Child Care Subsidy

- Child Care Subsidy comes into effect 2 July 2018. The level of Child Care Subsidy that families will be entitled to will be determined by:
 - Family Combined Income
 - Activity Test - work, training, study, volunteering
 - Service Type - using Tenison Woods College ELCC is eligible
 Families need to complete their Child Care Subsidy assessment by providing information and confirming details using their Centrelink Online Account through myGov (my.gov.au/loginservices).

Sick / Cancellation / Public Holidays

- Full Fees will be charged for absences unless two weeks prior notice is given in writing. If the required notice is received, 50% of the usual fee will be charged. For Public Holidays 50% of the usual fee will be charged.

Holidays (longer term)

- Just give two weeks notice in writing to pay only 50% of your fees when you are away. This will maintain your place in the Centre and is a standard industry practice.

Penalties may apply for late payment of fees - refer to ELCC Handbook for more information.

Cancellation of Enrolment

- Two weeks notice in writing is required to cancel your enrolment.

More information can be obtained from www.servicesaustralia.gov.au

Enrolling Your Child at Tenison Woods College

If you are considering enrolling your child at Tenison Woods College please contact our Enrolment Registrar for a separate enrolment form. Please note: The school fees have a different pricing structure than those at the Early Learning & Community Centre due to the government funding for schools' and child care centres' being completely different. Whilst we are unable to offer fee assistance for Early Learning & Community Centre children, we may assist families in financial hardship when they attend our school. For further details, contact our Business Manager, Mr Neal Turley on (08) 8724 4603.
