commitment will offer the Lewis family some comfort at this time of loss, and we hope that fond memories of Dylan and all he was to others will be treasured now and into the future.

Phone Usage While Driving in the School Grounds – one of the FATAL FIVE

I continue to appeal to parents about the discerning usage of mobile phones while driving in the vicinity of the school and on school grounds. Three weeks ago for one afternoon pick-up period a SAPOL officer observed 12 drivers focused on their mobile phones and not their driving or surroundings.

SAPOL will be conducting random walk throughs over the next few weeks at key times such as school drop off and pick-up periods and issuing fines, as mobile phone usage has been identified as one of the FATAL FIVE (contributing to serious and fatal accidents on our roads).

I remind families that:

- You must not use a hand-held mobile phone while your vehicle is moving or is stationary in traffic (eg at traffic lights).
- You may, however, use a hand-held mobile phone while your vehicle is parked.
- A mobile phone may only be used while you are driving to make or receive a phone call, provided the phone is secured in a commercially designed and manufactured mounting device affixed to the vehicle, or the phone can be remotely operated.

If the phone is used via Bluetooth or a headset or earphones without touching it, holding or resting the phone on your body, you may touch the headset or earpiece to operate the phone. It is an offence to create, send or look at a text, video or email and to rest the phone on any part of the body.

Using a phone includes:

- Holding the phone in your hand.
- Operating any function of the phone.

Holding a phone includes:

- Resting the phone on any part of your body.

These laws apply to drivers and riders of all vehicles.

The current fine for using a Handheld Mobile Phone is \$ 554 + 92 (Victim of Crime Levy) = \$646 with 3 demerit points.

SAPOL reminds us that "Good Drivers Just drive" and "Road safety is everyone's responsibility."

COVID-19 and Flu Challenges - HHDL Four Point Plan

Thank you for the community's efforts in recent weeks to curb the impact of COVID-19 and the Flu.

At this time I reiterate our continuing, deliberate and careful HHDL Strategy in addition to minimising large gatherings of staff, students and parents.

The HHDL Four Point Plan entails good health, good hygiene and hand washing, good distancing and care for others and good learning regardless of student location. It is as simple as it is powerful in mitigating the continuing risks.

Parish Planned Giving Rebate

I remind families that parents contributing to the Parish Planned Giving may claim a rebate from Tuition Fees of 50% of their contribution up to a maximum claim of \$750. Official Parish receipts are to be presented to the Finance Department after the 30 June 2022 for a deduction to be made.

Student Exemption Form required for absences over 5 days.

If your child will be absent from school for more than 5 days, please ensure that you contact the Administration Office to obtain a Student Exemption Form.

All absenteeism for more than 5 days is approved by the College Principal and entered into our Attendance system to ensure accurate records are maintained and family's government benefits and allowances are protected.

God Bless,
David Meziniec | Principal

NAIDOC Week 3-10 July 2022

This week, we celebrate NAIDOC Week, with the theme Get Up! Stand Up! Show Up! It calls for all of us to stand up for systematic change and to keep rallying around our Aboriginal and Torres Strait Islander brothers and sisters and their communities. Whether it's seeking environmental, cultural and heritage protections, constitutional change – we must do it together.

*Great Creator Spirit, Lord God, Papa, Jesus,
We pray together unto you.*

From nation to nation

Right across these lands now called Australia

From north, to east, to south, to west.

From coast, to forest, to desert, to city.

We are tuning in together on country.

For land and waters and sky,

For trees and plants and flowers,

For animals and fish and birds,

For hills and rocks and mountains,

For all peoples...

For country...

Jesus, we lament the injustice of the past

Jesus, we lament the ongoing injustice in the present

Jesus, we confess we have contributed to injustice

*Jesus, we confess to having not loved our Aboriginal neighbour
as you have called*

*Jesus, we thank you for the resilience, survival, and leadership
of Aboriginal and Torres Strait Islander peoples*

*Jesus, we thank you that we have the opportunity for relationship and
friendship*

Jesus, we know we must do better Jesus, we know we must make things right

Jesus, we ask for your guidance as we seek justice in our lifetime

Jesus, we ask you

To open our eyes to see as you see

To open our ears to hear as you hear

To open our minds to truth as you know

To open our hearts to love as you love

As a movement of people pursuing Jesus and justice

We come together for the common good

We discover common ground

We share in common grace

We long to embrace unity with diversity

May the beats of many hearts create a beautiful symphony

In tune

In rhythm

With each other, with all of creation, and with Jesus.

*As we pray for justice to roll like the waves of the oceans that surround these
lands now called Australia*

We pray to change the heart of Australia.

Amen.

Prayer written by Brooke Prentis who is a proud Wakka Wakka woman

Plenary Council – Second Assembly 3-9 July 2022

In October 2020 a historic gathering was due to take place in Adelaide; a Plenary Council. This Plenary Council presents an important opportunity for Catholic school communities to be involved in the shaping of the Australian Church. Due to COVID restrictions, this was postponed until October 2021 and held in an online format.

A Plenary Council is the highest formal gathering of all local churches in a country, and the last one was held 80 years ago over Australia in 1937. It is being held "in order to give the Catholic community in Australia time to listen, dialogue and discern with one another and, guided by the Holy Spirit, discuss the future, the role and relevance of the Catholic Church in Australia". Staff and students at Tenison Woods College were provided with opportunities in 2019 to provide feedback to be considered by the Bishops.

Pope Francis has invited us all to become a "synodal" Church – a Church of faith-filled people who speak boldly and with passion, and who listen

deeply with an open and humble heart. To do this, the voice of every person matters – whether currently involved in the Church or not. 16 questions formed the basis of the agenda of the small group discussions held throughout the week and proposals and requests for further investigation and research to create a more missionary, Christ-centred Church in Australia were put forward.

Issues such as ecological conversion, personal and communal conversion, learning from the early Church, opening dialogue with those who feel excluded from the Church, listening to the voices of First Nations people, and the understanding and appreciation of the Eucharist as the Real Presence of Christ were discussed throughout the week.

The Second Assembly of the Plenary Council is currently taking place in Sydney, where 277 members will undertake the critical task of voting on more than 30 motions that have emerged over the last 4 years of consultations with Australian Catholics. The motions were outlined in the Framework for Motions document, published on 1 June. Our Parish Priest, Fr Peter Zwaans, is currently at the Plenary Council as a member of the 'secretariat', which means he will be assisting with keeping the official record of proceedings. We pray for all members of the Plenary Council, that the truth of the Gospel will shine through the Council and enable the Church to take up her mission to be a light to the nation of Australia.

2022-2023 Sacramental Program

Mount Gambier Catholic Parish are inviting parents to enrol their children to take part in the Parish Sacramental Program for 2022-2023. This is preparation for a full initiation into the Catholic Church by the celebration of the Sacraments of Reconciliation, Confirmation and First Eucharist. There is also an opportunity for those seeking Baptism to be involved in the Sacramental Program and to celebrate Baptism in addition to the other sacraments.

If one of your children is in Year 3 or above in 2022 and might be ready to join this preparation program, you need to attend the Enrolment Evening to be held in St Paul's Hall on Thursday 4 August at 7:00pm. The important dates, the structure of the program and the expectation of your involvement will be explained in detail at the meeting.

You will need to bring the Enrolment Form, the registration fee of \$50.00 and a copy of your child's Baptism Certificate. Please contact Cisca Teodoro, Parish Sacramental Coordinator, on 8725 6566 or sacraments@mtgcatholic.org.au for more information. A parent letter and a copy of the enrolment form was sent home last week to families or these can be obtained from Cisca.

Gospel of the Liturgical Year: Luke – the themes within the Gospel

Last week we discovered that one of the themes of Luke's Gospel was one of the place of women and their roles. The final theme of Luke's Gospel is that it is one that radiates joy. The promised birth of John the Baptist will bring great joy and the baby leaps for joy in Elizabeth's womb. Mary proclaims, "my spirit rejoices". Jesus' birth is a good news of great joy. Those who are persecuted should "rejoice and leap for joy" because of their reward in heaven. Jesus rejoices in the Holy Spirit before the disciples are joyous at the appearance of the Risen Jesus.

SAPSASA News

Congratulations to Tenison Woods College students who represented the Lower South East in their respective State Country Carnivals held in Adelaide. Several Tenison Woods College students participated in the SAPSASA Football Carnival, held at Barratt Reserve, West Beach. It was a wet and wild few days, but all team members participated well and represented our school to a high standard. The Boys finished in 5th place and the girls were 7th place. Congratulations to these students for their efforts.

Pictured above back L-R: Molly Opperman, Henry Kentish, Banjo Stephens, Titan Dumigan, Paddy Sigley. Front L-R: Xavier Hunter, Joel Clayfield, Isaac Salmon.

Our SAPSASA Netballers were in the Division 1 team, playing at the wonderful facilities of the Netball SA Headquarters, finishing in 4th place. They even enjoyed a game on the main show court in the stadium. All girls learnt a lot and will bring new skills back to their Saturday games. They showed excellent teamwork and sportspersonship.

Pictured above: (L-R) Claire Hunter, Lacey Hunter, Zara Cole and Scarlet Ryan

Our SAPSASA Hockey boys and girls also had a fantastic carnival. Representing the College in the Lower South East girls team are (L-R) Chloe Chiesa, Raia Haggis and Taylor Fenton, with Riley Hopgood (above right) in the boys team. The girls finished in 5th place. Riley Hopgood played very well in the boys team and came away with a great result, finishing in 3rd place.

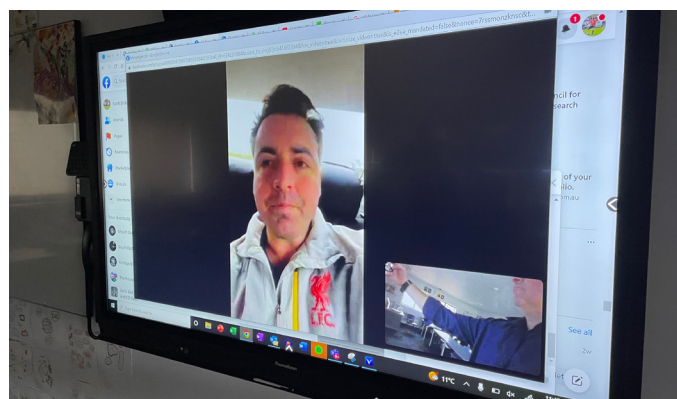

To make the SAPSASA Team for the Lower South East is a wonderful achievement. Congratulations to all of our students!

Stage 2 Drama Performance Virtual Platform

Last Wednesday 29 June, the Stage 2 Drama class was finally able to perform 'Virtual Platform' by Claire Broome for a live audience at the Tenison Woods College Lecture Theatre. The original performance had to be postponed due to illness, but as we know, the show must go on! It was fabulous to see the students in their element and entertaining the crowd. This year's play examined the occasional absurdity of the world of online learning, and provided quite a few laughs for the audience! Congratulations to the whole Stage 2 Drama class on a fabulous night that displayed your performance timing and teamwork. As Mr Mezinic said, it was 'a top effort'!

FaceTime with Journalist Daniel Garb

The Year 9 Sports Journalism class were fortunate to catch a cab with freelance journalist Daniel Garb as he made his way from a Press Conference with Greater Western Sydney (GWS) to the head office of the ABC in Sydney. With nearly 20 years' experience covering sport across the globe, including World Cups, International competitions and most recently the AFL, Daniel shared an insight into the global world of sport and how our students can make an impact in the world of sports media. Daniel highlighted his work as a freelance journalist for Fox Sport covering the English Premier League for five years and in particular interviews with José Mourinho and Mario Balotelli as two significant interviews for the class to unpack.

On behalf of the class we would like to thank Daniel for taking the time to share his love of sport and global insight.

Edible Periodic Table

This week Miss Forrest's Year 8 Future Thinking class have been consolidating their knowledge on the Periodic Table by playing Periodic Table Battleships and creating an edible Periodic table.

They need to use the knowledge from this term looking at the elements and relationships and properties based on their location on the Periodic Table. Using the period and group numbers they tried to sink their opponents battleships before theirs were sunk.

They loved having a fun and yummy way to identify the different groups of elements on the periodic table and made for an interesting breakfast for some students.

Justine Forrest | Years 7-12 Science and Mathematics teacher

Year 8 Battle Bots

This Term, Year 8 students were involved in a range of battles that pitted their bot against another's. As they progressed students learnt how to identify weaknesses and strengths to modify their bots to become the Ultimate Battle Bot.

Our champion bot was Geoff, who had a strong hold over the competition all semester. The creativity and collaboration the students displayed was excellent.

Ethan Patzel Secures Apprenticeship

Congratulations to 2022 Year 11 student, Ethan Patzel, for securing a Certificate III Plumbing Apprenticeship with Neil Stafford Roofing & Plumbing!

Ethan impressed during his week of work experience which led to him being offered an apprenticeship, through the MEGT Apprenticeship scheme. Ethan's roles include roof sheeting, gutters and fascia, plumbing for new homes, digging trenches and underground piping.

Congratulations, Ethan, we wish you all the best in your bright future!

Year 8 Pastoral Care - "I am more than my image"

In Year 8 our Pastoral Care groups have been working in single sex groups all Term. The students examine a range of issues and concepts that affect their perceptions, both individually and as a year level group.

Over the last two weeks, the girls have been exploring 'body image', and how we subconsciously take on board social media's perception of what a woman is, how we should look and act. The girls have challenged these ideas and explored strategies to stay positive in a world that bombards us with the visual image. The girls were challenged to consider who they were, and were given the statement "I am more than my image". They came up with a response that was a visual statement about themselves

New to your school's Studiosity service in 2022: What is Citation Assist?

How we are partnering with high school teachers to build academic and integrity skills, for Year 12 completion, further education, and employment.

1. Integrity is a global concern.

Ownership, attribution, and evidence-based ideas are now receiving even more attention in education. Over the past five years tertiary institutions have shifted from just detecting plagiarism, to offering positive intervention and prevention as well. These policies gained momentum after the 2020 academic integrity legislation passed by the Australian Government.

2. The secondary education sector has been proactive.

Schools adopted a more formative approach to feedback and assessment many years prior – for learning and teaching outcomes, and to adequately prepare students for success in higher education.

3. That's why we developed a new feature for Studiosity high school services.

In consult with Australian educators we developed 'Citation Assist,' which reviews a student's written draft for instances where referencing can be improved.

4. Citation Assist offers students early opportunities to learn about citations and to work on their own referencing during the draft writing process.

Citation Assist is seamlessly contained within the core Writing Feedback service that your students already use. When students submit a draft for feedback, Citation Assist will check the file for potential matches to other text available online.

5. In 2022, Citation Assist will be free for selected schools.

For our existing school partners, we are including the new service free, to support all current students and teachers.

"Inadvertent plagiarism constitutes the vast majority of breaches of academic integrity, and Citation Assist is a welcome innovation that addresses the issue via enhanced and developmental student support."

Professor Tracey Bretag, Founding Editor of the International Journal for Educational Integrity
