## GRANDPARENTS AND SPECIAL FRIENDS DAY

A wave of excitement circled our Junior School last week as we welcomed our Grandparents and Special Friends to the College. Students were overjoyed to take their special people around, to show them their learning areas and complete a heartfelt activity together.

## Grandparents and Special Friends Day

Last Friday afternoon, we celebrated the love, devotion and support between grandparents, special friends, and our students. Thank you to all the participants, students and staff with special thanks to our Catholic Identity and Mission Team for their leadership, our Public Relations and Events Team, Year 8 and 12 student helpers, and our Hospitality Students for their support of the day. It was a wonderful afternoon that honoured the wisdom and warmth brought by grandparents and special friends, creating memories and strengthening our experience of community. Thank you to all members of our College family for making it such a successful day.

## Vinnies Fundraising in Term 3

During Term 3, the Tenison Woods College community will be supporting the Vinnie's Winter Appeal. This appeal provides emergency relief to people at risk and experiencing homelessness in our communities. Each year, through the generous support of our students, families and staff, we make a difference to the lives of many this winter.

## Vinnies Day – Friday 16 August

Vinnies Day will take place on Friday 16 August. Students from Early Learning to Year 12 are encouraged to wear comfy casual clothes and donate gold coins which will go directly to the Winter Appeal. To assist in helping you discern donations:

**Junior School:** Please donate a non-perishable food item for Vinnies. Alternatively, families could donate winter essentials such as: new warm pj's, socks or undergarments.

**Early Learning and Community Centre and Middle School:** Please donate a non-perishable food item for Vinnies, such as canned Harvest meals, soup, veggies, tuna, or baked beans, long life milk, spaghetti, or pasta.

**Senior School:** Please donate a toiletry item for Vinnies. Example: shampoo, conditioner, body wash, face cleanser, tooth brush, or tooth paste

## The Vinnies Winter Sleepout - Year 11 and 12 - Friday 16 August

The Vinnies Winter Sleepout for Year 11 and 12 students will take place on Friday 16 August. This optional event aims to raise vital funds for the most vulnerable people in our communities. Those attending the Sleepout will swap their usual cosy beds and food choices for a night without the comforts of home. By choosing to do this they are experiencing, for just one night, a small part of what those facing disadvantage suffer every day.

Additionally, students, and staff, who are not able to stay the night may choose to live without all their usual comforts and donate what they would have spent. Students are encouraged to register their interest for this event via the Forms link in the SEQTA Notices and then set their own fundraising goals.

## St Mary of the Cross MacKillop

Next Thursday, 8 August we celebrate the spirit of one of our College founders, Saint Mary of the Cross MacKillop. Mary chose to make a difference to the society in which she lived in the 19th Century, by educating the poor and helping them build a life through faith and understanding. The feast of St Mary of the Cross MacKillop is celebrated on the anniversary of her death (8/8/1909) and we acknowledge with deep gratitude the efforts of the Sisters of Saint Joseph of the Sacred Heart.

While we celebrate a rich legacy and a significant impact on the weave of Australian society, that commenced over 150 years ago, we also recommit ourselves to the Josephite charism. Just as Mary did, we too are also called to make a difference for our times, with a spirit of generosity and simplicity of life, open to the changing needs of society and prepared to stand with people in the ordinary circumstances of their existence. Our College commitment this week to National Homelessness Week, with the theme "Homelessness Action Now," is one of the many ways we encourage our young to express their faith commitment through deliberate action.

*Through the example of Mary MacKillop, May we learn to recognise God's will for us and trust in God's providence. May her life and service be a light to our path, Awakening in us a deep respect for those who suffer and a passion for justice. May we share in her courage, see with her vision, and love with her heart.*

## 2024 Pathways and Careers Expo

At Tenison Woods College every learner has a place, every learner has a pathway, every learner will shine. That is our challenge and our celebration.

In 2024 the Subject Counselling process for the 2024 year in the Middle and Senior School will begin Tuesday 6 August with the 2024 Year 7 - 12 Pathways and Careers Expo from 4:00pm until 7:30pm. The Expo will complement the Subject Selection Information sessions for 2025 Year 7-12 students.

The purpose of the Pathways and Career Expo is to assist students and parents to gather information regarding subjects that are offered at Tenison Woods College and to assist students to make informed decisions regarding their subject choices, learning and future pathway options. To support students the Expo will offer subject information booths which will provide information in relation to:

- Students regarding subject offerings;
- Pathways within subject areas;
- Skills which can be developed in subjects;
- Pathways post schooling;
- Tertiary and TAFE education options;
- Employment providers and employment support agencies
- Samples of student work;

The Pathways Expo will be held in the MacKillop Junior School Building and a year 7 Subject Information Session for 2025 Year 7 students will be conducted at 6:00pm in the top floor of the Pam Ronan Centre.

The Expo with a range of booths, information session and range of providers will be highly beneficial in assisting students and families to make informed decisions about their learning and subject selections; consequently, we strongly encourage all 2025 students and their parents to attend the Expo.

## CESA Community LLL Perception Surveys

By the conclusion of week five of term 3 all Catholic Schools in South Australia will complete the CESA Living, Learning, Leading Perception Surveys. The surveys are a product of a collaboration between Catholic Education SA (CESA) and Curtin University and are focussed on the development, validation and use of a system-wide survey to examine the understanding of the vision and extent to which Catholic Education SA's Living Learning Leading Framework is taking place in schools as perceived by students, family and staff.

Each survey has been trialled, refined and piloted in a range of CESA school settings and the development team is confident that schools will derive very useful information for planning and improvement.

## Reception Enrolments 2025

I advise parents and caregivers that interviews are well under way for all 2025 Reception Enrolments. We invite parents or caregivers and students to schedule an interview time with Mrs Francesca Dickson, Head of Junior School, to formalise their child's enrolment for 2025. If you have a child who is due to start school in 2025 and have not received a letter, please contact Enrolment Registrar, Tracey Davey on 8725 5455 who will help you organise this.

## White Avenue Safety – Use the Koala Crossing

Families are finding the best place to pick up their children and I ask if children cross White Avenue to cross at the Koala Crossing. Using the Koala crossing offers some extra safety, as cars slow down to navigate the narrowed road.

## Parish Planned Giving Rebate

I remind families that parents contributing to the Parish Planned Giving may claim a rebate from Tuition Fees of 50% of their contribution up to a maximum claim of \$750. Official Parish receipts are to be presented to the Finance Department after the 30 June 2024 for a deduction to be made.

## School Card Support

Families who would like support to meet school fee commitment are urged to apply for School Card. Eligible school card recipients will receive a 50% discount off tuition fees. School card qualification criteria is outlined below.

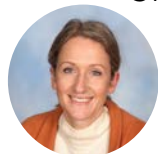

For families who meet the criteria (for the taxable year ending 30 June 2024) it is worthwhile and all you have to do is either make an appointment to see the Business Manager for the completion of the appropriate forms or apply online via <https://www.sa.gov.au/topics/education-and-learning/financial-help-scholarships-and-grants/school-card-scheme> if you wish to complete them yourself. ## KNOCKOUT NETBALL SUCCESS

The Year 8 Girls team faced a few last-minute changes and welcomed some new additions in our first game against Grant High School. Despite a close score, we quickly found our rhythm and secured a convincing victory. As the day progressed, our confidence grew, highlighted by excellent timing and seamless transitions that helped us dominate all our subsequent matches.

Our team's standout feature was our relentless full-court pressure, consistently forcing our opponents into unforced errors that we capitalised on effectively. Lily and Lola were stalwarts in our defensive circle throughout the tournament, making crucial intercepts and rebounds. Claire, on the wing, tirelessly restricted her opponent's space and made key interceptions.

Piper excelled in centre, providing driving force and aggressively pursuing loose balls, while Zara and Tilley displayed composure in attack, delivering the ball safely to our shooters. Our goal combinations varied dynamically, with Lacey, Harper, and Indy seamlessly rotating based on tactical needs, showcasing precise movement and accuracy that posed challenges for defenders.

The final match started with a neck-and-neck score, but our persistent defensive pressure allowed us to gain momentum and establish a decisive lead against a determined Naracoorte team. Every player contributed to our 12-goal victory, securing our spot in the Division 1 section of the upcoming Adelaide finals in Week 6.

Our Open Girls were a force to be reckoned with today, dominating in all areas of the court. Throughout the minor round matches, we got off to excellent starts, putting our opposition under pressure, causing multiple turnovers. Edie Easterby was relentless all day, reading and picking off balls consistently. She combined beautifully with Ava Collins in GK who pulled in passes and rebounds as well as Mia Gysbers out on the wing, who did some excellent defending often picking up loose balls. In attack, we were controlled and patient often having open options to score. Our goalies in Macey Griffith and Mylee Lynch moved well off one another and shot with accuracy. Lillie Paul was dominate through the mid court and assisted well by Sophie Wight and Poppy Venn who hit the circle beautifully.

We finished the minor rounds undefeated and faced Mount Gambier High School in the final. It was a hard contested game in the first half, before the team rallied and put the foot down in the second half keeping them to one goal and overall winners by 26. This now puts us in the Div 1 section in the Adelaide finals, which will be played in Week 6.

## Open Boys Knockout AFL Football

In the Open Boys Knockout Tournament semi-final, Tenison Woods College travelled to Adelaide but fell short against a dominant Henley High School. Despite a determined effort, Tenison was defeated 16.5.101 to 4.8.32. Jed Sims and Cayde Watson were among the side's best, working hard all day against high-level opposition. The team remains proud of their effort and commitment throughout the game, especially as it marked the last match of school football for the Year 12 students, as it was great to see them play together for the final time in a Titans jumper.

## Commissioner's Voice Student Postcard Initiative

Our College is taking part in the Commissioner's Student Voice Postcard initiative! Many South Australian primary school aged children are directly supporting the important work of South Australia's Commissioner for Children and Young People, Helen Connolly, as active participants of her annual Student Voice Postcard initiative, currently being rolled out to all schools across the State. The initiative is helping Commissioner Connolly gain a clearer understanding of what is important to primary school children. She is asking this under-represented group to respond to four simple questions that invite them to tell her what matters to them most, what aspirations they have, what worries them, and what they would change to make their lives better. All responses are anonymous. No personal information is collected. The Commissioner will use the postcard responses to inform her advocacy work to improve the lives of SA's children and young people. Learn more about the Commissioner's Student Voice Postcard initiative at [www.commissionerspostcards.com.au](http://www.commissionerspostcards.com.au)

## Open Girls Knockout AFL Football

The girls' team travelled to Adelaide to compete in two matches at Concordia Oval. Captains Heidi Berkin and Lana Shepherd played a key role in motivating the team and leading by example on the field, contributing to standout performances in both games.

### Game 1: vs. Concordia (37-20)

The first match against Concordia proved to be a challenging contest, with both teams displaying impressive skills. Tenison gained an early advantage in the first quarter, which they extended into the second quarter, leading at halftime. Our team had multiple goal scorers contributing to the scoreboard.

Concordia mounted a strong comeback in the third quarter, scoring a few quick goals. Despite this, our defence remained resolute, with Penny Coleman standing out with her exceptional tackling and marking across the half-back line. Although the girls appeared fatigued in the third quarter, they rallied and found renewed energy. The midfielders, notably Bell Coghlan and Heidi, significantly contributed by driving the ball forward and creating scoring opportunities.

### Game 2: vs. Brighton (35-11)

In the second game, the team faced Brighton in a slightly more physical encounter, with only a 20-minute break between matches. The girls again scored early and steadily built on their lead throughout the game, ultimately securing a comfortable 24-point victory.

Edie's performance in the ruck contests was particularly noteworthy, as she combined effectively with Heidi, Bell, and Chloe and Hannah Bellinger to achieve excellent centre clearances. The defence remained strong, with the entire back line playing a crucial role in maintaining solidity. The wings worked diligently to connect play and neutralize Brighton's advances into the forward line.

Once more, the team benefited from multiple goal scorers, with all forwards contributing to the scoring opportunities and overall team effort.

The girls showcased resilience, skill, and teamwork throughout both matches, leading to a successful day of football. This means the girls will now play off in them Div 2 Grand Final against Heathfield High School in week 7 to determine the overall champions of our division.

## Open Boys Knockout Soccer

On Monday this week the Open Boys Soccer squad travelled to Adelaide to take part in Round 2 of the Division 1 Statewide Knockout competition. After the successful 2023 campaign the squad were promoted to Division 1 highlighting the improvements the squad has shown in recent years.

The squad had a tough draw up against Parafield Gardens in game one and then against the current statewide champions Roma Mitchell High School in game two. The Parafield game started well with The Titans pressing early and having two chances cleared off the line in the first minute. The game settled down with the Titans moving the ball and controlling the tempo of the game until on the 20-minute mark a defensive error let Parafield in to break the deadlock. The Titans responded immediately with Mee Reh Htoo striking the crossbar and Richard Kinyabugina making a good run into the box and being brought down with 2 minutes remaining in the first half. Mee Reh Htoo stepped up and converted the spot kick to level the scores at the break.

The Titans started the second half well with Htoo once again striking the cross bar and Finn Dickson going close with a left foot strike from outside the box. Parafield took the lead with 5 minutes remaining on the clock and despite several attempts in the final minutes the Titans couldn't find the net.

With game two scheduled for 30 minutes later and taking on the highly fancied Roma Mitchell outfit, the task in front of the Titans was a tough one. However, the character of the squad shone through when they took the lead in the first five minutes when Marcus Gajic was able to win the ball up the park and finish past the keeper. The Titans controlled the first half creating several chances the best one coming from solid work by Moo Bya Say who narrowly put the ball past the post.

At half time with the score 1 nil the Titans were expecting a difficult half of football and Roma Mitchell came hard in the first 15 minutes creating several chances. It was the exceptional work of Kade Turnbull in goals that held them out with ten minutes to play.

Roma Mitchell levelled the scores with a nice goal with less than ten minutes remaining on the clock and immediately took the lead only a few minutes later.

Leaving nothing in the tank the Titans pushed hard in the final minutes only to fall short.

In a great day of football the squad showed great character under the leadership of Seth Michelien highlighting how far they have come.

The entire squad performed well and were a credit to the college, with as mentioned in the pre-game address 'their legacy being the successful 2023 campaign and the promotion to Division 1.'
