Welcome back to school!

Growing our Gifts Together at Tenison Woods College

From the Principal

Welcome

I was thrilled by the start that the Tenison Woods College Community made to the 2023 academic year on Monday and Tuesday 30 and 31 January. I was particularly pleased to see staff and students looking refreshed and relaxed after the holiday break, ready to greet the challenges of the school year.

I offer a special welcome for all new students and new families to our larger school family. I hope you make many long-lasting friendships and enjoy your learning at Tenison Woods College.

Rest in Peace Father Peter Fountain

It is with deep sadness that we farewelled Fr. Peter Fountain who departed to eternal life on Sunday 1 January at Calvary Flora McDonald Nursing home, while Fr. Dean Marin was praying the rosary. Fr. Peter's funeral was celebrated on Friday 13 January at 1:30pm in St. Francis Xavier Cathedral in Adelaide and was a wonderful opportunity to celebrate a committed life of ministry in the Diocese, and particularly of the South East Deanery. The parishes of Mount Gambier and Millicent also offered memorial Masses for the repose of the soul of Fr Peter Fountain.

Rest in Peace Jason Beare

As we commence the year we hold the Beare Family in our prayers and thoughts following the passing of their much loved husband and father, Jason. We offer condolences to Sonya and family, and look to the special care we will offer Matilda (ELCC), William (Year 6) and Phoebe (Year 12) during this difficult time of loss and grief.

Growing our Gifts Together in 2023

The Staff Planning Days at the commencement of the year offered staff an opportunity to reflect on our work as individuals and as a staff team. During these planning days we focused on our College approach to "The Critical Literacies of our Community", our strategy in relation to Living, Learning and Leading at Tenison Woods College, the ingredients of a deliberate start to the year and how we could serve our students, parents, and colleagues in the best possible way.

This year we will be "**Growing our Gifts Together**". The school theme invites us to participate in the journey of exploring our capabilities and with a positive growth mindset shining through our strengths. As I mentioned last year, I am asking our students to SHINE with SWAG.

At Tenison Woods College we say that every learner has a place, and in saying that we are accentuating SHINE+, our College interpretation of the PERMA+ Wellbeing framework. Additionally, when we underline that every learner has a pathway we are encouraging them to use their SWAG.

In short, to grow our gifts together I encourage the community to bring their SWAG; a SWAG that will bring individual and communal success:

S for Skills – Keep honing your skills and be the best you can be at what you chose to do. Keep learning. Skills are the initial currency that make things happen in your life.

W for Work ethic – effort will always be noticed and invariably rewarded. Effort is the big value add.

A for Attitude – You may have heard it said that your attitude determines your altitude. Meaning attitude makes all the difference. The way you view life and the attitude you bring to the game will make a big difference to the game you play, and those around you in the most positive way.

G is for Game – know your game and how you fit into your team. In a Catholic school our God helps us understand our game, what is important and how we work together. In our Catholic context it is not that complicated at all. Firstly the dignity of all and respect for all. And secondly we become who God calls us to be through service to others and SHINE-ing so others SHINE.

So, as we commence 2023 and as we "**grow our gifts together**" I encourage students SHINE with SWAG, so that in the year to follow they will be the person:

- Who takes pride in excellent skills,
- Who knows that working hard will be rewarded.
- Where your positive, resilient attitude colours your days and defines you.
- And where you have a strong team game that draws confidence from a God who is with you, inspiring you to let your light shine for others.

I look forward to us developing a deep appreciation of how we can "**grow our gifts together**" and look with renewed commitment at how we can be present with commitment and conviction to our family, school, local and global community.

All the best for 2023!

With the understanding that at Tenison Woods College every learner has a place, every learner has a pathway and every learner will shine, we will continue our deliberate attention to the 2022-26 Strategic Plan, with the eight areas of endeavour:

The 2023 Key Initiatives will be:

1. The (critical) literacies of our community EY-12.
2. Resilient Impact and Growth Action Coaching of students.
3. Developing our leadership capacity and presence.
4. Systemising and authenticating our ecology and sustainability approach.
5. Simplification of processes.

CESA COVID-19 Approach

COVID-19 continues to affect the community and we all have a part to play in keeping our school community safe and minimising the disruption to learning that can occur when illness circulates at school. As such I ask you to follow the approach below:

- Students/staff who are unwell should stay home if they have cold or flu-like symptoms and get tested for COVID-19.
- If students/staff have COVID-19, please advise the school as soon as possible, and stay at home until all acute symptoms (runny nose, sore throat, cough and fever) have cleared.
- Staff "Test to Stay" remains part of the CESA COVID-19 Management Plan for staff who become close contacts at school.

Building Progress – Very Exciting!

We look with anticipation to occupying the Year 1-6 MacKillop Junior School Building from Term 2 through the wonderful efforts of Edge Architects and Mossop Construction and Interiors. I thank the Junior School students, staff and families for their collaboration in Term 1 to ensure the best possible learning environments within a context of increased student numbers (and as such classes) and limited spaces at the moment.

Recognising Achievement and Excellence in 2022 Dux and Academic Awards Assembly

On Wednesday 8 February, our College community will gather in the Barrie Holmes Stadium at 9.00am for our first Years 3-12 School Assembly for 2023. During the assembly we will celebrate the achievements of our 2022 Year 12 students with their outstanding SACE results and also acknowledge our Middle and Senior School Academic Achievers. Parents are warmly invited to attend.

Standing on the shoulders ...

During our days of preparation we acknowledged the committed service of the several staff, please see the relevant article in this Newsletter.

We greatly appreciate the impact that these staff have had on the story and culture of the Tenison Woods College learning community and so we acknowledge their contribution with deep appreciation and admiration.

Positions of Responsibility

I offer congratulations and thanks to staff who have taken on new challenges in Positions of Responsibility this year. I thank staff who offered their talents last year in relation to Positions of Responsibility and I trust the staff who are taking on roles this year for the next two years will build on their predecessor's efforts in a way that offers our community significant security, creativity, and opportunity. A summary of the staff who hold Positions of Responsibility is located on our website at the link [here](#).

Parent Involvement In 2023

Over the coming months there will be a series of meetings for parents. Some events will be social, some curriculum-based and some pastoral. I encourage parents to attend and be involved. This partnership provides the best outcome for our students.

Two opportunities to get involved are our 2023 Working Bees:

Term 1	End of Week 3	Saturday 18 February, 2023
Term 4	End of Week 2	Saturday 28 October, 2023

I hope that all students will settle into a productive routine as quickly as possible. The new year also brings with it all sorts of new opportunities and experiences. In 2023 this is certainly so! It is an exciting time at the College and we look forward to providing many rich learning experiences as the year unfolds.

If you have any queries or concerns, please feel free to contact the College. We believe that it is critically important for your child's educational experience that a positive, healthy relationship exists between their parents and the College. This provides your child with a sense of security which is a foundation for good learning.

I look forward to seeing you around the College in the weeks to come and wish you every blessing for the year ahead.

All the best for 2023!

God Bless,
David Mezinec | Principal

CIM Team News

I am honoured to introduce myself as the Acting Religious Education Coordinator at Tenison Woods College this year.

I will be working alongside a dedicated team consisting of:

- Rayhna Stephens, who will serve as the Catholic Identity and Mission (CIM) Coordinator for the ELCC and Reception-Year 6.
- Chris Lloyd, who will serve as the CIM Coordinator for Years 7-9.
- Marilena Wilson, who will serve as the CIM Coordinator for Years 10-12.
- Beth Creedy, who will serve as the Liturgical Music Coordinator across the school.
- Fiona Zwar, who will serve as the CIM Administrator for Term 1.
- Nada Brookes, who will serve as the CIM Administrator when we welcome her back in Term 2.

Each team member brings a wealth of experience and expertise, and they are all committed to supporting the school in fostering an environment of faith, hope, and love. The CIM team works closely with the Parish and our staff to integrate the teachings of the Catholic Church into the curriculum, and assist in leading students in prayer and fostering a commitment to social justice activities throughout the year.

Please do not hesitate to reach out if you have any questions or if there is anything we can do to support you or your child on their faith journey.

Sacramental Preparation Program

We have 14 of our students enrolled in the 2022-2023 Sacramental Program. This year, these students will continue their sacramental formation by preparing to receive the sacraments of Confirmation and their first Holy Communion. The first session for this year (with parents) will be held at St. Paul's Hall on Saturday 4 March, from 2:00pm-3:00pm.

The sacraments of Confirmation and First Holy Communion will be held at St. Paul's Church. The Confirmation ceremony will take place on Friday 19 May, at 7:00pm and the First Holy Communion ceremony will take place on Sunday 2 July, at 11:00am.

The school community is looking forward to supporting these students and their families throughout this important journey.

Term 1 Masses in the College Chapel

We look forward to welcoming the Year 9 students into the Chapel next week to celebrate the first Mass of this Term. This is a great opportunity for our students to come together as a community. Apart from Week 3 when we celebrate our whole school liturgy, a Mass will take place every Thursday at 9:10am in our school chapel, with a different year level preparing for and attending the Mass each week.

The Year 9's will then gather socially for the remainder of Lesson 2, to build community and connection with their peers and teachers.

Whole School Mass

The Beginning of Year Whole School Liturgy will be held at Marist Park on Thursday 16 February at 9.00am. Parents and Carers are warmly invited to attend this special event.

Little Lambs Program

The Little Lambs program is a Faith Formation Program for children aged 3-5, held in St Paul's Hall each week. The leaders of Little Lambs have been busy getting the space and program ready for Term 1. They welcome families back on Thursday 2 February (Week 1) but new families are always welcome!

Family and Youth Masses

St Paul's Catholic Church hold a Family and a Youth Mass each month. During these masses, children and youth are actively involved reading, singing and altar serving. Once the dates of these Masses are confirmed, they will be added to the calendar and you are warmly invited to come along.

David Reappointed as Principal!

As part of our recognition of staff milestones last week we take the opportunity to officially congratulate Mr David Mezinec on his reappointment as Principal of Tenison Woods College.

David has concluded 2 Terms of 6 years and, as such, was part of a full reappointment process during the latter part of 2022. David officially began his new tenure last week and we are delighted to congratulate him as he continues to lead our community with experience, dedication and a commitment to strong relationships.

Michelle Coote | Deputy Principal

Old Scholar Becomes Pilot

2019 Alumni student Breydon, is now Pilot Officer Verryt-Reid after finishing his training and study at the Australian Defence Force Academy recently. He is now a commissioned officer in the Royal Australian Air Force. Breydon was at TWC for all of his senior schooling and was awarded the Australian Defence Force Academy Education Award in 2019. Breydon has also finished his degree through UNSW, achieving a Bachelor of Computing and Cyber Security (with Distinction).

We offer Breydon our congratulations and best wishes as he heads into the next phase of his very bright career in the Australian Defence Force. Well done Breydon!

Sharon Brodie | VET Coordinator

Addison Sims Begins Apprenticeship

Year 11 student, Addison Sims, has commenced a full-time apprenticeship with Harry Peacock Plumbing & Roofing. Following completion of work placement in a range of trades, it became clear to Addison that plumbing was his preferred trade pathway. Addison completed two placements with Harry Peacock in 2022, which resulted in an offer of employment.

We congratulate Addison on his apprenticeship and wish him every success for the future.

Jody Elliott | Careers Coordinator

Luke Stubberfield Secures Apprenticeship

Congratulations to student Luke Stubberfield, as he will complete a school based apprenticeship this year with Whitty Engineering. This year Luke also gained a merit for SACE Stage 2 subject Material Solutions.

Great work, Luke!

- Year 11 - 12 Boys Knockout T20 Cricket (Dates and venues to be confirmed)

For internal school carnivals students will be able to nominate for events during a designated House meeting time. The results from our internal school carnival will determine if children are invited to participate in Interschool and Adelaide carnivals.

For all knockout sporting events this year, students will be able to nominate for events via Microsoft forms, they will be emailed by the Sports Administrator at least two weeks before the competition and this information will be regularly included in the newsletter and school notices. Students will then participate in a trial process and a team will be selected based on the following criteria:

The trials and selection process at Tenison Woods College is a comprehensive process, often restricted by time and attendance of players. Tenison Woods College aims to deliver a fair and equitable selection process using the Tenison Woods College trials criteria.

If you would like to assist with any of the above carnivals or have any questions regarding Year 7-12 Sport in 2023 please email sport@tenison.catholic.edu.au

Brooke Hicks | 7-12 Sports Coordinator

Library Information

Welcome back to the library for 2023! Library staff are looking forward to welcoming students to our space for classes and break times, providing great books and resources for reading and research as well as supporting them in their learning.

A general reminder for families and those new to the College:

- The library is open from 8:00am to 4:00pm, Monday to Friday throughout each Term.
- Reception to Year 2 students require a bookbag for weekly borrowing.
- Students may not borrow if they have an overdue book.

Our first fun focus for the year is Library Lovers Day in Week 3 with the theme 'Only You'!

Keep an eye out for more information about this celebration.
