STUDENT FREE DAY
Tuesday 14 March

Clean Up Australia Day

On Friday 3 March, we held a successful Clean Up Australia Day, with all students and staff joining in and doing their part.

Students and teachers cleaned up different areas within the College grounds and areas surrounding the College, including Marist Park, Malseed Park and Hastings Cunningham Reserve.

Our Project Recology workshop was the hub of the clean-up, with full bags of rubbish brought in throughout the day to be weighed. 417.49kg of waste was collected by our students and staff! Well done to all on a successful day. Thank you to the Produce Store on Margaret Street for the recycled collection bags and the City of Mount Gambier Council for disposing of the collected waste.

Tom Linnell | Early Years to Year 12 Sustainability Coordinator

From the Principal

Reception - Year 12 Athletics Carnivals | Wednesday 8 - Friday 10 March, Week 6

Today we commenced our 3 day March 'Athletics Fest'. Commencing with our R-2 carnival this morning, and Year 3-6 Carnival this afternoon. Tomorrow we continue the festival of athletics with the following schedule:

Thursday 9 March	
Yr 3-6	9:00am - 12:00pm
Yr 7-12	1:00pm - 3:15pm
Friday 10 March	
Yr 7-12	9:00am - 3:15pm

As we create R-12 streamlined events we are richly celebrating physical fitness across the school, community building and peer mentoring.

Across all three days, there will be an opportunity for students to purchase lunch at Marist Park. The Timor Leste Immersion Team will be cooking a BBQ and selling a variety of food and drink. There will be no need to pre-order items from the BBQ but cash payment on the day will be preferred. The Sugarloaf Cafe will also be at Marist Park on Wednesday and Friday, and there will also be a coffee van on site for the entirety of the carnivals.

The South East Year 7 - 12 Interschool Athletics Carnival will follow on Friday 24th March in Millicent.

I extend a very warm welcome to parents, carers and family members to attend these carnivals to witness the athletic endeavours and also meet other families who are part of the College community. Catering will be provided for all the carnivals, so come to the College for a long lunch break from work commitments, enjoy the athletics and have a bite to eat at the same time.

Reception - Year 12 Staff Professional Learning | Tuesday 14 March

Reception to Year 12 Staff are looking forward to the staff professional development day on Tuesday 14 March. The Junior School will devote time to literacy experiences within the context of religious education Crossways Curriculum. The Middle and Senior School staff will be applying the eight components of high-impact literacy instruction to develop critically literate graduates who express their agency. All three sub-schools will also be evolving further our wellbeing approach at the school, focusing on our Resilient IMPACT coaching of students.

The ELCC and OSHC will be offering service to families on that day.

Board Annual General Meeting | Wednesday 29 March, 7:00pm

I remind parents and caregivers of the Annual General Meeting of the Tenison Woods College Board, which will be held Wednesday 29 March at 7:00pm in the Pam Ronan Centre. Nominations are sought for people interested in serving on the Board this year. The associated correspondence has been sent to families and can be found [here](#).

The School Board is responsible for the governance of the School in the areas of policy review, financial management, pastoral care (staff, students and parents), maintenance and development and strategic planning. School Board meetings are held once a month with each member of the Board also belonging to a sub-committee, which meets between Board meetings. Elected members serve a two-year term on the Board.

Parents/carers are invited and strongly encouraged to participate in the governance of the School by nominating members of the School community to the School Board.

The timeline for nominations and elections is:

Monday, 20 March 2023	Nominations close 2.00pm
Tuesday, 21 March 2023	Voting papers sent to parents if required
Monday, 27 March 2023	Voting closes
Wednesday, 29 March 2023	AGM of the School Board

Thank you for your time and attention given to the formation of the School Board for 2023.

Nude Food and Minimising Bins Within the School

Buoyed by the Junior School's successful Nude Food initiative and the reduced waste within the school, we are continually looking to reduce the large dumpsters across the school. We will replace these large dumpsters with smaller bins and work toward a situation where we have a refined approach to external bins for:

1. General waste
2. Bottles and containers
3. Mixed recyclables – such as paper, cardboard etc
4. Green waste

There are a range of issues for us as a school to address, and then some issues for us to discuss with the City of Mount Gambier Council so that there is greater integrity in our recycling processes as a school and as a community. The Grounds Team and Cleaning Team are committed to assisting the College in realising this ambition if all of the community is on board and works together in a collaborative way.

This issue is one of the major life learnings of our time for our young, and I am committed to ensuring that we act with integrity as a school community and teach our children, through our actions, about the care for our planet. Anything you can do and advise as a family in relation to refining our processes will be gratefully received. I trust that with deliberate, creative and collaborative endeavour we can take this very ordinary issue of waste and achieve extraordinary outcomes for our school and global community.

Saturday 1 April - Tough Barker - The Tenison Pop Up Fitness Craze that they are all talking about!

After a false start Tough Barker will pop up Saturday 1 April from 8:00am.

Forget Tough Mudder, Ninja Warrior and No Bull CrossFit Games - Tough Barker is the fitness craze that everyone is talking about!

Our Grounds Team, Justin, Andy, and Nick will be putting participants through an epic barking, sand, weeding and painting challenge that will work the core, the abs, glutes, biceps and triceps.

The two significant focus areas will be the grounds of the Early Learning and Community Centre, and the grounds of the Middle School Gilap Wanga Learning Community. And at break time, participants will enjoy a sausage sizzle, abundant quenching water, hot drinks, and be able to work diligently on their orbicularis oris and zygomaticus major.

It will be a great morning, Saturday 1 April, from 8:00am until 12:00pm.

The first half hour session will commence at 8.00am. For those who would like to sign up for the fitness sessions, at no cost to them, we ask you please register [here](#).

Please bring any gardening equipment you think could be of use: gloves, shovel, rakes, wheelbarrow, even your ute. The Tough Barker Sessions will commence at 8.00am. Morning tea and refreshments will be supplied with a BBQ available from 10.00am.

CESA COVID-19 Approach

COVID-19 continues to affect the community and we all have a part to play in keeping our school community safe and minimising the disruption to learning that can occur when illness circulates at school. As such I ask you to follow the approach below:

- Students/staff who are unwell should stay home if they have cold or flu-like symptoms and get tested for COVID-19.
- If students/staff have COVID-19, please advise the school as soon as possible, and stay at home until all acute symptoms (runny nose, sore throat, cough and fever) have cleared.
- Staff "Test to Stay" remains part of the CESA COVID-19 Management Plan for staff who become close contacts at school.

Need a tutor? Studiosity is our free online tutoring service

I remind families that students of Tenison Woods College in Years 7-12 have access to a free online tutoring service. Students are able to connect to expert tutors for live, one-to-one conversations about homework, assignments and exam preparation from 3:00pm – 10:00pm Monday to Friday. Give it a try – I know you will appreciate the service offered by Studiosity!

Lenten Season and Project Compassion – For All Future Generations

Last week we celebrated Shrove Tuesday with our pancake fundraising day, while Ash Wednesday liturgies marked the start of Lent; the season in which we prepare for Easter.

Fundraising throughout the six weeks of Lent will contribute to Caritas Australia's Project Compassion Campaign. This Lent Caritas Australia calls us to support Project Compassion under the theme of For All Future Generations.

Supporting Project Compassion is a way we can proclaim the faith that is in our hearts and help our brothers and sisters in need. During Lent, we are invited to take up the call to fast, pray and give alms - in solidarity as a global community. As such, our commitment to marginalised people is a direct response to the Christian call to 'act justly, love mercifully, and walk humbly with our God.'

God Bless,
David Meziniec | Principal

Project Compassion

During Lent, students will be involved in fundraising for 'Project Compassion', which is run by Caritas Australia. Each week during Lent there will be themes and stories of people who have had their lives changed by the money that has been raised through this Lenten fundraiser in previous years.

Next week we will focus on Priscilla's Story. Zimbabwe is experiencing an intense drought, exacerbated by climate change. With the support of Caritas Hwange, Priscilla learnt conservation farming skills to grow drought-resistant crops and started poultry farming to support her family during the current food crisis.

By donating to Project Compassion 2023, together, we can help vulnerable communities face their challenges today and build a better tomorrow For All Future Generations.

Youth Mass

The next Youth Mass will be held on Saturday 18 March. Youth Mass is held on the 3rd Saturday of the month at the 6.00pm Mass at St Paul's Church, Penola Road. The music and readings at this Mass are led by the young people from the College and St Paul's Parish. The Tenison Woods College Mission Leaders, Julio Teodoro and Kuncheria Chavara, are actively involved in coordinating this. Please contact either the Mission Leaders or Ms Wilson if you would like to be involved in reading or music. The monthly Youth Mass is followed by a Youth Group dinner and discussion group. Students in Year 7 and above are encouraged to attend.

Upcoming Events

- Week 6 Thursday 9:10am Mass (Year 8)
- Week 7 Thursday 9:10am Mass (Year 11)
- Friday/Saturday Parish Retreat
- Saturday 6pm Youth Mass

From the Parish

Father Olek's First Ordination Anniversary – Sunday 12 March

It's been nearly a year since Fr Olek was ordained a priest and we would like you to join us on Sunday 12 March after 11.00am Mass for a shared lunch to celebrate this special occasion. Weather permitting, we will gather in the Deanery lawn at the Mount Gambier Parish as we did for the parish picnic. There will be some sausage sizzles, but we would appreciate it if you could bring a plate to share, BYO drinks and picnic chairs / rugs.

Fifteen minutes with Father – LENT EDITION

Fifteen Minutes with Father is a catechesis program held at the Mount Gambier Catholic Parish.

This Lent, we will be 'walking alongside' Jesus as he carries his cross up to Calvary. Father will speak about a very special prayer known as the Stations of the Cross. Each week the children are invited to place themselves in the story by looking at different characters that Jesus encounters along the way.

Fifteen Minutes with Father: Lent Edition started on the First Sunday of Lent, the 26th of February, immediately after 11.00am Mass and continues until Palm Sunday. Great resources have been prepared for the children to collect and take home each week. This catechesis program is aimed at children in primary school.

Parish Retreat | Friday 17 - Saturday 18 March

You are invited to join us for a Parish Retreat which will take place on Friday 17 & Saturday 18 March at Tenison Woods College. The retreat is designed so that everyone can participate so there's no need to be apprehensive if it's the first time. There will be talks, guided prayer, and personal reflection times. It promises to deepen our relationship with God and with each other.

We're also planning activities for children and a session for youth during the day so that parents can have the opportunity for some quiet reflection.

Registration for the parish retreat did close on Monday 6 March. However, please don't hesitate to speak to Fr Peter, Fr Olek or Cisca if you are a late registration or would like to know more.

Back to Basics - Catholicism for Catholics

This series commenced Thursday 2 March at 7.00pm, in the Gathering Space at St Paul's and will continue on the 1st and 3rd Thursdays of each month, presented by Fr Peter and Fr Olek.

If you cannot attend in person, please contact the parish office about the possibility of participating online. The Compendium of the Catechism of the Catholic Church is available free from the Vatican website or can be purchased as a book from the parish office for \$20. All are welcome.

Year 1-2 Italian Language

Year 1-2 students are enjoying the creative teaching talents of Mrs Silvana Bianchet. Silvana has been offering Italian language tuition to Year 1-2 students via an online mode, and last week she made a very well-received visit to the College to engage with the students in person.

Silvana is a highly skilled, energetic Italian teacher, with distinguished and highly regarded service at St Aloysius College Adelaide. Lester Chen, our new Language teacher, is supporting the classes, and at the same time will continue his own multilingual journey of learning Italian. Ashley de Jong, our trainee, is continuing with the mini lessons approach, as we have conducted in recent years, to complement the lessons offered by Silvana and Lester.

Catholic Education SA, in partnership with Tenison Woods College, is exploring mixed-mode delivery for hard to staff subjects in regional and remote locations. Students are learning so much, enthusiastically using their Italian, and becoming very competent, creative communicators!

We look forward to the outcomes of this pilot and also documenting the learnings for the College and the broader Catholic Education SA system.

Year 11-12 Boys Knockout Cricket

On Monday 6 March, the Year 11 and 12 boys knockout cricket team played Millicent High School at Marist Park.

Tenison were asked to bat first with Angus Clarke making 11 before getting out and Ashton Lindner making 54 hitting consecutive boundaries. Jayden Prior also helped the team with a well earned score of 49.

The boys finished 2/129 and Millicent had some work to do, Jed Sims taking three wickets in one over with Ned Skeer and Sam Domaschencz also taking three wickets each.

After a convincing win the boys will now advance to play in Adelaide. A great effort by all!

Steve Primer | Cricket Coach

International Wheelchair Day

Women's and Children's Health Network published a great write-up about Year 4 student, Scarlett Pilven:

Meet Scarlett. She is 8 years old and has a spinal cord injury from a tumour that was removed when she was almost 2. Today we are sharing her story to celebrate International Wheelchair Day

"Scarlett got her first manual wheelchair when she was 3.5 and then we added a power assist attachment to a new chair when she was 6." Says Mum, Nicole.

"She loves the independence her wheelchair has given her and the power assist in particular has enabled her to keep up with her friends at school and navigate different terrains easily. She learned to manoeuvre around quite quickly and if she's going somewhere, it's usually at full speed!"

"Scarlett attends the Women's and Children's Hospital (WCH) on average once or twice per month for procedures and outpatient appointments. She doesn't always enjoy her visits but has built good relationships with her team of doctors. She likes spending time in the Starlight Express Room the most!"

"She is obsessed with all things art and attends a weekly art lesson that she loves. She also loves nature photography, swimming, reading, telling jokes, spending time with her family and relaxing with her favourite companion Max the dog."

"We think Scarlett is amazing. She's a cheerful, friendly girl with a positive outlook who just wants to get out there and do what all the other girls her age are doing."

"She's been through such a lot but she doesn't let anything slow her down or stop her from doing the things that she loves."

Happy International Wheelchair Day to Scarlett and thank you to her family for sharing her story and to everyone who uses a wheelchair to assist their mobility.

Write-up and photos courtesy of the Women's and Children's Health Network Facebook page.

SAPSASA Swimming

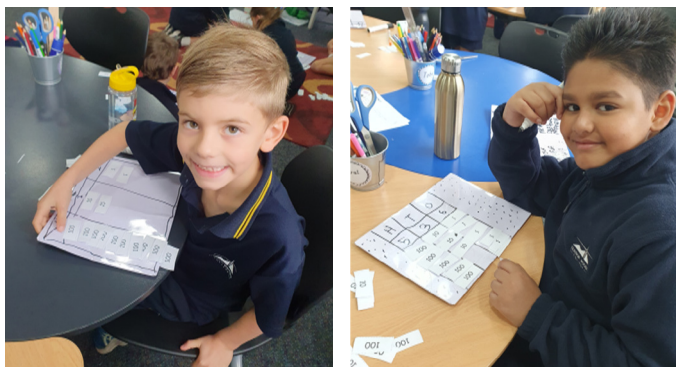

The first of the SAPSASA events was held last Friday in Penola. Tenison Woods College had a few students competing on the day and we congratulate the following students on their selection into the Lower South East Team. This selection will see them compete in the State Swim Championships in Adelaide on Friday 5 May (Term 2, Week 1).

Congratulations to the following students:

Davyd Davydiuk
Darcy Hodges
Maggie Hodges
Stella Jones
Miles Kroon
Kiahna Little

We wish them all the very best.

Tina Opperman | R-6 Sport Coordinator

Year 2 Maths Games

This term in maths, students have been aiming to develop and to become more confident with their number sense. Children with strong number sense are fluid and flexible with numbers, can estimate and calculate mentally, recognise place value relationships and understand the size of numbers. I have been aiming to develop this understanding with our 'Daily Number Chats'.

Students have also been developing a deeper knowledge of space and location with our 2D shapes learning. Here are some work samples above of the types of learning experiences students have been working on. These photos are of students playing a game using a 100/10/1 dice where they had to add onto a digit as they rolled. Their target was 1000 or 10000.

Andy Watt | Year 2 Teacher

Students of the World Information Session

On Monday evening, Sandeep and Kerry from Students of the World visited Tenison Woods College to discuss with families the opportunities for students to participate in exchange programs and the possibilities for families of Tenison Woods College to host students from Italy, Germany, France and Spain for short term stay or longer term stays.

Manon who is currently here on an exchange program from France, spoke about her experiences whilst being hosted by our families and attending Tenison Woods College.

If you would like information regarding the exchange program or hosting an exchange student please contact Sandeep or Kerry at Info@studentsoftheworld.org.au or by phoning 08 83795726.

Digital Thumbprint Program

Last week the College was grateful to have Dom Phelan of the Digital Thumbprint Program present to our Year 6 - 10 students.

Throughout the day Dom held various workshops on the importance of using the internet, particularly social media, for positive personal branding. He also spoke with the students regarding the immense risks and how to best protect themselves and their peers.

The Year 6 and 7 students explored cyberbullying and the importance of respectful relationships online, they were then asked to consider their impact when interacting online. These students discussed consent online, image-based abuse, and the tools they have to positively support themselves and their peers.

The Year 9 students took part in a 'Digital Identity' workshop, in which they had the opportunity to examine their social media profiles and posts through the lens of a potential new employer. Students investigated ways to create and manage their digital brand and work through improving their online identity for future success.

Year 8 & 10 students were fortunate to take part in the Digital Discernment workshop. They focused on how Social Media has the power to influence society, and our friends for the better. As a group they worked through scenarios and practice discernment to see through online media and problem solve for a safe and healthy online solution.

Taste of Harmony Dinner

Tenison Woods College invites you to the Taste of Harmony Dinner, to be held on Sunday 19 March at 5pm in the Pam Ronan Centre Common Room.

Bring your favourite dish along and share in good conversation.

All college families are welcome to attend.

Thursday 23 March

- NAPLAN Catch Up Tests

Friday 24 March

- NAPLAN Catch Up Tests

Parent Volunteers Needed

Tenison Woods College has been a great supporter of Auskick for many years. We love seeing the joy of the faces of the children who love playing footy.

This year we are asking for parents to assist and take over Auskick program. We have a good supply of equipment here that can be used for the program.

If this interests you, can you please contact me at oppet@tenison.catholic.edu.au.

Tina Opperman | R-6 Sports Coordinator

Seeking Breakfast Club Volunteers

Breakfast Club is a great way to interact with students and give back to the College Community. Breakfast Club operates Tuesday, Wednesday & Thursday from 8:00am-8:30am. Only 30 minutes of your time is required.

Please indicate your availability to Breakfast Club Coordinator, Trent Eitzen eitzt@tenison.catholic.edu.au. A Working with Children Check (WWCC) is required.

The following documents will assist you with the volunteer application process:

- [Volunteer General Information](#)
- [Volunteer Handbook](#)

LET YOUR *light* SHINE

Employment Opportunities

Tenison Woods College are seeking Primary and Secondary Relief Teachers to join its Temporary Relief Teacher (TRT) pool for the rest of 2023.

If you have 1 - 5 days spare in your week and your Teacher's Registration is current, please call us on (08) 8725 5455 to discuss the possibilities.

Michelle Coote | Deputy Principal

Learning Assistance Program Volunteers Needed

Tenison Woods College continues to offer the Learning Assistance Program (LAP) to our students and we are seeking interested parents and friends of the school to assist as volunteers.

The Learning Assistance Program is a program whereby volunteers, in partnership with teaching staff, work with students on a one-on-one basis, for one hour regular sessions each week.

This significant individual time creates more learning situations where students can experience success, and supports their achievement at school. There are often students in junior primary, who would benefit from individual time with a volunteer.

Students may need support with class or subject work; they may be shy, disruptive, or just need someone to listen to them and show they care. LAP can be a positive factor in breaking the cycle of educational disadvantage.

The volunteer becomes the student's friend and mentor, sharing in the challenge and excitement of learning through a variety of experiences. The support and encouragement that a volunteer can give, fosters the development of a student's self-esteem and confidence.

The success of the program is based on five simple principles. These are that LAP:

- Is always one-to-one;
- Is about relationships;
- Builds confidence and self-esteem;
- Takes a creative approach to learning; and
- Promotes parent and community participation in schools.

(This information has been taken from 'Building Bridges With LAP' Coordinators' handbook).

If you have time, knowledge, special talents or interests which may either facilitate a students learning or enhance a child's experience at school, and you are willing to share them with students, we would love to hear from you:

- Phone: (08) 8725 5455
- Tania Sigley, Wellbeing Coordinator - sigt@tenison.catholic.edu.au
