ANDREW CHINN CONCERT

On Friday, Australian religious songwriter and singer, Andrew Chinn, visited our school to share his songs with our students. Andrew's songs, such as 'These Hands', 'Rainbow', 'An African Blessing' and 'Rise Up!' are used in classrooms and liturgies around Australia, New Zealand, USA and Canada.

We thank Andrew for the interactive concerts that were enjoyed by all!

The Assumption – Thursday 15 August

This Thursday, 15 August, is the Feast of the Assumption of the Blessed Virgin Mary and is a Holy Day of Obligation. The Feast of the Assumption commemorates Mary's entrance into Heaven, body and soul, and as a College community we will commemorate the feast day with a whole school Mass. It is what we Catholics call a Holy Day of Obligation, and Father Olek clarified the nature of this observance well in last Sunday's parish bulletin:

'Holy Days of Obligation' are special occasions on which Catholics are obliged to attend Mass. "On Sundays and other holy days of obligation, the faithful are to refrain from engaging in work or activities that hinder the worship owed to God, the joy proper to the Lord's Day, the performance of the works of mercy, and the appropriate relaxation of mind and body" (Catechism of the Catholic Church 2185).

Aside from every Sunday of the year, there are two "Holy Days of Obligation" in Australia. These are Christmas Day (25 December) and the Feast of the Assumption of the Blessed Virgin Mary (15 August).

Pope Benedict XVI spoke beautifully of the Assumption of Mary in the following manner when he stated that "While she lived on this earth, Mary could only be close to a few people. Being in God, who is close to us, actually, "within" all of us, Mary shares in this closeness of God. Being in God and with God, she is close to each one of us, knows our hearts, can hear our prayers, can help us with her motherly kindness and has been given to us, as the Lord said, precisely as a "mother" to whom we can turn at every moment."

May we turn to Mary who is close to us and receive from her, Jesus her son, the bread of life."

Vinnies Fundraising in Term 3

During Term 3, the Tenison Woods College community will be supporting the Vinnie's Winter Appeal. This appeal provides emergency relief to people at risk and experiencing homelessness in our communities. Each year, through the generous support of our students, families and staff, we make a difference to the lives of many this winter. Our commitment is intensified and celebrated strongly this week.

Vinnies Day – Friday 16 August

Vinnies Day will take place on Friday 16 August. Students from Early Learning to Year 12 are encouraged to wear comfy casual clothes and donate gold coins which will go directly to the Winter Appeal. To assist in helping you discern donations:

Junior School: Please donate a non-perishable food item for Vinnies. Alternatively, families could donate winter essentials such as new: warm pj's, socks or undergarments.

Early Learning and Community Centre and Middle School: Please donate a non-perishable food item for Vinnies, such as canned Harvest meals, soup, veggies, tuna, or baked beans, long life milk, spaghetti, or pasta.

Senior School: Please donate a toiletry item for Vinnies. Example: shampoo, conditioner, body wash, face cleanser, tooth brush, or tooth paste

The Vinnies Winter Sleepout - Year 11 and 12 - Friday 16 August

The Vinnies Winter Sleepout for Year 11 and 12 students will take place on Friday 16 August. This optional event, which currently has over thirty participants, aims to raise vital funds for the most vulnerable people in our communities. Those attending the Sleepout will swap their usual cosy beds and food choices for a night without the comforts of home. By choosing to do this they are experiencing, for just one night, a small part of what those facing disadvantage suffer every day. Additionally, students, and staff, who are not able to stay the night may choose to live without all their usual comforts and donate what they would have spent.

Students are encouraged to register their interest for this event via the Forms link in the SEQTA Notices and then set their own fundraising goals.

CESA Community LLL Perception Surveys

By the conclusion of Week 5 of Term 3 all Catholic Schools in South Australia will complete the CESA Living, Learning, Leading Perception Surveys. The surveys are a product of a collaboration between Catholic Education SA (CESA) and Curtin University and are focussed on the development, validation and use of a system-wide survey to examine the understanding of the vision and extent to which Catholic Education SA's Living Learning Leading Framework is taking place in schools as perceived by students, family and staff.

Each survey has been trialled, refined and piloted in a range of CESA school settings and the development team is confident that schools will derive very useful information for planning and improvement.

Reception enrolments 2025

I advise parents and caregivers that interviews are well under way for all 2025 Reception Enrolments. We invite parents or caregivers and students to schedule an interview time with Mrs Francesca Dickson, Head of Junior School, to formalise their child's enrolment for 2025. If you have a child who is due to start school in 2025 and have not received a letter, please contact Enrolment Registrar Tracey Davey on 08 8725 5455 who will help you organise this.

Student Exemption Form required for absences over 5 days.

If your child will be absent from school for more than 5 days, please ensure that you contact the Administration Office to obtain a Student Exemption Form. All absenteeism for more than 5 days is approved by the College Principal and entered into our Attendance system to ensure accurate records are maintained and family's government benefits and allowances are protected.

School Crossing Reminders

I remind parents about the 25kmph speed limit through the School Crossing when the lights are flashing or at any time when children are present.

Crossing monitors are on duty from 8:20am – 8:40am in the morning and from 3:10pm – 3:30pm in the afternoon to cross children safely. If a parent or child pedestrian is stopped there, waiting to cross, even before the crossing monitors have arrived please stop and allow them to cross.

Please note that it is a legal obligation for drivers at the crossing when the lights are flashing and it is not attended by crossing guards:

- 25kmh must be attained BEFORE the 25 sign, and the drivers must STOP when adults OR children have stood at the side to try and cross.
- Speed must NOT be increased until AFTER the 50kmh sign.

As per legislation, you are also asked not to obstruct the crossing, whilst waiting in a line-up of traffic.

We are looking at measures with the City of Mount Gambier to minimise the congestion in and around our carparks, but I ask for your cooperation, presence and patience during these challenging winter weeks.

Wellbeing Initiative - Classroom Pulse 'Check-In'

As in past years, each term this year during week 5 and 6 every student in a Catholic School in South Australia will participate in a simple online Classroom Pulse Check-In. This Check-In has been developed to ascertain how students are currently feeling about their experience in school. It is tailored to allow your child's teacher(s) to Check-In and provide immediate feedback and support to them. The Check-In will be carried out during the school day.

There are a range of simple questions about your child's life at school, their identity as a person and a learner, their sense of belonging, safety, and friendships. A sample of the Check-In can be found here www.cesa.catholic.edu.au/classroompulse

Parish Planned Giving Rebate

I remind families that parents contributing to the Parish Planned Giving may claim a rebate from Tuition Fees of 50% of their contribution up to a maximum claim of \$750. Official Parish receipts are to be presented to the Finance Department for a deduction to be made.

God Bless,
David Meziniec | Principal

Whole School Mass

Tomorrow, Thursday 15 August, we invite parents and carers to our Whole School Mass in the Barrie Holmes Stadium at 9am. This Mass is to celebrate the Assumption of the Blessed Virgin Mary which is a holy day of obligation for Catholics.

The Catholic Church designates certain holy days throughout the year as days of obligation, where the faithful are required to participate in Mass. These Catholic holy days reflect the importance of these celebrations in the liturgical calendar. Father Peter will help us to reflect on the importance of Mary, Mother of God, where when the course of her earthly life was finished, was taken up body and soul into the glory of heaven.

Seating for guests will be along the side wall of the gym. We look forward to you joining us.

Whole School Vinnies Day to support the Mount Gambier St Vincent de Paul Society

Students from Early Learning to Year 12 are encouraged to wear comfy casual clothes and donate gold coins which go directly to the Winter Appeal. Celebrating Saint Mary of the Cross MacKillop

On Thursday of last week, we celebrated the Feast Day of one of our Founders, Saint Mary of the Cross MacKillop. A small group of students nominated themselves to help celebrate St Mary of the Cross MacKillop Feast Day at Mary MacKillop School, Penola. Read about some of their highlights below -

"I enjoyed doing all of the activities and making new friends"- Bella-Mia Mya (Year 5)

"Making Mary MacKillop figurines and going to the Andrew Chinn Concert"- Eden Harvey (Year 4)

Andrew Chinn Workshops and Concert

The Junior School had a fun and spirit-filled day on Friday last week with Australian religious songwriter and singer, Andrew Chinn. We use many of Andrew's songs in liturgies and prayer, including songs such as 'These Hands' and 'Shine Among Them'. We had lots of superstar students who were called up on stage to share their talents and lead their peers. Andrew brings an energy that reinvigorates students' love of music through engaging and animated performances. We look forward to seeing these songs being used in the classroom and chapel.

Year 7-9 Girls Football Success

On Thursday, our Year 7-9 girls travelled to McDonald Park (East Gambier Football Club) to participate in the Knockout Football tournament against Grant High School and Naracoorte High School. The team showcased a remarkable combination of talent and experience, seamlessly working together to excel in each game.

The first match against Grant High School was a high scoring game for our team who's defense, spearheaded by Gracie was steadfast. The team demonstrated excellent teamwork, with seven different players scoring goals, reflecting our unselfish play and ability to make the best choices. Our passing and connections through the midfield were particularly effective.

In the final match against Naracoorte High School, Tenison Woods College displayed dominance from the start, securing a commanding win. Kalani Dunn made a remarkable impact by scoring four goals in the opening minutes. Once again, our defense was exemplary.

Overall, the team's leadership was outstanding, with Captains Bell and Asha setting a high standard both on and off the field. The players exhibited advanced skills, including effective one-on-one confrontations and smooth ball transitions through the midfield. The team's morale and mutual support were also significant highlights of the day.

Congratulations to all players for their exceptional effort and sportsmanship throughout the tournament!

Junior School Music is Alive with Colour!

Junior School Music has received two exciting new teaching tools; a note worthy rug and a very colourful group loop. Both items are used in Junior School classroom music lessons.

The note worthy rug has 24 squares around the edge each with a different musical note or symbol and a music stave in the middle. The floor rug is used for musical games, teaching note values, signs and symbols.

The group loop is a giant stretchy band that encourages group cooperation, interaction and creative movement in the music lesson.

Students have been having so much fun in the music lesson using these new items which are proving to be highly interactive.

Year 9/10 Knockout Netball Advance to Division 1 Final

Last Monday marked the final day of the Knockout Netball Carnivals, held indoors at Wulanda Recreation Centre. The 9/10 girls team played exceptionally well throughout the day, securing convincing victories in all four of their matches.

In the minor rounds, they faced Millicent High School, St Martins Lutheran College and later Mount Gambier High School, emerging with strong victories in each game. These wins secured their position at the top of their pool, setting up a match against Bordertown High School, who were second in another pool.

The team made a strong start, limiting Bordertown High School to just three goals in the first half. Their impressive defensive performance continued into the second half, with the ball rarely reaching the goal circle. We were eventual winners by over 20 goals. This dominant performance has earned them a spot in the Division 1 knockout netball finals. The team will compete alongside the Year 7/8 and Open teams in Adelaide during Week 6.

We thank Kelly Lockwood for attending the day and umpiring for us.

Harvey's U16 side ended the championships with a 3-1 win-loss record after their narrow loss to Victoria Country in their final match of the championships.

Tenison Woods College congratulates both boys on this outstanding achievement.

Year 9/10 Agriculture Lamb Marking

A big thank you goes out to Nick and Sarai Jenkin in providing the Year 9 and 10 Agriculture classes the opportunity to participate in lamb marking last week.

Nick and Sarai oversaw the practical application of docking tails, castration and vaccination of lambs for the theory that will be studied during class.

This is transferable across species as knowledge of animal health, humane treatment and industry expectations in agricultural practice.

All students keenly assisted in all tasks, enjoyed working as a team fully engaged in reaching the goal of processing the entire flock.
