## Year 5 Adelaide Camp

After an early start on Wednesday 15 November, our Year 5 students farewelled their parents and boarded the bus. Once reaching the Adelaide Hills, the group went straight into activities with groups participating in a Challenging Hill Obstacle course, Bouldering, Maze challenges and ice blocking. The evening consisted of a hearty meal, a quiz and games night with the Quiz Master Mrs Opperman.

On Thursday, students participated in bouldering, lazer skirmish, light weight cooking (trangia style) and geocaching before a movie and popcorn night.

Whilst on camp, the group held a challenge with points awarded to individuals and dorm groups for personal and group successes as well as positive service and acts towards others.

We are sure there were plenty of stories to share with families upon their return on Friday night.

## Christmas Pageant – Celebrating Christmas the Tenison Woods College Way

Thank you to all the parents and staff who assisted with the preparation, organisation and supervision of the Christmas Pageant Saturday morning.

There was a great organising team, with special thanks to Louise and Darral Vivian who organised with Harrold Transport Services, Williams' Cranes and Sagasser Transport Pty Ltd who provided us with the stunning prime mover (with an awesome air horn) and excellent trailer.

Also special thanks to Krysten and Cameron Von Duve, who ensured that we had the highest quality hay bails to sit on, guaranteeing great effect but also excellent comfort.

As such we were able to create a Christmas Float that powerfully captured the essence of Christmas to our families and ensured that many children were able to participate. We therefore offer our appreciation to:

- Pat and Mick Harrold of Harrold Services.
- Tony Sagasser of Sagasser Transport Pty Ltd.
- Josh Williams of Williams Cranes.
- Mount Gambier Garden Centre.
- Senior School Student Leaders, Molly Livingstone and Paige Luscombe.

We were delighted that the City of Mount Gambier Community Events team congratulated Tenison Woods College on winning the Best Christmas Theme category for the pageant, and Francesca Dickson looks forward to representing the College at the Mount Gambier Parade Presentation Evening on Monday 27 November.

## Senior School Awards Celebration

The Senior School Awards Celebration on Tuesday 21 November in the Barrie Holmes Stadium was a significant milestone in the learning journey of our senior students and a time to reflect on how we have "grown our gifts together" this year.

I offer my sincere appreciation to supporters of the College and sponsors of awards. Their presence on Tuesday at the Senior School Awards Celebration expressed the value they placed on our community, Tenison Woods College, and we also draw inspiration from our relationships with these supporters.

I trust students, parents and staff will take confidence from this celebration; confidence to 'let your light shine' and use their gifts to serve others, so that in their giving and service we become the type of people our God is inviting us to be, and the type of people who will, on a daily basis, help others shine.

## Amaya Gamage Thank You Exhibition

If our community would like to see something truly special, check out the "Thank You Exhibition" in the Front Office of Year 12 graduating Poplars Student, Amaya Gamage. Amaya has found her graphic arts talent during her time at Tenison Woods College and is sharing her gift with our community as a message of thanks, appreciation and hope. We thank Amaya and her parents Rasika and Duminda for the gift of this exhibition and I encourage you to view the exhibition, and be inspired by this talented graphic artist.

## Year 12 Graduation

The Graduation on Friday 24 November from 6:30pm at the Barn Palais is not only an opportunity to celebrate the journey of the students in our community over the years, but also an opportunity to wish them well as they greet life and take their place in our community.

## Thanksgiving Mass

Next Thursday 30 November, we will gather in the Barrie Holmes Stadium for our whole College Thanksgiving Mass. At this celebration of Mass, presided by Father Peter Zwaans, and an event which is the source and summit of our Christian lives, we will celebrate and give thanks to God for the many gifts and blessings we have received throughout this school year. We will remember our successes and our struggles, our joys and our sorrows in a year that we have "grown our gifts together."

Celebrating as a large learning community, that is comprised of and nurtures smaller learning communities, we will ask for God's blessing especially on our Year 6's moving into Middle School, our Year 9's into Senior school and our Year 12's who move into a journey beyond school.

## Planning Stage 3 of our Master Plan

Behind the scenes a consultation process is occurring to plan the next stage of our master plan. This consultation process has involved staff in Health and Physical Education, Outdoor Education and High Performance Sports; Project Recology, Innovation, Science and Technology; Visual Arts and Digital Arts; Performing Arts; Food Technology and Child Studies; Canteen, Sugarloaf Café and Hospitality; and Grounds. These discussions, discernment and exciting building developments ultimately mean exciting learning opportunities for our young.

We are enacting a bold master plan that accentuates our ecological footprint well into the future and ensures the very best experiences for our young for many years. Next year we will finalise planning of stage 3 of our Master Plan and commence the building process. Watch this space ...

At this celebration of Mass, an event which is the source and summit of our Christian lives, we celebrate and give thanks to God for the many gifts and blessings we have received throughout this school year. We remember our successes and our struggles, our joys and our sorrows in a year that we have worked toward 'Growing our Gifts Together.' We come with grateful hearts and spirits to meet our gracious God in Word and Sacrament.

Celebrating as a large learning community, that is comprised of and nurtures smaller learning communities, we will ask for God's blessing especially on our Year 6's moving into Middle School, our Year 9's into Senior school and our Year 12's who move into a journey beyond school.

## Sharing your Christmas – the Krist Kindl Giving Tree

The Krist Kindl Giving Tree will be set up in the Front Office at Tenison Woods College in the next week. We actively encourage families to support AC. Care, Sunset Community Kitchen and Vinnies in their work to support local families in need.

## Year 11 Career Panel Discussion

On the eve of commencing their final year of senior schooling, Year 11 students were audience to a panel discussion on career pathways.

Tahlia Gabrielli, Andrew Hoath, Jocelyn Patzel and Daniel Young shared details of their own career pathways, what they do in their day-to-day work, what they enjoy and what decisions they took to reach their current role.

All panellists spoke about what makes a good employee; demonstrating initiative and being able to communicate effectively were key themes. Andrew and Daniel both explained that their respective employers no longer consider technical skills the greatest asset in a candidate; instead, it is the person's ability to learn, work well in a team, and communicate.

Tahlia spoke about knowing what elements you might enjoy in a role. For her, it is being able to communicate with a wide range of people, that no two days are the same and being able to work in a range of environments.

Jocelyn, as a recent graduate of Tenison Woods College, spoke about the importance of taking any opportunity, especially if you were unsure about a career path. Jocelyn took up a range of local work opportunities which culminated in her studying Human Resources online whilst being employed at OneFortyOne in the Human Resources department. She said that the opportunity to study and work at the same time had been invaluable, with one informing the other.

We thank Tahlia, Andrew, Jocelyn and Daniel for taking the time to share with our students.

## Soccer Students Represent South Australia in Singapore

We would like to congratulate the Tenison Woods College students who recently competed in the 13th edition of the Singa Cup. The cup is held in Singapore as part of the Football South Australia Regional Program.

This was a great experience for all involved and builds on the outstanding results by our Knockout Teams this year. Congratulations to all involved!

## Violet Davis enters Australian Ballet School's Training Program

We are thrilled to announce that Violet Davis has been accepted into the Australian Ballet School's Interstate Training Program.

The ITP is of great benefit to students as they work in a class of high aptitude peers, with teachers of high renown. Aside from the training and social experiences gained, the involvement with the ITP introduces students to the schools culture and its unique training program.

We are very proud of Violet as this is an incredible opportunity for her to expand her ballet training. Violet will remain at MJ Dance and will travel to Melbourne when she can.

Congratulations Violet, we look forward to seeing where this new opportunity takes you!
