Captains Attend Anzac Day Services

2023 School Captains Aden Clarke and Gael Chizungu represented Tenison Woods College at the ANZAC Day Dawn Service on Tuesday 25 April. The Captains paid their respects as they laid a wreath on behalf of the College, along with Principal, David Meziniec and Head of Senior School, Kate Carroll.

Our Junior and Middle School Student Leaders also represented the College proudly at the ANZAC Mid Morning Service.

"They shall grow not old, as we that are left grow old;
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning
We will remember them."
Lest we forget.

From the Principal

Welcome to new families

As I welcome all families back to the start of second term for 2023, we especially welcome new families to our community, hoping that they will enjoy being a part of our learning family.

The term has commenced smoothly and students have once again settled into the routines that were established in Term 1. We look forward with fresh energy to the learning experiences to be encountered during the term.

Saturday 29 April - Tough Barker for the MacKillop Junior School

Thanks to all the students, parents and staff who participated in the epic 3,000 plants challenge. And we smashed it!

We planted three thousand trees, shrubs and grasses in the grounds of the new MacKillop Junior School building, and fitness participants achieved a very significant workout of the core, the abs, glutes, biceps and triceps.

Thank you to all the families involved. I trust they will have a special memory of the section that they planted, watching the trees, shrubs and grasses grow over the years.

'Leading from Within' – Our Leaders Shine

During the student vacation 12 staff leaders of Tenison Woods College, participated in the leadership program "Leading from Within" that was facilitated by the internationally recognised *Brown Collective*. Stephen Brown founder and facilitator of the program indicated that the collective is anchored by agreed ideals and ways of working: an explicit commitment to excellence informed by research and evidence; shared values; ethical and sustainable practices; and a clear moral purpose.

Stephen and co-facilitator Phil Holmes, acknowledged the importance of identifying, supporting and developing a diverse range of leaders, and through the program providing an opportunity for individuals to self-reflect about their leadership capabilities, understand the importance of interpersonal relationships in their leadership, and make a contribution to the shared direction of their school and the broader system.

We were very fortunate that 12 of our staff, with three staff from Mary MacKillop Memorial School and St Anthony's Catholic School participated in two days of high energy facilitation by two highly regarded facilitators, and I look forward to the outcomes of the leadership challenge projects which each participant will complete this year.

Wellbeing and Engagement Collection Survey – Week 2

Students in our school will be invited to take part in a survey being conducted next week.

Young people's sense of wellbeing is an important part of how they learn at school. The purpose of the survey is to seek students' views about their wellbeing and their engagement with school. Students in Years 4 to 12 across the State will be invited to participate in the *Wellbeing and Engagement Collection*. The information collected will help the education system and broader community to support young people's health and wellbeing.

The survey asks students about their social and emotional wellbeing; school relationships and engagement and learning in school; and physical health and wellbeing and after school activities. Students' answers will be kept confidential – no one (including school staff) will use the results to identify individual students.

Further information on the Wellbeing and Engagement Collection can be found at www.education.sa.gov.au (search:wec) or can be collected from the school. For questions or concerns, or to view the questions, please email Education.WECSA@sa.gov.au.

Generations in Jazz Weekend

I remind families that this weekend is the Generations in Jazz Festival; an outstanding expression of jazz music, youthful energy and passionate learning. I encourage you to get along and soak up an inspiring atmosphere.

To watch our school's performances and/or concerts, tickets are available at ticketbooth by [clicking here](#).

If you have not yet had the pleasure of attending the event, I can assure you that you will be amazed at the talent, energy and sense of community which the Generations in Jazz creates.

And if you would like to offer parochial support for our Tenison Woods College students then head out to The Barn on Saturday 6 May at these times:

- 9:30am Senior Vocal Ensemble in the Allert Pavilion
- 2:40pm Senior Boys' Ensemble in the Allert Pavilion
- 4:00pm Jazz Ensemble in the Blanchard Pavilion
- 4:50pm Concert Choir in the Evans Pavilion

Mother's Day Celebrations

Next Friday our school community celebrates the important role offered by mothers, caregivers, grandmas, godmothers, aunts, big sisters and all those who provide motherly care to our young. A Mother's Day Breakfast at 7:45am will be celebrated in the Barrie Holmes Stadium. I urge you to make space in your morning to acknowledge your importance in young lives. It is certainly one of the highlights of the College calendar.

If you do plan on attending please RSVP to the Edsmart form by Friday 5 May, as this assists us with catering.

CESA COVID-19 Approach

COVID-19 continues to affect the community and we all have a part to play in keeping our school community safe and minimising the disruption to learning that can occur when illness circulates at school. As such I ask you to follow the approach below:

- Students/staff who are unwell should stay home if they have cold or flu-like symptoms and get tested for COVID-19.
- If students/staff have COVID-19, please advise the school as soon as possible, and stay at home until all acute symptoms (runny nose, sore throat, cough and fever) have cleared.
- Staff "Test to Stay" remains part of the CESA COVID-19 Management Plan for staff who become close contacts at school.

ANZAC Day – 'Lest we forget'

I was delighted that Tenison Woods College was formally involved in the Mount Gambier ANZAC Day commemorations. I believe ANZAC Day not only offers us an opportunity to acknowledge those Australian and New Zealand Army Corps soldiers who fought and died at Gallipoli in 1915, but is also a day of remembrance for all soldiers who have died while fighting for their country as well as their families whose lives have been significantly transformed by the supreme sacrifice. Furthermore, ANZAC Day invites us as a community to acknowledge the commitment of our contemporary armed forces and their families; a day to say thank you with deep appreciation.

I thank our College Captains, Gael Chizungu and Aden Clarke and for representing the College at the dawn service, and Junior School Leaders, Caitlin Mugavin and Kade Parker, as well as Middle School Leaders, Maggie Collins and James Flett, who represented the College at the morning service. It was also pleasing to note the number of Tenison Woods College students who, as cadets, were involved in the proceedings of the day. Likewise, it was also pleasing that many students of the College attended the ceremonies during the day with their families.

God Bless,
David Mezinac | Principal

May is the month of Mary

For May, give Mary a special spot in your prayer corner. It can be a statue, a picture or some representation of our Blessed Mother. Make it appealing and a real tribute to her beauty and virtue. She was the first disciple, and we hear of her triumphant "yes" to be the mother of Jesus. Mary is a model of discipleship and holiness for us all. Use your Mary focus during May to regularly pray Marian prayers such as the Hail Mary, The Holy Rosary, or the Angelus. Mary is Mother – your mother, my mother, everyone's mother – and she cares for all of us, day-in-and-day-out without fail, interceding for us in even the tiniest matters.

Visual Art Students Investigate Pigments

Year 8 "Look Hue's Talking" students have just finished investigating the strange, dark and sometimes gross history behind how pigments were first made. Students then spent the lesson using materials they had collected from home and from nature, grinding the materials into a powder and create oil paints with them using the traditional methods of paint mulling. We discovered that some things make great colours and wonderfully textured paint, and others not so much.

Year 1 Students Learn about Australian Animals

One of our students Graceson recently went on holiday to Tasmania. We have been looking at Tasmania through Google Maps and emailing lots of questions to him while he is on holiday. Graceson surprised our class with a video he took himself of a wild platypus. Students were fascinated with the Australian animal that lead into students researching and learning how to recall and write facts. We learnt how to draw diagrams and thought about what people would need to know if they have never seen a platypus!
