

STUDENT REPRESENTATION NOMINATION FORM

Our Understanding

Our understandings and actions at Tenison Woods College are based on our vision that the "Tenison Woods College community lets its light shine for the world through faith and action."

We have a deep conviction that every learner has a place, every learner has a pathway, and every learner will shine. That is our challenge and our celebration.

As per the Tenison Woods College Student Representation Policy, (available on the website at <http://www.tenison.catholic.edu.au/enrolment/policies>) Tenison Woods College students who represent the College community by virtue of their enrolment and achievement at a State, National and/or International level will be supported in the following manner:

- State Representation \$250
- National Representation in Australia \$500
- National Representation overseas \$1,000
- Funds will be applied against the student's school fees or (if fees are paid in full) carried over to the following year.
- Each family will be supported to a maximum of \$1,000 per year.
- The student will be required to contact the College Board through Mary de Nys at denym@tenison.catholic.edu.au after their event to provide feedback about their experience. A Board Scholarship Certificate will be issued at this time.

Criteria

- The student must have achieved the State or National Representation by a competitive selection process, and have received selection to represent South Australia at a State or National level by the relevant governing body. For art, music, public speaking (etc) representation, please apply as below. Representatives from the Board will consider each application on its merits.
- The student must be committed to their enrolment at Tenison Woods College beyond the competition.
- The student must personally complete the below application form to apply for support from the College Board. Please return this by forwarding to Mary de Nys at denym@tenison.catholic.edu.au.
- The student must make a commitment to the College Board of the format in which they will provide a reflection of their sporting representation. We encourage students to do this for their own growth, and for the interest of the College Community of whom is supporting them.
