## 'Just Add Music' Performance

On Wednesday 14 June the Junior School and Poplars students were entertained by the 'Just Add Music' Band. They provided a fun, entertaining, interactive and educational music performance!

Students and staff enjoyed a captivating performance of familiar songs with loads of student participation. Imagine all of the Junior school students and staff doing 'The Nutbush' to a live band! The performance sparked an enthusiastic response, as the students danced, sang, clapped and even performed alongside the JAM Band.

Students commented on the performance:

*Hamish, Year 1 - "It was really good! My favourite song was Mario."*

*Bruce, Year 4 - "I loved it. It was really good and the songs were so fun! I loved the song and costumes for 'Floating Through Space'. I can't wait for them to come back next year!"*

*Scarlett, Year 4 - "The JAM Band was lots of fun. I loved the Super Mario song because I've seen the new Super Mario movie."*

Thank you to Tenison Woods College staff who supported and assisted with this event.

## Refugee Week 2023 - Finding Freedom

This week we celebrate National Refugee Week.

To live without the fear of war, to have your basic human rights upheld, to live in equality and without the fear of persecution are just some of the examples of what freedom can entail. Every day millions of people across the world embark on dangerous journeys for the sole purpose of finding safety and freedom. From Australia to nations across the globe, settling into a new environment after experiencing the perils of a refugee's journey can also provide the opportunity to live, to love and to dream.

Refugee Week raises awareness of the issues affecting refugees. The theme aims to highlight aspects of the refugee experience and help the broader community to understand what it is like to be a refugee. It also helps to make Refugee Week a national celebration, providing a focal point for events across Australia, uniting separate activities into a single nationwide celebration.

In such a way, Refugee Week unites individuals, communities and organisations from many different backgrounds behind a common cause. The common theme is a reminder that, regardless of our differences, we all share a common humanity.

In 2023, we are encouraged to reflect on the journey of finding freedom, whether it be through a new home, a new career, finding love or friendships. Let us show compassion and celebrate the resilience that makes up parts of our wider community. For freedom should not be an ask, it should be a way of life.

## Carpark Safety with the New MacKillop Junior School Building

It is a delight to see students, teachers and parents make the MacKillop Junior School their school home, fitting it out gradually and intentionally. I am delighted that work has commenced on our nature play areas adjacent to the south-eastern side of the building.

We are learning about the impact of the building on vehicle and foot traffic within our community. As such, could we ask that families use the driveway adjacent to the ELCC to drop off students and use the central path between the ELCC/Reception building and the Administration building to access the MacKillop Junior School building.

If that approach causes families a challenge and the Pam Ronan Centre/Barrie Holmes Stadium driveway is used, could the walking paths to the MacKillop Junior School please be used.

In essence, using paths designated for walking will be the safest way to access the MacKillop Junior School Building.

## Hosting Principals from the Association of Principals of Catholic Secondary Schools (APCSS)

I am delighted that today we hosted Principals from Catholic Secondary and Combined (Early Years to Year 12) Schools. Every second year the Principals meet in a regional location for their June Meeting. We hosted their meeting, followed by a Mass, tour of the College and then a meal together.

## Parish Planned Giving Rebate

I remind families that parents contributing to the Parish Planned Giving may claim a rebate from Tuition Fees of 50% of their contribution, up to a maximum claim of \$750. Official Parish receipts are to be presented to the Finance Department after 30 June 2023 for a deduction to be made.

## Need a Tutor? Studiosity is our Free Online Tutoring Service

I remind families that students of Tenison Woods College in Years 7-12 have access to a free online tutoring service. Students are able to connect to expert tutors for live, one-to-one conversations about homework, assignments and exam preparation from 3:00pm to 10:00pm, Monday to Friday. Give it a try – I know you will appreciate the service offered by Studiosity!

## CESA COVID-19 Approach

The most recent CESA Covid 19 procedures state the following:

- Schools should continue to emphasise that students, staff and site visitors who are showing COVID-19 symptoms should stay away from school until acute symptoms (runny nose, sore throat, cough and fever) have cleared.
- Staff are required to notify the school if they return a positive COVID-19 test.
- Families are recommended to notify the school/centre if their child returns a positive COVID-19 test.

## Phone Usage While Driving in the School Grounds – One of the FATAL FIVE

I continue to appeal to parents about the discerning usage of mobile phones while driving in the vicinity of the school and on school grounds. Mobile phone usage has been identified by SAPOL as one of the FATAL FIVE (contributing to serious and fatal accidents in our roads).

I remind families that:

- You must not use a hand-held mobile phone while your vehicle is moving or stationary in traffic (e.g. at traffic lights).
- You may, however, use a hand-held mobile phone while your vehicle is parked.
- A mobile phone may only be used while you are driving to make or receive a phone call, provided the phone is secured in a commercially-designed and manufactured mounting device affixed to the vehicle, or the phone can be remotely operated.
- If the phone is used via Bluetooth or a headset or earphones without touching it, holding or resting the phone on your body, you may touch the headset or earpiece to operate the phone.
- It is an offence to create, send or look at a text, video or email and to rest the phone on any part of the body.

Using a phone includes:

- Holding the phone in your hand.
- Operating any function of the phone.

Holding a phone includes:

- Resting the phone on any part of your body.

These laws apply to drivers and riders of all vehicles. Current fine for using a Hand Held Mobile Phone is \$554 + 92 (Victim of Crime Levy) = \$646, with 3 demerit points.

SAPOL reminds us that 'Good Drivers Just Drive' and 'Road safety is everyone's responsibility'

## Student Exemption Form Required for Absences Over 5 Days

If your child will be absent from school for more than 5 days, please ensure that you contact the Administration Office to obtain a Student Exemption Form. All absenteeism for more than 5 days is approved by myself and entered into our Attendance system, to ensure accurate records are maintained and family's government benefits and allowances are protected.

God Bless,

David Mezinac | Principal

## Association of Principals of Catholic Secondary Schools (APCSS) Visit - 21 June, 2023

## CIM Team News

### Whole School Mass and Charity Day

Tomorrow, Thursday 22 June, we will celebrate Charity Day, with a focus on our long-standing connection to Timor-Leste. On this day, students are encouraged to wear casual clothes and bring a gold coin donation (and stationery item for Junior school students - see news item below) which will be collected in the morning.

We will begin the day with a Whole School Mass in the Barrie Holmes Stadium at 9:00am, parents and friends are warmly invited to attend.

After recess, there will be activities run by Year 12 students in buddy classes in the Barrie Holmes Stadium.

At lunchtime, students will be selling various items for gold coins at the Timor-Leste inspired market stalls, as well as a BBQ with sausages available to purchase. Students are invited to bring extra coins for these.

### Stationery Drive for Timor-Leste - Junior School Initiative

In support of the immersion experience and in an effort to 'make a small difference with great love', the Junior School is running a Stationery drive so that we can get little school packs ready for children in Timor-Leste.

We will be making little packs in snap lock bags, so they are light and easy to take on the plane. We would love families to donate items that are small and unused or brand new.

Students are invited to bring along a stationery item on Charity Day, Thursday 22 June.

### Family Mass

Family Mass will be celebrated this Sunday 25 June at 11:00am at St Paul's Church. We encourage our children and families to attend.

In preparation for the Family Mass, the Children's Choir will be having a rehearsal on Thursday 22 June at 6:00pm in the choir loft of St Paul's Church, children aged 8 and up are invited to come along. For any inquiry, please contact Debbie on 0473 182 466.

### Sacramental Retreat Day

A reminder that the Sacramental Retreat for the 2022-2023 Sacramental Candidates will take place this Sunday 25 June, from 1:00 to 4:30pm in the Hall. As mentioned in previous communication, it is compulsory for all children and at least one parent/carer to attend this day.

**Timor Leste  
STATIONERY  
DRIVE**

**15.5.23 - 22.6.23**

Help us make a difference by donating unused stationery for children in Timor Leste

STAR reps will be putting together light stationery packs for our Senior School students to take on their immersion tour

Donations of pencils, textas, crayons, sharpeners, rulers, erasers, stickers would be greatly appreciated

Please drop donations to front office or CIM office

Thank you for your generosity!

### Temporary Closure of the School Chapel

The school chapel is temporarily closed whilst undergoing some repairs. As such, there have been some changes to upcoming Masses and Liturgies:

- Year-level prayer services usually held in the Chapel each morning will now be held in various locations across the College.

### Timor-Leste Immersion

All money raised for Timor-Leste will be distributed to the communities during the Timor-Leste Immersions trips. They will visit places such as the Bakhita Centre, the Dominican Orphanage and our sister school in Hatolia, San Francisco Xavier College. This year they are also looking forward to a tour of Klibur Domin, a charitable home operated by the Ryder-Cheshire foundation, which has strong links to Mount Gambier.

Through immersing themselves into the Timorese culture, students will embark on a transformative journey of learning and self-discovery. They will witness the resilience and determination of the communities they visit, gaining a deep understanding of their challenges. It is hoped that this experience will foster empathy, compassion and an appreciation for cultural diversity and will inspire them to strive for a more just and inclusive world.

## From the Parish

### Corpus Christi - Presence

On Sunday we celebrated the Feast of Corpus Christi. The Second Vatican Council described the Eucharist as 'the source and summit of the Christian life'. We will turn our focus to the Eucharist over the coming weeks. Each week the Sunday homily will complement an episode of the series 'Presence'.

To access Presence through [formed.org](https://formed.org) online for FREE, please contact the Mount Gambier Parish Office. The parish will also have screenings on Thursday 22 and 29 June at 7:00pm in the Gathering Space at St Paul's Church, Mount Gambier.

### Little Lambs

Little Lambs is a faith formation program for children aged 3 to 5 years old. It runs every Thursday morning during school terms from 9:30am to 11:00am in St Joseph Room (adjacent to the main hall) on the grounds of St Paul's Church. It is a place for the children to learn and be exposed to the beauty of our faith. A place where they discover more about our loving Father, our Lord Jesus, our Blessed Mother and all the saints. A place where we invite the Holy Spirit to lead the children in learning about the beautiful stories found in the Scriptures, the Sacraments and the traditions. Entry is by gold coin donations. For any inquiry, please contact Julie at [littlelambs@mtgcatholic.org.au](mailto:littlelambs@mtgcatholic.org.au).

### Upcoming Liturgical Events

- Thursday 22 June, 9:00am - Whole School Mass (Barrie Holmes Stadium)
- Sunday 25 June, 11:00am - Family Mass (St Paul's Church)

## Year 8 Surf Camp

Week 5 was an absolute blast as our Year 8 Surf's Up classes embarked on a thrilling 2-day camp!

First up, the students took on an epic adventure caving experience in Naracoorte. Picture narrow passages, mysterious caverns, and breathtaking formations that pumped up their adrenaline like never before.

The following day, they fearlessly embraced the chilly conditions in Robe for their surfing sessions. With unwavering determination and an unmatched passion for the sport, our students pushed their limits and rode those waves like seasoned pros! Despite the cold weather, their perseverance shone brightly.

But what truly made this camp extraordinary was the incredible support and motivation they showed one another. Whether it was cheering each other on during the thrilling surf sessions or offering encouragement in the depths of the cave, their teamwork and camaraderie were excellent to see!

## Kareena Ghosh is Coding Her Way to a Better World

Year 9 student, Kareena Ghosh, recently participated in the intermediate division of the 'Web.Comp' web design competition.

Throughout the competition she coded user interface websites for people with intellectual disabilities and visual or hearing impairments.

She was recognised at the conclusion of the competition for her outstanding efforts, receiving a high distinction for her HTML and CSS coding.

The competition was held online throughout the month of May, which Kareena was able to complete during her Digital Technologies class.

Congratulations Kareena, we look forward to seeing you continue to achieve great things!

## Put the T in Shirt

Year 8 'Put the T in Shirt' students have been putting their design skills into practice by making t-shirts and bags. These are going to be animated and with the use of recognition technology, augmented using a mobile device app. The girls are photographed pressing their products on the new heat press that creates a professional finish in 10 seconds.

**Yunita Manfrin** | Digital Creative Arts/ Design Teacher Year 7-12

## Horticulture Students Visit Holla-Fresh

Recently, the Certificate II Horticulture students had the opportunity to visit Holla-Fresh, a leading hydroponic grower in Australia, located in Tantanoola. This remarkable facility boasts over 4 hectares of herbs grown undercover, showcasing the vast potential of hydroponic cultivation.

During the visit, the students were given a tour of the operation by Ian, who introduced them to the impressive scale of Holla-Fresh. The size of the facility left the students in awe, highlighting the magnitude of the operation and the dedication behind it.

Holla-Fresh's hydroponic systems were a focal point of the tour. The students witnessed the meticulous arrangement of rows and the precise nutrient delivery to the plants. The hydroponic channels efficiently distributed nutrient-rich water, ensuring optimal growth while conserving water resources.

The students left Holla-Fresh with a newfound appreciation for hydroponics and its potential in addressing food security and sustainable agriculture.

We extend our sincere thanks to Ian and the entire Holla-Fresh team for opening their doors to us and providing this enriching experience.

## Timor Leste Immersion and Soup Fundraiser

On Saturday 17 and Sunday 18 June, the Timor Leste Immersion groups will be holding a soup fundraiser following each Mass. We warmly encourage you to come along and bring along \$3 for a cup or \$5 for a larger serve.

All money raised will be distributed to the communities we visit such as the Bakhita Centre, the Dominican Orphanage and our sister school in Hatolia, San Francisco Xavier College. This year we are also looking forward to a tour of Klibur Domin, a charitable home operated by the Ryder Cheshire foundation, which has strong links to Mount Gambier.

It is with great excitement that there are two immersions taking place this year. One in July and one in September. The students have been involved in a number of fundraising activities from cooking the BBQ at sports day, ushering at the Generation in Jazz concerts, Charity Ball and the upcoming Charity Day.

Through immersing themselves into the Timorese culture, students will embark on a transformative journey of learning and self-discovery. They will witness the resilience and determination of the communities they visit, gaining a deep understanding of their challenges. It is hoped that this experience will foster empathy, compassion and an appreciation for cultural diversity and will inspire them to strive for a more just and inclusive world.

## Are You Interested in Hosting a Short Term Student from France?

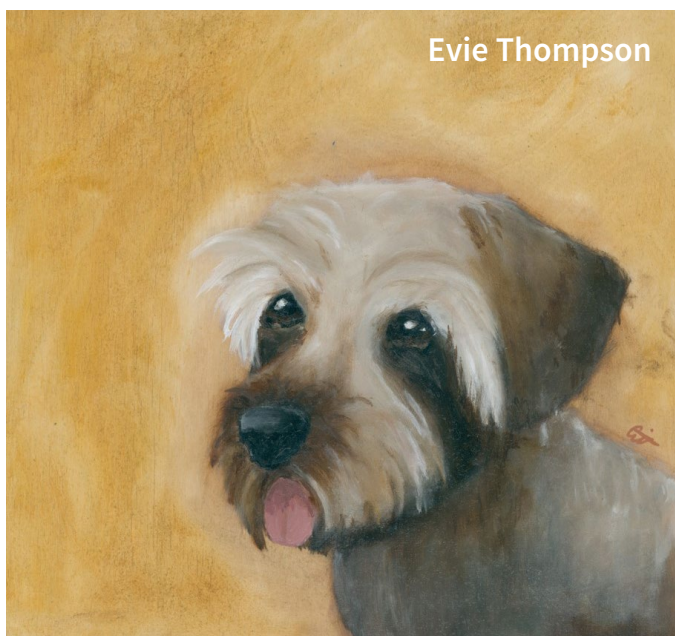

Students of the World are looking for families to host French short term exchange students. There are 5 boys aged between 16 and 17 years old that are currently looking for housing for between 6 to 7 weeks from early July until 9 September.

If this is something you may be interested in please contact Kerry Todd from Students of the World on 0458 745 932.

## Tails Are Wagging!

A number of our past and present students are currently exhibiting work in the local art exhibition 'DOG' at Confession and Hastings Cunningham Reserve dog park. Working with a collective of young artists in the region, Phoenix Lomas, Evie Thompson, Amelia Taylor and Lukas Dodds all worked in their chosen art mediums to produce a selection of artworks at a professional standard. We congratulate them on their hard work and dedication to complete a wonderful exhibition!

## Open Knockout Soccer

### Boys

On Thursday 15 June the Open Boys Knockout soccer squad travelled to Grant High School for Round 1 of the Soccer Statewide Schools Competition.

In wet conditions the boys took on Grant High School in Game 1 and started well, racing away to an early lead with Moo Bya Say Say finding the net twice and Jack Latham scoring a brace. Nickolai Greenham found himself on the end of a Jack Latham through ball to add to the tally, with Mee Reh Htoo also adding to the scoreline. In the second half, Mee Reh Htoo scored his second before Kobe Cole and Finn Dickson both found the net to record an 11-1 victory.

With the challenge of Mount Gambier High School on the horizon, the boys had a twenty-minute break before heading on the pitch for the second game of the day. Once again, we settled well, creating early chances and space behind the Mount Gambier High School backline, with Mitchell Cornolo causing problems and Richard Kinyabuguma combining to release Moo Bya Say Say who calmly slotted home. A second goal before halftime from Nickolai Greenham saw us go into the break 2-0 up and playing well. Mee Reh Htoo made it 3 before long-range strikes from Seth Michielan and Mitchell Cornolo made it 5-0. Kobe Cole popped up to make it 6 before two late goals from Mount Gambier High School closed the gap to four, with the game finishing 6-2.

The squad will now begin preparing for the second round which will see the Open Boys travel to Adelaide mid-Term 3.

### Girls

On Friday 16 June the Open Girls Soccer Squad headed to Grant High School for Round 1 of the Soccer Statewide School's Competition.

In the first game we faced off against St Martins and started well, finding feet and creating opportunities. Isabella Morello found the net first after some nice play in the midfield, with her second coming soon after as she was played through and made it 2-0. Isla Dickson made it 3, calmly slotting past the keeper. Morello popped up to score her hat trick in the first 20 minutes before Lana Shepherd scored and made it 5-0 before the break.

The second half was a tighter contest, with the sole goal coming from the boot of Isla Dickson who scored a nice one from outside the box to make it 6-0. Kara Murray and Andi Corfield played well in their first games for the Titans and Louise O'Callaghan and Sophie Wight did well in defence.

Our second game became a friendly match with Grant High School who were short on numbers, with us lending three players. The friendly was played in good spirits with Isla Dickson getting her third for the day and Ruby Black finding the net.

Congratulations to the girls who showed great sportsmanship throughout the day!

Scott Dickson | Director of Learning

## Year 7/8 Knockout Basketball

### Girls

The girls had a great win first up v Pulteney, winning by 60 points in a great team performance. Next up was a real tough match-up with the home side St Francis de Sales. It was a tough game where the girls never gave up even under trying circumstances, unfortunately going down in the end by 10 points.

Next up was Cabra who they needed to beat to make the State Finals. The girls came out strongly to get an early lead and never let it slip, holding on for a great 20-point win.

The girls showed real fight and great team work, always backing each other and plenty of encouragement from the bench. A great day and a well-deserved spot in the State Finals!

### Boys

The boys began the day with a very strong team win v Cabra winning by 30 points. In game 2 we took on a strong Pulteney team which was a real scrap with very low scoring. We were challenged often and were able to hold on for a 2-point win. The win put us top in our pool.

In the crossover game to make the State Finals we came up against Blackwood. We were flat early and found ourselves down by 15 points midway through the 3rd quarter. With a few sparks off the bench we got it back to 7 at 3-quarter time and hit the front with under a minute to go. Needing to defend, we played some great D but unfortunately fouled with under 1 second to go, sending Blackwood to the line. They calmly made both free throws to win the game by 1 point.

A disappointing end to the day but the boys showed a lot of character against some very strong Adelaide schools and should be proud of their effort!

Kym Hammond | Middle School Future Thinking Teacher

## Year 10-12 Mixed Hockey State Finals

Week 7 saw our Hockey team venture to Adelaide to take part in the open-mixed State Finals. We played in Pool B against Trinity, St Marks and Mt Carmel.

Our first game was against St Marks. We were put on the back foot early with a couple of conceded goals. The second half saw Archie Aitken find the back of the net, but unfortunately, it came too late to claw our way to a comeback. We then took on Mt Carmel, which ended up being a closer affair. The trio of Madi Derrington, Tillie Derrington, and Jeremy Mackenzie were able to shut down many opposition attacks. These defensive and structural efforts were consistent for the entire day, as we were constantly under defensive pressure. The highlight from this game was Tyler Collins diving across the line to manage a goal-line save.

The final three games were much the same as the beginning of the day. We had several opportunities in front of goal, but unfortunately, we were unable to capitalize. Goalkeeper Noah Clark had himself an amazing day on the turf, putting his body on the line on countless occasions to keep us in the contest.

Although finishing 8th in the tournament, the students must be credited for the level of professionalism and effort that they put in over the two days.

Thanks must go to Michelle Coote for helping with the supervision and coaching throughout the two days!

## Knockout Soccer

Today the Year 7/8 Boys soccer team braved the icy-cold conditions and played a one-off match against St Martin's Lutheran College. The game started slowly but by the end of 70-minutes of hard-fought action, thankfully we came out on the right side of a nine-goal thriller!

Noah Corfield got on the score sheet early, largely as a result of being in the right place at the right time, capitalising on a defensive mix-up. Captain, Thomas Damhuis, then led by example, making several stirring runs from the left wing. He bagged a stylish hat-trick before half-time to put us in a commanding position. However, we conceded a soft penalty which seemed to give St Martin's hope of an unlikely comeback. Despite reinforcing that the game was not over, and resetting targets for the second half, Samuel Swiggs found himself under the pump in goal as the fluid-passing game on show early deserted us.

St Martin's grew in confidence, and they continued to flood forward in attack. Despite Douglas Slattery's best efforts to repel them in the heart of our defence, they grabbed two quick goals to close the gap. At the other end, Faustin Chizungu helped set up Scott McBain for a tidy finish following a corner and we felt the mini panic was over. However, another costly turnover at the back narrowed the gap once again and in the dying moments with the last kick of the game, they even hit the cross bar from a free kick! At last, the final whistle blew, and the boys and I were relieved to get the win, 5-4.

Thank you to Finn Dickson for running the line and Riley Turnbull for refereeing!
