Founders Colour Cup

Yesterday, the Junior School oval was filled with colour as representatives from each house team competed against each other in the 'Founder Colour Cup'.

This was a student initiative organised by Year 12 student Emily Jolley, and comes as we celebrate our Founders this week.

Founders Week Fun, Fundraising and a Splash of Colour

This week we celebrate the legacy of our College founders with Founders Week. On their Founder celebration day, students have been encouraged to wear their PE uniform and a splash of their house colour with a ribbon, socks, and the like.

During Founders Week, there is a pre-recorded prayer service each morning that is being watched across the College, led by our wonderful Founder Leaders for 2023. This is allowing all students and staff to connect into the charisms and life story of our founders and how we continue to follow in their footsteps today.

Our Year 12, 9 and 6 Founder leaders are also leading a number of lunchtime activities for students that will accumulate house points towards the Founders Cup. Earlier this week, we celebrated MacKillop and today, McAuley. Tomorrow we will celebrate Woods and on Friday, Champagnat.

The Founders Colour Cup held on the oval on Tuesday at lunchtime was a great success, where unsuspecting participants were still surprised by the flourish of colour that ended up adorning their face, hair and clothes as they attempted to complete an obstacle course.

Families might also like to test their knowledge with the following Kahoot Quizzes:

- [Mary MacKillop](#)
- [Catherine McAuley](#)
- [Julian Tenison Woods](#)
- [Saint Marcellin Champagnat](#)

We might like to ponder this question - "How are the virtues of these founders still visible and alive in our school today?"

The Assumption – Mass Tuesday 15 August

On Tuesday 15 August we celebrated the Solemnity of the Assumption of the Blessed Virgin Mary and the Holy Day of Obligation with a Whole School Mass, presided by Father Peter Zwaans. With a combination of jet lag and energy from the World Youth Day, Father Peter helped appreciate the special place of Mary, who entered into Heaven, body and soul.

Timor-Leste Delegation \$8,000 Challenge

Following the Assumption Mass we also had the pleasure of hearing from our Timor-Leste delegates, Mia Passauer-Jones, Emily Jolley and Claudia Prospero-Porta, and their goal to raise a further \$8,000 before the next delegation leaves on 23 September, so that the boarding school dormitory for girls in Hatolia can be completed. The delegation was shown the dormitory for 40 young girls who board at the school. The conditions were very basic and quite upsetting to see. A new dorm is in the process of being built and as a group the delegation have made a promise to the girls to raise the required \$8,000 to finish the project before the next trip. So we were urged to roll up our sleeves as a community and raise the funds needed.

CESA Community LLL Perception Surveys

By the conclusion of Week 5 of Term 3 all Catholic Schools in South Australia will complete the CESA Living, Learning, Leading Perception Surveys. The surveys are a product of a collaboration between Catholic Education SA (CESA) and Curtin University and are focussed on the development, validation and use of a system-wide survey to examine the understanding of the vision and extent to which Catholic Education SA's Living Learning Leading Framework is taking place in schools as perceived by students, family and staff.

Staff and student surveys will be conducted in schools between Weeks 1 and the end of Week 3, Term 3. Parent surveys can be conducted anytime up to the end of Week 5.

There are 7 surveys in total as described below.

1. Middle Primary Years 3 and 4
2. Upper Primary Years 5 and 6
3. Middle School Years 7, 8 and 9
4. Senior School Years 10, 11 and 12
5. Teacher survey
6. ESO staff
7. Parent survey

The surveys were sent to all schools ready for completion at the end of Week 3 in Term 3. Each survey has been trialed, refined and piloted in a range of CESA school settings and the development team is confident that schools will derive very useful information for planning and improvement.

2024 Senior School Subject Counselling

The Subject Selection process commenced last week with the release of the 2024 Curriculum Handbooks launched on Tuesday at the Pathways and Careers Expo. The Curriculum Handbooks are now available online as well as the Subject Selection forms that can be downloaded by [clicking here](#).

2024 Curriculum Information Sessions for Subject Selections

Information sessions have occurred as per previous correspondence to families.

2024 Subject Counselling

Webchoice entry for 2024 Years 7, 8 & 9 will take place on Wednesday 23 August and Thursday 24 August.

Subject selection for 2024 Years 10, 11 & 12 students will be taking place on the following dates & times:

- Monday 21 and Tuesday 22 August, Mount Gambier 8.45am to 6.00pm
- Wednesday 23 August, Millicent – 4.30pm to 7.30pm
- Thursday 24 September, Penola – 4.30pm to 7.30pm

School Crossing Reminders

I remind parents about the 25kmph speed limit through the School Crossing when the lights are flashing or at any time when children are present.

Crossing monitors are on duty from 8:20am – 8:40am in the morning and from 3:10pm – 3:30pm in the afternoon to cross children safely. If a parent or child pedestrian is stopped there, waiting to cross, even before the crossing monitors have arrived please stop and allow them to cross.

Please note that it is a legal obligation for drivers at the crossing when the lights are flashing and are not attended by crossing guards:

- 25kmh must be attained BEFORE the 25 sign, and the drivers must STOP when adults OR children have stood at the side to try and cross.
- Speed must NOT be increased until AFTER the 50kmh sign.

As per legislation, you are also asked not to obstruct the crossing, whilst waiting in a line-up of traffic.

We are looking at measures with the City of Mount Gambier to minimise the congestion in and around our carparks, but I ask for your cooperation, presence and patience during these challenging winter weeks.

Parish Planned Giving Rebate

I remind families that parents contributing to the Parish Planned Giving may claim a rebate from Tuition Fees of 50% of their contribution up to a maximum claim of \$750. Official Parish receipts are to be presented to the Finance Department for a deduction to be made.

Student Exemption Form required for absences over 5 days.

If your child will be absent from school for more than 5 days, please ensure that you contact the Administration Office to obtain a Student Exemption Form. All absenteeism for more than 5 days is approved by the College Principal and entered into our Attendance system to ensure accurate records are maintained and family's government benefits and allowances are protected.

God Bless,

David Meziniec | Principal

Founder's Week

The College has been abuzz this week as our students celebrate Founders Week. It has been wonderful to see students coming together in their house groups to participate in lunchtime activities offered by our student leaders.

The Colour Cup held on Tuesday was a real highlight. We have started each day with prayer, led by our Founder leaders, that celebrates the story and legacy of our founders. With the MacKillop and McAuley houses having already celebrated the legacy of their founder, we look forward to celebrating with the Woods and Champagnat houses on Thursday and Friday

- Thursday 17 August: Woods
- Friday 18 August: Champagnat

Whole School Mass - Tuesday 15 August

On Tuesday we celebrated our Term 3 Mass – the Feast of the Assumption of the Blessed Virgin Mary - held in the Barrie Holmes Stadium. On the Feast of the Assumption of Mary, Catholics give thanks and praise for the holy and blessed life of Mary the Mother of Jesus. We celebrate how God has honoured her and welcomed her into heaven.

Masses at Tenison Woods College

Mass is celebrated each Thursday of the term and is led by a different year level each week. Upcoming Masses are as follows:

Pride In Your Stride Walk

On Friday 11 August, our Year 5 classes took part in the annual Pride In Your Stride walk from Vansittart Park to the Cave Gardens.

The walk is designed to show support and raise awareness for those within our community experiencing homelessness.

Many of our students also donated a pair of shoes which will be given to people in need throughout the Limestone Coast.

It was great to see so many people there supporting a fantastic cause.

STARs & Year 6 Leadership Day

On Friday 11 August, STARs (See, Think, Act, Representatives) and Year 6 Leaders participated in a student leadership day, learning about the Strengths, Awareness, Skills and Mindset needed to be a leader. Students participated in icebreaker and team building activities to utilise their knowledge of a leader.

Mr Mezinec, Gael and Aden also provided their insights of being a leader that; humility, care for people, being a good listener & having a game plan are important. Students began to apply their knowledge of the awareness, skills and mindset needed to plan scenarios provided; Junior School playground, canteen options, fundraising campaign, uniform concerns and planning a celebration event.

They look forward to providing this feedback to Junior School staff.

Tania Sigley | Director of Wellbeing

Year 4 Weaving Workshop

On Tuesday 8 August, our Year 4 classes were treated to a workshop run by Tabitha and Mabel from Little Blue Wren Art Gallery.

Students explored weaving practices used by Aboriginal and Torres Strait Islander artists and gained an understanding of the importance weaving and yarning has when creating visual art for the First Nations People.

Year 8 Stop Motion Video

Recently Year 8 students, Ava and Ella created a stop motion tour of the College's new MacKillop Junior School building.

The girls completed this video in Mr Dickson's Animation and Film Production class.

The video contains over 500 individual pictures that make up this 35 second tour. Congratulations girls on a great video!

National Student Volunteer Week

Last week was National Student Volunteer Week, where we recognise the incredible dedication of young people across Australia who give their time outside of their studies to contribute to causes close to their hearts.

Our Year 12 Students Jorja and Lucy recently spent quality time with the residents of Boandik Lodge, knitting and exchanging stories.

This reminds us that volunteering is not just about the time you give, but the impact you make.

Book Week Competitions 2023

As Book Week rapidly approaches students are invited to take part in our annual **Book Week Competitions**. This year we have two book inspired decorating options; either on this [template](#) or on a plant pot.

Students are also invited to write a short story beginning with the words 'To my shock, when the book was opened a was growing inside it and.....!'. This [writing template](#) can be used or students can use their own paper or choose to type up their entry.

All entries are to be taken to the Library by the end of Book Week on 25 August. Please see last week's newsletter for helpful information for low stress dressing up for the Book Week Parade which is taking place on Friday 25 August at 9 am.

MacKillop Founders Celebration Day

The Barrie Holmes Stadium was full of excitement during lunch on Monday, as students in the MacKillop house enjoyed a variety of games, celebrating their Founder Mary of the Cross MacKillop.

Early Learning and Community Centre Insight Into Champagnat History

On Tuesday, our ELCC children from the Champagnat Room took a tour with Mr Meziniec to visit the Marcellin Champagnat statue, located outside of the Moorak Building.

The group took a walk from the ELCC in the sunshine and learnt about the history of one of our four founders.

Despite some tired little legs our youngest students thoroughly enjoyed their incursion.

Whole School Mass

On Tuesday, the College community gathered for Mass, as we celebrated the Feast of the Assumption of the Blessed Virgin Mary.

The Mass was lead by Father Peter with valuable contributions from our College Leaders.

We also had great musical performances throughout the Mass, including a beautiful rendition of 'Rise Up' by our Senior Vocal Ensemble.

Students from the recent Timor-Leste Immersion Trip informed the community of their new fundraiser to improve the living conditions and dormitories for the girls at San Francisco Xavier College. The students also presented Mr Meziniec with a gift they had received from the President of Timor-Leste during their visit.

It was another beautiful Mass made possible by the hard work and dedication of our Catholic Identity and Mission Team.

To view more photos of the Mass see Page 9.

Darcy Makes a Splash in the Pool

Recently, Year 6 student Darcy Hodges competed in the Hancock Prospecting SC Championships in Queensland.

Darcy achieved 7 PBs out of her 8 races, which included an impressive 2.83sec off her 50m Freestyle and 3.77sec off her 200m Individual Medley.

Congratulations Darcy on achieving some great results in the pool!

It is always fantastic to see students reaching their personal bests in their chosen pursuits.

SAPSASA Regional Basketball

The Year 5/6 Boys and Girls teams had a very successful day last Friday at the SAPSASA Regional Basketball tournament.

The Girls had some tough (and very close) games against Keith, Naracoorte, Penola and Reidy Park winning 2 of their 5 games. They had a tough encounter against a very strong St Anthony's team who went through the day undefeated. The girls improved hugely over the 2 days and should be very proud of their efforts. They needed a win in the last game against Reidy Park, and unfortunately lost by 1 point to miss out on moving onto the State Finals in Adelaide in October.

The boys also had some very tough competition and were able to come away with 4 wins from 5 games and will now have the opportunity to play in the State Finals. They had to battle from behind in a number of games but were able to come out on top in the end after playing an exciting brand of team basketball. We now have 9 weeks to train and make some adjustments to prepare us for the challenge of taking on the state's best primary schools.

Well done to both teams and especially our awesome coaches from Year 9 in Bailey Noble, Angus Heesemans, Will Humphries and Jack Holmes. A big thank you as well to our 2 umpires Lucy Egan and Lui Coronel.

RESULTS - GIRLS

Naracoorte Primary School defeated Tenison Woods College (12 - 7)
Tenison Woods College defeated North Gambier Primary School (10 - 5)
Tenison Woods College defeated Bordertown Primary School (14 - 12)
St Anthony's Catholic Primary School defeated Tenison Woods College (21 - 1)
Reidy Park Primary School defeated Tenison Woods College (7 - 6)

RESULTS - BOYS

Tenison Woods College defeated Naracoorte Primary School (22 - 17)
Tenison Woods College defeated North Gambier Primary School (31 - 28)
Bordertown Primary School defeated Tenison Woods College (20 - 16)
Tenison Woods College defeated St Anthony's Catholic Primary School (21 - 3)
Tenison Woods College defeated McDonald Park Primary (30 - 11)

Year 9/10 Boys Soccer Success

On Tuesday, the Year 9/10 Boys Soccer Team qualified for the finals of the Statewide Schools Knockout Tournament, after two back-to-back fixtures away at Cornerstone College in Mount Barker.

Taking on the home side in the first fixture the Titans started well creating several chances in the first few minutes. The first goal came on the ten-minute mark when Finn Dickson slid the ball through to Marcus Gadjic who neatly found the corner of the net. The second goal came from a cross with Dickson finding Gajic to make it two at the break. The midfield was working well with captain Alex Obedi and Nico Teodoro combining well and Dickson, Gajic and Riley Stephenson creating chances up top. Gajic made it three after rounding the keeper and with things looking comfortable and against the run of play Cornerstone found a lifeline after a mix up at the back. With the home side on the up the Titans started to struggle and soon conceded a second goal making it 3-2 with ten minutes to go. It was the combination of Obedi and Teodoro that linked up to find Gajic unmarked on the left and when he was brought down the referee awarded a penalty that Gajic calmly slotted to make it 4 and secure the three points.

After a short turnaround the Titans faced Hallet Cove Secondary School a Specialist Soccer School in the second game of the day. Alex Htoo was brought in to the starting lineup at left back and Hay Nay Htoo moved into the midfield for the crucial clash. The Titans started well but found themselves one down after Hallet Cove played the ball around the create the angle for the shot. A reply came quickly with Des Kinyamba bursting down the right side from full back and finding Gajic unmarked at the back post who was able to nod it in to tie the score. It was the Dickson/Gajic combination that put Tenison in front at the 15-minute mark when Dickson's free kick found Gajic who in a carbon copy of the previous goal once again headed home to make it 2-1 to the Titans. With the temperature rising and the pressure mounting Hallet Cove drew level after receiving a penalty and making it 2-a-piece. At the halftime break the focus was on work rate and the second half saw everyone lift with Khane Jeffrey, Patrick Dycer and Oscar Livingstone all deployed in the forward line after Stephenson had to be withdrawn after a nasty ball to the face. With Noah Duka and Kobe Cole keeping it tight at the back it was Dickson who once again found Gajic who rolled the ball home to make it three and seven for the day. The final moments were tight with Pacifique Baraka thrown in to secure the defence and Kade Turnbull standing tall in goals to secure a superb team performance optimised by team work, work ethic and creativity. With Stephenson injured and Hay Nay Htoo and Finn Dickson both withdrawn with cramp Livingstone and Dycer were both deployed in the middle of the park to see out the result.

The win sees the Year 10 squad qualify for the State Finals in week 10 and sees the boys join the Open Boys and the Year 7/8 girls in the statewide finals. An achievement that has never been achieved by the Titans previously.

The boys would like to thank Mr Eitzen for driving the bus, Riley Turnbull for running the line and his organisation and Mr Dickson for coaching.

From the Sports Department

Year 7/8 Girls Soccer

The Year 7/8 Boys and Girls soccer teams travelled to Adelaide at the end of Week 3 to compete in the Statewide Schools knockout competition. The girls travelled to Cornerstone College, where they played Willunga Waldorf School, who were fresh from beating Tatachilla earlier in the week. The makeshift squad had an intense, but short preparation, yet came out firing on the back of two goals from Captain Ashlyn Cornolo and Emmy Jeffrey in the first 6 minutes. However, it didn't take long for the opposition to grow into the game who hit back with two goals of their own. In an entertaining half, TWC added a further two goals as Ashlyn converted from the penalty shot and another flowing attack was finished off by Emmy after good work by Alita Huyser on the wing.

The second half didn't disappoint either and if anything, the team gelled quicker than expected. Ashlyn sealed her hat trick from another spot kick and added two more from open play before the final whistle. Her all-round game was on show as she turned provider, assisting Emmy to get her third as well. Alita capitalised after pressing well in the box and Bailee Lewis struck a fine effort to record an emphatic 9-3 win for the College. The backline consisting of Kara Murray and Marie Onema stood firm and were ably assisted by Gracie Carroll and Ella Matthews, whilst Terese did fantastic as the last line of defence, saving a penalty and diving on the ball on numerous occasions.

Barb Metzger, Maria Jeffrey and David Cole

Year 7/8 Boys Soccer

The Year 7/8 Boys and Girls soccer teams travelled to Adelaide at the end of Week 3 to compete in the Statewide Schools knockout competition. The boys faced Unity in game 1 and in a tight tussle led at half-time thanks to a strike from Captain Thomas Damhuis, following good work on the right wing. Seb Morello was unlucky not to add a second and we felt we were denied a clear penalty early in the second half. Unity's best player then turned the tables, first equalizing and then adding a second (capitalising on a mix up at the back). Despite lifting once more, the goals proved elusive, and the final 3-1 result certainly did not reflect how evenly matched the two sides were.

Backing up in game two, the team performed well against Willunga Waldorf School, competing well all over the pitch. Callum Feetom (deputising for the injured Sam Swiggs) stood firm in goal, making several key saves when required. We were in the game throughout and both Zahn Batty and Cooper Fear covered a lot of ground, whilst Will Harrison (agonisingly) had a strike cleared off the line. We ended up going down two-nil in another keenly contested affair. Overall, the boys were praised by the opposition coach for playing fairly and competing with lots of heart.
