CHARITY DAY

\$5,000 Goal Reached!

Last week, we held our annual Charity Day, ahead of the departure of the students attending the Timor-Leste Immersion this year. Our Year 12 students provided buddy activities throughout the day, with fun activities including pin the nose on the teacher, petting zoo, rock decorating, soccer and face painting just to name a few. At lunchtime the students swarmed to our student-run, 'Reduce, Re-Use, Relove' Timor-inspired market stalls, selling a variety of different items, as well as a student-run BBQ, with all money raised going to Timor-Leste communities.

From the Principal

Charity Day - Fun and Fund Raising

Thank you to all students, staff and parents who supported last Thursday's Charity Day, with a focus on our long standing connection to Timor-Leste.

Activities were conducted by Year 12 students in the Barrie Holmes Stadium from 10:30am. Here Year 12s expressed their commitment in organising a range of activities which appealed to all year levels. Year levels attended the activities with their buddy class to have some fun but to also accentuate year level cooperation and peer mentoring.

Students and staff were invited to wear casual clothes and bring cash as well as stationery items, to support Timor-Leste projects. Thank you also to staff and students who offered to sell items at the market stalls at lunchtime under the sails.

It was a great day of fun and fund raising that led to the wonderful Lip Sync Challenge on Friday at lunchtime to celebrate the excellent fundraising efforts. Thank you to the whole College community for offering their time, talents and commitment to Charity Day. Special thanks to the Catholic Identity and Mission Team, Andi Corfield, Sam Crispino, Tania Sigley, Student Leaders and Year 12 Students for their leadership, and for all the staff who supported in the background.

Bon voyage – Timor-Leste Immersion Delegations

The Tenison Woods College 2025 Immersion Program to Timor-Leste will depart from Mount Gambier Sunday 29 June to 12 July. Under the guidance of Bernadette Fisher, the delegation includes:

Anvita Bhardwaj
 Nevae Brooksby
 Cadence Bryant
 Chloe Copping
 Sam Crispino
 Parami Dee
 Bonny De Nys
 Toby Drew
 Andrew Hinchcliffe
 Matthew Keen
 Czara Kumbhare
 Grace McCarthy
 Claire Mitchell
 Jahli Mutton
 Macey O'Brien
 James Vaughan
 Ivy Wurst
 Tania Sigley
 Haley Linder

Don't forget to follow the "Timor-Leste 2025 Blog", the url is <https://www.tenison.catholic.edu.au/newsroom/blogs>

I trust these students will gain insights into the realities of life for our poorest neighbours of Timor-Leste in both village and urban contexts as well as to witness the work of the Church as it meets the material, pastoral and spiritual needs of the communities served by its presence. All money raised this year will be distributed to the communities that delegates will visit, such as the Bakhita Centre, the Dominican Orphanage and our sister school in Hatolia, San Francisco Xavier College. Through immersing themselves into the Timorese culture, students will embark on a transformative journey of learning and

self-discovery. They will witness the resilience and determination of the communities they visit, gaining a deep understanding of their challenges, but at the same time their appreciation of their precious gift of life. It is hoped that this experience will foster empathy, compassion and an appreciation for cultural diversity and will inspire our students to strive for a more just and inclusive world.

I look forward to hearing the stories of the delegation and their insights into how the funds raised by our community this year will be donated and put to good use to support our neighbouring sisters and brothers.

White Avenue Safety – Use the Koala Crossing

Families are finding the best place to pick up their children and if children cross White Avenue I ask them to cross at the Koala Crossing. Using the Koala Crossing offers some extra safety, as cars slow down to navigate the narrowed road. We continue to lobby for a more elaborate solution to traffic challenges on White Avenue, but at this stage, awareness, care, and use of the Koala Crossing is our best approach.

Parking on Aston Fields

It has been drawn to our attention that parents are using the student car park entrance and parking on the grassed areas of the Aston Fields. We ask that parents avoid these areas as this parking is causing a safety concern during lessons and immediately after school.

Connected and supported - Messenger Chats

The Faith, Health & Wellbeing Committee of the Tenison Woods College Board invites Poplars and Reception to Year 7 families to join a Parent/Carer Year Level Messenger Chat. This platform aims to enhance parent connections and support children's development through collaborative communication.

Membership

Participation in the Year Level Messenger Chat is voluntary for families and teachers and participants can opt in or out anytime.

To access the 2025 Parent/Carer Messenger chat links please click on your child's year level link below:

School Card Support

Families who would like support to meet school fee commitment are urged to apply for School Card. Eligible School Card recipients will receive a 50% discount off tuition fees. School Card qualification criteria is outlined below.

For families who meet the criteria (for the taxable year ending 30 June 2024) it is worthwhile and all you have to do is either make an appointment to see the Business Manager for the completion of the appropriate forms or apply online via <https://www.sa.gov.au/topics/education-and-learning/financial-help-scholarships-and-grants/school-card-scheme> if you wish to complete them yourself. If you are applying online, please ensure to select **Tenison Woods College** not Tenison Woods Catholic School.

| Number of Dependent Children | Combined Gross Family Income Limit For the 2023-24 Financial Year | Gross Weekly School Card Income Limit |
|---------------------------------|---|---------------------------------------|
| 1 | \$74,189 | \$1,426 |
| 2 | \$75,514 | \$1,452 |
| 3 | \$76,839 | \$1,478 |
| 4 | \$78,164 | \$1,504 |
| 5 | \$79,489 | \$1,530 |
| Each Additional Dependent Child | \$1,325 | \$26 |

Families who do not meet the criteria but may still struggle to pay the full scheduled College fees are also invited to make an appointment with the Business Manager. All discussions are kept strictly confidential.

Student Exemption Form required for absences over five days

If your child will be absent from school for more than five days, please ensure that you contact the Administration Office to obtain a Student Exemption Form. All absenteeism for more than five days is approved by the College Principal and entered into our attendance system to ensure accurate records are maintained and family's government benefits and allowances are protected.

Parish Planned Giving Rebate

I remind families that parents contributing to the Parish Planned Giving may claim a rebate from Tuition Fees of 50% of their contribution up to a maximum claim of \$750. Official Parish receipts are to be presented to the Finance Department after 30 June 2025 for a deduction to be made.

God Bless,
David Mezinac | Principal

Charity Day Thank You

It was wonderful to see the student engagement throughout Charity Day last week and the generosity that was shown in the giving of money to support the various projects which we support in Timor-Leste. The total amount of money raised on the day was \$7,590.65!

Save the Date - Grandparents and Grand-Friends Day

Grandparents and Grand-Friends afternoon will be taking place on Friday 25 July. We ask that Grandparents and Grand-Friends gather in the Barrie Holmes Stadium at 2:00pm where tea and coffee will be available. Following a short prayer service, Grandparents and Grand-Friends will be guided to classrooms to visit their young people.

This event is for our MacKillop Junior School (Reception-Year 6).

This day aligns with World Day for Grandparents and the Elderly. Pope Francis established this day, which takes place on the Sunday closest to the Feast of Saints Joachim and Anne, the Grandparents of Jesus. He announced this day to celebrate the importance of grandparents to family life, and how grandparents and the elderly are a value and a gift both for society and for Church communities.

We look forward to families extending this invitation.

High Tea for the St Vincent de Paul Society

A High Tea will be held at the Blue Lake Bar and Bistro on Sunday 29 June at 2:00pm to raise funds for the St Vincent de Paul Society Mount Gambier. The High Tea will include delicious food and endless tea and coffee. Tickets are \$30 per person and we encourage people to make tables of 8-10. Please phone 8725 6198 or Chris Lloyd lloyd@tenison.catholic.edu.au to make a booking.

Term 2 Masses in the College Chapel

Mass takes place every Thursday at 9:10am in our school chapel, with a different year level preparing, for and attending, the Mass each week. We welcome family and community members to attend. Please see the upcoming Masses below

Week 9: Thursday 26 June - 9:10am, Year 7 Mass, Chapel

Week 10: Thursday 3 July - 9:10am, Year 4 Mass, Chapel

From the Parish

Mass of the Feast of St Thomas

Fr Prathap & Fr Sakher will be celebrating Mass on Friday 4 July at 6:00pm in St Paul's for the feast of St Thomas the Apostle, the patron saint of India. We especially extend a warm invitation to the Indian community in our parish and school. Following Mass, there will be a shared supper in the hall. To help with catering, if you would like to bring a cultural dish to the supper, please notify the parish office on 8725 6566 by Tuesday 1 July. Everyone is welcome to Mass and supper.

DEANERY RETREAT DAY - Save the Date

You are invited to the South-East Deanery Retreat Day on Saturday 9 August at St Joseph's Church Penola from 11:00am and concludes with the Vigil Mass at 4:30pm. The theme for the retreat is "Providence and Hope with St Mary MacKillop." Please pencil this date in your calendar. More information will be available in the coming weeks.

Lion's Mad Minute Grand Challenge

Congratulations to Year 5 Students Lacey Button, Bella Aarts and Leo Mules, who represented Tenison Woods College in the Lion's Mad Minute Finals. All three students represented the College well, spoke clearly and had amazing points.

Lacey was awarded first place and best overall for the Lower Limestone Coast, across a pool of 18 schools representing the Lower South East.

Tenison Woods College also won the Division 1 Aggregate Trophy, competing against five other large schools in the region.

Leo's topic was 'dessert is the best part of the meal'. Bella's topic was 'snakes are scarier than spiders' and Lacey's topic was 'sunrise was better than sunset'.

Once given a topic, students could choose how they approached their argument, whether they agreed or disagreed, and were then given one minute to present their speech. All students prepared and performed incredibly throughout the Mad Minute process. A huge thank to the Lions Club for supporting students in making their voices heard!

Junior School Stationery Drive - Thank You!

A heartfelt thank you to our school community for your incredible support and generous donations to the Junior School Stationery Drive. Your kindness made a real difference! On Charity Day, our STAR Leaders proudly assembled stationery packs, which will be sent with our students on their upcoming Timor-Leste Immersion trip. These packs will help support learning for students in Timor and are a beautiful example of our community living out compassion and service in action.

Adam Page Music Workshop

The Year 6 Band, Concert Band and Showband came together for a performance and workshop from Adam Page. Adam is a multi-instrumentalist, composer, music educator and record producer based in Adelaide who is originally from Mount Gambier. He inspired the students with a short performance where he showcased many instruments that he looped live to create original compositions. Then the 60 students all workshoped a song, the first time we have grouped them together - 60 students playing together on band instruments makes a fantastic sound! Finally, the Showband then had a more advanced workshop which focused on groove and articulation.

Junior School Postcard Competition Champions!

Every year, Commissioner for Children and Young People, South Australia, Helen Connolly, organises the Student Voice Postcard initiative as a way of providing Primary School children with an opportunity to have their voices heard and their ideas and views considered. They ask every primary and combined school in South Australia to support their students to take part by completing a postcard and returning it to her.

Students do this by responding to four questions based on the following four recurring themes:

- What is important to children in this age group...
- What aspirations do they have...
- What are they most worried about...and
- What would they change about their lives if they could?

Tenison Woods College Junior School has been participating for many years and received the Student Voice Champion Medal. The Commissioner's Student Voice Champion Medal recognizes schools in South Australia that have actively participated in the Commissioner for Children and Young People's Student Voice Postcards initiative. This initiative allows Primary School students to share their thoughts, aspirations, and ideas with the Commissioner, whose office then uses this input to inform policy and decision-making. Schools receiving the Champion School Award are acknowledged for their commitment to amplifying student voices.

Visit to University of South Australia Mount Gambier Campus

On Monday 23 June we were fortunate to have the opportunity to tour the wonderful facilities at the Mount Gambier Campus of the University of South Australia. Year 12 students who are interested in pursuing career pathways into Nursing, were able to view the teaching and learning spaces on offer and gain a valuable insight into the course and skills required for nursing as a career. It was fascinating to hear that over many years, every graduate of the Nursing degree in Mount Gambier has been successful in gaining employment. We are so grateful to Nursing Lecturers, Tara McCracken and Miriam Bayes, Regional Manager of the University, Peta Crewe, for taking the time to spend with our students, and for giving them the opportunity to connect to the University locally.

Year 9 Students Bring Art to Life with Dinner Plate Animations

Our Year 9 Animation students have completed an innovative term-long project that literally puts art on the table. The "Dinner Plate Animation" project challenged students to create custom animations specifically designed for projection onto dinner plates, transforming everyday dining into an immersive visual experience.

Working with industry-standard software including Adobe Photoshop and After Effects, students developed their artistic and technical skills from the ground up. They designed original graphics, mastered complex animation techniques, and explored advanced After Effects tools including composition layouts, precomp mini animations, and sophisticated transformation effects using scale, rotation, and opacity adjustments.

The dedication shown by our students was remarkable as they refined their graphics and incorporated special effects to create truly impressive animations. This unique project not only developed their digital media skills but also encouraged creative problem-solving as they considered how their animations would interact with the curved surface of dinner plates. The results showcase the incredible talent and hard work of our Animation students.

YEAR 11 PHOTOGRAPHY EXHIBITION

We are excited to invite our school community to the upcoming Year 11 Photography Exhibition, 'Hope Lights the Way', proudly displayed at the Wattle Range Gallery in Millicent. This exhibition showcases the creative work of our Year 11 Photography students, who have explored the theme 'Hope Lights the Way' through a photographic lens. Their work reflects personal interpretations of hope using imagery of flowers, animals, and local art and sculpture — all captured with thoughtfulness, technical skill, and heart. Throughout the term, students have developed their visual storytelling skills, learning to use light, composition, and symbolism to communicate deeper meaning in their images. The final works offer a beautiful insight into how hope can be seen in everyday life, nature, and the world around us.

We encourage all families, friends, and community members to visit the exhibition and celebrate the creativity and vision of our young artists.

Exhibition Details

Location: Wattle Range Gallery, Millicent Library

Time: Exhibition open during library hours

Thank you for supporting our students as they share their voices and talents with the wider community. We are incredibly proud of the effort and passion they have put into this project.

CHARITY DAY LIP SYNC BATTLE

Congratulations to the Tenison Woods College community on reaching our fundraising goal for Charity Day, which was celebrated in our lunchtime Lip Sync Battle for Timor-Leste on Friday. All competitors showed great enthusiasm with student leaders and staff taking the stage. A tight battle between the Spice Leaders and Mr Mezinec's Swagger Jagger crew brought the house down. In the end the judges could not separate the two resulting in a draw. Every dollar raised supports our brothers and sisters in Timor-Leste and if you'd still like to donate, jump onto the QKR app anytime <https://shorturl.at/ErhAp>

A massive thank you to everyone who performed, cheered and gave generously.

RECEPTION TERM 3 TRANSITION #1

On Monday morning we welcomed these fresh-faced and excited students, to join the College community for their first two days of transition to 'big school', ready for next term. The morning started off with reading 'Magic Hat' and 'Dear Zoo' books, and the students played together, ate recess together and made new friends. Many of these children are joining us from our Early Learning & Community Centre, and from Kindergartens from around the region. Thank you to our Year 5 students who showed leadership when escorting and interacting with the students and their families.

We look forward to you joining us in Term 3!

PUT THE 'T' IN SHIRT

This term, students in Mrs Hopgood's 'Put the 'T' in Shirt' class have been diving into the world of digital design! They've spent the term creating unique t-shirt designs and bringing them to life as GIFs using Adobe Photoshop. Through hands-on learning, students explored a variety of tools in Photoshop, learning how to manipulate images and unleash their creativity.

Once the designs were ready, we printed them on t-shirts, pencil cases, and bags. The magic didn't stop there! Using the EyeJack program, students brought their designs to life in a whole new way. By scanning a QR code and holding a tablet up to the printed design, the GIFs spring to life in the digital world. This project has been a fantastic way for students to explore both traditional and digital creative tools, all while having loads of fun!

EXPLORING IDENTITIES AND FUTURES EXPO

On Friday, Year 10 EIF students presented their diverse range of passion projects in an Expo for staff and students.

The EIF students were given the task of identifying a personal learning goal (topic) to explore, showcasing their 'student agency'. The range of projects was impressive, from building surf boards, basketball back boards, and creating music compositions, to exploring personal health and wellbeing, and developing artistic and cooking skills.

The EIF Expo provided students with the opportunity to celebrate their personal learning journeys as well as those of their peers, while also giving future Year 9 and 10 EIF students a clear understanding of what to expect.

LUNCHTIME EXPERIMENTS - KALIDESCOPIES

Here are some photos from the most recent 'Lunchtime Experiments' session, in which the students made their very own kalidescopes using paper rolls, different shapes, beads and plastic, as well as of course, lots of their own creative decorations. Thank you to Ellah David and Tilly Salnmon, Year 12 students, who very generously give their lunchtimes each week to share some fun science knowledge with young students.
