Growing our Gifts Together at Tenison Woods College

From the Principal

Recognising Achievement and Excellence in 2022 - Dux and Academic Awards Assembly

Today, Wednesday 8 February, our College community gathered in the Barrie Holmes Stadium at 9.00am for our first Year 3-12 Assembly for 2023. During the assembly we celebrated the achievements of our 2022 Year 12 students with their outstanding SACE results and also acknowledged our Middle and Senior School Academic Achievers.

Parent Welcome and Information Evening – It’s About Building Relationships

A significant way in which parents can support the learning of their children and adolescents is by attending the R-12 Parent Information Evening on Monday 13 February. Parents will have a chance to meet our teachers, learn about the teachers’ hopes for the year, and hear about the classroom processes that will ensure learning is achieved in the best possible way. Parents also have an opportunity to meet informally the Leadership Team of the school and ensure that we commence the journey of serving your child’s individual needs in a deliberate manner.

Opening Whole School Liturgy – Growing our Gifts Together in 2023

We look forward to Thursday 16 February and our Opening Whole School Liturgy at Marist Park. The Liturgy, which commences at 9:00am will assist us to reflect on the College theme for 2023, where we will endeavour to “grow our gifts together.”

This theme helps us reflect on:

- The element of our individual and communal journey
- The competence we see in others
- Our growth in confidence
- Fostering a growth mindset
- Shining through our Strengths
- How we SHINE with SWAG (Skills, Work Ethic, Attitude, Game)

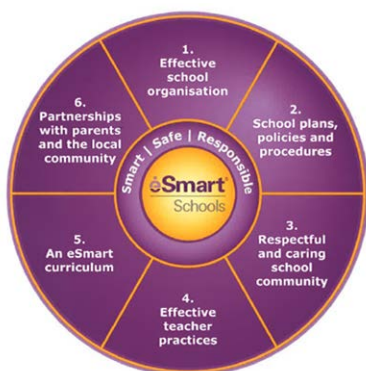

I look forward to us developing a deep appreciation of how we are “growing our gifts together” and in particular appreciation of the gifts which surround us as we look with fresh eyes at our school, local and global community.

Don’t forget your hat and sun screen!

eSmart School – Smart. Safe. Responsible.

As a school community we are an accredited eSMART Alannah and Madeline Foundation school community where the smart, safe and responsible use of communications technology is the norm.

The essence of the eSmart approach is outlined below:

One of the aspects of this process is the review, analysis and updating of our ICT policy and User agreements. These updated policies are available on the school website.

We also have an area of the SEQTA Portal @TWC dedicated to eSmart, including information for parents and the wider school community. This Cyber Safety Hub can be located by [clicking here](#).

I am delighted that Tenison Woods College is an eSmart School and I look forward to our continuing commitment to the highest possible level of ICT innovation that is complemented by safe and responsible use of ICT.

Caring for One Another – Road Safety In and Around Our School

Following on from the theme of helping one another, I remind families of the importance to monitor their speed and adjust it accordingly as they approach the school on Shepherdson Road and White Avenue in the interest of safety for all, but particularly our young. I also remind students to utilise the various designated crossing areas which are monitored by our staff. Crossing the roadways at other areas adds to the danger for our young but also increases the difficulty for drivers in the area. Please remember all College driveways are two-way.

Working Bee – Saturday 18 February

I remind families of our first Working Bee on Saturday 18 February.

The two significant focus areas will be the grounds of the Early Learning and Community Centre, and the grounds of the Middle School Gilap Wanga Learning Community.

The working bee will commence at 8.00am. Morning tea and refreshments will be supplied with a BBQ available from 10.00am. For those able to assist on the day we ask that you please register [here](#).

Please bring any gardening equipment you think could be of use: gloves, shovel, rakes, wheelbarrow, even your ute.

Sunsmart Approach

Australia has one of the highest rates of skin cancer in the world, with two in three Australians developing some form of skin cancer before age 70. Melanoma is one of the most commonly diagnosed cancers in Australians aged 15–29. Yet most skin cancers can be prevented by using sun protection measures at appropriate times of the year. The sun’s ultraviolet (UV) radiation is the major cause of skin cancer. UV damage accumulated during childhood and adolescence is strongly associated with an increased risk of skin cancer later in life. Given school hours fall within peak UV periods of the day, we have moved to a comprehensive policy will assist schools to adopt healthy UV practices.

We are pleased to introduce the Sunsmart policy this year to our College community. Our Sunsmart procedures such as wearing the College hats and sunscreen will be enacted according to the sun protection times forecasted by the Bureau of Meteorology for when the UV levels that are predicted to reach 3 or higher. Students will be notified during daily pastoral care about the need to wear their hat, and sunscreen will be supplied in the classroom. We encourage all students to leave their hats at school.

CESA COVID-19 Approach

COVID-19 continues to affect the community and we all have a part to play in keeping our school community safe and minimising the disruption to learning that can occur when illness circulates at school. As such I ask you to follow the approach below:

- Students/staff who are unwell should stay home if they have cold or flu-like symptoms and get tested for COVID-19.
- If students/staff have COVID-19, please advise the school as soon as possible, and stay at home until all acute symptoms (runny nose, sore throat, cough and fever) have cleared.
- Staff “Test to Stay” remains part of the CESA COVID-19 Management Plan for staff who become close contacts at school.

Building Progress – Very Exciting!

We look with anticipation to occupying the Year 1-6 MacKillop Junior School Building from Term 2 through the wonderful efforts of Edge Architects and Mossop Construction and Interiors. I thank the Junior School students, staff and families for their collaboration in Term 1 to ensure the best possible learning environments within a context of increased student numbers (and as such classes) and limited spaces at the moment.

All the best for 2023!

God Bless,
David Meziniec | Principal

Year 7 & 8 Welcome BBQ

On Friday 3 February the College hosted parents of Year 7 and 8 students in the Barrie Holmes Stadium for a Welcome BBQ. This was an opportunity for the parents to meet staff and familiarise themselves with the College.

There was a fantastic turnout as staff got to connect with many of the Middle School families, answer questions and enjoy a BBQ!

More photos of the event can be found on Page 8.

Sarah McDowell Fights Against MS

Sarah McDowell is a much loved staff member in the Tenison Woods College community.

Sarah was diagnosed with MS in 2017 and has made the decision to travel to Mexico to undergo autologous haematopoietic stem cell transplant (AHSCT) treatment in an attempt to halt the damage caused by the disease and preserve her quality of life.

Sarah is raising money to cover her AHSCT treatment costs which will hopefully prevent her condition reaching the point of severe disability.

A reminder that this year's Swimming Carnival will be held on Tuesday 14 February at the Wulanda Recreation and Convention Centre. The carnival has a long tradition within the College and is an integral part of the school calendar. All students (Years 7 - 12) are expected to attend and participate in a variety of activities. The activities include a range of championship events and novelty events. Penola, Coonawarra, Naracoorte, Millicent, Beachport, Mille, Dartmoor, Glencoe/Kalangadoo, Grant (early bus) and Port MacDonnell bus students will be dropped to the Wulanda Recreation and Convention Centre and collected as part of their usual bus transport. City bus students and local students will need to arrange their own forms of transport to and from the Wulanda Recreation and Convention Centre.

Students are reminded to be sun smart: hats, sunscreen and a t-shirt or rash vest are compulsory. We encourage students to develop House spirit and support the day by dressing up to the theme UNDER THE SEA or by bringing banners and other support items.
