

Open Heart Open Arms

WEDNESDAY 4 DECEMBER 2024 WEEK 8 , TERM 4

END OF YEAR MASS

With the school year nearing the end, on Thursday morning the College held its End of Year Mass - led by Father Olek. A beautiful banner was also revealed to the College Community that fits with the theme of the year 'Open Heart, Open Arms'. Well done to the Catholic Identity and Mission team for their work!

From the Principal

Thanksgiving Mass

Thursday morning 28 November we gathered in the Barrie Holmes Stadium for our whole College Thanksgiving Mass. At this celebration of Mass, presided by Father Olek Stirrat, and an event which is the source and summit of our Christian lives, we celebrated and gave thanks to God for the many gifts and blessings we have received throughout this school year. We remembered our successes and our struggles, our joys and our sorrows in a year that we have "grown our gifts together."

Celebrating as a large learning community, that is comprised of and nurtures smaller learning communities, we asked for God's blessing especially on our year 6's moving into Middle School, our Year 9's into Senior school and our Year 12's who move into a journey beyond school.

Year 10 Exploring Identities and Futures – The Adelaide Experience

The year 10 cohort are enjoying their Exploring Identities and Futures (EIF) City Experience. EIF provides a unique opportunity for students to tailor their experience to meet their needs, and co-construct their week based on the key principles of the Living, Learning, Leading Framework. The Experience provides the opportunity for students to tackle the provocation: thriving people, capable learners, leaders for the world God desires, with each student able to create their own unique experience in Adelaide, while unpacking the CESA Key Capabilities Continua.

Staff concluding their service

As we conclude the year with various rites of passage experiences at Tenison Woods College we also thank the following staff for their service to the College as they conclude their time with us move to new adventures:

Students and families have been impacted by the presence, creativity, passion and investment in our young as people. I particularly draw your attention to the service of Jeanette Maxwell (22 years), Vicki Gleed (27 years), and Steve Primer (44 years), expressing also our appreciation for their steadfast support of families in our community. As these staff leave us, we say thank you for their commitment to our community, their inspiration and their wonderful legacy through their service of Tenison Woods College.

The essence of Advent – Waiting, Preparing and Rejoicing

We commenced Advent Sunday 1 December. Advent is a season or time of expectant waiting and preparation for the celebration of the birth of Jesus Christ. The word "Advent" is derived from the Latin word "adventus," meaning "coming" or "arrival."

The essence of Advent invites us to anticipate the birth of Jesus by preparing our hearts for the celebration of Jesus' birth. At this time Advent symbolises hope for the future and the fulfillment of God's promises. The lighting of Advent candles, arranged in a wreath, and symbolising hope, peace, love, and joy, represents the increasing light of Christ entering the world and dispelling darkness.

Beyond the hustle and bustle of holiday preparations, Advent encourages spiritual preparation. This involves self-reflection, repentance, and a focus on the deeper meaning of Christmas – the arrival of God in human form to bring salvation. As such Advent is marked by a sense of joyful expectation. We not only reflect on the birth of Jesus but also anticipate his second coming. This dual focus reinforces the idea that Christ's arrival has both historical and future significance.

Overall, the essence of Advent lies in the profound spiritual journey of waiting, preparing, and rejoicing as we celebrate the incarnation of Christ and eagerly anticipate his return. It is a time that encourages us to deepen our faith, cultivate hope, and embody the virtues of patience and joy in the midst of our society's allurements to the commercial first world entrapments of our society's abundance.

Let us appreciate the essence of Advent this year, as we wait, prepare and rejoice.

Congratulations Angelica – Off to Study in Sienna, Italy

Angelica Pietrafesa, Italian Languages Teacher, has been selected as one of fifteen South Australian Languages Teachers to Study at Università per Stranieri in Siena, Tuscany, from 4 January – 24 January 2025.

Staff from both UniSA and Flinders University will accompany Angelica and her peer teachers over three weeks in January and the tour will have a focus on:

- Italian language proficiency development
- Italian cultural immersion
- Enhanced teaching methods
- Professional growth

We wish Angelica the very best as she undertakes a negotiated program with the Università per Stranieri in Siena, and look forward to the impact of her learnings on the experiences she will create for students of our College community.

Thank You WFC Contracting Company

If you are admiring the front garden bed of the College site on White Avenue you are also appreciating the generosity of WFC Contracting who donated 160 cubic metres of garden mulch for the recent works. This was a very significant donation and has been greatly appreciated in ensuring the best possible renovation of the front garden beds.

Junior School and Middle School Rites of Passage

In amongst the transition days which are occurring we look forward to the Year 6 Graduation at 9:00am Monday 9 December, Poplars Concert 5:30pm that Monday evening, the Middle School awards Ceremony Tuesday 10 December at 9:00am and the Year 9 Graduation at 5:00pm that evening. Thursday 12 December will see us celebrate the ELCC Stepping Stones Kindy Graduations at 10:00am and 2:00pm. We look forward to these significant milestones in the learning journey of our students and understand that they are also opportunities to reflect on how we have made lived the school's theme this year of "open heart and open arms."

The Giving Tree

As a College community we annually erect the Giving Tree in the Front Office, and this is an opportunity for everyone in our community to share the joy of Christmas. Gifts and money donated to the Giving Tree will be shared between AC Care and Vinnies who will assist local families this Christmas.

Families may also wish to consider the gifts that ensure others not necessarily known to us enjoy a better Christmas and life; a gift that keeps on giving. Such donations can be made by visiting the websites of such preferred Catholic charities as Caritas, Vinnies and Mercy Gifts. Other charities to consider in such a way may be Oxfam, World Vision, Salvation Army and The Smith Family.

Planning Stage 3 of our Master Plan

Behind the scenes in the past eighteen months a consultation and financial planning process has occurred to plan the next stage of our master plan. We are enacting a bold master plan that accentuates our ecological footprint well into the future and ensures the very best experiences for our young for many years. Next year we will finalise approvals of stage 3 of our Master Plan, accentuating Health, Physical Education, Outdoor Education and Performing Arts, and we will commence the building process during the year.

BYOD – YEAR 6 Families, ready for Year 7 in 2025

As the year flies by and we look to 2025, I remind families that if they are thinking about purchasing a device for next year, check out our Bring Your Own Device page on our website. The link is attached here:

<https://www.tenison.catholic.edu.au/byod-information/byod-purchase-portal>

You can also find this page in SEQTA Engage by choosing the Portals option and selecting - [BYOD Parent / Guardian Information](#).

We encourage families to think about their child's needs a little earlier than they might normally to ensure that the device is ready for the start of 2025.

Key dates for the commencement of 2025:

A full list of 2025 key dates will follow soon, but to assist with planning I inform our College community of dates to commence the 2025 academic year:

Wednesday 22 January 2025	All Teaching Staff commence
Thursday 23 January 2025	Book collection day and staff planning day
Monday 27 January 2025	Australia Day Public Holiday
Tuesday 28 January 2025	Poplars, Rec, Years 7, 10, 11, 12 commence Term 1.
Wednesday 29 January 2025	Years 1-6 and Years 8 and 9 commence Term 1.

God Bless,
David Meziniec | Principal

CIM Team News

Blessing of the Crib

Last Friday, our Junior School enjoyed the Blessing of the Crib's Assembly. Students were invited to bring in the crib from their Nativity scene to be blessed by Fr Peter, with students also acting out the Nativity. The blessing symbolises that all who look upon the empty manger be reminded of the humble birth of Jesus Christ, as we await Christmas with anticipation and excitement. Many students will have brought home a symbol of the nativity that was created in class and blessed at the assembly. We hope these find a special place in your homes.

Sacrament of Reconciliation

On Tuesday afternoon, nine of our students received the Sacrament of Reconciliation for the first time.

We congratulate Harrison McDonnell, Harrison Ras, Henry Marlow, Mac Stratford, Joli Gentile, Evie Cole, Sophie Dunne, Ruby Jaeschke, and Ashleigh Batty.

Lunchtime Stalls- Thursday 5 December

As part of the College's Krist Kindl Giving Tree fundraising, there will be a range of lunchtime stalls occurring on Thursday 5 December to raise money to assist those in need in our community this Christmas. Stalls on offer include: bookmarks, loom bracelets, sweet treats, pom-pom bag tags, jewellery, Christmas cards, second-hand books, prayer Jars, and more!

Students are able to bring along a couple of gold coins to buy something if they wish. We thank you in advance for your kindness and generosity towards those in need within our community.

Carols in the Church

All families and community members are invited to join us for our 'Carols in the Church' event to be held in St Paul's Catholic Church on Thursday 5 December at 6pm. This is always a lovely celebration as we prepare for the joy of Christmas and showcases the wonderful talents of students and staff. As this event is taking place in our sacred space, please remember not to bring in food and to ensure children remain under the supervision of their parent/carer.

Sharing your Christmas – the Krist Kindl Giving Tree

This Christmas, we ask, What can you give to the Christ Child this year? When we give selflessly, we remember the Three Wise Men, who brought their gifts to the baby Jesus - the greatest gift of all. In that same spirit, our donations to those in need become an expression of Christ's love and a reminder of our shared commitment to love others, especially those we may not know.

The Krist Kindl Giving Tree is now set up in the Front Office at Tenison Woods College ready to receive gifts. We actively encourage families to support AC Care, Sunset Community Kitchen and Vinnies in their work to support local families in need.

We will also be supporting the Community Christmas Lunch held on Christmas Day. Staff will be donating toiletries and wrapped chocolates and/or lollies to be placed into gift bags for those attending. Any families who would also like to contribute items for this event can do so by placing them under the Krist Kindl Giving Tree with the gifts.

Masses and Liturgies at Tenison Woods College

Mass is celebrated each Thursday of the term and is led by a different year level each week. Due to a shortened term, some Year Level Masses will take place on a Tuesday, indicated below. All are welcome to join us for these masses.

Upcoming Masses and Liturgies

Thursday 5 December	9:10am Year 8 Mass
Wednesday 11 December	Year 7, 8 and 9 End of Year Liturgies (various times)

FROM THE PARISH

Christmas Nativity Play

This year we will be filming the Christmas Nativity Play which will be presented at the Christmas Masses in the Parish churches. We invite children to register their interest in being part of the play with Sally Telford (telfs@tenison.catholic.edu.au). Filming will take place on Sunday 8 December from 12pm.

Multicultural Shared Lunch

On Sunday, 8th of December there will be a multicultural shared lunch after the 11am Mass in St Paul's.

Jennie Sanderson Junior School Leadership Award

Recently the College Leadership and Counselling Team gathered to acknowledge the wonderful commitment of Jennie Sanderson to Tenison Woods College, celebrating with her family the installation of the Jennie Sanderson Junior School Leadership Award, which we look forward to presenting at the Year 6 graduation in Week 9.

The Jennie Sanderson Junior School Leadership Award acknowledges a female and male student who has made a significant personal contribution to the wellbeing of their fellow students and the College Junior School community through their relationships, commitment and leadership.

The Jennie Sanderson award acknowledges the significant contribution of Jennie Sanderson. A former long serving teacher and Director of Wellbeing, whose efforts laid the foundation for a Tenison Woods College that appreciates the nuances of a thriving community, built on the power of relationships, care for others and a commitment to deliberately building community.

A fitting award in honour of a person who has given so much to our College.

Lunch Clubs Create Christmas Decorations For Display

For the first time Students at Tenison Woods College made beautiful angels during Friday's lunch clubs which were used to decorate Christmas Trees in the Marketplace. Well done to everyone involved! They look fantastic.

Reception Students Learn About Italian Christmas Traditions

In Italian in Reception we have been learning about Christmas traditions in Italy. La Befana delivers gifts on January 6th the Epiphany when the 3 Wise Kings visited Jesus.

Sustainable Christmas Ornaments

For Christmas gifts this year, the ELCC MacKillop Room collaborated with James Gilham and the technology department to create sustainable Christmas ornaments. The Kindergarten children designed and drafted a Christmas picture of their family which was then laser printed onto wood by students. Thank you Mr. Gilham for your support.

Year 3 'Storm Boy' Exhibition

Last week, our Year 3 students held their Storm Boy Exhibition and invited parents and carers into their learning space.

The students showcased their reading reflection booklets, humpy creations and character haiku poems, from their unit on the novel 'Storm Boy'.

We hope everyone enjoyed this opportunity to celebrate the students outstanding work.

Year 3 Beach Excursion

Recently, our Year 3 students had an incredible morning at Carpenter's Rock with Landscape SA, learning about microplastics, beach rubbish, and shorebirds. They rolled up their sleeves for a beach clean-up, making a real difference for our environment.

The day continued at Port MacDonnell, where they participated in a special prayer service dedicated to Caring for God's Creation, featuring a beautiful mandala crafted from some of the collected rubbish.

Afterwards, they celebrated their efforts with a delicious feast of nuggets, chips, and juice before enjoying some well-deserved playtime at the playground.

A fantastic day filled with learning, care, and fun!

Senior Leadership Planning Day

Recently, the 2025 Senior Student Leaders gathered for their planning day to envision how the upcoming year could take shape.

The day began with a reflective liturgy, grounding the students in what God calls us to be. They took time to connect with one another, getting to know their team and identifying the strengths within each leadership pair. Together, they reflected on the question, *What do we want to be known for?*

To conclude, the group focused on selecting a theme for 2025, Pope's Jubilee year of hope as their guiding inspiration. They look forward to sharing the refined them and embodying this throughout the year ahead!

Students Gain Apprenticeships

2024 concludes with three students obtaining apprenticeships. Jackson Driver commenced last week with Autocare Mount Gambier as an Apprentice Automotive Technician, Tayla Graney will commence a Hairdressing Apprenticeship in the new year, and Oscar Sneath has moved into a full-time Mobile Plant Technician apprenticeship with Fennell Forestry. All students diligently worked towards this objective, securing work placements and undertaking VET training. We congratulate all three students on this wonderful outcome and wish them every success for the future.

Amber Competes at Pony Club State Championships

Amber Pohlner recently competed in the Pony Club of South Australia State Championships held at the Mount Gambier Pony Club.

Amber had a very successful start to the competition completing the dressage & cross country phases. Unfortunately Amber's pony was not feeling well enough to continue to complete the showjumping & Amber naturally put the welfare of her stead as her highest priority retiring 'Molly' to ensure she is safe & well.

Amber displayed great horsemanship in both the sections she was able to complete & sportsmanship in retiring with grace.

Unlock Your Potential: The Power Of Learning An Instrument!

At Tenison Woods College, we believe in nurturing every student's potential, and one of the best ways to do that is by encouraging the learning of musical instruments.

Did you know that learning music does more than just sound amazing? It can help improve your brainpower, especially in literacy and numeracy! According to Bigger Better Brains, playing an instrument strengthens the parts of your brain that help with reading, writing, and even solving math problems. When you practice music, you're training your brain to listen carefully, recognize patterns, and think creatively—skills that are essential for success in school.

Here's how learning an instrument can help:

- 1. Boosts Literacy Skills:** Playing music helps develop strong listening and language skills. When you read music, you're learning a new language, and this can make it easier to understand reading and writing in the classroom.
- 2. Enhances Numeracy:** Music is full of patterns and rhythms, which are directly linked to math. Counting beats, reading music timing, and recognizing patterns all work together to boost your math skills!
- 3. Improves Focus and Memory:** Learning an instrument requires focus and practice, which helps strengthen your memory and attention—two key factors that help you do better in all areas of school.
- 4. Encourages Creativity:** Music allows you to express yourself in new and exciting ways. It challenges your brain to think differently, which can help you solve problems and come up with fresh ideas in all subjects.

By choosing to learn an instrument, you're not just becoming a better musician—you're setting yourself up for success in all your studies.

So, whether you're interested in singing, drums, piano, brass, woodwind or string instruments, know that each practice session; each instrumental lesson; and each ensemble or choir rehearsal, is helping you become a better learner! Let's make music together and watch how it helps you grow in every way!

Follow the link to the **2025 Vocal and Instrumental Application Form** to register your interest: <https://www.tenison.catholic.edu.au/teaching-and-learning/music>

You can also contact a music staff member to find out more. We would love to hear from you!

Year 7/8 Boys T20 Cricket Country South Winners

The Tenison Woods College Year 7/8 cricket team emerged victorious in the T20 Country South competition after an impressive performance throughout the tournament.

The boys travelled to Keith to face River Mallee & Districts in the final, having already secured victories against St Martins and Millicent High School in earlier rounds. Winning the toss on a warm day, Captain Will Harris elected to bat first, setting the stage for a commanding display.

Ryder Lindner led the batting charge with an unbeaten 50*, supported by Captain Will Harris (30*) at the top of the order and a late flurry of boundaries from Charlie Bromley (23*). These contributions gave Tenison an imposing total of 1/130 from their 20 overs.

With the ball, the team maintained their dominance. Ryder Lindner again stole the spotlight, taking an outstanding 4/14 from his 4 overs, which dismantled the opposition's batting lineup. The disciplined bowling effort from the entire team restricted River Mallee & Districts to 8/101 at the conclusion of their innings.

This win capped off a strong campaign, with the boys performing consistently well across all three fixtures. Congratulations to the Year 7/8 team on claiming the title!

SAPSASA Tennis Representatives

Last week Tenison Woods College had 5 representatives in the State Tennis SAPSASA carnival. All 5 experienced hot weather playing in Adelaide but took a lot out of the experience. Well done to you all.
